Description of Department Operations

We provide sick call for active duty members, routine and well person care, preventative health assessments, screenings, and Command check-in/out.

Location Within Health Clinic

First deck next to Optometry.

After Hours Checking In: (1631-0729, weekends & holidays)

After hours, weekends, and holidays all personnel (Station, 2nd MAW, CLC and CNATT perm personnel) are to report to the Station CDO, bldg. 1, to get an after-hours reporting endorsement. The next day they are to report to IPAC for an official endorsement and new join audit.

Marines will receive an endorsement from Station CDO and be directed to Temporary Lodging (bldg. 3673) if they require lodging.

If a Marine stays at the TEQ and requires transportation to the IPAC in the morning, on the next business day they need to be checked out of the TEQ and have their gear ready at 0715 to be picked up by the IPAC duty driver in front of the check in window. If you have not been picked up by 0745 please contact 252-466-6756.

Vehicle Registration:

Vehicle must be registered within 30 days of arrival. Required documentation includes: Valid ID Card Proof of Insurance which meets or exceeds the North Carolina Standards (Policy required when out of state) Proof of updated registration If under age of 26, must have attended a defensive driver's course (a one-day safe-driving course) Valid Drivers License North Carolina LICENSE: New residents have 30 days after establishing residence to obtain a North Carolina license. If listed in the non-resident category (i.e., members of the armed forces) the service member can elect to use the registration of their home of record. If service member's home of record is one state but they are using the tag from another state, the service member must elect to either obtain license tags from their home of record or from North Carolina when their tags expire.

To obtain North Carolina license tags: If making payments on car and no title is available, must take in registration card, all persons listed on registration must be present or possess their power of attorney and show liability insurance North Carolina recognizes, have odometer reading and lien holder's name and address.

The cost of registering a vehicle in NC is a maximum of \$212 and a minimum of \$102, depending on year and make of vehicle. If the vehicle is registered in the spouse's name only, then they are considered a new resident and must register the vehicle in North Carolina within the 30 days.

To register a vehicle in North Carolina, the cost is 3% of the bill of sale less trade in plus \$25 for the license plates plus \$35 for the title.
