---

Assistance for citizens covered by the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) (42 U.S. Code 1973ff)

Publication ID# VAG 14-15

The 2014-15 Voting Assistance Guide was prepared by the Federal Voting Assistance Program with the assistance of the Secretaries of State, Directors of Elections and their staffs, the Uniformed Service branches and the Department of State. Information and procedures in this Guide are current as of September 2013 and may be affected by changes to Federal and State legislation. Check [FVAP.gov](http://FVAP.gov) for updates and for information on how to order an updated version of this Guide.

We want your feedback! If this book was helpful to you or if you ran into problems or have questions, please email [vote@fvap.gov](mailto:vote@fvap.gov) or send mail to: Federal Voting Assistance Program, 1155 Defense Pentagon Washington, DC 20301-1155.

Dear Voting Assistance Guide User:

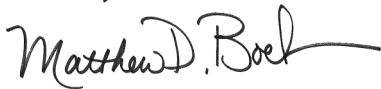

Welcome to the 2014-2015 Voting Assistance Guide. The Guide is a compilation of State-specific rules, processes, election dates and deadlines to assist military and overseas voters in successfully registering to vote and casting a ballot. For each election cycle, FVAP produces the Guide for use by voters and Voting Assistance Officers as a desk-reference for rules and guidelines. This new and redesigned version of the Guide contains all of the essential steps Uniformed Service members, their eligible family members and overseas citizens must take to complete the voting process.

The Guide dates back to the 1950s and over the years the format and quantity of information have made the Guide overwhelming and less readable to some. We are pleased this Guide is more visually appealing and is easier to use. For example, we added call-out boxes to provide you with easy access to common questions and answers.

This year's Guide also marks the beginning of a transition from an entirely printed version to a Guide available in various electronic media. While the Guide will be provided at FVAP.gov, the printed Guide now comes with a CD-ROM version, which includes live links enabling instant access to updated information.

Voting is an individual's choice and personal responsibility, and for those members of the Uniformed Services, their families and overseas citizens who want to vote, FVAP is committed to providing the best voting assistance possible. We look forward to continuing to serve our voters — and the people who support them.

Sincerely,

Matt Boehmer  
Director, Federal Voting Assistance Program

To vote in a U.S. election, on the day of the election you must:

- **be a citizen of the United States.**
- **be 18 years old.** (In some States, you can vote in primary election as a 17-year-old if you will be 18 by the general election.)
- **have requested to vote.** (As required by your State of legal residence.)

The absentee voting process in this guide applies to:

- an active duty member of the **U.S. Uniformed Services or Merchant Marine**
- an eligible family member of an active duty member
- a U.S. citizen residing outside the U.S.

This guide may also apply to you if you are:

- a member of the National Guard, in some states

See *Chapter 2 Absentee Voting Procedures by State or territory* for more information.

This guide does **NOT** apply to you if:

- you plan to vote at the polls on Election Day

Contact your State election office or website for more information. See *Chapter 2 Absentee Voting Procedures by State or territory* for a list of addresses.

### How do you vote absentee?

There are four steps to voting absentee in the November 4, 2014 General Election. (The following are **recommended mailing dates**.)

If you do not receive your State absentee ballot by **October 4, 2014** use the **Federal Write-in Absentee Ballot**. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

What	When
1 <b>Register and request</b> an absentee ballot using the <b>Federal Postcard Application (FPCA)</b> .	By <b>August 1, 2014</b>
2 <b>Receive</b> your absentee ballot from your State election office. Election offices mail ballots by September 20, 2014 (45 days before the election).	By <b>October 7, 2014</b> (Date may vary by mail delivery time to your location)
3 <b>Return</b> your voted ballot to your State in time for it to arrive by Election Day.	
If you are overseas or on a deployed naval vessel:	By <b>October 7, 2014</b>
If you are a stateside Uniformed Service member or family member:	By <b>October 28, 2014</b>
4 <b>Ensure your vote</b> is counted. If you have not received your requested ballot, use the <b>Federal Write-In Absentee Ballot (FWAB)</b> .	By <b>October 4, 2014</b>

## Step 1: Register and request your absentee ballot

To request an absentee ballot, complete a Federal Post Card Application (FPCA) in the State or territory where you are a legal resident. The FPCA also acts as your voter registration form.

**For the November 2014 election, send in your FPCA by August 1, 2014.**

### To get an FPCA

#### Online:

- Use [FVAP.gov](http://FVAP.gov) to complete and print the form, along with a pre-paid envelope and instructions for submitting it.

#### In person:

- Get a hardcopy form from a Voting Assistance Officer at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide.

Be sure you provide your complete contact information, including your email address, on your FPCA. If you don't, your request for a ballot may be denied.

For instructions on how to complete the FPCA, see *Chapter 2 Absentee Voting Procedures by State or territory*.

### To send your FPCA to your local election office, choose one of these options:

- Use the U.S. postal system, including APO and FPO addresses, to send it postage-paid (for free).
- Send it through the diplomatic pouches at U.S. embassies and

#### **What is the Federal Post Card Application:**

The FPCA is a single form that you can use to register to vote and/or request an absentee ballot for federal elections.

#### **How often should you complete an FPCA?**

- Submit a new FPCA in January of each year and whenever you change your mailing address.
- In most States and territories, the same FPCA can be used to request ballots for both the primary and general elections

consulates (for free). Contact your U.S. embassy or consulate for estimated delivery times.

- Send it using a foreign mail service. Be sure to use the correct postage and include USA in the mailing address.
- Use a private courier service if allowed by your State. You may need the physical address (not a Post Office box) for your local election office.
- Many States and territories allow you to return your FPCA electronically. See what your State allows in **Chapter 2 Absentee Voting Procedures by State or territory**.

---

### How to send the FPCA by email or fax

Where allowed by State law, you may email or fax the FPCA to your local election official.

2. Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information).
3. Send the FPCA to your local election office by email or fax. Some States also allow other types of electronic submission. Find the State requirements in **Chapter 2 Absentee Voting Procedures by State or Territory**.

---

#### By email

1. Scan the FPCA and the Electronic Transmission Sheet and save it as a PDF file.
2. Email the file as an attachment directly to your local election office. (You can find an up-to-date list of email addresses at [FVA P.gov](http://FVA.P.gov).)

---

#### By fax

4. After emailing or faxing, your State may require that you also mail the completed FPCA to your local election office.

See State requirements in **Chapter 2 Absentee Voting Procedures by State or territory**.

If you have questions about the status of your FPCA, contact your local election office. Some States have websites where you can find your voter registration status. Links to these sites and contact information for local election officials can be found at [FVAP.gov](http://FVAP.gov).

---

## Step 2: Receive your absentee ballot

Your local election official will process your FPCA to determine if you meet the jurisdiction's residency requirements and will decide which ballot to send you.

### Need to contact your local election office?

any written correspondence may be emailed or faxed to local election officials in any state

### What is the Electronic Transmission Service?

The ETS is a service of the Federal Voting Assistance Program that you can use to send and receive materials from your local or State election office by fax or email at no cost

- Your local election official will contact you if your application is denied.
- Local election officials are not required to contact you if your form is approved.

**Your ballot will be sent to you on or before September 20, 2014 (45 days before Election Day).**

All States must allow you to receive your blank absentee ballot electronically, when requested. This may include email, fax or online download.

For a list of blank ballot transmission methods for your State, see *Chapter 2 Absentee Voting Procedures by State or territory*.

---

### Step 3: Return your voted ballot

Vote and return your State ballot as soon as you receive it. Follow the instructions sent with your ballot to mark and pack your ballot to return.

**Know the deadline.** The date when your local election office must receive your completed ballot is set by each State.

See the instructions from your local election office for more information.

---

#### How to return your voted ballot by mail

Follow the instructions provided by your local election official to mark your ballot and complete any other forms.

**To send your ballot by mail, choose one of these options:**

- Use the U.S. postal system, including APO and FPO addresses, to send it postage-paid (for free).
- Send it through the diplomatic pouches at some U.S. embassies and consulates. You must contact your embassy or consulate prior to using this service. (See embassy contact information in *Chapter 3*, page 479)
- Send it using a foreign mail service. Be sure to use the correct postage and include USA in the mailing address.
- Use a private courier service. You may need the physical address (not a Post Office box) for your local election office.

**If you received your ballot electronically, and do not have envelopes, you can:**

- Mail it using the security envelope and ballot transmittal envelope from the Federal Write-in Absentee Ballot (FWAB). Detach the envelopes from the rest of the form.
- Use two plain envelopes: mark one as the security envelope and use the other as the mailing envelope.
- Use the prepaid envelope template at [FVAP.gov](http://FVAP.gov) as the mailing envelope. Postage will need to be applied if mailing from outside the U.S. postal system.

---

#### How to return your voted ballot by email or fax

Where allowed by State law, you may email or fax your ballot or Federal Write-In Absentee Ballot (FWAB) to your local election official. Some

**By email**

**By fax**

1. Scan all pages of the ballot and the Electronic Transmission Sheet and save them as a PDF file.

OR

Use the Electronic Transmission Service to fax your ballot or FWAB toll-free or by DSN.

Send each ballot separately to ensure that it is received by the right election official.

3. After emailing or faxing, your State may require that you also mail the completed ballot to your local election office.

See State requirements in **Chapter 2 Absentee Voting Procedures by State or territory** section **How and Where to Submit your FWAB**.

**Step 4: Ensure your vote is counted: Using the Federal Write-in Absentee Ballot (FWAB)**

If you have not received your State ballot by October 4, use the Federal Write-in Absentee Ballot (FWAB).

- In most cases you can only use the FWAB to vote for Federal offices: President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner.
- Some States allow voting for some State and local offices.
- Some States also use FWAB for registration and ballot request.

**Know the deadline.** The date when your local election office must receive your completed FWAB is set by each state.

See the instructions from your local election office for more information.

- If you are living or serving in an area where mail delivery is unreliable, you can submit a FWAB any time after requesting your ballot.
- If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

**The FWAB consists of:**

right to secrecy of the ballot. You must sign and date a statement on the Electronic Transmission Sheet indicating:

***"I understand that by faxing or emailing my voted ballot I am voluntarily waiving my right to a secret ballot."***

**What is the Federal Write-in Absentee Ballot?**

The FWAB is a back-up way to vote, in case your requested absentee ballot does not arrive in time to vote and return your ballot. It lets you write in the names of the candidate you wish to vote for.

- Federal Write-In Absentee Ballot Instructions
- Voter's Declaration/Affirmation
- Official Federal Write-in Absentee Ballot with Security Envelope attached (hardcopy version only)
- Mailing Envelope (hardcopy version only)

**To vote on the FWAB, follow your State's instructions in Chapter 2. You can:**

- Use [FVAP.gov](http://FVAP.gov) to mark and print your ballot, along with your Voter Declaration/ Affirmation, a pre-paid envelope template and instructions for submitting the package.
- Use the fillable PDF form at [FVAP.gov](http://FVAP.gov).
- This version of the FWAB does not contain the envelopes. (Use the pre-paid envelope template available at [FVAP.gov](http://FVAP.gov).)
- Get a hardcopy form from a Voting Assistance Officer at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide.

**When your FWAB is marked, follow the mailing instructions below to return your ballot:**

1. Put the ballot inside the security envelope and seal it. Do not write on the outside of the security envelope.
2. Put the security envelope and the Voter's Declaration/ Affirmation form into the mailing envelope.
3. If you do not have printed envelopes, any two plain envelopes can serve as your security envelope and mailing envelope.
  1. Mark one as the security envelope and use the other as the mailing envelope.
  2. You may use the online prepaid envelope template as the mailing envelope.

**Return the FWAB, following the instructions in Chapter 2 for How to Return Your Ballot.**

For instructions on how to complete the FWAB, see **Chapter 2 Absentee Voting Procedures by State or territory** section *Haven't received your ballot? Use the Federal Write-in Absentee Ballot!*

**Follow-up with your local election official to ensure your ballot was received.**

What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	To use a FWAB, you must be registered and have previously requested your absentee ballot. You may then use the FWAB if you have concerns about timely submission of your voted absentee ballot. The FWAB may be used to vote for Federal, State and county offices and any proposed constitutional amendments or local referendums.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	Your regular ballot or FWAB must be sworn before two witnesses (18 years or older). Since the FWAB form provides space for one witness, place the second

witness signature in box Block 9.

Where can I find information about the candidates and/or other items that will be on my ballot?

The Secretary of State's office posts on its website [www.sos.state.al.us](http://www.sos.state.al.us) the certified list of candidates participating in elections for Federal and State offices as well as any proposed constitutional amendments.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal, State and county offices and for proposed constitutional amendments and local referendums held during the current calendar year.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. Political party affiliation is not required if only requesting absentee ballots for general elections.

Enter the choice that best describes you from the following list: American Indian or Alaska Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic origin; Other.  Your valid Alabama Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State will assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.
Block 6	Alabama allows you to receive your blank ballot electronically or by mail. Please rank your preference of how you would like to receive your absentee

ballot. Provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official.

Block 8	Complete address where you want your ballot sent, usually where you receive your mail now.
Block 9	If you do not wish to receive ballots through the end of the current calendar year, provide an earlier expiration here.
Affirmation	Sign and date. No witness or notary required.

### How and where to submit your FPCA

You must mail your FPCA directly to your local election official. Addresses can be found at the end of this section.

To check the status of your registration/absentee ballot request, contact your local election office or refer to Alabama's voter registration verification website at <http://myinfo.alabamavotes.gov/>.

Your jurisdiction will contact you if your application is denied.

## Voting your ballot

***Voted ballots must be postmarked no later than the day of the election and received by the local election official by noon seven days after the election.***

***Voted ballots must be returned by mail or commercial delivery company service.***

Voted ballots must be sworn before two witnesses, aged 18 or older.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot at <https://myinfo.alabamavotes.gov>.

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

Alabama allows you to use Federal Write-In Absentee Ballot (FWAB) for voting in all Federal, State and county offices and for proposed constitutional amendments and local referendums. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1	Alabama does not allow you to use this form for registration. Do not check the registration block.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Requested but not required. Enter the choice that best describes you from the following list: American Indian or Alaska Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic origin; other.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Not required.
Block 7	Complete street address of your Alabama voting residence. A post office box is not sufficient. If your address

includes a rural route, describe its location in Block 9.

Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. This form must be sworn to before two witnesses (18 years or older).

**Vote your FWAB**

Vote for any Federal office in any Federal election. To find out the races and candidates for which you can vote, go to [www.sos.alabama.gov](http://www.sos.alabama.gov). Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. If you are registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 30 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle). Enter any former name under which you were registered in Alaska.
Block 4	Provide your date of birth.  Indicate your sex.  Enter your valid Alaska Driver's License number, the last four digits of your Social Security Number OR your Alaska State Identification Card Number

Block 9	When initially registering to vote by mail from outside Alaska, you must enclose proof of Alaska residency (such as a copy of a current Alaska Driver's License or a leave and earning statement reflecting Alaska as place of residency) with this application. If you are an overseas citizen, last domiciled in Alaska prior to leaving the U.S. or you are a U.S. citizen who has never resided in the U.S. and whose parents were last domiciled in Alaska and do not intend to return to Alaska you may register as a "Federal Voter" and participate in only elections for Federal office. ## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form can be used to register and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections). You may also check on your registration at <a href="http://www.voterview.org">www.voterview.org</a> .
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	Mail, email or fax. However, if the FPCA is used to register to vote it must be mailed (you may also contact your county clerk for information on hand-delivery options).
How often must I submit my FPCA?	The FPCA is good for one regularly scheduled general election cycle. You should submit a new one every time your address changes or every two years.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	If you are registered to vote and have requested your absentee ballot you may use the FWAB to vote any time before an election. The FWAB may be used to vote in primary, special, runoff and general elections for Federal, State and local offices and non-candidate ballot issues.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	No.

Where can I find information about the candidates and/or other items that will be on my ballot?

To receive a sample ballot you may contact your county clerk.

## Registering and requesting your absentee ballot

Registration is required. UOCAVA voters have the option of registering by submitting a regular voter registration form or a Federal Post Card Application. The registration deadline is 30 days prior to an election. An absentee ballot may be requested up to 7 days prior to an election if prior registration has been completed.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	Political party affiliation is not required in Arkansas. However, to vote in primary elections, you must indicate which party ballot you want to receive even if you are registered as non-partisan or undeclared. Write which political party ballot you wish to receive each time you request an absentee ballot for a primary election. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Social Security Number not required.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Arkansas allows you to receive your blank ballot by mail or by email. Check the Arkansas Secretary of State website <a href="http://www.sos.arkansas.gov/elections/Pages/militaryOverseas.aspx">http://www.sos.arkansas.gov/elections/Pages/militaryOverseas.aspx</a> for details.
Block 7	Complete street address of your Arkansas voting residence. A post office box is not sufficient. If your address includes a rural route, describe

its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8	Complete address where you want your ballot sent, usually where you receive your mail now.
Block 9	If you do not wish to receive ballots for all Federal elections through one regularly scheduled general election, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
Affirmation	Sign. No witness or notary required.

### How and where to submit your FPCA

Arkansas allows you to submit the FPCA by mail, email or fax. If registering to vote with your FPCA, it must be mailed. You may also contact your county clerk about hand-delivery options.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section and at <https://www.voterview.ar-nova.org/>

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of this section and at [http://www.sos.arkansas.gov/elections/Documents/county\\_clerks\\_for\\_website\\_2014\\_update.pdf](http://www.sos.arkansas.gov/elections/Documents/county_clerks_for_website_2014_update.pdf). You may also use the DoD Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov). Regardless of the method used to submit your FPCA, confirm with your local election official the receipt of your application.

To find out the status of your absentee ballot request, contact your local election office or refer to Arkansas' voter registration verification website at <https://www.voterview.ar-nova.org/>.

Your jurisdiction will contact you if your registration is denied.

## Voting your ballot

***Voted ballots must be postmarked no later than Election Day (voters in the Uniformed Services do not have to postmark their ballots) and received by the local election official by 5 pm ten days after the election for primary, runoff and general elections.***

No witness or notary is required.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot by contacting your county clerk. Contact information is available at <http://www.voterview.ar-nova.org/>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Arkansas allows you to use the Federal Write-in Absentee Ballot (FWAB) to vote in primary, special, run-off and general elections for Federal, State and local offices and non-candidate issues. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Arkansas does not allow you to use this form for registration.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.Social Security number not required.

Race is requested but not required. Enter the choice that best describes you.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Not required.

Block 7 Complete street address of your Arkansas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the town or city where you claim legal voting residence.

Block 8 Enter your current mailing address.

Block 9 Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation Sign and date. No witness or notary required.

### Vote your FWAB

To find out the races and candidates for which you can vote, go to <http://www.sos.arkansas.gov/elections/Pages/default.aspx>.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

Arkansas allows you to submit the FWAB by mail. Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all elections held until the voter fails to return an executed ballot in four consecutive statewide general elections. You may also register and request your absentee ballot online at [RegisterToVote.ca.gov](http://RegisterToVote.ca.gov).

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	Enter your political party preference. If you do not wish to provide a party preference, enter "no party preference." In Presidential primary elections only, California law allows voters who have declined to provide a party preference to vote a party ballot at a primary election if the political party allows it. Find out which political parties allow this at <a href="http://www.sos.ca.gov">www.sos.ca.gov</a> . If you want to change your political party preference, submit a completed FPCA (by mail, fax or online at <a href="http://RegisterToVote.ca.gov">RegisterToVote.ca.gov</a> ) indicating your new party preference to the local elections official no later than 15 days before the election.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Your valid California Driver License number OR the last four digits of your Social Security number are required for voter registration. If you do not possess either of these identification numbers, California will assign a number that will serve to identify you for voting purposes only.
Block 5	Recommended. Provide your contact information to allow your local elections official to follow up if more information is required.
Block 6	California allows you to receive the blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. If you choose to have your ballot emailed or faxed to you, provide your

email address or fax number in Block 5. If you do not make a selection, your local elections official will mail your ballot to you.

Block 7	Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you live now, even if you are requesting your ballot electronically.
Block 9	Provide any information that may assist the local elections official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

### How and where to submit your FPCA

California allows you to submit the FPCA by mail or fax. You can also fill out an FPCA online at [RegisterToVote.ca.gov](http://RegisterToVote.ca.gov).

If you choose to mail your FPCA, mail the form directly to your local elections office. Addresses can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm) or at the end of this section.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local elections official. Fax numbers can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm) or at the end of this section.

You may also use the DoD Electronic Transmission Service (ETS) to fax your FPCA toll-free. To use ETS, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 696-2148, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. ### Other ballot request methods

## Ballot request if recalled to Service

If you are unable to appear at your polling place because of being recalled to service after the absentee ballot request deadline, but before 5 pm PT on the day before the election, you may request an absentee ballot at your local elections office.

## Late registration

Military and overseas voters who have been released from military service and who return to their county of residence after the registration deadline may apply for registration at their local elections office. Military personnel must provide documentary proof that their release was after the registration deadline.

## Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad, who is eligible to vote, and who has not previously registered to vote in any other State may register and vote in the California county where a parent or legal guardian would be eligible to register and vote.

## Voting your ballot

***Voted ballots must be received by the local elections office by 8 p.m. PT on Election Day. Postmarks do not count.***

No witness or notary is required on voted ballots. California law does not allow for return of voted ballots by email.

Military and overseas voters living outside the territorial limits of the U.S. may return the voted ballot and signed return envelope by mail or fax in accordance with the instructions sent with the ballot. You must include a signed return envelope which includes a voter's declaration. If you choose to fax your voted ballot, you must also include an Oath of Voter form waiving your right to secrecy. After you have faxed your voted ballot, signed return envelope, and signed oath, you are encouraged to also return your voted ballot and signed return envelope by mail or in person.

Military and overseas voters living within the territorial limits of the U.S. must return the voted ballot and signed return envelope by mail.

Overseas Uniformed Service members and their eligible family members with access to the Military Postal Service may use the "Prepaid Expedited Mail Label 11-DOD." This label is available at APO/FPO locations and can only be used for the General Election. It provides expedited mail service up to seven days prior to the election. You

can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

## Tracking your ballot

You may track the status of your ballot at [www.sos.ca.gov/elections/ballot-status](http://www.sos.ca.gov/elections/ballot-status).

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

California allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration, ballot request and voting all elections for Federal, State and local offices and ballot measures.

## Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	California allows you to use this form for registration. It must be submitted no later than 15 days prior to the election.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Your valid California Driver License number OR the last four digits of your Social Security number are required for voter registration. If you do not possess either of these identification numbers, California will assign a number that will serve to identify you for voting purposes only.
Block 5	Recommended. Provide your contact information to allow your local elections official to follow up if more information is required.
Block 6	Enter your political party preference. If you do not wish to provide a party preference, enter "no party preference." In Presidential primary elections only, California law allows voters who have declined to provide a party preference to vote a party ballot at a primary election if the political party allows it. Find out which political parties allow this at <a href="http://www.sos.ca.gov">www.sos.ca.gov</a> .
Block 7	Complete street address of your

California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8	Complete address where you want your ballot sent, usually where you live now, even if you are requesting your ballot electronically.
Block 9	Provide any information that may assist the local elections official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

**Vote your FWAB**

To find out the races and candidates for which you can vote, go to [voterguide.sos.ca.gov/](http://voterguide.sos.ca.gov/). For each office for which you vote, write in either a candidate's name or a political party designation.

**How and where to submit your FWAB**

If using the FWAB simultaneously as a registration form, ballot request form and voted ballot, it must be received by the local elections office no later than 15 days before the election.

If you are already registered and are using the FWAB simultaneously as a ballot request form and voted ballot, it must be received by the local elections office no later than 7 days before the election.

If you are already registered and are using the FWAB as a voted ballot only, it must be received by the local elections office no later than 8 pm on Election Day.

If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

If you choose to mail your FWAB, insert your voted ballot into the sealed security envelope. Place the security envelope and the Voter's Declaration/Affirmation into a mailing envelope and mail the envelope directly to your local elections office. Addresses can be found at the end of this section.

If you are a Uniformed Service member, a dependent, or citizen outside the U.S. temporarily, you may choose to fax your FWAB; you must sign an oath waiving your right to cast the ballot secretly. You should fax back your voted ballot only if doing so is necessary for the ballot to be received no later than 8 pm on Election Day.

If you choose to fax your FWAB directly to your local elections official, fax numbers can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm). Include your voted ballot, Voter Declaration/Affirmation, and cover sheet with the secrecy waiver.

You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 696-2148, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800- 368 -8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov)

Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email, fax or online at <a href="http://www.GoVoteColorado.com">www.GoVoteColorado.com</a> .
How often must I submit my FPCA?	In Colorado, the FPCA is good for one regularly scheduled general election. You should submit a new FPCA every year and every time your address changes.
If I am currently registered to vote, how may I request an absentee ballot?	Under Colorado law, all active voters will be mailed a ballot for every State and Federal election. You should update your information with your local election office every time your address changes to ensure you will receive a ballot for every election in which you are eligible to vote.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	Colorado allows you to use the FWAB for registration and voting in Federal, State and local general, special or primary elections, or any other election coordinated by the County Clerk and Recorder. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election. If you have not registered to vote, please carefully review the section "How and where to submit my FWAB" for complete instructions.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	A U.S. citizen who was born abroad, is eligible to vote and has never lived in the U.S. may register and vote in the Colorado county where a parent would be eligible to register and vote.

Will I need a notary or witness for my FPCA or FWAB?

No witness or notary is required on voted ballots.

Where can I find information about the candidates and/or other items that will be on my ballot?

To find out the races and candidates for which you can vote, go to [www.GoVoteColorado.com](http://www.GoVoteColorado.com).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections held through the next general election, unless you request otherwise.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you are an unaffiliated voter and want to participate in a party primary, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 29 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle). Enter any former name under which you were registered in Colorado.

Block 4 Date of Birth.  
  
Enter your valid Colorado Driver's License number OR Department of Revenue ID number. If you do not have either of these numbers, enter the last four digits of your Social Security number. If you do not possess any of these identification numbers, write "none" and the State will assign a number that will serve to identify you for voter registration purposes.

Block 5 Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Colorado allows you to receive your ballot by mail, fax, email, or

electronically via download from a secure website. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7 Complete street address of your Colorado voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

Colorado allows you to submit the FPCA by mail, email or fax.

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Colorado's voter registration verification website at [www.GoVoteColorado.com](http://www.GoVoteColorado.com).

Your jurisdiction will contact you regarding the status of your application.

**Late registration**

Colorado law provides for same day registration.

**Voting by citizens who have never lived in the U.S.**

A U.S. citizen who was born abroad, is eligible to vote and has never lived in the U.S. may register and vote in the Colorado county where a parent would be eligible to register and vote.

**Voting your ballot**

*Voted ballots must be sent by 7 pm MT on Election Day and received by the local election official no later than 8 days after the election.*

No witness or notary is required on voted ballots.

You may return your voted ballot by mail, email or fax. Use the FPCA mail, email and fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot at [www.GoVoteColorado.com/mil](http://www.GoVoteColorado.com/mil). Select "View my: Mail-in ballot status."

Colorado allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in

general, special or primary elections, or any other election coordinated by the County Clerk and Recorder. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

**Vote your FWAB**

Vote for any Federal, State or local office in a general, special or primary election. To find out the races and candidates for which you can vote, go to [www.GoVoteColorado.com/mil](http://www.GoVoteColorado.com/mil). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections conducted during the calendar year it was submitted.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. If you want to change your party affiliation submit a completed FPCA indicating your new party preference to the local election official. You will not have rights in a party for three months from the date of filing your change of political party. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle).
Block 4	Your sex and race are not required. Your date of birth is required.  Your valid Connecticut Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State will assign a number that will identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your city or town elections official to follow up if more information is required.
Block 6	Connecticut allows you to receive your ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.
Block 7	Complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address

must be within the city or town where you claim legal voting residence.

Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	In addition to mailing a regular ballot, Connecticut provides a State Special Blank Write-In Absentee Ballot up to 90 days before the election to Uniformed Service members and their eligible family members unable to vote in the regular absentee voting process due to military contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 9: "Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot." Provide any information that may assist the city or town elections official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

### Other ballot request methods

If you are a Uniformed Service member, family member, or overseas citizen residing temporarily outside the U.S., anyone may ask your local election official to send you registration materials and/or a ballot on your behalf.

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register to vote in the town or city in Connecticut where a parent or legal guardian would be eligible to register and vote.

## Federal Election Deadlines

### General Election November 8, 2016

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections). If you would like to become a permanent UOCAVA voter, write " <i>I want to be a permanent absentee voter</i> " in Block 9 of your FPCA. Permanent absentee voters do not have to send a new FPCA unless they change their name, address or email address.
What is my voting residence?	The place you consider your true, fixed and permanent home.
How often must I submit my FPCA?	In the year of each general election, and whenever your name, address and/or contact information changes.
Do I need to claim a political party to vote primary elections?	Yes. You must be a registered member of a political party to vote in that party's primary election. You can vote in a general election regardless of your party affiliation.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election office.
How can I submit my FPCA?	You may submit your FPCA by mail, email or fax directly to your local election official. Addresses can be found at the end of this section.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You may submit your voted ballot or FWAB by mail, email, or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	If you have registered to vote and have not received your absentee ballot, you may use the FWAB to vote any time before an election. If you are using the FWAB to register it must be received by the registration deadline. The FWAB may be used to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, for Federal offices in the Delaware county where a parent would be eligible to register and vote.

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? Please visit [http://electionsncc.delaware.gov/absentee\\_de/de\\_uocava.shtml](http://electionsncc.delaware.gov/absentee_de/de_uocava.shtml).

## Registering and requesting your absentee ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all Federal, State and local elections held through the next regularly scheduled general election.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to your local election official. There are two periods during which you may not change your political party affiliation: from 59 days before a Presidential Primary through the day of the Presidential Primary, and from the last Saturday in May in the year of the general election through the day of the primary election. Political party affiliation is not required if you are only requesting an absentee ballot for a general election.

Block 3 Name (Last, First, Middle)

Block 4 Your sex and race are not required. Your date of birth is required.

Your valid Delaware Driver's License number OR your complete Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Delaware allows you to receive the blank ballot by mail, email or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7 Complete street address of your Delaware voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now. If you want your ballot set to another or forwarding address, put that address in Block 9.

Block 9 In addition to mailing a regular ballot, Delaware provides a Special Write-In Absentee Ballot (SWAB) up to 90 days before the general election to any voter unable to vote in the regular absentee voting process due to the requirements of military service or other contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 9: *"I am unable to vote by regular absentee ballot or in person due to requirements of military service. I request a special write-in ballot."*

If you want your ballot sent to another or forwarding address, put that address in this block.

If you want to become a permanent absentee voter so you do not have to send in an FPCA in every general election year, write *"I want to be a permanent absentee voter"* in this block.

Provide any information that may assist the county elections official in accepting this application.

Affirmation Sign and date. No witness or notary required.

## How and where to submit your FPCA

Delaware allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, send the form as a signed, scanned attachment. Email directly to your county elections department. Email addresses can be found at the end of this section.

To find out the status of your registration/absentee ballot request, contact your local election office by phone, email or fax or refer to the State of Delaware's voter portal at [http://electionsncc.delaware.gov/absentee\\_de/de\\_uocava.shtml](http://electionsncc.delaware.gov/absentee_de/de_uocava.shtml).

Your jurisdiction will contact you regarding the status of your application.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of this section or at [http://electionsncc.delaware.gov/absentee\\_de/de\\_uocava.shtml](http://electionsncc.delaware.gov/absentee_de/de_uocava.shtml). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections) and can be used to register.
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email (by attaching your signed and scanned FPCA as a document) or fax.
How often must I submit my FPCA?	The FPCA is good through the next regularly scheduled general election. You should also submit a new FPCA every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB without previously registering or requesting an absentee ballot. However, if you are not registered, your FWAB must be received by your local election office by the registration deadline. The FWAB may be used to vote in State and local races if there is a Federal office on the same ballot.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes.
Will I need a notary or witness for my FPCA or FWAB?	No.

Where can I find information about the candidates and/or other items that will be on my ballot?

Sample ballots are available on My Voter Page <http://mvp.sos.ga.gov/>. Candidate information can be found on the Election Division's webpage of the Georgia Secretary of State's website <http://www.sos.ga.gov/elections/>.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all primaries, runoffs and general elections for which you are eligible, for a period extending through the next regularly scheduled general election.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in party primaries, you must indicate which party ballot you want to receive. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Requested but not required. Enter the choice that best describes you from the following list: American Indian or Alaskan Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic Origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic Origin; Other.  Your Georgia Driver's License number, Georgia State issued ID number, OR the last four digits of your Social Security number are required for voter registration. If you do not possess any of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Georgia allows you to receive the blank ballot by mail or email. Please rank your preference of how you would like to receive your absentee ballot. Provide

your email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7	Complete street address of your Georgia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	A completed FPCA indicates that you want to receive ballots for all primaries, runoffs and general elections involving Federal candidates and any other elections for which you are eligible, for a period extending through the next regularly scheduled general election. If only a single election is being requested, you must specify that election here. Provide any information that may assist the local election official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

### How and where to submit your FPCA

Georgia allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment, by email directly to your local election office. Email addresses can be found at the end of this section and at <http://sos.ga.gov/Elections/CountyContacts/CountyLiaisonDisplay.aspx>.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at the end of this section and at <http://sos.ga.gov/Elections/CountyContacts/CountyLiaisonDisplay.aspx>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free.

To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or tollfree from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Georgia's voter registration verification website at <http://www.mvp.sos.ga.gov/>.

**Other ballot request methods**

**Ballot by proxy**

Your mother, father, grandparent, aunt, uncle, sister, brother, spouse, son, daughter, niece, nephew, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law or grandchild (18 years of age or older) may request in writing to the local registrar that an absentee ballot be mailed to you if you are temporarily residing outside the county.

**Voting by citizens who have never lived in the U.S.**

If you are a U.S. citizen outside the U.S. that has never lived in the U.S. and either parent is a qualified Georgia voter, then you are eligible to register and vote where your parent is a qualified voter.

**Voting your ballot**

***Voted ballots must be postmarked by Election Day and received by the local election official no later than three days after election.***

Voted ballots must be returned by mail.

You must sign the self-administered Oath of Elector. If you receive assistance due to physical disability or illiteracy, the person providing assistance must complete and sign the necessary oath of assistance.

In addition to mailing a regular ballot, Georgia provides a State Special Write-In Absentee Ballot (SWAB) with the regular ballot for use in potential runoff primaries and runoff elections. The SWAB will automatically be included with any absentee ballot sent to military and overseas citizens for any general primary or general election. The SWAB can also be downloaded at: <http://www.mvp.sos.ga.gov>.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations

(APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot at <http://www.mvp.sos.ga.gov/>.

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

Georgia allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in general, special, runoff and primary elections for Federal offices. If using a FWAB for voter registration, the FWAB must be submitted by the voter registration deadline. Feel free to use the FWAB to vote any time before an election.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1	Georgia allows you to use this form for registration.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Enter your Georgia Driver's License number, Georgia State issued ID number, the last four digits of your Social Security number, OR your State voter registration number.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	To vote in party primaries, you must indicate which party ballot you want to receive. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 7	Complete street address of your Georgia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim

legal voting residence.

Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

**Vote your FWAB**

To find out the races and candidates for which you can vote, go to <http://sos.ga.gov/index.php/?section=elections>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official using the addresses at the end of this section.

This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

Once the ballot is complete, fold and place it in the security envelope and seal it. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for regular territory absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by the deadline, only the regular ballot will be counted. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Addresses can be found below.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your county election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	You may mail, email or fax your FPCA directly to your local election official. When emailing your application, both a digital (e.g. a photograph) and scanned image of the application are acceptable.
How often must I submit my FPCA?	In Indiana, the FPCA is good for all elections held from the date approved through the end of the calendar year. You should submit a new FPCA every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	By completing and sending an absentee application (Form ABS-15) or FPCA by mail, email, or fax to your county election official. The ABS-15 application form can be found at <a href="http://www.indianavoters.com">www.indianavoters.com</a> . You can transmit your absentee ballot application by using an email with a digital image of the application (a cell phone photograph, for example), attached. A scanned image of the application is no longer required.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail, email, or fax. When emailing your voted ballot or FWAB, either a digital image (such as a cell phone photograph) or a scanned image of your voted ballot and signed ballot cover sheet are acceptable.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	To use a FWAB you must be registered to vote and have requested your absentee ballot. If you do not receive a ballot, you can submit a FWAB by mail, email or fax to the appropriate county election official. You may use the FWAB to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I	No.

register to vote in this State?

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? You can determine the candidates and text of public questions on the ballot in your home precinct on [www.indianavoters.com](http://www.indianavoters.com). Click on the link "Review Candidates on My Ballot". You can then enter information from your voter registration record, or about your precinct to generate your customized sample ballot.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections conducted until December 31 following the date of the receipt of the application.

If you choose to email your FPCA, you should send the form as a signed, digital image attached to the email. Email directly to your county election office. Email addresses can be found at the end of this section or at [www.in.gov/sos/elections](http://www.in.gov/sos/elections).

If you choose to fax your FPCA, fax the form directly to your county election official. To find out the status of your registration/absentee ballot request, contact your county election office or refer to Indiana's voter registration website at <http://www.indianavoters.com>.

Your county will contact you regarding the status of your application.

### Late registration

Uniformed Service members and their eligible family members may register after the registration deadline if their registration is received not later than 10 days before the election. After 10 days before the election, members and their families may still register up until noon on Election Day if the voter was absent from Indiana before the registration deadline, returns to Indiana after the registration deadline, and shows the county election office a discharge or a government movement order dated on or after the beginning of the last registration period.

## Voting your ballot

***Voted ballots mailed from within the U.S. must be received by the county election official before the close of polls on Election Day.***

***Voted ballots mailed from outside the U.S. must be postmarked no later than Election Day and received by the county election official no later than noon 10 days after the election.***

No witness or notary is required on voted ballots.

Voted ballots may be returned by mail, email or fax. If you received your ballot by mail, return it by mail, if possible. If doing so is not possible, you may return it by email or fax by following the instructions mailed with your ballot.

To email your voted ballot, you may return it directly to your county election office or you may send it as an attachment to the DoD Electronic Transmission Service at: [ets@fvap.gov](mailto:ets@fvap.gov) with instructions to forward the email to your county election office.

To fax your voted ballot use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <https://indianavoters.com> and click link for "Track my Absentee Ballot."

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

**Vote your FWAB**

To find the races and candidates for which you can vote, go to <http://www.indianavoters.com>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot (and not the Voter's Declaration/Affirmation) in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Indiana allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, the deadlines for mailing the FWAB are the same as for State absentee

ballots. Insert the sealed security envelope and the signed Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your county election office. Addresses can be found below or online at [www.indianavoters.com](http://www.indianavoters.com) and click on "Contact My County Election Office."

If you choose to email your FWAB, you should send the ballot as a signed, digital image attached to the email. Include ballot and signed voter affirmation. Email directly to your county election office. Email addresses can be found below or at [www.indianavoters.com](http://www.indianavoters.com) and click on "Contact My County Election Office."

If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your county election official. Fax numbers can be found below or at <https://www.indianavoters.com> and click on "Contact My County Election Office." Include ballot and signed voter affirmation.

You may also use the DoD Electronic Transmission Service to fax your FWAB toll -free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free fax numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Federal Election Deadlines

### General Election November 8, 2016

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election official. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home in Iowa. If your last residence was in Iowa before moving overseas, your voting residence is your previous address in Iowa.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for all Federal elections held during the calendar year in which you submit the FPCA. You may request ballots for additional elections during the year as well (i.e. school and city elections).
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election official to ensure you receive absentee ballots for all Federal elections held during the calendar year in which you submit it.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail, unless you are an active member of the Uniformed Services or Iowa National Guard located outside the U.S. or any of its territories or in an area designated as an imminent danger pay area by the U.S. Department of Defense.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may vote a FWAB if you requested a regular absentee ballot more than 14 days prior to Election Day but have not received it. You must be located outside the U.S. or on active duty outside your Iowa county of residence to vote a FWAB. You may use the FWAB to vote in State and local elections only during elections where Federal offices are also on the ballot.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, if either parent is a qualified Iowa voter.

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? A candidate list for Federal and State candidates will be available on the Iowa Secretary of State's website at <http://sos.iowa.gov>. Information for local candidates and ballot issues can be found by contacting your local county auditor.

## Registering and requesting your absentee ballot

A Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

Iowa does not have registration deadlines for Uniformed Service members, their families and overseas citizens. You must still register and request an absentee ballot using the form and submit it in time for the ballot to be sent to you, voted, and returned by the ballot return deadline.

### Complete the following blocks of the FPCA

- Block 1      Select the category that describes you.

---

- Block 2      To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

- Block 3      Name (Last, First, Middle).

---

- Block 4      Provide sex and date of birth.  
  
Your valid Iowa Driver's License number OR the last four digits of your Social Security number is recommended for voter registration. If you do not possess either of these identification numbers you must write "none" in the space provided. The State shall assign a number that will serve to identify you for voter registration purposes.

---

- Block 5      Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6      Iowa allows you to receive your blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7      Complete street address of your Iowa voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county in Iowa where you claim legal voting residence.

Block 8      Complete address where you want your ballot sent, usually where you receive your mail now.

Block 9      If you wish to receive ballots for local elections as well as Federal elections please indicate that here. In addition to mailing a regular ballot, any overseas voter unable to vote in the regular absentee voting process for the general election may request a State Write-In Absentee Ballot no earlier than 90 days before the date of the election. This ballot allows you to vote for Federal, State and local offices in a general election. To request it, write in: "To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot." Provide any additional information that may assist the local election official in accepting this application.

Affirmation      Sign and date. No witness or notary required.

### How and where to submit your FPCA

Iowa allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or online at <http://sos.iowa.gov/elections/auditors/auditorslist.html>.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to [uocava@sos.iowa.gov](mailto:uocava@sos.iowa.gov).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at the end of this section or at <http://sos.iowa.gov/elections/auditors/auditorslist.html> you may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free fax numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Iowa's voter registration verification website at <https://sos.iowa.gov/elections/votereg/regtovote/search.aspx>.

To find out the status of your ballot, refer to Iowa's voter ballot tracking website at <https://sos.iowa.gov/elections/absenteeballotstatus/search.aspx>.

Your jurisdiction will contact you if your application is denied.

## Other ballot request methods

### Ballot request by proxy

Within 70 days of a general election, your spouse, parent, parent-in-law, adult brother, adult sister or adult child who resides in your Iowa county of voting residence, may request an absentee ballot on your behalf from the local election office. These proxy requests must be on the official form, available from local election offices and the Iowa Secretary of State.

### Late registration

Uniformed Service members who have been discharged within 30 days of an election, and their families, may register and vote in that election by providing the local election office with their discharge papers.

### Voting by citizens who have never lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Iowa voter, then that person is eligible to register and vote where his or her parent is a qualified voter.

## Voting your ballot

*For primary and general elections, voted ballots must be postmarked no later than the day before the election and received by the local election office no later than noon on the Monday after the election. For other elections, the receipt deadline is listed in the voting instructions provided with the ballot.*

No witness or notary is required on voted ballots.

The mandatory voter's affidavit on the ballot return envelope acts a registration form. You will be registered to vote when you return the voted ballot, if you are not already registered.

Iowa allows voters who are active members of the Army, Navy, Marine Corps, Merchant Marine, Coast Guard, Air Force, or Iowa National Guard and who are located outside the U.S. or any of its territories as well as voters located in areas designated as "imminent danger pay areas" by the U.S. Department of Defense to return the voted ballot by email or fax. All other Uniformed Service members, family members, and overseas citizens must return the voted ballot by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <https://sos.iowa.gov/elections/AbsenteeBallotStatus/search.aspx>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Iowa allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in Federal general, special and primary elections for Federal, State and local offices and non-candidate ballot issues. Feel free to use the FWAB to vote any time before an election if you have requested a regular ballot but have not received it.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Iowa allows you to use this form for registration if you are otherwise eligible to vote in Iowa.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Provide sex and date of birth.  Your valid Iowa Driver's License number OR the last four digits of your Social Security Number is recommended for voter registration. If you do not possess either of these identification numbers you must write "none" in the space provided. The State shall assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	If you are using this form to register and wish vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed Federal Post Card Application (FPCA) indicating your new party preference to the local election official.
Block 7	Complete street address of your Iowa voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county in Iowa where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

### Vote your FWAB

Vote for any Federal, State or local office in any Federal general, special, or primary election. To find out the races and candidates for which you can vote, go to [www.sos.iowa.gov](http://www.sos.iowa.gov). For each office for which you vote, write in

either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Iowa allows voters who are active members of the Army, Navy, Marine Corps, Merchant Marine, Coast Guard, Air Force, or Iowa National Guard and who are located outside the U.S. or any of its territories as well as voters located in areas designated as "imminent danger pay areas" by the U.S. Department of Defense to return the voted ballot by email or fax. All other Uniformed Service members, family members, and overseas citizens must return the FWAB by mail.

If you are required to or choose to mail your FWAB, insert the ballot into the security envelope and seal the security envelope; place the sealed security envelope and the signed Voter's Declaration/Affirmation into the mailing envelope and mail the FWAB directly to your local election office. Addresses can be found below or on line at [http://sos.iowa.gov/elections/auditors/auditors\\_list.html](http://sos.iowa.gov/elections/auditors/auditors_list.html).

