

*USAF Dental Evaluation & Consultation Service*

## **September is National Dental Infection Control Awareness Month**

Did you know that the month of September is National Dental Infection Control Awareness Month?

“The Organization for Safety, Asepsis and Prevention (OSAP) has designated September National Dental Infection Control Awareness Month (NDICAM) as part of a collaborative, profession-facing effort to support dental practitioners and help them communicate to patients the critical role infection control in dentistry plays in preventing the spread of disease.”

([www.osap.org](http://www.osap.org))

For more information, please click the following link to the OSAP site.

<http://www.osap.org/default.asp?page=NDICAMAI>

**This year, the Dental Evaluation and Consultation Service (DECS) is holding a contest!** There will be a total of **4** questions asked, **1** question per week for the month of September. The questions schedule is as follows:

01SEP2016 – Question #1 will be released  
06SEP2016 – Winner for Question #1 will be announced  
12SEP2016 – Question #2 will be released  
19SEP2016 – Question #3 will be released  
20SEP2016 – Winner for Question #2 will be announced  
26SEP2016 – Question #4 will be released  
27SEP2016 – Winner for Question #3 will be announced  
30SEP2016 – Winner for Question #4 will be announced.

The first person to respond with the correct answer is the winner. We will recognize 2 winners each week; 1 military and 1 civilian.
