

A photograph of a flooded street. In the foreground, several large, brown, weathered sandbags are piled up. The water is murky and brown. In the background, a brick wall and a doorway are visible, with more sandbags placed near the entrance. The text "BE SMART. TAKE PART. PREPARE." is overlaid on the water in a bold, white, sans-serif font. The word "PREPARE." is significantly larger and has a yellow-to-orange gradient.