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, signed voter affirmation, and cover sheet with secrecy waiver. Email directly to [uocava@sos.iowa.gov](mailto:uocava@sos.iowa.gov) or to your local election official.

If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at the end of this section or at [www.sos.iowa.gov](http://www.sos.iowa.gov). Include ballot, signed Voter Declaration/Affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

International toll-free fax numbers can be found on the inside back cover at [FVAP.gov](http://www.fvap.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Kansas's voter registration verification website at <https://myvoteinfo.voteks.org/VoterView/Home.do>.

Your jurisdiction will contact you if your application is denied.

**Late registration**

Discharged Uniformed Service members and citizens terminated from overseas employment who return to Kansas after the registration deadline can still register to vote no later than noon on the day before the election.

**Voting your ballot**

*Voted ballots must be received by the local election official no later than the close of polls on Election Day.*

No witness or notary is required on voted ballots.

Kansas allows you to return the voted ballot by mail, email or fax. Use the FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). **Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 8	Enter your current mailing address.
Block 9	Provide any additional information that may assist the local election in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

**Vote your FWAB**

Vote for any Federal office in any Federal election. To find out the races and candidates for which you can vote, go to <http://www.sos.ks.gov/elections/elections.html>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Kansas allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, insert the sealed

security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below or online at <http://www.sos.ks.gov/elections/elections.html>.

If you choose to email your FWAB, you should send it as a signed, scanned attachment. Include ballot, Voter Declaration/Affirmation, and cover sheet with secrecy waiver. ## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA). The FPCA may be used to register to vote and also identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections). For the 2014 General Election and all subsequent elections, you may use the FWAB for registration and voting in Federal, State and local elections. If using the FWAB for registration it must be submitted by the registration deadline.

### Vote your FWAB

For the 2014 General Election you may submit the FWAB for registration and voting in Federal, State and local elections. To find out the races and candidates for which you can vote, go to [www.elect.ky.gov](http://www.elect.ky.gov). For each office for

which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

The FWAB must be submitted by mail.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections). You may register to vote or change your registration online <a href="http://www.sos.la.gov/ElectionsAndVoting/Pages/OnlineVoterRegistration.aspx">http://www.sos.la.gov/ElectionsAndVoting/Pages/OnlineVoterRegistration.aspx</a> .
What is my voting residence?	Louisiana requires actual bona fide residency of the State, parish, municipality and precinct in which you offer to register as a voter. A citizen of the U.S. residing outside the United States who was domiciled in Louisiana immediately prior to his/her departure may claim residency for absentee voter registration as long as he/she does not maintain a domicile and is not registered to vote, in another State.
Do I need to claim a political party to vote in primary elections?	No. During the 2014 Election Cycle you will not need to indicate a political party. However, Louisiana requires political affiliation for the Presidential Preference Primary.
How can I submit my FPCA?	You may submit an FPCA by mail, email, fax or online by logging in to the Louisiana Voter Portal: <a href="https://voterportal.sos.la.gov/">https://voterportal.sos.la.gov/</a> .
How often must I submit my FPCA?	The FPCA is good for two regularly scheduled general elections in Louisiana. You should submit a new one every time your address changes or every four years.
If I am currently registered to vote, how may I request an absentee ballot?	Registered voters may submit a request for an absentee ballot by mail, fax or via electronic download by logging in to the Louisiana Voter Portal at <a href="https://voterportal.sos.la.gov/">https://voterportal.sos.la.gov/</a> . You may also fill out and return an FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	Your voted ballot and FWAB must be returned by mail, unless a voter feels he or she will not have time to vote in a timely manner. Please contact your local registrar for additional fax or emergency options.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	To use the FWAB you must be registered to vote and have requested your absentee ballot. Louisiana allows you to use the FWAB to vote in any election for Federal office. To vote in State and local elections, you must use

Louisiana's absentee ballot.

I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?

No.

Will I need a notary or witness for my FPCA or FWAB?

No.

Where can I find information about the candidates and/or other items that will be on my ballot?

Visit <http://www.sos.la.gov/ElectionsAndVoting/Pages/default.aspx>.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all elections through the two subsequent regularly scheduled Federal general elections.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 Not required.

Block 3 Name (Last, First, Middle).

Block 4 Provide your date of birth.

Provide your sex.

Your valid Louisiana Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, you may use one of the following: a current and valid photo identification or a current utility bill, bank statement, government check, paycheck, or other government document showing the name and address of the applicant.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Louisiana allows you to receive your ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number and/or email address in Block 5. If you do not make a

selection, then your local election official will mail your ballot to you.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Provide any additional information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

## How and where to submit your FPCA

Louisiana allows you to submit the FPCA by mail, email, fax or logging into the Louisiana Voter Portal at <https://voterportal.sos.la.gov/>.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com).

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com).

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [www.fvap.gov](http://www.fvap.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin

Islands to 1-800-368-8683. International toll-free fax numbers can be found on the inside back cover or at [www.fvap.gov](http://www.fvap.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Louisiana's voter registration verification website at <https://voterportal.sos.la.gov/>. Your jurisdiction will contact you if your registration is denied.

## Voting your ballot

*When you receive your primary election ballot by mail, you will also receive the Louisiana State Green Ballot. Filling out and submitting the Louisiana Green Ballot by numbering the candidates according to your preferences ensures you have voted in the General Election. Voted ballots must be received by the local election office by the close of polls on Election Day.*

The oath on the ballot return envelope must be signed. No witness or notary is required.

You must return the voted ballot by mail, unless you feel you will not have time to vote in a timely manner.

Please contact your local registrar for additional fax or emergency options, otherwise use FPCA mail instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <https://voterportal.sos.la.gov/>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Louisiana allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in any election for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote

any time before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Louisiana does not allow you to use this form for registration. Do not check the registration block.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Provide your date of birth.  Provide your sex.  Enter your valid Louisiana Driver's License number, the last four digits of your Social Security number OR your State voter registration number.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Not required.
Block 7	Complete street address of your Louisiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the parish where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

### Vote your FWAB

Vote for any Federal office in any Federal election. To find out the races and candidates for which you can vote, go to <http://www.sos.la.gov/ElectionsAndVoting/Pages/default.aspx>.

For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

You must submit the FWAB by mail, unless you feel you will not have time to vote in a timely manner. Please contact your local registrar for additional fax or emergency options.

When mailing your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section or online at <http://www.geauxvote.com>.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for 18 months from the date of the receipt of the application.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you are currently registered and want to change your political party affiliation and have been enrolled in the political party for at least three months, the FPCA must be received by your State elections official no later than 15 days before the election. If you are currently registered and have previously declined to indicate a political party and you now want to vote in a primary election, you must submit the FPCA to the State elections official before a primary ballot will be issued. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle).

Block 4 Your date of birth is required.

Your sex is not required.

Your race is not required.

Enter your valid Maine Driver's License number. If you do not have a Maine Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, write "none" and the State will assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your State elections official to follow up if more information is required.

Block 6 Maine allows you to receive your ballot

by mail, or electronically via download from a secure website or by fax. Please rank your preference of how you would like to receive your absentee ballot.

Provide your fax number or email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from the state elections official. If you do not make a selection, then the State elections official will mail your ballot to you.

Block 7 Complete street address of your Maine voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the municipality where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Provide the name of the municipality and State where you were registered to vote before you registered at your current Maine voting residence. This address must be different from the one in Block 7. If you have not registered to vote before, write "none." In addition to mailing a regular ballot, Maine provides a State Write-In Absentee Ballot three months before the election to any voter living outside the U.S. who believes they cannot receive and return their voted ballot in a timely manner. To request it, write in Block 9: "I will be unable to vote by regular absentee ballot. I request a blank absentee ballot." Provide any information that may assist the state elections official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

Maine allows you to submit the FPCA by mail, fax or as a scanned attachment to an email. If you choose to mail your FPCA, mail the form directly to:

Bureau of Corporations, Elections, and Commissions  
 Division of Elections  
 101 State House Station  
 Augusta, Maine 04333-0101

If you choose to email, email the signed, scanned form to UOCAVA.CEC@maine.gov. You may also use our Electronic Transmission Service by sending the form as an attachment to ets@fvap.gov.

If you choose to fax your FPCA, fax the form directly to the State elections official at 207-287-5428 or tollfree within the United States at 877-443-1302.

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [fvap.gov](http://fvap.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

If you are a UOCAVA voter and you have requested an absentee ballot but not yet received it, please contact the Division of Elections toll-free within the United States at 1-888 - VOTESME (1-888-868-3763) or UOCAVA.CEC@maine.gov. The Maine Division of Elections will contact you if your registration is denied.

### Other ballot request methods

A family member (spouse or domestic partner, parent, sibling, child, stepparent, stepchild, stepsister, stepbrother, in-law, grandparent, grandchild, step-grandparent, step-grandchild, guardian or former guardian) may make a written request for an absentee ballot on your behalf. The request must be signed by the family member and indicate the family relationship. The request may be made to the State elections official either in-person, by mail or fax. The State elections official may mail the ballot directly to you or issue the ballot to the family member who must deliver the ballot to you.

You may designate a third person (other than an immediate family member) to receive the ballot on your behalf by submitting a signed application or written request by mail or fax to the election office. The elections official must issue the ballot to the designee who must then deliver the ballot to you. You must have the ballot return envelope signed by a notary public, a clerk of courts or two other individuals (one of whom may be the ballot carrier).

Maine allows registered voters to request an absentee ballot by telephone. Only the voter may request a ballot by telephone. You may request your ballot by contacting the Maine Division of Elections at (207)-624-7650 or toll-free within the United States at 1-888-VOTESME (1-888-868-3763).

If you are already registered, you may request your ballot online. Please go [here](#) (the Maine Division of Elections online absentee ballot request website).

## Voting your ballot

***Voted ballots must be received by Maine Division of Elections by 8 pm ET on Election Day.***

You must seal your voted ballot in its return envelope and sign a certification as to its authenticity on the envelope or complete the affidavit you print when you download your ballot (if delivered electronically).

If you opt to receive your ballot electronically rather than by mail, you will download instructions on how to return your ballot either by mail or as a scanned attachment to an email.

If you received assistance in reading and/or marking your voted ballot, the ballot return envelope must be signed by the aide and witnessed by one other individual.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot by sending an email to UOCAVA.CEC@maine.gov. In your email provide your name, date of birth and municipality where you are registered to vote.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Maine allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration, ballot request and voting in primary and general elections for Federal offices and State offices and issues. Feel free to use the FWAB to vote any time before an election.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all elections conducted during the calendar year in which it is submitted.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	Not required.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Your valid Michigan Driver's License number, Personal Identification Card number or the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, the State will assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Michigan allows you to receive the absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.
Block 7	Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the city or township where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you currently live.

Block 9 Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

Michigan allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Many addresses can be found at the end of this section and a complete list is available at [www.michigan.gov/vote](http://www.michigan.gov/vote).

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Contact information available at [www.michigan.gov/vote](http://www.michigan.gov/vote).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at [www.michigan.gov/vote](http://www.michigan.gov/vote). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Michigan's voter registration verification website at [www.michigan.gov/vote](http://www.michigan.gov/vote).

### Other ballot request methods

#### Ballot request by letter

You may submit a signed letter to your local election office to request a ballot. The letter must include your printed name and signature, voting residence address, address to which the absentee ballot should be sent and the date of the election.

#### Voting by citizens who have never lived in the U.S.

Michigan allows a U.S. overseas citizen who is 18 years old, not registered to vote anywhere else in the U.S. and who is an eligible family member of a Michigan resident to register and vote in Michigan elections even though they have never established Michigan residency.

## Voting your ballot

*Voted ballots must be received by the local election office by the close of polls (8 pm) on Election Day.*

No witness or notary is required on voted ballots.

Voted ballots (including the Federal Write-In Absentee Ballot) must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at [www.michigan.gov/vote](http://www.michigan.gov/vote).

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Michigan allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in Federal general, special, and primary elections for Federal, State and local offices and local ballot questions. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Michigan does not allow you to use this form for registration. Do not check the registration box.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6	Not required.
Block 7	Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the city or township where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

### Vote your FWAB

To find out the races and candidates for which you can vote, go to [www.michigan.gov/vote](http://www.michigan.gov/vote). For each office for which you vote, write in either a candidate's name or a political party designation. For a State or local non-partisan office, write in the candidate's name and office. To cast a vote for a State or local proposal, identify the proposal and indicate a "Yes" or "No" vote. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

**These are not mailing deadlines.** Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections). You may submit an absentee ballot request by mail, email or fax or online at <a href="https://minnesota.overseasvotefoundation.org">https://minnesota.overseasvotefoundation.org</a> .
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	No.
How can I submit my FPCA?	You may submit your FPCA online at <a href="https://minnesota.overseasvotefoundation.org">https://minnesota.overseasvotefoundation.org</a> , or by mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for all elections in a calendar year. Submit a new FPCA each calendar year or every time you move.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the Federal Post Card Application (FPCA) to your local election official.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail, package delivery or diplomatic pouch.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB to vote any time before an election without having first submitted an FPCA. Uniformed Service members, their eligible family members and citizens overseas temporarily may use the FWAB to vote in Federal, State and local elections without having made a prior request for a ballot. Citizens overseas indefinitely who have no plans to return to Minnesota may use the FWAB to vote in primary or general elections for Federal office only.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? Go to <https://minnesota.OverseasVoteFoundation.org>. The "What's On My Ballot" tool will provide the names of candidates and the local races in which you are eligible to vote and will help you automatically write in your choices.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and request an absentee ballot for all regularly scheduled elections in the calendar year in which it is submitted. Citizens overseas indefinitely who have no plans to return to Minnesota, will receive a ballot that contains Federal offices only.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	Not required.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Enter your valid Minnesota Driver's License number, State identification number, passport number, OR the last four digits of your Social Security number. If you do not have access to any of these numbers, leave this block blank.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Minnesota allows you to receive your absentee ballot by email, mail or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.
Block 7	Complete street address of your Minnesota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you

claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

Minnesota allows you to submit the FPCA online at <https://minnesota.OverseasVoteFoundation.org> or by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you must send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found on the following pages or at <https://minnesota.OverseasVoteFoundation.org/>.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at <https://minnesota.OverseasVoteFoundation.org/>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside of the back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your absentee ballot request, visit <https://mnvotes.sos.state.mn.us/AbsenteeBallotStat.us.aspx/>.

Your jurisdiction will contact you if your application is denied.

## Voting your ballot

*Voted ballots must be received by the last mail*

**delivery on Election Day.**

No witness or notary is required on voted ballots. Voted ballots must be returned by mail, package delivery service, or the diplomatic pouch at the U.S. embassy or consulate.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot at <https://mnvotes.sos.state.mn.us/AbsenteeBallotStatus.aspx/>.

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

Minnesota allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in all elections for Federal, State and local offices and as a request for absentee ballots at any subsequent elections held that calendar year. The FWAB serves as a voter registration in lieu of the voter's FPCA.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1	Minnesota allows you to use this form for registration.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Enter your valid Minnesota Driver's License number, the last four digits of your Social Security number passport number OR your State identification number. If you do not have access to any of these numbers, leave this block blank.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6	Not required.
Block 7	Complete street address of your Minnesota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

**Vote your FWAB**

Uniformed Service members, their eligible family members and citizens overseas temporarily may use the FWAB in any election including Federal, State and local elections. Citizens overseas indefinitely who have no plans to return to Minnesota may use the FWAB to vote in primary or general elections for Federal office only.

To find out the races and candidates for which you can vote, go to [<https://minnesota.overseasvotefoundation.org> (<https://minnesota.overseasvotefoundation.org>)]. This will provide you with the names of candidates and the local races in which you are eligible to vote and will help you automatically write in your choices.

For each Federal office for which you vote, write in either a candidate's name or a political party designation. For State and local offices, write in the candidate's name (political party designation is not sufficient for State and local offices).

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and serves as a request for absentee ballots for all primary, special, runoff and general elections for Federal, State and local offices, and non-candidate ballot issues.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle).

Block 4 Date of birth.

Your valid Mississippi Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Mississippi allows you to receive your ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check [FVAP.gov](http://FVAP.gov) for updates.

Block 7 Complete street address of your Mississippi voting residence. A post office box is not sufficient. If your

address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

Mississippi allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your circuit clerk. Their addresses can be found at the end of this section and at [http://sos.ms.gov/links/elections/voter\\_information\\_center/tab1/uocava\\_web.pdf](http://sos.ms.gov/links/elections/voter_information_center/tab1/uocava_web.pdf).

You may also use the DoD Electronic Transmission Service to fax your FPCA tollfree. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or tollfree from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at [http://sos.ms.gov/links/elections/voter\\_information\\_center/tab1/uocava\\_web.pdf](http://sos.ms.gov/links/elections/voter_information_center/tab1/uocava_web.pdf).

Your jurisdiction will contact you if your registration is denied.

### Other ballot request methods

**Ballot request by proxy**

A parent, spouse or dependent may request that the local election office send a State registration affidavit and/or ballot application to you. Your oral authorization (by telephone) or written authorization may be required.

**Voting your ballot**

*Voted ballots must be received by the local election office by 7 pm CST on Election Day.*

No witness or notary is required on voted ballots.

You may return your voted ballot by mail, email or fax directly to your circuit clerk. Use email and fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

Contact your Circuit Clerk. Contact information for each Circuit Clerk can be found at the end of this section.

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

Mississippi allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special, runoff and general elections for Federal, State and local offices, and non-candidate ballot issues. If using the FWAB for registration, it must be submitted by the voter registration deadline. Feel free to use the FWAB to vote any time before an election.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1	Mississippi allows you to use this form for registration only if you are eligible to register and vote in the State, and if you provide information sufficient for registration.
Block 2	Select the category that describes you.

Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Enter your valid Mississippi Driver's License number, the last four digits of your Social Security number OR your State voter registration number.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Not required, unless voting in a primary election.
Block 7	Complete street address of your Mississippi voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

**Vote your FWAB**

To find out the races and candidates for which you can vote, go to <http://www.sos.ms.gov/Elections-Voting/Pages/Candidate-Information.aspx>. For each office for which you vote, write in a candidate's name or political party. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Mississippi allows you to submit the FWAB by mail, email or fax directly to your circuit clerk. If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail the FWAB directly to your local election office. Addresses can be found at the end of this

section.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, Voter Declaration/Affirmation and cover sheet with signed secrecy waiver. Email directly to Circuit Clerk (contact information at the end of this section or at [http://sos.ms.gov/links/elections/voter\\_information\\_center/tab1/uocava\\_web.pdf](http://sos.ms.gov/links/elections/voter_information_center/tab1/uocava_web.pdf) or UOCAVA@sos.ms.gov.

<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

\*The registration deadline for UOCAVA voters using the Federal Write-In Absentee Ballot (FWAB) is the fourth Tuesday prior to the Election Day.

\*\*Only hostile fire zone voters may return their ballots by email or fax.

## Important information

How can I register to vote as a military or overseas voter?	Fill out the Federal Post Card Application (FPCA) and return it to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections) or visit the Military and Overseas Voting Access Portal at <a href="http://www.momilitaryvote.com">www.momilitaryvote.com</a> . Beginning July 1, 2014, UOCAVA voters can also use the Federal Write-In Absentee Ballot (FWAB) to register to vote, if received by a local election office by the registration deadline.
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	Mail, email or fax. You may also use the Military and Overseas Voting Access Portal at <a href="http://www.momilitaryvote.com">www.momilitaryvote.com</a> to register to vote and request ballots.
How often must I submit my FPCA?	If you provide your email address on the FPCA, it is a request for electronic delivery of a ballot for all elections through December 31 of the year following the year you submit it, although you can request a shorter amount of time. If you do not provide your email address on the FPCA, it is considered a request for absentee ballots for one Federal election cycle. You should submit a new FPCA every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	Submit your FPCA by mail, email, fax or use the Military and Overseas Voting Access Portal at <a href="http://www.momilitaryvote.com">www.momilitaryvote.com</a> . Your spouse, parent, mother-in-law, father-in-law, grandparent, sibling, child, daughter-in-law, son-in-law or grandchild can apply in person on your behalf. The request must include your name, address where you are registered, reason for voting absentee, the address where the ballot should be mailed and your email address if you request electronic transmission of your ballot.

How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail. There are a few exemptions, please see "Voting Your Ballot" for more information.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	If you are registered to vote and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election. Beginning July 1, 2014, you may fill out and return a FWAB to vote in any general, special, Presidential preference or primary election for Federal, statewide or State Legislative office or State Ballot Measure, or in any other election allowing absentee voting. You may use the FWAB to register to vote by filling in the accompanying declaration and submitting the FWAB as long as it is received by the FWAB registration deadline.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	No.
Where can I find information about the candidates and/or other items that will be on my ballot?	Contact the Secretary of State's office at <a href="http://www.sos.mo.gov/elections/govotemissouri/localelectionauthority.aspx">http://www.sos.mo.gov/elections/govotemissouri/localelectionauthority.aspx</a> or your local election authority's office. Find the address online at <a href="http://www.sos.mo.gov/elections/countyclerks.asp">http://www.sos.mo.gov/elections/countyclerks.asp</a> .

## Registering and requesting your absentee ballot

Registration is not required if you are an active duty Uniformed Service member, or their eligible family member if you are voting in elections for Federal offices only. However, it is recommended you still complete the Federal Post Card Application (FPCA) to request an absentee ballot. In the event you cannot or choose not to submit an FPCA, you may submit the Federal Write-in Ballot (FWAB) to your local election official by the ballot return deadline. The FPCA requests absentee ballots for both the primary and subsequent general election.

You may also submit the FPCA by the listed registration deadline to register permanently in Missouri and vote a full ballot including State and local offices. If you do not register permanently, you will not be qualified to vote in person at the polls upon your return to Missouri.

If you are not an active duty Uniformed Service member, or an eligible family member, you must register to vote by the stated registration deadline to vote in Federal or State elections.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. If you do not enter a preference, the local election official is authorized to provide

that part of the ballot for which political party designation is not required. Political party preference is not required if only requesting absentee ballots for general elections.

Block 3	Name (Last, First, Middle).
Block 4	Date of birth. Your valid Missouri Driver's License number AND the last four digits of your Social Security number. Both are required for voter registration. If you do not possess either of these identification numbers please write "none" on the form, and the State will assign you a unique identifying number.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required. Beginning July 1, 2014, an absentee ballot request that contains your email address will be considered a standing request through December 31 of the year following the year you submit it.
Block 6	Local election officials transmit blank ballots by mail, email or fax to UOCAVA voters. Please rank your preference of how you would like to receive your absentee ballot. You may also use the

Military and Overseas Voting Access Portal at [www.momilitaryvote.com](http://www.momilitaryvote.com) to request and receive your blank ballot.

