OFF-LIMITS AREAS

An "off-limits" area/establishment is defined as any vehicle, conveyance, place, structure, building, or area prohibited to military personnel to use, ride, visit, or enter during the period in which it may be declared off-limits. As a matter of policy, the change of ownership, management or name of any off-limits establishment does not, in and of itself, revoke the off-limits restriction. Accordingly, the Commanding Officer, Marine Corps Air Station, Cherry Point, based on the recommendations of the Cherry Point Armed Forces Disciplinary Control Board, has declared the following areas/establishments as off-limits to all Armed Forces personnel. Since these off-limits areas/establishments frequently change names, signs and identifying features, these establishments are referenced below primarily by their address and location to make them clearly identifiable despite superficial changes done to them. The below listed off-limits areas/establishments will remain off-limits until deleted from this list by subsequent changes to this Bulletin:
