## CanVis 3.0 End User License Agreement

The latest version 3.0 of CanVis was developed in partnership by the USDA National Agroforestry Center, Design Imaging Group, USDA Natural Resources Conservation Service, and the NOAA Coastal Services Center. CanVis is Government-produced software in the public domain and is available for distribution by the above partners. The software is provided "as-is" without warranty of any kind, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The user assumes all responsibility for the accuracy and suitability of this program for a specific application.