Block 7	Complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	If you do not wish to receive ballots for all Federal elections through the next Federal election cycle, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for federal office by noting your choice here. Provide any information that may assist the local election official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

## How and where to submit your FPCA

Beginning July 1, 2014, Missouri will allow you to submit the FPCA by mail, email or fax. You may also use the Military and Overseas Voting Access Portal at [www.momilitaryvote.com](http://www.momilitaryvote.com) to register to vote and request ballots.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section and online at <http://www.sos.mo.gov/elections/goVoteMissouri/localelectionauthority.aspx>.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email the FPCA directly to your local election office. ## Other ballot request methods

### Ballot request by proxy

Your spouse, parent, mother-in-law, father-in-law, grandparent, sibling, child, daughter-in-law, son-in-law, or grandchild may request in person to the local election official that an absentee ballot be mailed to you.

## Voting your ballot

***Voted ballots must be received by your local election official by 7:00 pm CT on Election Day. Beginning July 1, 2014, UOCAVA voters mailing their ballots must postmark their ballots no later than 12:01 am CT on the day of the election and the ballot must be received no later than the 12:00 pm CT the Friday after Election Day.***

No witness or notary is required on voted ballots.

If you are located in a special hostile fire area as declared by the Secretary of State and found at this link: [http://www.sos.mo.gov/elections/military/2014\\_Hostile\\_Fire\\_zone\\_s.pdf](http://www.sos.mo.gov/elections/military/2014_Hostile_Fire_zone_s.pdf); Missouri allows you to return the voted ballot by mail, email, fax or by using the Military and Overseas Voting Access Portal at <http://www.momilitaryvote.com>.

To email or fax your ballot use the FPCA email and fax instructions under How and Where to Submit Your FPCA.

All other voters not in a hostile fire area must return their voted ballots by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

## Tracking your ballot

You may track the status of your ballot at <http://www.sos.mo.gov/elections/goVoteMissouri/registeroverseas.aspx#trackBallot>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Missouri allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in any general, special, Presidential preference or primary election for Federal, statewide, or State Legislative office or State Ballot Measure, or in any other election allowing absentee voting. If using the FWAB to register and vote, please follow the submission instruction carefully under "How and where to submit your FWAB."

If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Beginning July 1, 2014, Missouri allows you to register to vote by checking this box.
Block 2	Select the category that describes you.

Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required. Block 6	To vote in primary elections, you must enter your political party affiliation. If you do not enter a preference, the local election official is authorized to provide that part of the ballot for which political party designation is not required. Political party preference is not required if only requesting absentee ballots for general elections.

Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

### Vote your FWAB

To find out the races and candidates for which you can vote, go to <http://www.sos.mo.gov/elections>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots for UOCAVA voters. If you receive the State ballot after submitting the voted FWAB, you must also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Beginning July 1, 2014, individuals in special hostile fire areas as declared by the Secretary of State before the election; please see link here: [http://www.sos.mo.gov/elections/military/2014\\_Hostile\\_Fire\\_zones.pdf](http://www.sos.mo.gov/elections/military/2014_Hostile_Fire_zones.pdf). can return the FWAB by mail, email or fax. All other registered voters must submit their FWAB by mail. If you wish to use the FWAB for registration and as a ballot, it must be received by the fourth Tuesday prior to the Election Day.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section and at <http://www.sos.mo.gov/elections/goVoteMissouri/localelectionauthority.aspx>.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, Voter Declaration/Affirmation, and cover sheet with signed secrecy waiver. Email directly to your local election office. Email addresses can be found at the end of this section and at [http://www.sos.mo.gov/BlueBook/2013-2014/8\\_CityCounty.pdf](http://www.sos.mo.gov/BlueBook/2013-2014/8_CityCounty.pdf).

If you choose to fax your FWAB, please fax the ballot directly to your local election official. Fax numbers can be found at the end of this section or at <http://www.sos.mo.gov/elections/goVoteMissouri/localelectionauthority.aspx>. 	<b>General Election</b> November 8, 2016
<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

These are not mailing deadlines. Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	For the Federal primary and general elections you may use the Secretary of State's Electronic Absentee System (EAS) to access, save and return a Federal Post Card Application (FPCA) via email. You may also fill out and return an FPCA to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The last place of residence in Montana where you are otherwise qualified to vote.
Do I need to claim a political party to vote in primary elections?	No, but you will need to select and vote only one party's primary ballot.
How can I submit my FPCA?	Montana allows you to submit the FPCA by mail, email or fax.
How often must I submit my FPCA?	The FPCA registers you to vote and requests absentee ballots for all regularly scheduled Federal, State and local elections in the calendar year in which it is submitted and through the next calendar year.
If I am currently registered to vote, how may I request an absentee ballot?	You may submit an FPCA, absentee application, or letter to your local election office to request a ballot. The letter should identify you as an absent Uniformed Services voter or overseas voter and include your date of birth and signature.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	You may return the voted ballot or FWAB by mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB any time before an election to vote in primary, special and general elections for Federal, State and local offices and non-candidate ballot issues without having previously registered or requested an absentee ballot. Montana recommends waiting to use a FWAB until after 45 days before an election.
I am an American citizen, but I have never lived in the U.S., can I	No.

register to vote in this State?

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? To find out the races and candidates for which you can vote for State and Federal elections, go to [www.sos.mt.gov/Elections](http://www.sos.mt.gov/Elections).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal, State and local elections in the calendar year in which it is submitted, and for the next calendar year.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 Not required.

Block 3 Name (Last, First, Middle).

Block 4 Date of birth.

Enter your valid Montana Driver's License number. If you do not have a Montana Driver's License, enter the last four digits of your Social Security Number. If you have never been issued either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Note that for Federal primary and general elections you can use Montana's Electronic Absentee System (EAS). The EAS can be found at [www.sos.mt.gov/Elections](http://www.sos.mt.gov/Elections). Montana allows you to receive the blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7 Complete street address of your Montana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete mailing address where you want your ballot sent, usually where you live now.

Block 9 Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

Montana allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email the form directly to your local election office. Email addresses can be found at the end of this document. If you use the Montana Electronic Absentee System the FPCA may be returned unsigned and attached to an email addressed to the local election office.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of the document.

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration, contact your

local election office or refer to Montana's voter registration verification website at [www.sos.mt.gov/Elections/](http://www.sos.mt.gov/Elections/).

Additionally, your jurisdiction will contact you regarding the status of your application for registration.

**Other ballot request methods**

**Ballot request by letter**

If you are currently registered, you may submit a letter to your local election office to request a ballot. The letter should identify you as an absent uniformed services voter or overseas voter and include your birth date and signature.

**Ballot request by proxy**

A person who holds a power of attorney from an absent Uniformed Service member may apply on behalf of the Uniformed Service member for an absentee ballot to be sent to the voter for that election. The applicant shall provide a copy of the power of attorney authorizing the request for an absentee ballot along with the application.

**Late registration**

You may register up to and including Election Day.

**Voting your ballot**

***Voted ballots that are returned to the local election office through the mail (except Federal Write-In Absentee Ballots) must be sent to the local election office so that they are received by 8 pm on Election Day.***

Voted ballots that are returned to the local election office electronically (except Federal Write-In Absentee Ballots) must be sent to the local election office by 8 pm on Election Day and be received by the local election office by 5 pm on the day after the election. (All times local to Montana).

No witness or notary is required on voted ballots.

You may return the voted ballot by mail, email or fax. Use FPCA email or fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on

or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot at [www.sos.mt.gov/Elections/](http://www.sos.mt.gov/Elections/).

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

Montana allows you to use the Federal Write-in Absentee Ballot (FWAB) for registration and voting in primary, special and general elections for Federal, State and local offices and non-candidate ballot issues. Feel free to use the FWAB to vote any time before an election.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	No.
How can I submit my FPCA?	By mail, email and fax. The original documents must also be mailed when submitting by email or fax.
How often must I submit my FPCA?	The FPCA is good for all regularly scheduled Federal, State and local elections in the calendar year it is submitted. You should submit a new one every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	You may request a ballot from your county election office in-person, or by agent, mail or fax.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	Voted ballots must be returned by mail. If you receive your ballot and you do not think that it will arrive at the county election office by the deadline, contact your county election office to make other arrangements.

## Important information

How can I register to vote as a military or overseas voter?	You should fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	To vote in primary elections, you must enter your political party affiliation. If you do not enter a political party you will be registered as non-partisan and will receive a non-partisan ballot for each non-partisan primary election. Political party affiliation is not required if only requesting absentee ballots for general elections.
How can I submit my FPCA?	Nevada allows you to submit the FPCA by mail, email or fax.
How often must I submit my FPCA?	Submit a new FPCA every year. The FPCA registers you to vote and requests absentee ballots for the Federal primary and general elections immediately following the date the county clerk received the FPCA.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the FPCA to request absentee ballots for the Federal primary and general elections.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	Your voted ballot or FWAB may be returned by mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	Nevada allows you to use the FWAB for registration and an absentee ballot request for voting in general, special and primary elections for local, State and Federal offices. If you are not registered, your FWAB must be received by your local election office by the ballot request deadline. If you are registered and have already requested an absentee ballot, feel free to use the FWAB to vote any time before an election.
I am an American citizen, but I have never lived in the U.S., can I	A U.S. citizen who was born abroad, who is eligible to vote, and who has not previously registered to vote in any other State, may register and vote in the

register to vote in this State?	Nevada county where a parent or legal guardian would be eligible to register and vote.
Will I need a notary or witness for my FPCA or FWAB?	No witness or notary is required on either form.
Where can I find information about the candidates and/or other items that will be on my ballot?	To find out the races and candidates for which you can vote, go to <a href="https://nvsos.gov/elections">nvsos.gov/elections</a> .

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for the Federal primary and general elections immediately following the date which the county clerk received the FPCA request.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. If you leave this block blank, you will be registered as non-partisan and will receive a non-partisan ballot for each non-partisan primary election. If you want to change your political party affiliation, submit a completed FPCA indicating our new party preference to the local election official no later than 31 days before the election. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Your valid Nevada Driver's License OR Nevada identification card number is required for voter registration. If you do not have either, provide the last four digits of your Social Security Number. If you do not possess any of these identification numbers, contact your local election official using the information at the end of this section.
Block 5	Recommended but not required. Provide your contact information to allow the local election official to follow up if more information is required.
Block 6	Nevada allows you to receive your

blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, your local election official will mail your ballot to you.

Block 7	Complete street address of your Nevada voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	To receive a sample ballot in large print, specify this request here. Provide any information that may assist your election official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

### How and where to submit your FPCA

Nevada allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office, with the subject line "Official Nevada FPCA." Email addresses can be found at the end of this section or at [nvsos.gov/elections](https://nvsos.gov/elections).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at the end of this section or at [nvsos.gov/elections](https://nvsos.gov/elections).

Members of the Armed Forces discharged within 60 days of an election may register in person in their county of voting residence upon return to that county.

**Voting by citizens who have never lived in the U.S.**

A U.S. citizen who was born abroad, who is eligible to vote, and who has not previously registered to vote in any other State, may register and vote in the Nevada county where a parent or legal guardian would be eligible to register and vote.

**Voting your ballot**

*Voted ballots must be received by local election officials by 7 pm on Election Day.*

No witness or notary is required on voted ballots.

Voted ballots may be returned by mail, email or fax.

If you choose to return your voted ballot by email or fax, you must submit the voter declaration with your ballot. If you did not receive a copy of the declaration, please contact your local election official for further instructions. If you choose to return your voted ballot via email, submit it with the subject line "Official Nevada Voted Ballot."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot by contacting your local election office. Contact information available at <https://nvsos.gov/votersearch/>.

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

Nevada allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and an absentee ballot

request for voting in general, special and primary elections for local, State and Federal offices. If using the FWAB for voter registration, it must be received by your local election office by the ballot request deadline. If you are registered and have already requested an absentee ballot, feel free to use the FWAB to vote any time before an election.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1	Nevada allows you to use this form for registration.
Block 2	Select the category that describes you.

If you do not possess any of these identification numbers, contact your local election official to be assigned a unique identification number.
Block 5	Recommended but not required. Provide your contact information to allow the local election official to follow up if more information is required.
Block 6	If you are using this form to register and wish to vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed Federal Post Card Application (FPCA) no later than 30 days before the election.
Block 7	Complete street address of your Nevada voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

### Vote your FWAB

Nevada allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send it as a signed, scanned attachment. Email directly to your local election office, with the subject line "Official Nevada Voted Ballot." Email addresses can be found at the end of this section or at [www.nvsos.gov/elections](https://www.nvsos.gov/elections).

If you choose to fax your FWAB, fax it directly to your local election official. Fax numbers can be found at the end of this section or at [nvsos.gov/elections](https://nvsos.gov/elections). Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. This ballot is available for the State primary no later than July 15 and for the General Election no later than the date of the State primary. This ballot allows you to vote for Federal offices. <b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

These are not mailing deadlines. Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	No.
How can I submit my FPCA?	You may submit your FPCA by mail, email or fax directly to your local election office. Contact information for your local election office can be found at the end of this section.
How often must I submit my FPCA?	Your FPCA is good for the next regularly scheduled election unless you request ballots for all regularly scheduled elections for the calendar year in which it is submitted.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election office by mail, fax, or email. A listing of County Clerks can be found at <a href="http://elections.nj.gov">elections.nj.gov</a> or at the end of this section.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You must return your voted ballot or FWAB by mail. If you email or fax your ballot to the local election office, you must also submit the original ballot by mail with certification.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	To use the FWAB you must have previously registered to vote and requested an absentee ballot. The FWAB may only be used to vote in Federal elections. If the ballot is emailed or faxed, you must also submit the original ballot by mail.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	No.

Where can I find information about the candidates and/or other items that will be on my ballot?

Please visit <http://www.state.nj.us/state/elections/>.

	CD 11 Special Election May 5, 2015	General Election November 8, 2016
<b>Registration</b>	April 10, 2015	TBD
<b>Ballot Request</b>	April 28, 2015	TBD
<b>Ballot Return</b>	Postmarked by May 4, 2015 Received by May 18, 2015	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. See FPCA Block 2 or FWAB Block 6 for additional information.
How can I submit my FPCA?	New York allows you to submit the FPCA by mail, email or fax. If you choose to email or fax your form, you must also mail the original signed FPCA directly to your local election office and it must be received by the ballot receipt deadline.
How often must I submit my FPCA?	For Uniformed Service voters, New York accepts an FPCA as voter registration and absentee ballot request for all Federal, State and local elections held through the next two regularly scheduled general elections. For overseas citizens, New York accepts an FPCA as voter registration and absentee ballot request for all Federal elections held through the next two regularly scheduled general elections.
If I am currently registered to vote, how may I request an absentee ballot?	The FPCA also serves as an absentee ballot request, so even if you are already registered to vote, complete an FPCA and return it to the proper county board.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB at any time if you have previously registered and requested your absentee ballot. If you are not already registered, the ballot will not be counted but the FWAB will be used to register you for future elections.

Uniformed Service members and their eligible family members may use the FWAB to vote in State and local elections. Overseas citizens may not.

I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?

Yes, for Federal offices in the county where a parent would be eligible to register and vote.

Will I need a notary or witness for my FPCA or FWAB?

No.

Where can I find information about the candidates and/or other items that will be on my ballot?

Visit the New York State Board of Elections web site at <http://www.elections.ny.gov> for information on certain candidates and propositions that will appear on the ballot. You can also find links to the web site of your local county board, which may provide additional local information.

## Registering and requesting your absentee ballot

If you are a member of the Uniformed Services (or family member), the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all local, State and Federal elections held through the next two regularly scheduled general elections.

If you are an overseas citizen, the FPCA registers you to vote and requests absentee ballots for all elections for Federal office held through the next two regularly scheduled general elections.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you want to be an unaffiliated voter, write "none." Only the Independence Party allows unaffiliated voters, under certain circumstances, to participate in its primary elections. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle)

Block 4 Your sex and race are not required. Your date of birth is required.

Enter your valid New York Driver's License number, the last four digits of your Social Security Number OR your State voter registration number. If you do not possess any of these identification numbers, New York shall assign a number that will serve to identify you for voter registration

purposes.

Block 5 Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.

Block 6 New York allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your county elections official will mail your ballot to you.

Block 7 Complete street address of your New York voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Provide any information that may assist the county elections official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

New York allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section and at <http://www.elections.ny.gov>. After emailing your form, you must also mail it directly to your local election office. The original signed FPCA must be received by your local election official before the ballot receipt deadline.

If you choose to fax your FPCA, fax the form directly to your county elections official. Fax numbers can be found at the end of this section and at <http://www.elections.ny.gov>. After faxing your form, you must also mail it directly to your local election office. The original signed FPCA must be received by your local election official before the ballot receipt deadline.

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to New York's voter registration verification website at <https://voterlookup.elections.state.ny.us/votersearch.aspx>. Your jurisdiction will contact you regarding the status of your application.

### Other ballot request methods

If you are outside the U.S., your spouse, parent, adult child, brother, sister or duly authorized agent may apply to the local board of elections for an absentee ballot to be sent to you.

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the county where a parent would be eligible to register and vote (for Federal offices only).

## Voting your ballot

***Voted ballots for general elections must be postmarked by the day before the election and received by the local election office no later than 13 days after the election. For primary elections, voted ballots must be postmarked by the day before the election and received by the local election office no later than seven days after the election.***

No witness or notary is required on voted ballots. Voted ballots must be returned by mail.

The voted ballot's mailing envelope may be witnessed to show the ballot was mailed no later than the day before the election. This ensures that ballots received with no postmarks or other date/time markings or indicia will be counted.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <http://www.secureballotusa.com/NY>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

New York allows Uniformed Service members and their families to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, runoff and general elections for Federal, State and local offices and non-candidate ballot issues.

New York allows overseas citizens to use the FWAB for voting in primary, special, run-off, and general elections for Federal office.

If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election. If you are not already registered, the ballot will not be counted but the FWAB will be used to register you for future elections.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	New York allows you to use this form for registration, however if you are not already registered, the ballot will not be counted and the FWAB will be used to register you for future elections.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle)
Block 4	Your sex and race are not

required. Your date of birth is required.

Enter your valid New York Driver's License number, the last four digits of your Social Security number, OR your State voter registration number. If you do not possess any of these identification numbers, New York shall assign a number that will serve to identify you for voter registration purposes.

Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	To vote in primary elections, you must enter your political party affiliation. If you want to be an unaffiliated voter, write "none." Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 7	Complete street address of your New York voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the town or city where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	New York allows you to receive your absentee ballot by mail, email or fax. Identify how you would like to receive future absentee ballots. Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

**Vote your FWAB**

To find out the races and candidates for which you can vote, go to [www.elections.ny.gov](http://www.elections.ny.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

The FWAB must be returned by mail.

Insert the sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail your FWAB directly to your county elections official.

	<b>General Election</b> November 8, 2016
<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

**These are not mailing deadlines.** Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) or the Federal Write-In Absentee Ballot (FWAB) to your local election office. Both forms can be used to register and identify you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. Voters registered as unaffiliated (as an "independent") may vote in State party primary elections, but will need to indicate the party primary that wish to participate.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA (or FWAB if you submit the FWAB for registration) is valid in the calendar year in which either forms are received. You should submit a new application after January 1 of each year and every time your address changes.
If I am currently registered to vote, how may I request an absentee ballot?	You may request an absentee ballot using the FPCA or request a State Absentee Ballot Request Form from your local board of elections.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail, email or fax.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB to register and vote. If you are not registered the FWAB must be received by the registration deadline. If you are registered and have requested your absentee ballot, you may use the FWAB to vote by the date of the election. You may use the FWAB to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, if a parent or guardian last lived and would be eligible to vote in North Carolina.
Will I need a notary or witness for	No.

my FPCA or FWAB?

Where can I find information about the candidates and/or other items that will be on my ballot?

A "UOCAVA Election Notice" will be available on your local board of elections' website at least 30 to 50 days prior to the date of an election.

## Registering and requesting your absentee ballot

Block 9 Provide any information that may assist the local election official in accepting this application.

### How and where to submit your FPCA

North Carolina allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email, email the signed, scanned form directly to [UOCAVA.ABSENTEE@sboe.state.nc.us](mailto:UOCAVA.ABSENTEE@sboe.state.nc.us) or your local election official. Email addresses can be found at the end of this section or the North Carolina State Election website <http://www.ncsbe.gov/webapps/CBESearch/>. You may also use the Electronic Transmission Service (ETS) by sending the form as an attachment to [ets@fvap.gov](mailto:ets@fvap.gov).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at

the end of this section and at <http://www.ncsbe.gov/webapps/CBESearch/>. You may also use ETS to fax your FPCA toll-free; use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to North Carolina's voter registration verification website at <http://www.ncsbe.gov/ncsbe/Voter-Tools>.

Your jurisdiction will contact you if your application is denied.

**Late registration**

Any member of the Uniformed Services who is qualified to vote absentee and returns to North Carolina after the registration deadline may still register and vote in person up to and including Election Day.

**Voting by citizens who have never lived in the U.S.**

A U.S. citizen who was born abroad and has never lived in the U.S. may register and vote in the North Carolina county where a parent would be eligible to register and vote.

**Voting your ballot**

***Voted ballots sent by email or fax must be received by the local election office by 7:30pm ET on Election Day. Voted ballots sent by mail for a general election can be received up to 10 days after Election Day. Voted ballots sent by mail for other elections (i.e., primary) can be received up to 7 days after Election Day.***

The oath on the ballot return envelope must be signed.

You may return the voted ballot by mail, email, or fax. Use FPCA mail, email or fax instructions under 'How and where to submit Your FPCA.'

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot at [http://www.ncsbe.gov/webapps/os\\_sites/](http://www.ncsbe.gov/webapps/os_sites/).

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

North Carolina allows you to use the Federal Write-In Absentee Ballot (FWAB) for Federal, State and local elections. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

The FWAB may be used to register to vote and/or request an absentee ballot as long as it is received no later than 5 pm ET on the day before the election. If received later than that date, then the voter must already be registered and have already requested an absentee ballot.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1	North Carolina allows you to use this form for registration if it is received by the registration deadline.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth is required.  Enter your valid North Carolina Driver's License number, the last four digits of your Social Security number OR your State voter registration number.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Required if using a FWAB to register to vote in primary elections.
Block 7	Complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist

the local election official in accepting this ballot or application.

**Affirmation** Sign and date. No witness or notary required.

**Vote your FWAB**

Vote for any office in a Federal, State or local election. To find out the races and candidates for which you can vote, go to [www.ncsbe.gov](http://www.ncsbe.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for receiving the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

North Carolina allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to fax your FWAB, you should send it to (919) 715-0351 or to your local election official. Fax numbers can be found at <http://www.ncsbe.gov/webapps/CBESearch/> or at the end of this section. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use ETS to fax your FWAB toll-free; use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

If you choose to email your FWAB, you should send it as a signed, scanned attachment to [UOCAVA.ABSENTEE@sboe.state.nc.us](mailto:UOCAVA.ABSENTEE@sboe.state.nc.us) or your local election official. Local election official email addresses can be found on the North Carolina State Election website at <http://www.ncsbe.gov/webapps/CBESearch/> or at the end of this section. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the Electronic Transmission Service (ETS) by sending the form as an attachment to [ets@fvap.gov](mailto:ets@fvap.gov).

