ARTICLE I - PURPOSE

The purpose of this Intergovernmental Service Agreement (IGA) is to establish a formal binding relationship between the U.S. Marshals Service (USMS) and other federal user agencies (the Federal Government) and Mercer County (the Local Government) for the detention of persons charged with or convicted of violations of Federal law or held as material witnesses (Federal prisoners) at Mercer County Detention Center (the facility).

ARTICLE II - ASSIGNMENT AND CONTRACTING OF CATEGORICAL PROJECT-SUPPORTED EFFORT

1. Neither this agreement nor any interest therein, may be assigned, or transferred to any other party without prior written approval by the USMS.

2. None of the principal activities of the project-supported effort shall be contracted out to another organization without prior approval by the USMS. Where the intention to award contracts is made known at the time of application, the approval may be considered granted if these activities are funded as proposed.

3. All contracts or assignments must be formalized in a written contract or other written agreement between the parties involved.

4. The contract or agreement must, at a minimum, state the activities to be performed, the time schedule, the project policies and the flow-through requirements that are applicable to the contractor or other recipient, other policies and procedures to be followed, the dollar limitation of the agreement and the cost principles to be used in determining allowable costs. The contract or other written agreement must not affect the recipient's overall responsibility for the duration of the project and accountability to the Government.

ARTICLE III - SUPPORT AND MEDICAL SERVICES

1. The Local Government agrees to accept and provide for the secure custody, care and safekeeping of federal prisoners in accordance with state and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility.

2. The Local Government agrees to provide federal prisoners with the same level of medical care and services provided local prisoners including the transportation and security for prisoners requiring removal from the facility for emergency medical

services. All costs associated with hospital or health care services provided outside the facility will be paid directly by the Federal Government. In the event the Local Government has a contract with a medical facility/physician or receives discounted rates, the federal prisoners shall be charged the same rate as local prisoners.

3. The Local Government agrees to notify the U.S. Marshal as soon as possible of all emergency medical cases requiring removal of a prisoner from the facility and to obtain prior authorization for removal for all other medical services required.

4. When a federal prisoner is being transferred via the USMS airlift, he/she will be provided with three to seven days of prescription medication which will be dispensed from the detention facility. When possible, generic medications should be prescribed.

5. Medical records must travel with the federal prisoner. If the records are maintained at a medical contractor's facility, it is the detention facility's responsibility to obtain them before a federal prisoner is moved.

6. Federal prisoners will not be charged and are not required to pay their own medical expenses. These expenses will be paid by the Federal Government.

7. The Local Government agrees to notify the U.S. Marshal as soon as possible when a federal prisoner is involved in an escape, attempted escape, or conspiracy to escape from the facility.

ARTICLE IV - RECEIVING AND DISCHARGE

1. The Local Government agrees to accept as federal prisoners those persons committed by federal law enforcement officers for violations of federal laws only upon presentation by the officer of proper law enforcement credentials.

2. The Local Government agrees to release federal prisoners only to law enforcement officers of agencies initially committing the prisoner (i.e. DEA, INS, etc.) or to a Deputy United States Marshal. Those prisoners who are remanded to custody by a U.S. Marshal (USM) may only be released to a USM or an agent specified by the USM of the Judicial District.

3. The Federal Government agrees to maintain federal prisoner population levels at or below the level established by the facility administrator.

4. Federal prisoners may not be released from the facility or placed in the custody of state or local officials for any reason except for medical emergency situations. Federal prisoners sought for a state or local court proceeding must be acquired through a writ of Habeas Corpus or the Interstate Agreement on Detainers and then only with the concurrence of the Director of Marshals.

ARTICLE 11 - PERIOD OF PERFORMANCE

This Agreement shall be in effect indefinitely until terminated or written by either party. Should conditions of an emergency nature occur making it impractical or undesirable to continue house prisoners, the local government may suspend or restrict the use of the facility by giving written notice to the U.S. Marshall. Such notice will be provided 90 days in advance of the effective date of formal termination and at least two weeks in advance of suspension or restriction of use unless an emergency situation requires the immediate evocation of prisoners.

