

# Local Program Advisory Forum

Team Charter

May 13, 2013

---

## **Charter Statement**

The Local Program Advisory Forum is a Committee of Local Program Stakeholders formed for the purpose of continuously monitoring and improving the management of the Local Program. This Committee promotes strong collaboration and free flow of information between the Wisconsin Department of Transportation and all other affected organizations through its representatives.

## **Goals or Objectives:**

The objectives of this committee are to:

- ✓ Identify and address continuing and emerging issues related to the local program.
- ✓ Provide input to WisDOT related to the management of the local program. Recommend changes to Local Program policies and activities that will streamline processes, reduce costs, and improve the overall efficiency and effectiveness of the program.
- ✓ Share information about changes to processes related to the programming and delivery of Local Program projects.
- ✓ Work together toward deriving the maximum benefit from available Federal Funding.

## **Team Resources**

The advisory forum will meet on a continuous basis.  
The team will revisit its goals and objectives each year.  
The team will meet on bi-monthly or more often as needed.

## **Authority or Responsibility of the Team:**

Recommendations to WisDOT Management

## Definition

In this document, Local Program refers to the Federal-Aid Local Program in Wisconsin.

## Team Members:

**June 11, 2015**

|    | Name                               | Area/Agency                             |