## Important information

How can I register to vote as a military or overseas voter?	North Dakota does not have voter registration, but you will need to request a ballot using your Driver's License or State-issued identification number. Use North Dakota's electronic system at <a href="https://vip.sos.nd.gov/absentee">https://vip.sos.nd.gov/absentee</a> , or fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	No.
How can I submit my FPCA?	By mail, email or fax. You may also choose to use North Dakota's electronic system at <a href="https://vip.sos.nd.gov/absentee/">https://vip.sos.nd.gov/absentee/</a> .
How often must I submit my FPCA?	The form requests absentee ballots for all regularly scheduled elections for the calendar year in which it is submitted. You should submit a new one every time your address changes or every year.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax. You may also choose to use North Dakota's electronic system at <a href="https://vip.sos.nd.gov/absentee/">https://vip.sos.nd.gov/absentee/</a> .
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB any time before an election without having previously requested an absentee ballot, but if you have not requested a ballot your FWAB must be received before 11:59 pm the day before the election. The FWAB may be used to vote in Federal, State and local races.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	A U.S. citizen, who was born abroad, has never lived in the U.S. and who is eligible to vote, may vote in the county where a parent is eligible to vote.
Will I need a notary or witness for my FPCA or FWAB?	No.
Where can I find information about the candidates and/or other items	Please visit <a href="https://vip.sos.nd.gov/WhereToVote.aspx">https://vip.sos.nd.gov/WhereToVote.aspx</a> to see your sample ballot.

### Voting by citizens who have never lived in the U.S.

A U.S. citizen, who was born abroad, has never lived in the U.S. and who is eligible to vote, may vote in the county where a parent is eligible to vote.

## Voting your ballot

***Voted ballots must be date-stamped before Election Day and received by the local election office before the county canvassing board meets, six days after the election.***

You may vote your ballot using North Dakota's electronic system at <https://vip.sos.nd.gov/absentee/>. You may also

return the voted ballot by mail, email or fax. Use FPCA mail, email or fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). ### Vote your FWAB

Vote for any Federal, State or local office or ballot question in a general, special or primary election. To find out the races and candidates for which you can vote, go to <https://vip.sos.nd.gov/wheretovote.aspx>.

For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

If using the FWAB simultaneously as a ballot request form and voted ballot, it must be submitted to the local election office before 11:59 pm on the day before the election.

If using the FWAB as a voted ballot only, it must be received by the local election office by the ballot return deadline. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

North Dakota allows you to submit the FWAB by mail, email or fax. You may also use North Dakota's electronic system at <https://vip.sos.nd.gov/absentee>.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FWAB, you should send it as a signed, scanned attachment. Include ballot, Voter Declaration/Affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Email

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	No, but if you do not select a party, you cannot vote for candidates and you will receive an "issues only" ballot for the primary election.
How can I submit my FPCA?	You may mail, email or fax your FPCA directly to your local election official. Addresses can be found at the end of this section.
How often must I submit my FPCA?	Each year.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB to vote at any time if you have previously registered and requested a ballot or if you submit the FWAB by the registration deadline. The FWAB may be used to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, in the county where a parent would be eligible to register and vote.
Will I need a notary or witness for my FPCA or FWAB?	No.
Where can I find information about the candidates and/or other items that will be on my ballot?	Please visit <a href="http://www.sos.state.oh.us/SOS/elections.aspx">http://www.sos.state.oh.us/SOS/elections.aspx</a> for links to local county boards of elections where you can view a precinct-specific FWAB Election Notice.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal, State and local elections for the calendar year in which it is submitted, or 90 days prior to the election, whichever is earlier.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. Political party affiliation is not required if only requesting absentee ballots for general elections. In Block 9, voters may also request an "issues only" ballot to vote on ballot questions in primary elections.
Block 3	Name (Last, First, Middle).
Block 4	Your sex and race are not required. Your date of birth is required.  Your valid Ohio Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.
Block 6	Ohio allows you to receive your absentee ballot by mail, email or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.
Block 7	Complete street address of your Ohio voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 Fill in the length of time you resided in Ohio immediately before leaving Ohio. Indicate if you are requesting an "issues only" ballot to vote on ballot questions in primary elections. Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

### How and where to submit your FPCA

Ohio allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to [OMV@ohiosecretaryofstate.gov](mailto:OMV@ohiosecretaryofstate.gov) or to your local election office. Email addresses can be found at [www.ohiosecretaryofstate.gov/SOS/elections/overseas.aspx](http://www.ohiosecretaryofstate.gov/SOS/elections/overseas.aspx) or at the end of this section.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at [www.ohiosecretaryofstate.gov/SOS/elections/overseas.aspx](http://www.ohiosecretaryofstate.gov/SOS/elections/overseas.aspx) or at the end of this section. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Ohio's Uniformed Services and overseas absent voter's ballot tracking website at [https://usoav.sos.state.oh.us/UOCAVA\\_vr\\_Login.aspx](https://usoav.sos.state.oh.us/UOCAVA_vr_Login.aspx). To view the status of your FPCA and absent voter's ballot you will need to enter your last name and your unique assigned personal identification number (PIN). Your jurisdiction will contact you regarding the status of your application.

### Other ballot request methods

Relatives of Uniformed Services and overseas voters may apply for absentee ballots on the voter's behalf using a form provided by your local board of elections or the FPCA if the voter is already registered to vote.

## Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the town or city in Ohio where a parent or legal guardian would be eligible to register and vote.

## Voting your ballot

***Voted ballots must be postmarked by 12:01 am the day of the Election and received no later than 10 days after the election.***

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at [https://usoav.sos.state.oh.us/UOCAVA\\_vr\\_Login.aspx](https://usoav.sos.state.oh.us/UOCAVA_vr_Login.aspx).

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Ohio allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special and general elections for Federal, State and local offices and non-candidate ballots issues. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Ohio allows you to use this form for voter registration if it is received by the registration deadline.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Your sex and race are not required. Your date of birth is required.  Enter your valid Ohio Driver's License

number, the last four digits of your Social Security number, OR your State voter registration number.

Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	To vote in primary elections, you must enter your political party affiliation. If you want to only vote on non-candidate ballot issues, your political party affiliation not required. Political party affiliation is not required if only voting in or requesting absentee ballots for general elections.
Block 7	Complete street address of your Ohio voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the town or city where you claim legal voting residence.
Block 8	Enter your current mailing address, usually where you live now.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

### Vote your FWAB

Vote for any Federal, State and local office or ballot question in any election. To find out the races and candidates for which you can vote, visit the website of the local county board of elections to view the precinct-specific FWAB Election Notice. For each office for which you vote, write in either a candidate's name or a political party designation, or ballot issue. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

The FWAB must be returned by mail.

Insert the sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

## Federal Election Deadlines

	<b>General Election</b> November 8, 2016
<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

**These are not mailing deadlines.** Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out, sign and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for two regularly scheduled general elections. You should submit a new one every time your address changes or every four years.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out, sign and return an FPCA to your local election office. Be sure to indicate whether your ballot should be mailed, delivered online or faxed to you. FPCAs received by 5 pm the Wednesday preceding the election will be processed and ballots will be mailed, delivered online or faxed as requested on the FPCA.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail or fax.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB even if you have not previously applied for an absentee ballot. Upon receipt of a FWAB, you will be registered. If you want to receive absentee ballots for future elections, indicate so in the FWAB Affirmation including how you prefer to receive those ballots (mail, email/online or fax). You may use the FWAB to vote in Federal and State elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes. If a parent or legal guardian was eligible to register to vote in Oklahoma prior to leaving the U.S. and if you have not previously registered to vote in another State, you are eligible to register at the last address of residence of your parent or legal guardian in Oklahoma.

Will I need a notary or witness for my FPCA or FWAB?	No. Sign and date the FWAB Voter's Declaration/Affirmation. Notarization or witnesses are not required.
Where can I find information about the candidates and/or other items that will be on my ballot?	The State Election Board will publish the names of all candidates for Federal, State and legislative offices on their website as filing papers are received April 9-11, 2014. The list is updated as withdrawals occur and as nominees for the General Election are determined in the Primary and Runoff Primary. Ballot titles for State questions also are published on the website as they are approved. Information about county offices and questions and other local entity elections may be obtained from the appropriate County Election Board.

## Registering and requesting your absentee ballot

Registration is not required to apply for absentee ballots. If you are not registered to vote, you will become registered upon submission of a valid Federal Post Card Application (FPCA). You must still complete the FPCA to request an absentee ballot. The form requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections.

If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official not less than 24 days before an election. Oklahoma does not allow political party changes from April 1-August 31 in even-numbered years. If you submit a political party change during that period, it will be held and processed on September 1. Political party affiliation is not required if only requesting absentee ballots for general elections.	Block 5 Recommended but not required. Please note, if you want to receive your blank ballots by email/online, the last four digits of your Social Security number are required for access to the Oklahoma Military and Overseas Ballots Online System. If you do not provide the last four digits of your Social Security number, you will receive your ballots by regular mail or by fax.
Block 4	Date of birth.  Enter either your current valid Oklahoma Driver's License number OR the last four digits of your Social Security number. One of these numbers is required for voter registration. If you do not possess any of these identification numbers, please indicate this in Block 9. ### Vote your FWAB

Vote for any Federal or statewide office in any election. To find out the races and candidates for which you can vote, go to [www.elections.ok.gov](http://www.elections.ok.gov). Place only the voted ballot in the security envelope and do not write on the security envelope.

deadline, only the State ballot will be counted.

Oklahoma allows you to submit the FWAB by mail or fax. Voters who do not have fax capabilities or are concerned their ballot will not be returned by mail in time to be counted may email their ballot to the DoD Electronic Transmission Service at [ets@fvap.gov](mailto:ets@fvap.gov) with instructions to forward it by fax to your local election office. If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your local election official. ## Federal Election Deadlines

	<b>General Election</b> November 8, 2016
<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

These are not mailing deadlines. Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Register online at <a href="http://www.oregonvotes.gov">www.oregonvotes.gov</a> . If you do not have a current Oregon Driver's License or State ID Card fill out and return the Federal Post Card Application (FPCA) to your local election office. The FPCA allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. If you do not select a party by the registration deadline, you can still vote in primary elections, but your ballot will only include non-partisan offices and measures.
How can I submit my FPCA?	By mail, email or fax. If you submit your FPCA by email or fax, you must also mail your signed FPCA.
How often must I submit my FPCA?	The FPCA is good for every subsequent Federal election held until the voter otherwise notifies the clerk, or the county election official receives evidence that the elector's voter registration is no longer current.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the FPCA to your local election office or complete form SEL 111 "Ballot for an Absent Elector Request Form" online at <a href="http://www.oregonvotes.gov">www.oregonvotes.gov</a> and send it to your local elections office either by mail, email or fax.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax. If you submit your FWAB by email or fax, you must mail your signed FWAB.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use a FWAB any time up to the registration deadline for an election without having previously registered or requested an absentee ballot. If previously registered, you may use a FWAB any time so long as it is received by 8 pm on Election Day. The FWAB may be used to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? To find out the races and candidates for which you can vote, go to [www.oregonvotes.gov](http://www.oregonvotes.gov).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter otherwise notifies the clerk, or the county election official receives evidence that the elector's voter registration is no longer current.

All information applies to Uniformed Service members, their eligible family members, and overseas citizens, as well as members of the U.S. Armed Forces and Merchant Marines who have been discharged within 30 days of an election.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 Some political parties require you to be registered in their party to vote for their candidates in primary elections. If you are not affiliated with a political party or don't select one, the ballot sent to you for primary elections will include nonpartisan offices and measures. To vote in the elections of a political party that has authorized non-affiliated electors, write: *"I want to vote in (fill in party) Primary."* Political party affiliation is not required for general elections.

Block 3 Name (Last, First, Middle). Enter any former name under which you were registered in Oregon.

Block 4 Date of birth.

Your valid Oregon Driver's License number OR if you do not have an Oregon Driver's License the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Oregon allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7 Complete street address of your Oregon voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot mailed, usually where you live now.

Block 9 In addition to mailing a regular ballot, Oregon provides a State Write-In Absentee Ballot to any voter residing outside the U.S. unable to vote using the regular absentee voting process. This ballot may be requested any time before the election. To request it, write in Block 9: *"I am outside the territorial limits of the United States and the District of Columbia and I am unable to vote and return a regular absentee ballot by normal mail delivery in the time provided for regular absentee ballots. I request a special write-in absentee ballot."* This request is valid only for the election specified on the application. Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. No witness or notary required.

The Waiver Form is available at [www.oregonvotes.gov](http://www.oregonvotes.gov).

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

If you choose to email your FWAB, email the ballot, Voter Declaration/Affirmation and a completed Oregon Facsimile or Electronic Mail Vote Secret Ballot Waiver Form as signed and scanned attachments. You must also submit the FWAB by mail. Email directly to your local election office.

If you choose to fax your FWAB, you must also submit

the FWAB by mail. If faxing, a completed Oregon Facsimile or Electronic Mail Vote Secret Ballot Waiver Form must accompany your ballot.

You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. ## Federal Election Deadlines

### General Election November 8, 2016

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections). The Federal Write-In Absentee Ballot (FWAB) also allows you to register to vote if it is submitted by the voter registration deadline.
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote primary elections?	Yes. If you do not select a party, you can still vote in a general election, but not in a primary election.
How can I submit my FPCA?	You may return your FPCA by mail, email, fax or internet delivery directly to your local election official. If you submit your FPCA by email or fax, you must also mail your signed FPCA. Addresses can be found at the end of this section.
How often must I submit my FPCA?	Each year.
If I am currently registered to vote, how may I request an absentee ballot?	You may use the FPCA, FWAB or any other absentee ballot application that identifies you as a covered voter. The applications can be downloaded on <a href="http://vot.esPA.com">vot esPA.com</a> .
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB to vote any time before any election without having previously registered to vote or requested an absentee ballot. However, if you are not registered your FWAB must be received by the registration deadline. Use the FWAB to vote for any Federal, State and local office in a primary, special or general election.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	No.

Where can I find information about the candidates and/or other items that will be on my ballot?

Please visit [www.dos.state.pa.us](http://www.dos.state.pa.us).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for primary, special and general elections for Federal, State and local offices and non-candidate ballot issues.

If you are a military voter and you are present in your voting district of residence on Election Day and have not already voted, you may apply in-person at the local election office for the absentee ballot and vote it in-person.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle).

Block 4 Your date of birth is required.  
  
Enter your valid Pennsylvania Driver's License number. If you do not have a Pennsylvania Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.

Block 6 Pennsylvania allows you to receive your absentee ballot by mail, email, fax or internet delivery. Please rank your preference of how you would like to receive your absentee ballot. Provide

your email address or fax number in Block 5. If you do not make a selection, then your county elections official will mail your ballot to you.

Block 7 Complete street address of your Pennsylvania voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 If you are in a remote area, you may receive a ballot 50 days before the primary election and 70 days before the general election. To request a ballot within these time frames, write in Block 9: *"I am unable to vote during the regular absentee balloting period by reason of performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot."* OR *"I am unable to vote during the regular absentee ballot period by reason of living in an extremely remote or isolated area of the world. I request a special write-in absentee ballot."*  
Provide any information that may assist the county elections official in accepting this application.

Affirmation Sign and date. No witness or notary required.

This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections for the calendar year in which it is submitted and the next Federal election.

Puerto Rico only accepts the FPCA as a temporary registration and absentee ballot request for elections for Federal office.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the Absentee Voting Administrative Board. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle). Both your paternal and maternal surnames are required. Otherwise, provide your full name as it appears on file at the Puerto Rico State Elections Commission.
Block 4	Your sex and race are not required. Your date of birth is required.  Your Puerto Rico Driver's License number is required. If you do not have a Puerto Rico Driver's License number, the last four digits of your Social Security number OR your voter registration number is required.
Block 5	Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.
Block 6	Puerto Rico allows you to receive your ballot by mail or on the web at <a href="http://prballotrequest.secureballotusa.com/en">prballotrequest.secureballotusa.com/en</a> . More transmission options may be available. Check <a href="http://FVAP.gov">FVAP.gov</a> for updates.
Block 7	Complete street address of your Puerto Rico voting residence. A post office box

is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	Provide your father's and mother's first names. The witness or certifying officer who signs the Affirmation must state here - " <i>I certify that [voter] is a [member of the U.S. Army, student at XX University, etc., whichever is applicable].</i> " Provide any information that may assist the county elections official in accepting this application.
Affirmation	Sign and date. Witness is required (see instruction in Block 9). Notary is not required.

### How and where to submit your FPCA

Puerto Rico allows you to submit the FPCA by mail, email or fax if you are already registered. If you are not already registered and choose to email or fax, you must also submit your FPCA by mail directly to the Absentee Administrative Board office so that it arrives by the ballot return deadline.

If you choose to mail your FPCA, mail the form directly to:

Absentee Voting Administrative Board (JAVA)

Your jurisdiction will contact you regarding the status of your application.

### Other ballot request methods

You may register to vote and request your absentee ballot online at <https://prballotrequest.secureballotusa.com/en>.

If you are already permanently registered, you may request a ballot using the Petition for Absentee Ballot which is available by mail from the Elections Commission or at [www.ceepur.org](http://www.ceepur.org).

***Voted ballots must be postmarked no later than Election Day and be received by the Puerto Rico Elections Commission by 3pm on Election Day, or no later than 45 days from the date the Puerto Rico State Election Commission sends the ballot to the voter.***

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

The witness or certifying officer who signs the Affirmation must state here - " <i>I certify that [voter] is a [member of the U.S. Army, student at XX University, etc., whichever is applicable].</i> " Provide any information that may assist the Absentee Voting Administrative

Board in accepting this ballot or application.

Affirmation Sign and date. Witness is required (see instruction in Block 9). Notary is not required.

### Vote your FWAB

Vote in any Federal election. To find out the races and candidates for which you can vote, go to [www.ceepur.org](http://www.ceepur.org). For each office for which you vote, write in either a candidate's name or a political party designation. Puerto Rico does not elect members to the U.S. Senate or directly participate in the election of the President and Vice President of the U.S. At the Federal level, only a Resident Commissioner to the House of Representatives is elected.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

Puerto Rico allows you to submit the FWAB by mail. Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to:

Absentee Voting Administrative Board (JAVA)  
Puerto Rico State Election Commission  
PO Box 192359  
San Juan, PR 00919-2359  
<http://cee.ceepur.org/consulta/default.aspx>  
Fax: (787) 777-8728  
Email: [java@cee.gobierno.pr](mailto:java@cee.gobierno.pr)

The deadlines for submitting the FWAB are the same as for territory absentee ballots. If you receive the territory ballot after submitting the voted FWAB, you may also vote and return the territory ballot. If both ballots are received by the deadline, only the territory ballot will be counted.

Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Rhode Island allows you to submit the FWAB by mail (or fax if you faxed your FPCA for ballot request).

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail it directly to:

State Board of Elections  
50 Branch Avenue  
Providence, RI 02904

If you choose to fax your FWAB, fax the ballot directly to the State Board at 401-222-3135. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all primary, special, runoff and general elections for Federal, State and local offices and non-candidate ballot issues for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 South Carolina does not require you to register to vote by party. However, to vote in primary elections, you must enter your party of choice to ensure you receive that party's ballot. If you want to change your party, submit a completed FPCA indicating your new party preference to the local election official. Party is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle)

Block 4 Please enter your sex and date of birth.

For race, enter the choice that best describes you from the following list: Black/ African American; Hispanic; Asian; White; Native American; Other.

Block 6 South Carolina allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 8 Complete address where you want your ballot sent, usually where you live now.

Block 9 In addition to mailing a regular ballot, South Carolina provides a State Write-In Absentee Ballot to any voter unable to vote using the regular absentee voting process due to military service or due to living in extremely remote areas. This ballot allows you to vote for all primary, special, runoff and general elections for Federal, State, local offices and non-candidate ballot issues. You must request this ballot 90 or less days before the election. To request it, write in Block 9: *"I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."*

## Federal Election Deadlines

	<b>General Election</b> November 8, 2016
<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

**These are not mailing deadlines.** Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and mail the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. If you are a registered Republican, you can only vote in a Republican Primary. If you are registered Democratic, Independent or No Party Affiliation, you may vote in a Democratic Primary.
How can I submit my FPCA?	If you are already registered you may submit your FPCA by mail, email or fax to your local election official by mail. If you are not already registered to vote, you must submit your FPCA by mail to your local election official by mail.
How often must I submit my FPCA?	The FPCA is good for the calendar year in which it is submitted. You should submit a new one every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out an FPCA or an Absentee Ballot Application form on <a href="http://sdsos.gov">sdsos.gov</a> and return to your county auditor.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You must have submitted a ballot request or FPCA to your county auditor before you can use the FWAB to vote. You may use the FWAB to register and vote if it is received by the registration deadline. The FWAB may only be used to vote in Federal elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Any overseas citizen may register and vote in any Federal, State, county, or local election held within South Dakota under the following condition: (1) The overseas citizen, or the spouse or parent of the overseas citizen, was last domiciled in South Dakota immediately prior to departure from the United States (2) an adult child of the overseas citizen has not reached the age of 22.

Will I need a notary or witness for my FPCA or FWAB?

You do not need a notary or witness for your FPCA, however stateside Uniformed Service members and their eligible family members may choose to have their FPCA notarized if it is easier than providing a photocopy of one of the following: South Dakota Driver's License or non-driver ID card, passport or other picture ID issued by the U.S. Government, a tribal photo ID or a current student ID issued by a South Dakota high school or post-secondary education institution. Commissioned officers in the military service of the United States may sign instead of a notary.  
 You do not need a notary or witness for your FWAB.

Where can I find information about the candidates and/or other items that will be on my ballot?

Visit the Secretary of State's website at [sdsos.gov](https://sdsos.gov).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

### Complete the following blocks of the FPCA

Block 1 Select the category that describes you.

Block 2 To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, mail a completed FPCA indicating your new party preference to the local election official to be received no later than 15 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3 Name (Last, First, Middle).

Block 4 Date of Birth

Your valid South Dakota Driver's License number is required for voter registration. If you do not have a South Dakota Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, you must register at the County Auditor's office and sign a statement saying you do not have either number.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to

follow up if more information is required.

Block 6 South Dakota allows you to receive your blank ballot by mail or email. Your absentee ballot cannot be sent to you by fax. Please rank your preference of how you would like to receive your absentee ballot. If you choose to receive your blank ballot by email, you must provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. In the event that your ballot cannot be delivered via email, your local election official will mail your ballot to the address in Block 8. If no address is provided, your ballot would then be sent to your voter registration address in South Dakota.

