

Exportable Enhancing Human Capital

Designed for those who have witnessed PACE personnel present Enhancing Human Capital and want to share the information. This course is video based, interactive, and has all of the materials required for a successful learning event at your Unit.

The course can be presented in one day or over a period of days or weeks, depending on time availability.

Seven modules with two or more lessons per module:

- Connecting Values to Mission
- Professionalism
- Thinking About Thinking
- Human Behavior
- Communication
- Personal Bias
- Gutting Up

Detailed Leader Guide, Participant Guide, 17 videos, & activities
