All webinars are open to the whole community, which encompasses—individuals (including those with disabilities and others with access and functional needs), businesses and nonprofits, faith-based and community groups, schools, and all levels of government. The sessions are scheduled for:

- Monday, May 18, 3:00 PM EDT
- Wednesday, May 20, 11:00 AM EDT
- Wednesday, May 27, 12:00 PM EDT
- Thursday, May 28, 10:30 AM EDT

Because each engagement webinar will cover the same information, please choose the session most convenient for you. Advance registration is required due to space limitations. **Registration is on a first come, first serve basis.** To register, please visit:

To review the draft National Planning Frameworks, please visit <http://www.fema.gov/learn-about-presidential-policy-directive-8>. To provide comments, please complete the feedback form and submit to [PPD8-Engagement@fema.dhs.gov](mailto:PPD8-Engagement@fema.dhs.gov). Comments made during the webinars are considered to be for discussion purposes only and may not be adjudicated formally.

The National Planning Frameworks, which are part of the National Preparedness System, set the strategy and doctrine for building, sustaining, and delivering the core capabilities identified in the National Preparedness Goal. They describe the coordinating structures and alignment of key roles and responsibilities for the whole community and are integrated to ensure interoperability across all mission areas.

This update of the National Planning Frameworks focuses on discrete, critical content revisions, and confirming edits as a result of comments received on the National Preparedness Goal. Additional changes in the current draft of the Frameworks are the result of the lessons from implementing the Frameworks and recent events, as well as the findings of the National Preparedness Report.