Block 7 Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8 Complete address where you want your ballot sent, usually where you currently live now.

Block 9 Provide any information that may assist the local election official in accepting this application.

Affirmation Sign and date. Stateside Uniformed Service members and their eligible family members must provide a photocopy of one of the following:

- a South Dakota Driver's License

- or non-driver ID card
- a passport or other picture ID issued by the U.S. government
- a tribal photo ID
- a current student photo ID issued by a South Dakota high school or post secondary education institution

Should notarization of the stateside military voter's signature be easier to obtain than a photocopy of the ID, a notarized absentee ballot application may be submitted. The notarization/oath on the absentee ballot application can be administered by any commissioned officer in the military service of the United States. Overseas Uniformed Service members, their eligible family members and overseas citizens are not required to have a witness or notarization, nor are they required to include a photocopy of their identification.

---

## How and where to submit your FPCA

South Dakota allows you to submit the FPCA by mail, email or fax if you are already registered. If you are not registered, you must submit the form by mail. Please also see the ID photocopy requirement in the "Affirmation" section in the FPCA instructions.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or at [sdsos.gov](https://sdsos.gov).

If you choose to email your FPCA, you should send the signed form as a scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section or at [sdsos.gov](https://sdsos.gov).

If you choose to fax your FPCA, it is recommended that you fax the signed form directly to your local election official. Fax numbers can be found at the end of this section or [sdsos.gov](https://sdsos.gov). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](https://fvap.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](https://fvap.gov).

To find out the status of your registration, contact your local election office or refer to South Dakota's voter registration verification website which can be found at <https://sos.sd.gov/Elections/VIPLogin.aspx>.

In addition to your registration information, this site also provides you with tracking information regarding your voting materials - the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or email, and the date your voted absentee ballot was received by your election official.

Your jurisdiction will contact you if your registration is denied.

## Voting by citizens who have never lived in the U.S.

Any overseas citizen may register and vote in any Federal, State, county, or local election held within South Dakota under the following condition: (1) The overseas citizen, or the spouse or parent of the overseas citizen, was last domiciled in South Dakota immediately prior to departure from the United States (2) an adult child of the overseas citizen has not reached the age of 22.

---

## Voting your ballot

*Voted ballots must be received by the local election office by the close of the polls on Election Day.*

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

## Tracking your ballot

You may track the status of your ballot at <https://sos.sd.gov/Elections/VIPLogin.aspx>.

---

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

South Dakota allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special and general elections for Federal office. Feel free to use the FWAB to vote any time before an election if you have already requested your absentee ballot. If you are using the FWAB to register and vote, it

must be received by the registration deadline.

## Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	South Dakota allows you to use this form for registration.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of Birth
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Not required.
Block 7	Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

## Vote your FWAB

To find out the races and candidates for which you can vote, go to [sdsos.gov](https://sdsos.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

South Dakota allows you to submit the FWAB by mail. Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Contact information for your county auditor is available at [sdsos.gov](https://sdsos.gov).

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot

after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

You may check the status of the absentee ballot process by referring to South Dakota's Voter Information Portal at <https://sos.sd.gov/Elections/VIPLogin.aspx>. The site tracks the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or email and the date your voted absentee ballot was received by your election official.

## Federal Election Deadlines

	<b>General Election</b> November 8, 2016
<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

**These are not mailing deadlines.** These are not mailing deadlines. Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form can be used to temporarily register and/or request an absentee ballot and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home, to which you have a definite intention to return. It must be a place where the person has physically been present with intent to remain and return when away.
Do I need to claim a political party to vote primary elections?	Yes.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for the calendar year in which it is submitted. You should submit a new application every time your address changes including your mailing address, or after January 1 of each year to qualify for all upcoming elections.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the Federal Post Card Application (FPCA) to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	If you are already registered to vote and have made a timely request for your absentee ballot, you may use the FWAB to vote any time before an election. If you are not registered to vote, the FWAB may be used as a temporary registration, absentee ballot request and ballot if received by the registration deadline. The FWAB may be used to vote in Federal, State and local elections for which you are eligible.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, under certain circumstances. A U.S. citizen born abroad, who is eligible to vote and has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to register and vote.

Will I need a notary or witness for my FPCA or FWAB? No notary is required. A witness signature is only necessary if you required assistance completing either form.

Where can I find information about the candidates and/or other items that will be on my ballot? Please visit <http://www.tn.gov/sos/election/qualify/index.htm>.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for all regularly scheduled Federal, State and local elections for the calendar year in which it is submitted. Voters must submit a new application after January 1 of each year to qualify for upcoming Federal, State or local elections.

### Complete the following blocks of the FPCA

- Block 1 Select the category that describes you.

---

- Block 2 To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 7 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

- Block 3 Name (Last, First, Middle)

---

- Block 4 Sex is required.  
Race is requested but not required. Enter the choice that best describes you from the following list: American Indian or Alaskan Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic Origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic Origin; Other.  
Date of birth is required.  
Your full Social Security number is required. If you have never been issued a Social Security number, write "none."

---

- Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

---

- Block 6 Tennessee allows you to receive the blank ballot by mail or email. Tennessee does not allow you to

receive the blank ballot by fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. If you do not make a selection, then your local election official will mail your ballot to you.

- Block 7 Complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

- Block 8 Complete address where you want your ballot sent, usually where you live now (you must provide this information even if your ballot is being emailed to you).

---

- Block 9 Provide any information that may assist the local election official in accepting this application.

---

- Affirmation Sign and date. No notary required. If you required assistance completing your FPCA, one person must witness and sign.

### How and where to submit your FPCA

Tennessee allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you must send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section and at [http://tnsos.org/election/election\\_commissions.php](http://tnsos.org/election/election_commissions.php).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at the end of this section and at [http://tnsos.org/elections/election\\_commissions.php](http://tnsos.org/elections/election_commissions.php). You may also use the DoD

Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](https://fvap.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](https://fvap.gov).

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Tennessee's voter registration information website at <https://tnmap.tn.gov/voterlookup/>.

### Other ballot request methods

#### Temporary registration/ballot request by letter

You may send a written request for temporary registration and/or an absentee ballot to your local election office. This request must include your name, Social Security Number, date of birth, the street address of your voting residence and the address to which you could like your ballot to be sent and the reason the voter wishes to vote absentee, (i.e. Uniformed Service or overseas voter). The letter must be signed under penalty of perjury that the information is true, correct and that you are eligible to vote in the election. If voting in a primary, you must include your party affiliation.

#### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to register and vote.

## Voting your ballot

***Voted ballots must be received by the local election official by the close of polls on Election Day.***

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

If you required assistance completing your voted ballot, one person must witness and sign.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S.

Postal Service.

### Tracking your ballot

You may track the status of your registration or absentee ballot at <https://tnmap.tn.gov/voterlookup/>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Tennessee allows you to use the Federal Write-In Absentee Ballot (FWAB) as a temporary registration and absentee ballot request for Federal, State and local elections for which you are eligible. If you are already registered to vote and have made a timely request for your absentee ballot, you may use the FWAB to vote any time before an election. If you are not registered to vote, the FWAB may be used as a temporary registration, absentee ballot request and ballot if received by the registration deadline.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Tennessee allows you to use the FWAB as a temporary registration and absentee ballot request.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle)
Block 4	Your sex is required. Race is requested but not required. Enter the choice that best describes you from the following list: American Indian or Alaskan Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic Origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic Origin; Other. Date of birth is required. Your full Social Security number is required. If you have never been issued a Social Security number, write "none."
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	If you are using this form to register and wish to vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a

completed FPCA indicating your new party affiliation to the local election official no later than 7 days before the election.

Block 7	Complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current mailing address (you must provide this information even if your ballot is being emailed to you).
Block 9	Provide any information that may assist the local election official in accepting this ballot or application.
Affirmation	Sign and date. No notary required. If you required assistance completing your FWAB, one person must witness and sign.

**Vote your FWAB**

To find the State and Federal races and candidates for which you can vote, go to <http://www.tn.gov/sos/election/qualify/index.htm>.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope. Insert the sealed security envelope and the completed and signed Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election commission. Addresses can be found at the end of this section.

**How and where to submit your FWAB**

Tennessee allows you to submit the FWAB by mail. Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

November 8, 2016

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your county election officer. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, common or contract carrier, email (scanned, signed image) or fax to the county election officer (who may be the clerk, elections administrator or tax assessor collector) of the county where your voting residence is located. County email addresses are at <a href="http://FVAP.gov">FVAP.gov</a> and <a href="http://www.votetexas.gov">www.votetexas.gov</a> .
How often must I submit my FPCA?	You should submit a new FPCA on January 1st for every calendar year and any time your address or contact information changes.
If I am currently registered to vote, how may I request an absentee ballot?	Submit an FPCA to your local election officer. You may also use the regular State application for ballot by mail, but the FPCA is recommended. The FPCA includes options for requesting a ballot by email for general, special, primary or runoff elections for Federal office OR any special State legislative vacancy election or any local election held jointly with Federal election.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, common or contract carrier, or by fax through FVAP's Electronic Transmission Service (ETS) (however, fax and ETS can only be used if you are an active duty Uniformed Services member or eligible family member and you are casting the ballot from an area where you are eligible to receive hostile fire pay or imminent danger pay, or that has been designated a combat zone by the President).
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	If you have already submitted an FPCA you may use the FWAB to vote in Federal elections; you may use the FWAB to vote in Federal, State and local elections only when they are held jointly with a Federal election or an election for a State Legislative vacancy.
I am an American citizen, but I have	No.

never lived in the U.S., can I register to vote in this State?

Will I need a notary or witness for my FPCA or FWAB? No.

Where can I find information about the candidates and/or other items that will be on my ballot? See <http://www.votetexas.gov> for links to county websites; county websites often have local sample ballots.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) permanently registers you to vote and requests absentee ballots for all Federal elections held through one calendar year of a regularly scheduled general election. If you indicate your "return is not certain" in Block 1 on the FPCA, your application will serve as a temporary registration for Federal elections only.

If you submit your FPCA by the 20th day before the election, you will receive a full ballot, unless you indicated your return is not certain. FPCAs received after this date will be issued a ballot for Federal contests only.

### Complete the following blocks of the FPCA

**Block 1** Select the category that describes you. By checking that you are a U.S. citizen residing outside the United States, and your return is not certain, you are eligible to receive a Federal ballot only.

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

**Block 3** Name (Last, First, Middle).

**Block 4** Date of birth. Your valid Texas Driver's License number OR personal identification number issued by the Texas Department of Public Safety is required for voter registration. If you do not have either of these numbers, you must provide the last four digits of your Social Security number. If you do not possess any of these identification numbers, you must state so in Block 9.

**Block 5** Strongly recommended but not required. Provide contact information to allow your local election official to follow up if more information is required.

**Block 6** Texas allows you to receive the ballot by mail or by email for any general, special, primary or runoff election for Federal office or any special State legislative vacancy election or any local election held jointly with Federal election. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

**Block 7** Complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you currently live. This is required even if email is the selected method of ballot delivery.

**Block 9** In addition to mailing a regular ballot, Texas provides a State Write-In Absentee Ballot to any voter unable to vote in the regular absentee voting process due to military contingencies. You must request this ballot 180 or less days before the election. If you submitted a Voter Registration/Absentee Ballot Request form more than 180 days before the election, you must make another request for the special State write-in ballot. To make the request, write in Block 9: "Special State Write-In Ballot." Use of a State or Federal write in ballots requires a voter first have an FPCA on file with the Early Voting Clerk. Provide

any information that may assist the local election officer in accepting this application.

Affirmation Sign and date. No witness or notary required.

***Voted ballots must be placed in delivery by 7 pm on Election Day and received by the local election office no later than 5 days after the election for overseas Uniformed Service members, their families and overseas citizens.***

## How and where to submit your FPCA

Texas allows you to submit the FPCA by mail, common or contract carrier, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election officer. Addresses can be found at the end of this section or online at <http://www.sos.state.tx.us/elections/voter/county.shtml>.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election officer. Email addresses are found at the end of this section or they can be found online at [www.sos.state.tx.us/elections/voter/county.shtml](http://www.sos.state.tx.us/elections/voter/county.shtml).

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of this section or at [www.sos.state.tx.us/elections](http://www.sos.state.tx.us/elections) (<http://www.sos.state.tx.us/elections>).

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

To find out the status of your absentee ballot request, contact your local election office, addresses are available at [www.sos.state.tx.us/elections/voter/county.shtml](http://www.sos.state.tx.us/elections/voter/county.shtml) or at <https://webservices.sos.state.tx.us/FPCA/index.aspx> or at the end of this section. To find out the status of your permanent registration, refer to Texas' voter registration verification website at <https://team1.sos.state.tx.us/voterws/viw/faces/Introduction.jsp>.

Your jurisdiction will contact you if your application is denied.

## Voting your ballot

***Voted ballots must be received by the local election office by the close of polls on Election Day for stateside Uniformed Service members and their families.***

No witness or notary is required on voted ballots.

Texas allows you to return the voted ballot by fax only if you are an active duty Armed Forces member or family member and you are casting the ballot from an area where you are eligible to receive hostile fire pay or imminent danger pay, or that has been designated a combat zone by the President. You must use the DoD Electronic Transmission Service (ETS) to fax your ballot toll-free. See FPCA fax instructions under "How and Where to Submit Your FPCA" for more information.

All other absentee voters must return the voted ballot by mail or common or contract carrier.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <https://webservices.sos.state.tx.us/FPCA/index.aspx>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Texas allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in any general, special, primary, or run-off election for Federal office OR any special State legislative vacancy election or any local election held jointly with Federal election. If you have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

- |         |  |
|---------|--|
| Block 1 | Texas does not allow you to use this form for registration. Do not check this box. |
| Block 2 | Select the category that describes you.  |
| Block 3 | Name (Last, First, Middle).  |

Block 4	Date of birth. Enter your valid Texas Driver's License number, personal identification number, the last four digits of your Social Security number, OR your State Voter Registration number.
Block 5	This is strongly recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Not required.
Block 7	Complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist that local election official in accepting this ballot or application.
Affirmation	Sign and date. No witness or notary required.

### Vote your FWAB

Vote for any office in a Federal, State and local election only when they are held jointly with a Federal election or an election for a State Legislative vacancy. To find out the races and candidates for which you can vote, go to <http://www.sos.state.tx.us/>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Texas allows you to return the FWAB by mail (or fax only if you are an active-duty Armed Forces member or eligible family member and you are casting the ballot from an area where you are eligible to receive hostile fire pay or imminent danger pay, or that has been

designated a combat zone by the President).

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. You may return the FWAB by mail, common or contract carrier. Addresses can be found at the end of this section.

If you qualify to fax your FWAB and choose to fax it, you must use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [E.VAP.gov](http://E.VAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FV.AP.gov](http://FV.AP.gov).

## Federal Election Deadlines

### General Election November 8, 2016

<b>Registration</b>	TBD
<b>Ballot Request</b>	TBD
<b>Ballot Return</b>	TBD

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Possibly. The Utah Republican Party only allows registered Republicans to vote in its primary election, however, other State parties allow anyone to vote in their primary regardless of party affiliation.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for all Federal elections held through the next regularly scheduled general election. You should submit a new one every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB to register to vote if it is received by the Friday before the election. If you are currently registered, you may use the FWAB any time before an election without having previously requested an absentee ballot. The FWAB can be used to register and vote in primary, special, runoff and general elections for Federal, State and local offices and non-candidate ballot issues.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	No witness or notary is required.

Where can I find information about the candidates and/or other items that will be on my ballot?

Please visit [www.elections.utah.gov](http://www.elections.utah.gov) or contact your local election office.

## Registering and requesting your absentee ballot

Complete the Federal Post Card Application (FPCA) to register and request an absentee ballot. The form requests absentee ballots for all Federal elections held through the next regularly scheduled general election. You must return your voted ballot to complete the registration process.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	The Utah Republican Party only allows registered Republicans to vote in its primary election, however, the other parties allow anyone to vote in their primary regardless of party affiliation. To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the Friday prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle). Enter any former name under which you were registered in Utah.
Block 4	Date of birth.  Your valid Utah Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State will assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Utah allows you to receive your absentee ballot by mail, email or fax.

Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check [FVAP.gov](http://FVAP.gov) for updates.

Block 7	Complete street address of your Utah voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	In addition to mailing a regular ballot, Utah provides a State Special Write-In Absentee Ballot available 90 days before an election to any voter unable to vote in the regular absentee voting process due to military service. You must request this ballot no later than the Friday before the election. This ballot allows you to vote for Federal offices only. To request it, write in Block 9: <i>"I am unable to vote by regular absentee ballot or in person because of military service. I request a special write-in absentee ballot."</i> If you do not wish to receive ballots for all Federal elections through the next regularly scheduled general election, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here. Provide any information that may assist the local election official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

### How and where to submit your FPCA

Utah allows you to submit your FPCA by mail, email or fax.

## Voting your ballot

***Voted ballots must be received by the local election office by 12:01 am on Election Day.***

You may return the voted ballot by mail, email or fax if you agree to waive the right to a secret ballot and affirm in writing on the email/fax cover sheet. Write: *"I understand that by electronically transmitting my voted ballot I am voluntarily waiving my right to a secret ballot."*

of the label for tracking your ballot through the U.S. Postal Service.

Block 9. This address must be within the county where you claim legal voting residence.

**Vote your FWAB**

Vote for any Federal or State office in a general election. To find out the races and candidates for which you can vote, go to [www.vote.utah.gov](http://www.vote.utah.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Utah allows you to submit your FWAB by mail, email or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section.

If you choose to fax submit your FWAB, fax it directly to your local election official. Fax numbers can be found at the end of this section or at [www.vote.utah.gov](http://www.vote.utah.gov). Include ballot, voter Declaration/ Affirmation, and cover sheet with secrecy waiver. Affirm in writing on the cover sheet, "I understand that by electronically transmitting my voted ballot I am voluntarily waiving my right to a secret ballot."

If you choose to email your FWAB, you should send it as a signed, scanned attachment. Email addresses can be found at the end of this section or at [www.vote.utah.gov](http://www.vote.utah.gov). Include ballot, Voter Declaration/ Affirmation, and cover sheet with secrecy waiver. Affirm in writing on the email/fax cover sheet, "I understand that by electronically transmitting my voted ballot I am voluntarily waiving my right to a secret ballot."

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. Your local election official will contact you if your application is denied.

### Other ballot request methods

A member of your family or any other authorized person may request a ballot be sent to you from the local election official on your behalf by 5 pm ET on the day before the election.

You may request a ballot by calling your local election official. Phone numbers can be found at [www.vermont-elections.org](http://www.vermont-elections.org) or at the end of this section.

## Voting your ballot

***Voted ballots must be received by the local election office by close of polls on Election Day.***

No witness or notary is required on voted ballots. However, your signature must be on the inside envelope certificate.

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot by using the link and password provided when your ballot is emailed to you. This feature is only available if you selected to have

your ballot emailed.

You may also contact your local election office to determine the status of your ballot. Contact information can be found at the end of this section or at <http://vermont-elections.org/soshome.htm>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Vermont allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, runoff and general elections for Federal, State and local offices and non-candidate ballot issues. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Vermont does not allow you to use this form for registration. Do not check the registration box.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Enter your valid Vermont Driver's License number or the last four digits of your Social Security number.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	Enter your political party affiliation for voting in Presidential primary elections or write "none" if you wish to only vote in State primary and general elections.
Block 7	Complete street address of your Vermont voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the town or city where you claim legal voting residence.
Block 8	Enter your current mailing address.
Block 9	Provide any information that may assist the local election official in accepting

this ballot or application.

**Affirmation** Sign and date. No witness or notary required.

**Vote your FWAB**

Vote for any Federal, State or local office in a general, primary or special election. To find out the races and candidates for which you can vote, go to [www.vermont-elections.org](http://www.vermont-elections.org). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

Vermont requires you to submit the FWAB by mail.

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To vote in primary elections, you must enter your political party affiliation. If you are a registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 30 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

If you do not have a Social Security number, your valid Virgin Islands Driver's License number is required for voter registration. If you do not possess either of these identifications, the Virgin Islands will assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	The Virgin Islands allows you to receive your ballot by mail or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7	Complete street address of your Virgin Islands voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the island where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you live now.
Block 9	Provide any information that may assist the local election official in accepting this application.

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at [www.vivote.gov](http://www.vivote.gov). Your jurisdiction will contact you if your application is denied.

### Other ballot request methods

Ballot request by proxy.

If you are currently registered, anyone may apply for an

absentee ballot on your behalf if that person can satisfactorily provide the required information about you.

**Late registration**

Members of the Armed Forces or Merchant Marine who have been discharged within 60 days of an election may register and vote in that election by presenting the local election official with their discharge papers.

**Voting your ballot**

*Voted ballots must be postmarked by Election Day and received by the local election office no later than 10 days after the election.*

You must return the voted ballot by mail. The Virgin Islands permits you to submit a copy of your voted ballot by fax, though the original must also be mailed. Use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Tracking your ballot**

You may track the status of your ballot by using any of the following methods: TDD toll-free: St. Croix: (877) 773-1021, St. Thomas/St. John: (877) 774-3107 OR at [www.vivote.gov](http://www.vivote.gov) for Email Contact Form.

**Haven't received your ballot? Use the Federal Write-In Absentee Ballot**

The Virgin Islands allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in general, primary, special, and runoff elections for Federal office. If using the FWAB for voter registration, it must be submitted to the elections office by the registration deadline. Feel free to use the FWAB to vote any time before an election.

**Complete the following blocks of the FWAB's voter declaration/affirmation**

Block 1

The Virgin Islands allows you to use this form for registration.

Block 2 Select the category that describes you.

Block 3 Name (Last, First, Middle).

Block 4 Date of birth.

Enter your valid Virgin Islands Driver's License number, the last four digits of your Social Security number, OR your territory voter registration number.

Block 5 Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6 Not required.

Block 7 Complete street address of your Virgin Islands voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the island where you claim legal voting residence.

Block 8 Enter your current mailing address.

Block 9 Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation Sign and date. No witness or notary required.

**Vote your FWAB**

Vote for any Federal office in a general election.

To find out the races and candidates for which you can vote, go to [www.vivote.gov](http://www.vivote.gov). For each office for which you vote, write in either a candidate's name or a political party designation. The Virgin Islands does not elect members to the U.S. Senate or directly participate in the election of the President and Vice President. At the Federal level, only a Delegate to the House of Representatives is elected.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as

for territory absentee ballots. If you receive the territory ballot after submitting the voted FWAB, you may also vote and return the territory ballot. If both ballots are received by the deadline, only the territory ballot will be counted.

You must submit the FWAB by mail. The Virgin Islands allows you to submit a copy of the FWAB by fax, but if faxed, the original must also be mailed. If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office:

Supervisor of Elections,  
P.O. Box 6038, St. Thomas,

Supervisor of Elections,  
P.O. Box 1499, Kingshill,

## How and where to submit your FPCA

Virginia allows you to submit the FPCA by mail, email or fax.