ARTICLE 12 - FEE SCHEDULE AND SCHEDULE PRICE ADJUSTMENT

1. The item rates shall be established on the basis of actual and allowable costs associated with the operation of the facility during a second annual accounting period.
2. The Federal Government shall reimburse the local government on the fixed fee rate identified on page 1 of this Agreement. The rate may be renegotiated not more than once per year after the agreement has been in effect for twelve months.
3. The rate covers one (1) person per "prisoner day". The Federal Government may not be billed for two days when a prisoner is admitted one evening and removed the following morning. The local government may bill for the day of arrival but not for the day of departure.
4. When a rate increase is desired, the local government shall submit a written request to the USJ at least 60 days prior to the desired effective date of the rate adjustment. All such requests shall contain a completed Cost and Pricing Data Sheet which can be obtained from the USJ. The local government agrees to provide additional cost information to support the requested rate increase and to permit an audit or accounting records upon request of the USJ.

6. The effective date of the rate modification will be negotiated and specified on the IGA Modification form approved and signed by a USMS Contract Specialist. The effective date will be established on the first day of the month for accounting purposes. Payments at the modified rate will be paid upon the return of the signed modification by the authorized local official to the USM.

All recipients receiving direct awards from the USMS agency are responsible for the management and fiscal control of all funds. Responsibilities include the accounting of receipts and expenditures, cash management, the maintaining of adequate financial records, and the refunding of expenditures disallowed by audits.

ARTICLE IX - ACCOUNTING SYSTEMS AND FINANCIAL RECORDS

1. The recipient shall be required to establish and maintain accounting systems and financial records that accurately account for the funds awarded. These records shall include both Federal funds and all matching funds of state, local and private organizations. To avoid possible subsequent disallowance or dispute based on unreasonableness or unallowability under the specific cost principles, recipients must obtain prior approval on the treatment of special or unusual costs.

3. Requests for prior approval must be in writing and justified with an explanation to permit review of the allowability of the costs. The requests are to be submitted:

causes a significant change in the level of services under this IGA. The notification shall be supported with sufficient cost data to permit the USMS to equitably adjust the per diem rates included in the IGA. Depending on the size of the facility for purposes of assessing changes in the population, a 10% increase or decrease in the prison population shall be a "significant increase or decrease" for purposes of this subsection.

ARTICLE X - MAINTENANCE AND RETENTION OF RECORDS AND ACCESS TO RECORDS

1. In accordance with 28 CFR Part 65, all financial records, supporting documents, statistical records and other records pertinent to contracts or sub-awards awarded under this IGA shall be retained by each organization participating in the program for at least 3 years for purposes of Federal examination and audit.

2. The 3-year retention period set forth in paragraph 1. above, begins at the end of the first year of completion of service under the IGA. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it or until the end of the regular 3-year period, whichever is later.

3. Access to Records: The USMS and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of recipients or its sub-recipients/contractors, which are pertinent to the award, in order to make audits, examinations, excerpts, and transcripts. The rights of access must not be limited to the required retention period, but shall last as long as the records are retained.

4. Delinquent debt collection: The USMS will hold recipient accountable for any overpayment, audit disallowance or any breach of this agreement that results in a debt owed to the Federal Government. The USMS agency shall apply interest, penalties, and administrative costs to a delinquent debt owed by a debtor pursuant to the Federal Claims Collection Standards.

ARTICLE XI - AVAILABILITY OF FUNDS

The Federal Government's obligation under this agreement is contingent upon their availability of appropriated funds from which payment can be made and no legal liability on the part of the Government for any payment may arise until such funds are available.

It is understood and agreed that the Local Government shall fully defend, indemnify, and hold harmless the United States of America, its officers, employees, agents, and servants, individually and officially, for any and all liability caused by any act of any member of the Local Government or anyone else arising out of the use, operation or handling of any property (to include any vehicle, equipment, and supplies) furnished to the Local Government in which legal ownership is retained by the United States of America, and to pay all claims, damages, judgments, legal costs, adjuster fees, and attorney fees related thereto. The Local Government will be solely responsible for all maintenance, storage, and other expenses related to the care and responsibility for all property furnished to the local Government.
