The senior United States military commander in the Pacific area shall be the senior United States member of the Joint Committee. For the meetings of the Joint Committee, each of the two Governments may designate additional or alternate representatives as appropriate for the subject matter under consideration.
- (c) Unless otherwise mutually agreed, the Joint Committee shall meet annually at a time and place to be designated, after appropriate consultation, by the Government of the United States. The Joint Committee also shall meet promptly upon request of either of its members. Section 352

In the exercise of its authority and responsibility under Title Three, the Government of the United States shall accord due respect to the authority and responsibility of the Government of the Republic of the Marshall Islands under Titles One, Two and Four and to the responsibility of the Government of the Republic of the Marshall Islands to assure the well-being of its people.

Accordingly, it is the intention of the two countries that the provisions of this Title shall remain binding as long as this Compact, as amended, remains in effect, and thereafter as mutually agreed, unless earlier terminated by mutual agreement pursuant to section 441, or amended pursuant to Article III of Title Four. Republic of the Marshall Islands during the period in which such separate agreement is in effect, would constitute a threat to the peace and security of the entire region and a danger to the United States. In the event of such an attack, the Government of the United States would take action to meet the danger to the United States and to the Republic of the Marshall Islands in accordance with its constitutional processes.

- (c) As reflected in Article 21(1)(b) of the Trust Fund Agreement, the Government of the United States and the Government of the Republic of the Marshall Islands further recognize, in view of the special relationship between their countries, that even if this Title should terminate, the Government of Republic of the Marshall Islands shall refrain from actions which the Government of the United States determines, after appropriate consultation with that Government, to be incompatible with its authority and responsibility for security and defense matters in or relating to the Republic of the Marshall Islands or the Federated States of Micronesia.