You may also be eligible to apply and vote absentee in-person, for example, before you are deployed.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at [www.sbe.virginia.gov](http://www.sbe.virginia.gov).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at [www.sbe.virginia.gov](http://www.sbe.virginia.gov). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov). If legible, Virginia does not require mailing the signed FPCA that is faxed or emailed as a scanned attachment.

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Virginia's voter registration verification website at [www.sbe.virginia.gov](http://www.sbe.virginia.gov) or call the Virginia Department of Elections at 1-800-552-9745. Your jurisdiction will contact you if your application is denied.

### Late registration

Uniformed Service members and their eligible family members may register in person up to and including Election Day if they have returned to their Virginia voting residence within 28 days before the election, or they were discharged within 60 days before the election.

Overseas citizens can also register in person up to and including Election Day if they have returned to their Virginia voting residence within 28 days before the election.

## Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the city or county where a parent would be eligible to register and vote.

## Voting your ballot

*Voted ballots must be received by the local election office by close of polls on Election Day.*

Voted ballots must be returned by mail.

The oath on the voted ballot's return envelope must be witnessed by an adult age 18 or older.

Voted ballots may be returned by mail or commercial delivery service, but may not be delivered by a personal courier service or another individual. Virginia does not allow voted ballots to be returned by fax or email.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at [https://voterinfo.sbe.virginia.gov/PublicSite/\(A/y6S4VGO3XbOuQYbZNvp6jWgAWymGVk\\_jm\\_6LEdz1LPokd9TX4ia1yLfc\\_ufdvQ\\_oRowB2iEg5wJJlvemFfjvEjcrSKeVe6shP56EVZDZat8O1CNkeBv-Zgemo7YfJ72vGKH0RvtZwVISqeQrPCSNffjAd5E1\)\)/Public/FT2/PublicLookup.aspx?Link=Registration&req=AB](https://voterinfo.sbe.virginia.gov/PublicSite/(A/y6S4VGO3XbOuQYbZNvp6jWgAWymGVk_jm_6LEdz1LPokd9TX4ia1yLfc_ufdvQ_oRowB2iEg5wJJlvemFfjvEjcrSKeVe6shP56EVZDZat8O1CNkeBv-Zgemo7YfJ72vGKH0RvtZwVISqeQrPCSNffjAd5E1))/Public/FT2/PublicLookup.aspx?Link=Registration&req=AB).

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Virginia allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in any election in which you are eligible to vote. You may use the FWAB to vote a back-up ballot before an election. Submit a new FPCA if you want to register and request ballots for future elections. Please contact the Virginia Department of Elections if you are unable to obtain a ballot from your locality in time.

### Complete the following blocks of the FWAB's

## voter declaration/affirmation

Block 1	Virginia allows you to use this form for registration.
Block 2	Select the category that describes you.
Block 3	Name (Last, First, Middle).
Block 4	Date of Birth.  Your full Social Security number is required for registration. If you do not have a Social Security number, write "none". Virginia will assign a number that will serve to identify you for voting purposes only.
Block 5	Provide your contact information to allow your local election official to follow up if more information is required.
Block 6	If you are using this form to vote in a primary election, you must indicate which political party primary.
Block 7	Complete street address of your Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Enter your current military or overseas mailing address.
Block 9	You must provide your complete address where you last registered to vote if applicable. Uniformed Service members and their eligible family members must provide the branch of service of the member. Overseas citizens, who are employed overseas (accompanying eligible family members) should provide the name and address of their employer (if applicable). Virginia registrants who move overseas for employment may be eligible to vote in State and local elections. Enter the last day of residency at your Virginia voting residence only if you have given up that address permanently or have no intent to return. Provide any information that may assist the local election official in accepting this application.
Affirmation	Sign and date in the presence of one

witness (age 18 or older).

### Vote your FWAB

Vote in any election in which you are eligible. Citizens residing overseas indefinitely may only be eligible to vote for Federal offices. Virginia prohibits under felony penalty illegally voting in any election in which you know you are not eligible. Please contact the Virginia Department of Elections or your local general registrar's office in Virginia if you have any questions about the elections in which you are eligible to vote in Virginia.

For each office in which you vote, write in either a candidate's name or political party designation. For each issue on which you vote, identify the issue and write either "yes" or "no." To find out the offices and issues in your locality, go to [www.sbe.virginia.gov](http://www.sbe.virginia.gov).

Once the ballot is complete, fold and place it in the security envelope and seal. **Place only the voted ballot in the security envelope** and do not write on the security envelope.

### How and where to submit your FWAB

If you are using your FWAB for registration, it must be received by the local election office by the applicable registration deadline. For overseas citizens, the deadline is 22 days before most elections. Absent military voters and their eligible family members can register late through Election Day. If you are already registered, your FWAB must be received by the local election office by the ballot return deadline (close of polls on Election Day). If you receive your State ballot after submitting the voted FWAB, please also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. **Please remember your ballot will not count unless your Voter's Declaration/Affirmation is signed by both you and your witness. Virginia does not allow voted FWABs to be returned by fax or email.**

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter is no longer registered to vote in the State. Alternatively, if you have a valid Washington State Driver's License or State identification card, you may complete your voter registration online or download a paper application at [www.vote.wa.gov](http://www.vote.wa.gov).

Block 2 Not required.

Block 4 Date of birth.

Your valid Washington Driver's License or State ID Card number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5 Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.

Block 6 Washington allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your county elections official will mail your ballot to you.

Block 9 In addition to mailing a regular ballot, Washington provides a State Special Write-In Absentee Ballot up to 90 days before the election to any voter unable to vote using the regular absentee voting process. This ballot allows you to vote in Federal, State and local elections. To request it, write in: *"I am unable to vote and return a regular absentee ballot by normal mail delivery within the time provided for regular absentee ballots. I request a Special Write-In Absentee Ballot."* Provide any information that may assist the county elections official in accepting this application.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes, political parties in West Virginia may choose to allow those not affiliated with a party to vote in their primary. Please check with the Secretary of State.
How can I submit my FPCA?	By mail, email or fax. If you are submitting the FPCA to register to vote, you must also mail the original to your county clerk.
How often must I submit my FPCA?	In West Virginia, the FPCA is good for all regularly scheduled Federal elections for the calendar year in which it is submitted. You should submit a new one every time your address changes or after January 1 of each year.
If I am currently registered to vote, how may I request an absentee ballot?	You may submit either the FPCA or the West Virginia Absentee Ballot Application to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	The FWAB can only be used if you have previously requested a ballot from your County Clerk and have not received that ballot. The FWAB may be used to vote in State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, in the county where either parent would be eligible to vote.
Will I need a notary or witness for my FPCA or FWAB?	No.
Where can I find information about the candidates and/or other items that will be on my ballot?	Please visit <a href="http://www.wvsos.com">www.wvsos.com</a> , contact the West Virginia Secretary of State's Office or contact your County Clerk to learn more.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all primary, general or special elections for Federal, State or local office during each calendar year.

### Complete the following blocks of the FPCA

Block 1	Select the category that describes you.
Block 2	To automatically vote in primary elections, you must enter your political party affiliation. If you are registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to your local election official no later than 21 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.
Block 3	Name (Last, First, Middle).
Block 4	Date of birth.  Your valid West Virginia Driver's License or Non-Driver ID Card number or the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.
Block 5	Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.
Block 6	West Virginia allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your county elections official will mail your ballot to you.

Block 7	Complete street address of your West Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
Block 8	Complete address where you want your ballot sent, usually where you currently live.
Block 9	Provide any information that may assist the local election official in accepting this application.
Affirmation	Sign and date. No witness or notary required.

Ballots returned by email or fax must be received by the close of polls on Election Day and must include a cover sheet with secrecy waiver and the oath of voter available from the Secretary of State or your County Clerk.*

No witness or notary is required on voted ballots.

You may return the voted ballot by mail, email or fax. Use FPCA instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

## Important information

How can I register to vote as a military or overseas voter?	Wisconsin does not require Uniformed Service members to register. Permanent overseas voters can fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections). These voters may also use <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a> to fill out and print your registration; you do not need to provide proof of residence, but you must sign, postmark and mail the MyVote registration form or FPCA 20 days prior to the election to your town, village or city clerk.
What is my voting residence?	The place you consider your true, fixed and permanent home to which you intend to return. A dependent of a Uniformed Service member may choose either their most recent Wisconsin residence or the Wisconsin residence of the Uniformed Service member.
Do I need to claim a political party to vote in primary elections?	No.
How can I submit my FPCA?	If you are already registered to vote or if you are a Uniformed Service member, you can mail, email or fax the FPCA. Voters, who are registering for the first time and are not Uniformed Service members, must sign and mail the FPCA to their town, village, or city clerk.
How often must I submit my FPCA?	The FPCA is good for one calendar year. You should submit a new FPCA every calendar year or every time your address changes.
If I am currently registered to vote, how may I request an absentee ballot?	Uniformed Service members and permanently overseas voters should use <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a> to request an absentee ballot. You can also request an absentee ballot from your town, village, or city clerk by submitting a request in writing (email, fax, typed or hand-written).
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail or in-person at the town, village, or city clerk's office.
What must I do to use the FWAB	Uniformed Service members and their eligible family members may use the

and can I use the FWAB to vote in State and local elections?	FWAB in any election including State and local elections without having made a prior request for a ballot. Permanent overseas voters, who have previously registered and requested a ballot, may use the FWAB to vote in primary or general elections for Federal office only. Otherwise, the permanent overseas voter must submit an FPCA with the FWAB for it to be counted.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes. You may register to vote in the town, village, or city where one of your parents was last domiciled before leaving the U.S.
Will I need a notary or witness for my FPCA or FWAB?	Your regular ballot and/or FWAB must be signed and dated in the presence of one adult U.S. citizen witness.
Where can I find information about the candidates and/or other items that will be on my ballot?	You can find town, village, or city clerk contact information at <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a> on the "Clerk and Office Holder" page. Clerks can provide the names of candidates and the text for ballot questions.

## Registering and requesting your absentee ballot

Registration is not required for Uniformed Service members, civilian employees of the U.S., Peace Corps volunteers and eligible family members of those listed above. However, these voters must still submit an absentee ballot request or Federal Post Card Application (FPCA), or access their absentee ballot at <https://MyVote.WI.gov>.

Permanent overseas voters are required to register in order to request an absentee ballot. Permanent overseas voters can use the MyVote Wisconsin website <https://MyVote.WI.gov> to fill out a voter registration form that they can then print and mail to their town, village, or city clerk to register to vote. The MyVote Wisconsin website also enables permanent overseas and military voters to access their absentee ballot online and select how they want to receive their absentee ballot (online or by mail, email or fax).

Permanent overseas and military voters may also choose to submit the Federal Post Card Application (FPCA). Permanent overseas voters using the FPCA to register must mail the form to their town, village or city clerk. When used solely as a request for absentee ballot, the FPCA may be submitted by mail, email or fax.

Uniformed Service members will receive absentee ballots for all elections held in the calendar year unless they specify otherwise. Permanent overseas voters will receive absentee ballots for all Federal elections held in the calendar year unless they specify otherwise.

U.S. citizens overseas temporarily (you intend to return to the U.S. and are not considered a military voter) may use the MyVote Wisconsin website <https://MyVote.WI.gov> to complete and download a registration form to be mailed to your town, village or city clerk. To request an absentee ballot, a written request must be submitted to your town,

village or city clerk by mail, email, fax or in-person. Wisconsin voters who are temporarily overseas can only receive their absentee ballot in-person in the town, village or city clerk's office, or via postal mail.

### Complete the following blocks of the FPCA

When used solely to request an absentee ballot, Wisconsin allows submission of the FPCA by mail, email or fax. Voters, who are registering for the first time and are not Uniformed Service members must sign and mail the FPCA to their town, village or city clerk. If you mail your FPCA, mail the form directly to your town, village or city clerk. Addresses can be found online at <https://MyVote.WI.gov> under "Clerk & Office Holder Info" from the left-hand menu.

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](https://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](https://FVAP.gov).

To find out the status of your registration, contact your town, village or city clerk or refer to Wisconsin's voter registration verification website at <https://MyVote.WI.gov>.

## Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the town, village or city where a parent would be eligible to vote (for Federal offices only).

## Voting your ballot

*Voted ballots must be postmarked by Election Day and received by the town, village or city clerk by 4 pm CT on the Friday after the election.*

Voted ballots must be returned by mail.

The certificate on the voted ballot's return envelope must be witnessed by one adult U.S. citizen, and signed by you and the witness.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

## Tracking your ballot

You may track the status of your ballot at <https://MyVote.WI.gov>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot

Wisconsin allows Uniformed Service members to use the Federal Write-In Absentee Ballot (FWAB) to vote for Federal, State and local offices, and referenda. These voters may use the FWAB to vote any time before an election.

Wisconsin allows a permanent overseas voter to use the FWAB to vote in primaries or general elections for Federal office only if the voter has previously registered and requested a ballot for this election. Otherwise the voter must submit an FPCA with the FWAB for it to be counted.

## Complete the following blocks of the FWAB's voter declaration/affirmation

Block 1	Wisconsin does not allow permanent overseas voters to use this form to register. Do not check the registration block. Voter registration is not required for Uniformed Service members or their eligible family members.
Block 2	Select the category that describes you. U.S. Citizens residing outside the U.S. temporarily are not eligible to use this form.
Block 3	Name (Last, First, Middle). Make sure the name you entered in here matches the name that appears on your identification document for Block 4.
Block 4	Date of birth.  Enter your Wisconsin Driver License or State-issued ID card number. If you have not been issued a Wisconsin Driver License or a State-issued I.D. card, enter the last four digits of your Social Security number.
Block 5	Recommended but not required. Provide your contact information to allow your town, village or city clerk to follow up if more information is required.
Block 6	Not required.
Block 7	Complete street address of your Wisconsin voting residence. A post office box is not sufficient. This address must be within the town, village or city where you claim legal voting residence.
Block 8	Enter your current mailing address, usually where you live now.
Block 9	Provide any information that may assist the town, village or city clerk in accepting this ballot or application.
Affirmation	Sign and date in the presence of one adult U.S. citizen witness.

**Vote your FWAB**

Vote for any Federal office in a primary or general election. Uniformed Service members may also use the FWAB to vote in State and local elections. To find out the races and candidates for which you can vote, go to <https://MyVote.WI.gov/>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted

ballot in the security envelope and do not write on the security envelope.

**How and where to submit your FWAB**

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted. Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your town, village or city clerk.

**IMPORTANT:** All election materials must be returned directly to your town, village or city clerk. Wisconsin requires you to mail your ballot to your town, village or city clerk. If you do not know your clerk's mailing address or how to contact your town, village or city clerk, you can find that information at <https://MyVote.WI.gov>, by contacting the Wisconsin Government Accountability Board at [gab@wi.gov](mailto:gab@wi.gov), by fax at (608) 267-0500, or by mail at:

Wisconsin Government Accountability Board  
212 East Washington Ave, Third Floor  
P.O. Box 7984  
Madison, WI 53707-7984

In the event you do not have access to the internet or you cannot call the Wisconsin G.A.B., you may mail your FPCA or ballot to the Wisconsin Government Accountability Board at the address listed above indicating that the ballot must be forwarded to your town, village or city clerk.

## Guide for Voting Assistance Officers

### Your responsibilities

As a Voting Assistance Officer (VAO), you are part of a worldwide network of military members, U.S. government employees and volunteers who aid in ensuring that citizens covered under the **Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)** understand their voting rights and know how to vote Absentee.

#### These citizens include:

- active duty members of the Uniformed Services of Merchant Marine
- their eligible family members
- citizens residing outside the U.S.

### Keep current

Become familiar with the absentee voting process, the forms, [FVAP.gov](https://fvap.gov), your organization and service voting website.

- Keep up-to-date. Sign up to receive news releases from FVAP. To subscribe go online to [FVAP.gov](https://fvap.gov), email [vote@fvap.gov](mailto:vote@fvap.gov) and provide your email address.
- Take advantage of FVAP training opportunities. Workshops are offered at military installations and U.S. embassies and consulates worldwide. You can find training schedules at [FVAP.gov](https://fvap.gov).
- Coordinate on-site FVAP workshops, if one is scheduled for your installation.

### Help citizens vote

VAOs provide citizens with accurate and nonpartisan voting information and assistance.

- Help citizens fill out the FPCA according to their State's specific requirements. Remind them to include an email address, phone and/or fax number so that the local election offices may contact them, if needed. (See **Help voters**, page 460)
- Help family members, include voting information at family events; work with Family
- Readiness programs or spouse clubs.
- Refer local residents to the Installation Voter Assistance (IVA) Office for local registration (see **Additional assistance for voters**, page 468).

### Promote voter awareness

- Put notices on bulletin boards to increase awareness of how to register and vote. Popular locations include base housing, gyms, exchanges and commissaries.
- Use Armed Forces Voters Week, Overseas Citizens Voters Week

A Uniformed Service member who is living within their voting jurisdiction is not covered under **UOCAVA**.

Web-based training classes for VAOs and Installation Voter Assistance (IVA) Office personnel are also available! Visit [FVAP.gov](https://fvap.gov) for more information.

Contact info for IVA Offices can be found at [FVAP.gov](https://fvap.gov). Local residents

and Absentee Voting Week to get the word out (see **Conduct voter outreach events**, page 464).

- During Absentee Voting Week, announce through various media that voters should return their voted ballots immediately. If citizens have not received their requested State ballot, encourage them to use the Federal Write-In Absentee Ballot (FWAB).

---

## Keep voting supplies available

- Keep an adequate supply of FPCAs for all unit members and their families. As a VAO, you are required to send FPCAs to all unit members and their families by January 15th of each year and all potential voters by July 15, 2014 (see **Dates for the November 2014 Election**, page 460).
- Additionally, ensure you have enough forms for year-round registration, absentee ballot requests and change-of-address requests for citizens deploying, returning from deployments, moving or PCSing.
- Keep an adequate supply of FWABs on hand year-round for citizens to use in case they do not receive their official State absentee ballot (see **Keeping voting supplies on hand**, page 465).

---

## Manage your program

- Create or continue a Continuity Folder (see **Continuity Folder**, page 470).
- List your contact information in your installation directory for referrals.
- Work with your Installation Commander to assign an Assistant Voting Assistance Officer to help with your duties as VAO and support voters in your absence.
- If you serve in an Installation Voter Assistance Office, a handbook for Office personnel is available in the VAO section of [FVAP.gov](http://FVAP.gov).

---

## Share your good ideas

After each Federal election, the Services and Department of State issue After-Action Reports that include good ideas submitted by VAOs to improve the absentee voting process.

Good ideas are processes and procedures that help the citizens you assist and help you to perform your duties. Good ideas enhance lines of communication among VAOs at all levels and enable you to improve your voting assistance efforts.

### Your good ideas may come from:

- Personal experiences
- Assessments, audits and appraisals
- Training evaluations
- Operational Readiness Reviews
- Voting activities, such as registration drives

### Have a good idea?

- Send it to your Service Voting Action Officer.
- Overseas citizen organization VAOs may submit their ideas directly to FVAP at [vote@fvap.gov](mailto:vote@fvap.gov).

may include civilians, contractors or service members living within their voting jurisdiction.

VAOs with access to a computer, internet and printer can use electronic versions of these forms. Deploying units should take sufficient paper copies in the event of internet connectivity issues.

### Examples include:

- Developing relationships with the base Public Affairs office to display voting messages on base marquees and FVAP news releases in the base paper.
- Including your contact information on the bottom of motivational posters so unit members know who to contact for assistance.

Be sure to include a clear statement of your idea and your complete contact information.

### Determining voting residency

To vote in U.S. elections, citizens must have a legal voting residence address in a State or territory. The issue of voting residence can be complex, depending on individual circumstances. Even in States where laws clearly define criteria for determining voting residence, the final determination is generally up to each local election office.

**Asking citizens the following questions may help advise them on voting residence:**

- Where have you registered to vote or voted?
- What State or territory has issued you a Driver's License, any other license or identification card?
- Where is your motor vehicle registered?
- Where is your home or home of record?
- What State or territory are you from?
- Where did you live before coming here?
- Where did you live immediately before leaving the United States?

FPCAs can be distributed electronically or in hard-copy form in January and July! **Be sure to reach eligible family members.**

A voting residence establishes the jurisdiction to which the citizen must submit voting materials.

- Where does your family live?
- Where do your parents live?
- Where do you own property?
- What State do you claim for tax residency?

For voting purposes, "legal voting residence" can be in the State or territory where the citizen last resided prior to entering military service or the State or territory that the citizen has since claimed as their legal residence.

Even though the citizen may no longer maintain formal ties to that residence, the address determines their proper voting jurisdiction. To claim a new legal residence, the citizen must have simultaneous physical presence and intend to return to that location as their primary residence.

Military and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence. This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members.

Citizens should consult a Judge Advocate General officer or legal counsel before changing legal residence, because there are usually other factors that should be considered besides voting.

---

## Helping citizens to complete the Federal Post Card Application (FPCA)

The FPCA can be used by Uniformed Service members, their qualified family members and overseas citizens to simultaneously register to vote and request an absentee ballot. As a VAO, you should help citizens correctly complete their FPCAs if requested. Local election officials determine the citizen's eligibility to vote based on information provided on this application. Citizens should include all contact information (email, telephone, fax and/or mailing address) on their FPCA and submit it early enough for election officials to contact them if there are problems processing the application.

### Check that FPCAs are filled out correctly.

- Signature and date
- Complete voting residence address (no P.O. Box addresses)
- Legible handwriting
- All information required by the State
- Party preference if the citizen wants to vote in primary elections (if required by the State)
- Witness signature (if required by the State)

Remind citizens to send the FPCA to their local election official in time to be received by the State registration and/or absentee ballot request deadline **€ August 1, 2014**. If you are working in an Installation Voter Assistance Office, offer to mail forms on behalf of the voter. Forms should not be sent to FVAP or an embassy/consulate. Overseas voters must contact their embassy or consulate prior to dropping off forms.

---

## Helping citizens to complete the Federal Write-In Absentee Ballot (FWAB)

### **Want information on candidates?**

Visit your State election website where candidate information may be available 30 days before the election. (Links are available at [FVAP.gov](http://FVAP.gov)).

Email addresses for VAOs at embassies/consulates can be found on page 479.

If Uniformed Service members, their family members and overseas citizens have requested but have not received their State absentee ballot in time to vote and return it before the deadline, they should use the FWAB.

