### FY 2008 Homeland Security Grant Program (HSGP)

The FY 2008 HSGP is one tool among a comprehensive set of measures authorized by Congress and implemented by the Administration to help strengthen the Nation against risks associated with potential terrorist attacks.

State Homeland Security Program (SHSP). The SHSP provides \$861,280,000 in funding support to build capabilities at the State and local levels and to implement the goals and objectives included in State Homeland Security Strategies and initiatives in the State Preparedness Report.

Urban Areas Security Initiative (UASI). The UASI program dedicates \$781,630,000 in funding support to select high-threat, high-density Urban Areas in order to address their unique multi-

discipline planning, organization, equipment, training, and exercise needs in building and sustaining capabilities to prevent, protect against, respond to, and recover from threats or acts of terrorism.

*Metropolitan Medical Response System (MMRS)*. The MMRS provides \$39,831,404 in funding support to designated localities to assist in maintaining and updating plans, delivering training, purchasing equipment and pharmaceuticals, and conducting exercises.

Citizen Corps Program (CCP). The CCP provides \$14,572,500 in funding support to bring community and government leaders together to coordinate the involvement of community members in emergency preparedness, planning, mitigation, response, and recovery.

### FY 2008 Urban Areas Security Initiative (UASI) Nonprofit Security Grant Program (NSGP)

The FY 2008 UASI NSGP provides \$15,000,000 in funding support for target hardening activities to nonprofit organizations that are at high risk of international terrorist attack. While this funding is provided specifically to high-risk nonprofit organizations via the State, the program seeks to integrate nonprofit preparedness activities with broader State and local preparedness efforts.

### FY 2008 Operation Stonegarden (OPSG)

The intent of OPSG is to enhance law enforcement preparedness and operational readiness along the land borders of the United States. FY 2008 OPSG provides \$60,000,000 in funding to designated localities to enhance cooperation and coordination between law enforcement agencies in a joint mission to secure the nation's land borders.

### FY 2008 State Homeland Security Program (SHSP) – Tribal

As part of the 9/11 Act, tribes are directly eligible applicants for \$1,645,000 of State Homeland Security Program (SHSP) Tribal funding. The SHSP Tribal provides funds to directly eligible tribes, as defined in the 9/11 Act, to build capabilities and implement homeland security plans.

### FY 2007 and 2008 Regional Catastrophic Preparedness Grant Program (RCPGP)

The FY 2007 and 2008 RCPGP provides \$60,092,500 to advance catastrophic incident preparedness to Tier 1 and selected Tier 2 UASI Urban Areas. RCPGP is intended to support an integrated planning system that enables regional all-hazard planning for catastrophic events and the development of necessary plans, protocols, and procedures to manage catastrophic events.