***If citizens receive their State absentee ballot after submitting the FWAB, they should vote and return the ballot immediately. If the State absentee ballot arrives by the ballot return deadline, the State will count the State absentee ballot instead of the FWAB.***

- To use the FWAB, citizens must have applied for a State ballot before the State's ballot request deadline.
- The FWAB may be used to vote for Federal offices in primary, general, special or runoff elections.
- Some States have expanded the use of the FWAB and accept the FWAB for voting for State and local offices, or allow the FWAB to be used for voter registration and ballot request. Please see State information in **Chapter 2**.

### Tips for using the FWAB

- Citizens who have not received a requested State ballot in time to return it before the election should immediately complete and send the FWAB to their local election office. FVAP recommends voters use a FWAB if they have not received their State ballot within 30 days of the election.
- The FWAB must be received by the local election office no later than the ballot return deadline for that election.
- The transmittal envelope must be signed and dated (and the witness or signature must be included if required by that State).

## Conduct voter outreach events

Each Federal election year (every even-numbered year), FVAP works with the Uniformed Services and the Department of State to promote voter registration and absentee voting by conducting Voting Emphasis Weeks.

### **Armed Forces and Overseas Citizens Voters Week: June 30-July 7, 2014**

**Your goal:** Deliver Federal Post Card Applications (FPCA) to all unit members and their voting age family members. Encourage everyone to fill out and submit the form immediately.

#### What you can do:

- Conduct a nonpartisan voting workshop and registration drive. Invite local election officials from your area to assist.
- Hang voting banners near base entrances or have a voting slogan displayed on base marquees.
- Run voting Public Service Announcements (PSAs) at the base theater.
- Put up motivational posters to tell unit members how to register and request an absentee ballot. Popular areas such as base housing, gyms, commissaries and exchanges serve as great

#### Federal offices include:

- The President and Vice President
- U.S. Senators
- U.S. Representatives
- U.S. Delegates (American Samoa, District of Columbia, Guam, the Virgin Islands)
- U.S. Resident Commissioner (Puerto Rico)

Overseas citizen groups and local election officials are excellent resources and VAOs should partner with them to conduct voting events.

Photos from successful Voters Week events can be found on our Facebook page!

- locations. Be sure to include your contact information!
- Help everyone fill out the form.
- Use media outlets to encourage voter registration. Advertise events on Facebook and in base newspapers.
- Plan your events around Independence Day.

---

## Absentee Voting Week: September 29 - October 6, 2014

**Your goal:** Encourage everyone to return their voted ballots immediately or use the Federal Write-In Absentee Ballot (FWAB).

### What you can do:

- Ask voters if they've received their requested State ballots. If not, give them a FWAB and tell them how to fill it out and submit it.
- Use media outlets to encourage people to return their State ballot or the FWAB. Run stories in your base newspapers.
- Enlist the help of other VAOs, local election officials or overseas citizen organizations to conduct events to encourage people to return their absentee ballots.
- Put up posters that tell people how to reach you for help. Hang voting banners near base entrances or having a voting slogan displayed on base marquees.
- Run voting PSAs at the base theater.
- Hold unit or installation "Voting Days" where computer terminals are set up for the express purpose of receiving, printing, and where allowed, returning ballots electronically.

## Keep voting supplies on hand

## Additional assistance for voters

The Uniformed Services have extensive chains of command to provide voting support for military members and their families.

### Installation Commanding Officer (CO)

The Installation CO oversees all voting assistance for the installation. The Installation Voter Assistance Office and Installation Voting Assistance Officer report directly to the CO for all voting-related tasks.

COs are requested by FVAP to make opening statements at FVAP workshops and facilitate travel arrangements for VAOs to attend workshops at surrounding installations.

### **Installation Voting Assistance Officer (IVAO)**

The IVAO acts as a focal point on military installations in coordinating voting assistance support. IVAOs should maintain a roster of all unit VAOs on the installation, establish communications with VAOs, and provide necessary materials and support. IVAOs coordinate FVAP workshops with organizations from their installation and surrounding installations.

### **Installation Voter Assistance (IVA) Office Personnel**

These are people who staff the IVA Office. They provide assistance to military personnel, eligible family members, as well as civilian personnel and other civilians who have access to the office. They provide written instruction on voter registration and absentee ballot procedures and report directly to the installation commander. These individuals can be contacted with questions regarding local voting.

### **Legal Assistance Officer**

This officer can be contacted with legal questions, such as determining voter residency. Often known as a JAG (Judge Advocate General) officer.

### **Public Affairs/Information Officer**

Contact this officer to ensure that voting information is included in installation or unit publications.

### **Inspector General (IG)**

The IG is required by Federal law to periodically review voting assistance programs to ensure compliance with DoD and Service directives and regulations.

### **Personnel/Human Resources Officer**

Contact this officer to ensure that all newly reporting personnel and naturalized U.S. citizens are provided FPCAs and voting assistance.

### **Publications, Supply or Distribution Officer**

This officer ensures that VAOs receive FPCAs, FWABs and other voting materials.

### **Officers-in-Charge**

These officers of exchanges, commissaries, special services activities, medical and dental facilities, education centers, family centers, etc. can coordinate the display of voting materials for Armed Forces Voters Week and Absentee Voting Week.

---

## **Other non-military support organizations that can assist in voter outreach**

- Local election officials

- Veterans and Service Organizations, such as: Veterans of Foreign Wars, the American Legion, the Non commissioned Officers Association and the League of Women Voters
- Civic Groups, American Chambers of Commerce, colleges and universities and support organizations for overseas US citizens
- Spouses' Club, Boy/Girl Scouts and other youth groups

## Run your program

### Legal guidelines

VAOs must not provide partisan voting information from candidates, political parties or partisan organizations. Military VAOs may receive questions from voters regarding whether they can distribute and/or display partisan materials at the military installations. VAOs should consult their Commanding Officer for their interpretation of **DoD Directive 1344.10 Political Activities by Members of the Armed Forces on Active Duty**, available at [FVAP.gov](https://www.fvap.gov). Federally employed VAOs should refer to the **Hatch Act, Title 5 U.S.C. Sec. 7321**, link available at [FVAP.gov](https://www.fvap.gov).

VAOs can advise citizens on locating information on candidates and issues using national, local and Service newspapers, magazines, radio, television, political party and campaign committee offices, overseas newspapers and periodicals, and State election websites.

### Continuity folder

Continuity of your program is important for you, your assistant, your organization and your successor. Create and maintain a Continuity Folder for your reference and to ensure that your successor understands what he or she is supposed to do. It should provide basic details on absentee voting procedures and contain anything that may help your backup or successor. Your folder should also provide a quick orientation of VAO voting responsibilities. It can be in the form of a notebook, file folder, or an online community folder. Make sure it is readily available to other VAOs and assistants.

Your Continuity Folder should contain at a minimum:

- Your VAO Designation Letter (only military VAOs)
- Current FPCAs and FWABs
- Current **Voting Assistance Guide** (updates available at [FVAP.gov](https://www.fvap.gov))
- Recent news releases
- Election Dates Calendar (during even-numbered years)
- Current State Department or Service guidance (directive, instruction, order, etc.)
- **DoD Instruction 1000.04. (Federal Voting Assistance Program)** and the **Voting Action Plan**
- Training materials and certificate from workshops
- Good ideas and lessons learned

You can find all materials listed above in the VAO section of [FVAP.gov](https://www.fvap.gov) or through your normal service supply chain.

Utilize your program's Continuity Folder to train replacements.

Most VAO and IVA Office Continuity Folder documents can be downloaded in the VAO Continuity Folder section of [FVAP.gov](https://www.fvap.gov).

Never include Personally Identifiable Information about individuals you have assisted!

# Frequently Asked Questions (FAQs) about absentee voting:

## Questions for all UOCAVA voters

### Do I have to be registered to vote absentee?

Registration requirements vary from State to State. Most States and territories require registration to vote absentee. Voter registration and absentee ballot request can be done at the same time by submitting the Federal Post Card Application (FPCA). If you are already registered to vote and only wish to request a ballot, you should submit your FPCA as soon as possible.

### Where do I send my Voter Registration/Absentee Ballot Request?

Your request form must be completed, printed, signed, dated and mailed directly to your local election official. Some States allow your request to be faxed or emailed to your local election office. These officials will handle the processing and distribution of your absentee ballots and may need to contact you for further information or clarification. To facilitate this process, please provide a current email address, phone and fax number on your application.

### When mailing election materials to my state or territory, do I have to pay postage?

When mailed from any U.S. post office, U.S. embassy or consulate, or APO/FPO mail facility, the hardcopy FPCA form is postage-paid. In order to receive free postage, the online version of the form must be mailed in an envelope printed with our postage-paid envelope template. You may mail the completed form in an envelope with proper postage affixed. Ensure that your form is postmarked and sent to arrive before your State's specific deadline. You must pay postage if the materials are mailed from a non-U.S. postal facility.

It is recommended that voted ballots be mailed from your location outside the U.S. rather than be given to another individual to be placed in the U.S. postal system. If the ballot is postmarked from any location inside the U.S. your local election official may not count your ballot.

### What is a postmark and how do I make sure I get one?

A postmark is a postal marking made on a piece of mail indicating the date and time that the item was accepted by the postal service. Postmarks are used to determine if voting materials have been mailed by State deadlines. Due to varying mail pick up times, the day you 'mail' your election mail may not be the day the postal facility postmarks it.

You may ask the mail clerk to hand stamp the election material so that a date is clearly visible. In certain situations a handwritten postmark and signature from you or a notarizing official may be sufficient.

### When is the best time to apply for an absentee ballot?

We recommend that you register to vote/request an absentee ballot in January of each year, or at least 90 days before Election Day.

### Must I submit a separate application for each election?

A citizen usually does not need to submit a separate application for each election. To ensure that you receive absentee ballots for all The length of time an application is good for varies by State. Most accept the Federal Post Card Application (FPCA) as a request for all Federal office elections for the calendar year in which it was submitted. To ensure that you receive absentee ballots for all elections in which you are eligible to vote, we recommend that you submit a new FPCA in January of each year and whenever you have a new mailing address. If you are requesting an absentee ballot for a specific election, note in Block 9 the election for which you are requesting the ballot, i.e., "Primary (or Special, or General) election only".

Refer to the individual State Pages in Chapter 2 for additional information about State and territory requirements.

## When should I receive my ballot? What happens if I do not receive a ballot from my local election office?

States and territories begin mailing ballots at least 45 days before an election. If you have not received your ballot 30 days before the election, contact your local election official.

If you have requested an absentee ballot from your State but have not received it, you can also vote by using the backup Federal Write-In Absentee Ballot (FWAB). You may submit the FWAB at any time after you submit your FPCA.

In order to be eligible to use this backup ballot, you must:

- Be absent from your voting residence;
- Have applied for a regular ballot early enough so the request is received by the appropriate local election official not later than the State deadline; or the date that is 30 days before the general election; AND
- Have not received the requested regular absentee ballot from the State.

If you have not received your ballot one month before the election:

- Go to [FVAP.gov](https://www.fvap.gov) and see what online ballot delivery tools are available for your state.
- Use the FWAB assistant available at [FVAP.gov](https://www.fvap.gov) to complete a backup ballot and submit it to your local election official. If you cannot access [FVAP.gov](https://www.fvap.gov), you can obtain a hardcopy of the form from your Voting Assistance Officer at military installations or at U.S. embassies/consulates.
- Contact your local election official to determine the status of your ballot. Contact information is available at [FVAP.gov](https://www.fvap.gov).
- When you receive your regular absentee ballot, complete it and return it regardless of when you receive it. Your local election official will ensure that only one of the ballots is counted.

All FWABs must be completed, printed, signed, dated, and submitted to your local election official. Check out your State's instructions to determine your state specific instructions, witness requirements for voted ballots, deadlines, and mailing addresses.

## Questions for Uniformed Services/Family Members

### Can I vote absentee?

You can vote absentee in local, State and federal elections if you are a U.S. citizen 18 years or older and are an active duty member of the Armed Forces, Merchant Marine, Public Health Service, NOAA, a family member of the above, or a U.S. citizen residing outside the United States.

### Where is my "legal voting residence"?

For voting purposes, "legal voting residence" can be the State or territory where you last resided prior to entering military service OR the State or territory that you have since claimed as your legal residence.

Even though you may no longer maintain formal ties to that residence, the address determines your proper voting jurisdiction. To claim a new legal residence, you must have simultaneous physical presence and the intent to return to that location as your primary residence.

Military and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence without change. This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members. A Judge Advocate General officer or legal counsel should be consulted before legal residence is changed because there are usually other factors that should be considered besides voting.

### My family members are not in the military; can they also vote absentee?

Yes. Eligible spouses and dependents (U.S. citizens, 18 years or older) of military personnel may vote absentee. Some States allow children of military personnel residing overseas who are U.S. citizens but who have never resided in the U.S. to claim one of their U.S. citizen parent's legal state of residence as their own.

### How do I register to vote or request an absentee ballot?

You may register and request an absentee ballot with a single form: The Federal Post Card Application. This application form is accepted by all States and territories and is postage- paid in the U.S. mail, including the Military Postal System and State Department Pouch mail. Hard copies of the form can be obtained from your installation's Voting Assistance Officer or requested directly from the Federal Voting Assistance Program by contacting us.

An online version of the FPCA is also available. The online version of the form must be mailed in an envelope with proper postage, or mailed using our prepaid return envelope. Your request form must be completed, printed, signed, dated and mailed directly to your local election official.

### **Can I vote in-person where I am stationed?**

Military members may vote in the U.S. State or territory where stationed if they change their legal residence to that State or territory, even if they live on a military installation. Be advised that there may be legal obligations, such as taxation, if you change your State of residence. Therefore, consult a Judge Advocate General officer or legal counsel before making such a decision.

Currently there are no provisions for personnel stationed outside the U.S. to vote in-person where stationed.

## **Questions for Overseas Citizens**

### **Can I vote absentee?**

You may vote absentee in any election for federal office if you are a U.S. citizen 18 years or older and are a U.S. citizen residing outside the United States. Only certain States allow U.S. citizens who have never resided in the United States to vote. For more information, go to: [FVAP.gov](http://FVAP.gov).

### **If I do not maintain a legal residence in the U.S., what is my "legal state of residence"?**

Your "legal state of residence" for voting purposes is the State or territory where you last resided immediately prior to your departure from the United States. This applies to overseas citizens even though you may not have property or other ties in your last State of residence and your intent to return to that State may be uncertain.

When completing block 7 of the request form, be sure to enter the entire mailing address of your last residence, including rural route and number. That address determines your proper voting jurisdiction.

Some States allow children of U.S. citizens residing overseas who are U.S. citizens but who have never resided in the U.S., to claim one of their parent's legal State of residence as their own.

### **How do I register to vote, or apply for an absentee ballot?**

You may register and request an absentee ballot with a single form: The Federal Post Card Application. This application form is accepted by all states and territories and is postage- paid in the U.S. mail, including the Military Postal System and State Department Pouch mail. Hard copies of the form can be obtained from a U.S. embassy or consulate or requested directly from the Federal Voting Assistance Program by contacting us.

An online version of the FPCA is also available. The online version of the form must be mailed in an envelope with proper postage, or mailed using our prepaid return envelope. Your request form must be completed, printed, signed, dated and mailed directly to your local election official.

### **Can I register or vote in-person at the embassy or consulate?**

There are no provisions for in-person voting or onsite registration at U.S. embassies or consulates. U.S. embassy and consular officials can assist U.S. citizens in completing the Voter Registration/Absentee Ballot Request form or other election materials for their state, witness election materials (if required), and provide other absentee voting information.

You may mail election materials from U.S. embassies and consulates. Remember to make sure that all election material is postmarked.

### **Can my selection in Block 1 of the Federal Post Card Application or Federal Write-In Absentee Ballot affect my U.S.**

**citizenship?**

No, the U.S. Department of State confirms that residing abroad without a set date and intent to return to a particular State or to any State is not a potentially expatriating act that could result in loss of U.S. citizenship. Checking "I am a U.S. citizen residing

outside the United States, and my return is not certain" will not result in loss of your U.S. citizenship. Persons who wish to renounce U.S. citizenship abroad must take an oath of renunciation before a U.S. diplomatic or consular officer at a U.S. embassy or consulate abroad.

**Does voter registration affect my tax status?**

Voting for candidates for federal offices does not affect your federal or State tax liability. Voting for candidates for State or local offices could affect your state income tax liability depending on the laws of your State. If you are concerned how your response may affect your State tax status, consult legal counsel, a U.S. tax advisor, or your State tax authorities.

**Questions for Election Officials*****Voter Information:*****Can the Federal Post Card Application (FPCA) and Federal Write-In Absentee Ballot (FWAB) be used by citizens within the United States?**

Yes. Uniformed service members who are absent from their local voting jurisdiction due to their service and their dependents who are absent with them may use the FPCA and FWAB even if they are currently within the United States. All other citizens within the United States should follow traditional State voter registration and absentee ballot request procedures.

**How can I look up a voter's address?**

FVAP is able to look up active duty military members' addresses for election officials. Election officials should submit requests to FVAP via email ([vote@fvap.gov](mailto:vote@fvap.gov)) or fax (800-368-8683) and include the name of the requester, the voting jurisdiction, as well as the citizen's full name, date of birth, and the last four digits of his/her Social Security Number.

**What if a voter from another State wants to apply for a ballot using an FPCA through our office?**

If a UOCAVA voter that resides in another State wants to apply for an FPCA through your office, you can provide the voter with a blank form but should clarify that he/she will need to submit the form and cast a ballot in the voter's home State of residence. Voters who are not clear on this information can visit the [www.FVAP.gov](http://www.FVAP.gov) website which provides step-by-step instructions on filling out the FPCA for all 55 States and territories.

**What assistance can we provide the voter that has not received a ballot?**

If a voter has requested an absentee ballot but has not received one close to Election Day, the voter can fill out the back-up FWAB. This ballot can be found on the FVAP website under the voter's specific State of voter registration: [www.FVAP.gov](http://www.FVAP.gov)

**Who is covered under UOCAVA?**

U.S. Citizens, 18 years or older, and are an active duty member of the Armed Forces, Merchant Marine, Public Health Service, the National Oceanic and Atmospheric Administration (NOAA) Commissioned Corps, eligible family members (U.S. citizens, 18 years or older) of military personnel or a U.S. Citizen residing outside the United States are covered by UOCAVA.

**Can a person who was born overseas to US parents, and has never lived in the US still participate in the election process?**

Yes, some States allow children of military personnel or U.S. Citizens residing overseas, but who have never resided in the U.S., to claim one of their U.S. citizen parents' legal State of residence as their own. FVAP has a current list of States that allow these citizens to vote absentee: <http://www.fvap.gov/citizen-voter/reside>.

**What is a "legal voting residence"?**

For voting purposes, "legal voting residence" can be the State or territory where the voter last resided prior to entering military service OR the State or territory that the voter claims as legal residence. Even though the voter may no longer maintain formal ties to that residence, the address determines the voter's proper voting jurisdiction. Military personnel and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence without change. This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members.

**Can a voter cast a ballot in-person where he/she is stationed?**

Military members may vote in the U.S. State or territory where stationed if they change their legal residence to that State or territory, even if they live on a military installation. Those voters are not entitled to the legal protections provided by UOCAVA because they are not absent.

**How does FVAP provide UOCAVA voters with information on upcoming elections in their States?**

FVAP offers electronic *Voter Alerts* that are timely emails that keep local election officials and voters informed about election dates, important deadlines throughout the absentee voting process, changes to State laws that affect how voters may request and cast their ballots, and other crucial absentee voting information.

To receive these *Voter Alerts*, contact FVAP at [vote@fvap.gov](mailto:vote@fvap.gov) and request to be added. Please provide your full name in the body of the email message.

***Processing Forms:*****Should I process FPCAs received after the MOVE Act's 45-day deadline for sending UOCAVA ballots?**

Yes. You should process all FPCAs submitted before your State's absentee ballot request deadline for *UOCAVA* voters and send out a ballot as quickly as possible.

**Which should I count if a voter submitted both a State absentee ballot and a FWAB?**

When both a State absentee ballot and a FWAB are submitted prior to the State ballot-receipt deadline, the State absentee ballot should be counted.

**Why did a voter write in candidates for State and local offices on the FWAB?**

In addition to voting in federal elections, some States allow *UOCAVA* voters to use the FWAB to vote in State and local elections. Check your State's guidelines for information on which elections military, their eligible family members and overseas voters may participate.

**Can the postage indicia be used for non-UOCAVA Ballots?**

No.

***Ballot Transmission:*****Can the MOVE Act's 45-day deadline be moved from Saturday to Monday?**

No. The 45-day deadline for a Tuesday election will fall on a Saturday, but there is no provision in federal law for that deadline to slip to the next business day, even though that may be allowed in State law.

**Can the postage-paid indicia be used for international mail?**

*UOCAVA* balloting materials can be sent as free postage paid via First-Class Mail as authorized by 39 USC 3406 by election officials to all *UOCAVA* citizens. These balloting materials include the Federal Post Card Application (FPCA), the Federal Write-In Absentee Ballot (FWAB), and State balloting materials, including letters acknowledging registration and State absentee ballots.

NOTE: It is important to remind *UOCAVA* citizens when returning balloting materials to you, the free postage-paid indicia can only be used if mailing from a U.S. Post Office, the Military Postal Service Agency (APO/FPO), or U.S. Diplomatic Pouch Mail. Materials sent by voters deposited in a foreign mail system or via common carrier (such as FedEx, DHL or UPS) must pay the rate for that service themselves.

### **How can I use the Electronic Transmission Service (ETS)?**

FVAP's ETS service enables election officials to transmit and receive election materials via fax to and from *UOCAVA* citizens at no cost. Election officials fax the materials to FVAP's toll-free fax number and FVAP will fax the election materials to the *UOCAVA* citizen. FVAP also provides a fax-to-email conversion if the voter does not have a fax machine available.

The contact information for this service is:

ETS Toll-Free Fax Number: 1-800-368-8683

ETS Email Address: [ets@fvap.gov](mailto:ets@fvap.gov)

ETS Technical Support: 1-800-438-8683

### **How can I get a ballot to a voter that has an email address that removes PDFs and hyperlinks?**

Some governmental email servers remove hyperlinks and attachments. Try getting an alternative email address from the voter as a backup. The Department of Defense has a file transfer service that can be used to save a file securely to someone with a (.mil) or (.gov) email address. Contact FVAP for more information.

### **Does FVAP have any information for processing UOCAVA voting materials including the FPCA and the FWAB forms?**

Yes, FVAP offers an on-line Election Official Guided Training course and a Quick Reference Guide for processing FPCA or FWAB forms, and resources for sending *UOCAVA* Ballots. They can be found on our website here: <http://www.fvap.gov/eo>.

### **Which States received a grant from FVAP to improve the voting process for military and overseas citizens?**

All information about FVAP's grant program can be found here: <http://www.fvap.gov/eo/grants>.

### **When will your next round of grants be?**

We do not anticipate additional grants at this time.

# U.S. Embassy and Consulate Email Addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms, and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the State) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
