Section 1 eSRS Basics

1.1 System Background

As part of the President's Management Agenda for Electronic Government, the Small Business Administration (SBA), the Integrated Acquisition Environment (IAE), and a number of Agency partners collaborated to develop the next generation of tools to collect subcontracting accomplishments. This government-wide tool is known as the eSRS. This Internet-based tool will streamline the process of reporting on subcontracting plans and provide agencies with access to analytical data on subcontracting performance. Specifically, the eSRS eliminates the need for paper submissions and processing of the SF 294's, Individual Subcontracting Reports, and SF 295's, Summary Subcontracting Reports, and replaces the paper with an easy-to-use electronic process to collect the data.

To learn more, please review the home page materials that discuss the system's background, reporting requirements, and the eSRS legislation, regulations and OMB Guidance.

1.2 About this User Guide

This user guide is intended for the federal government users of the eSRS.gov system who have been assigned the role of Contracting Officer. The guide will help these users utilize the system to review eSRS reports that have been submitted by prime and sub-contractors. Both Prime and Sub contractor reporting is completed in the eSRS.gov system.

There are four federal government user roles in this system. The roles in part reflect the activities that are performed in the eSRS.gov system. The federal government user roles are outlined as follows:

- Agency Coordinator –**AC** has full access to eSRS for their agency and below. Users can manage their agency hierarchy, other agency contacts, manage new agency contact registrations, review eSRS reports and run reports on data from their registered level and below.
- Point of Contact – **POC** - Users manage other agency contacts (but not the agency organization), manage new agency contact registrations, review eSRS reports and run reports on data from their registered level and below.
- Contracting Officer - **CO** - Users review eSRS reports and run reports on data from their registered level and below. In an eSRS Context, this role is likely more appropriate for users needing to review eSRS reports pertaining to contracts.
- Designated Government User - **DGU** users review eSRS reports and run reports on data from their registered level and below.

1.3 Getting Help with eSRS

1.3.1 The Help Desk

- I. Users can access the Federal Service Desk (FSD) directly from within the system. FSD is the help desk organization that provides help desk support for eSRS.gov.
- II. A link to the FSD is presented on the home page in the right-hand side bar. This link can also be found when logged into the system at the bottom of each page.

FSD Transition Page

The screenshot shows a transition page for the Federal Service Desk. At the top, it has the same eSRS banner as seen in the first image. Below the banner is a blue header with the text "Federal Service Desk" and "Start here for help on US Government contracts." followed by a starburst icon. Below this is a message: "You will be re-directed to the Federal Service Desk in 30 seconds. Click the logo above if you would like to be redirected immediately." The main content area is titled "INTRODUCING... The Federal Service Desk" and is addressed to "eSRS Users:". It explains that FSD will handle technical calls but also allows for non-technical questions via a "Submit New Request" button or by speaking to a representative. It lists the services available at fsd.gov, including searching the Answer Center, submitting requests, checking tickets, giving feedback, live chat, and phone support. A "Privacy Policy" link is at the bottom left.

- IV. Users are automatically re-directed to the FSD 30 seconds after navigating to the transition page.

1.3.2 Resources Page

- I. When logged into the system, in the main navigation bar at the bottom of any system page, users will see a link to access a resources page. This page presents resources for the user related to the utilization of the eSRS system.

1.4 Log-In to eSRS

1.4.1 System Tied with FSRS

Users registered in the Federal Funding Accountability and Transparency Act Subaward Reporting System (www.fsr.gov) are able to access the eSRS system with the same log-in credentials as used for FSRS. If you register for a new account in the eSRS system, you will be able to login to the FSRS system with the same credentials. In addition, authenticated (logged-in) users are able to toggle between the eSRS.gov and FSRS.gov applications seamlessly by clicking on the link in the upper right hand corner of any page, “Log-in to eSRS” or “Log-in to FSRS,” depending on the system in which you are currently working.

Announcements

NASA Class Deviation on SSRs Aug 18, 2014 3:36 pm

On November 21, 2013, NASA issued a Class Deviation for Summary Subcontract Report (SSR)-Submission under Individual Subcontracting Plans, which eliminates the requirement to submit a mid-year SSR for individual plans. The Deviation applies to solicitations issued on or after November 21, 2013. For contractors holding NASA contracts that were awarded before this date and that contain subcontracting plans, a mid-year SSR is still required unless all such contracts are modified to include the Deviation. Contractors may request Contracting Officers to modify existing contracts to include the Deviation. For additional information, refer to NASA Procurement Information Circular (PIC) 13-06B located here: <http://www.hq.nasa.gov/office/procurement/regs/pic13-06B.html>. Questions may be directed to Richard Mann at 202-368-2436.

2.2 Main Navigation Overview

The federal government user’s main navigation runs vertically along the left side of the screen.

Home: Home returns a user to the default home page (same as seen on login).

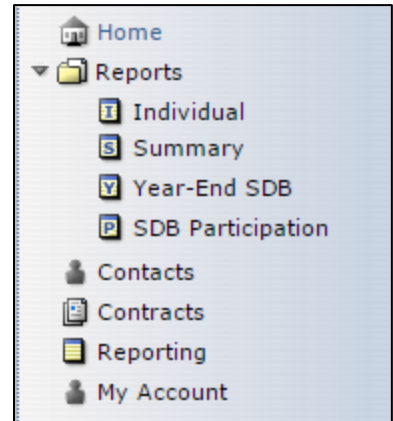

Reports: The Reports section allows a user to review eSRS Reports. Users tied to multiple agencies/offices will need to use the switch role function in order to manage reports under their various roles.

Contacts: Users will see a list of all registered eSRS agency users. Only those users registered at the user’s level and below can be edited by the user. All other records will be view only.

Contracts: Provides a searchable list of contracts issued by their agency. Users tied to multiple agencies/offices will need to use the switch office function to view the contracts list for their other assigned agency/office if their role allows.

Reporting: Resource allows users to run ad hoc and pre-defined reports. See Generating Reports Guide for more information.

My Account: Resource allows user to update their profile data, change their password, or to request a new role/office affiliation for their account.

Section 3 Reports

3.1 Individual

- I. Click on “Reports” and then “Individual” on the left hand navigation menu.
- II. You will see a screen similar to the Individual Reports Screenshot below.
- III. Click on the View Icon beside any report to see more information regarding the filed report.
- IV. You may sort the list of reports based on column. This is accomplished by clicking on the text next to any down arrow in the column headings. You may sort the list in ascending order if you

- III. When a contract is transferred in FPDS-NG, the former agency/office will NOT have access to any new reports created in the eSRS AFTER the transfer took place.
- VIII. When a contract is transferred in FPDS-NG, the new agency/office on the contract will have read-only access to the most recent report submitted in eSRS prior to the transfer (i.e., submitted to the former contract agency/office), regardless of status.

3.1.2 Contract PIID Changes

- I. Agencies have the ability to modify PIID/Contract numbers in FPDS-NG.
- II. The eSRS will perform a silent, nightly update of all existing reports, regardless of status, with the modified PIID/Contract number.
- III. This process will overwrite the original PIID/Contract number on the report.
- IV. When a PIID/Contract number is modified, the eSRS will display a new field from FPDS-NG labeled “Other Award (or IDV) ID” which will identify the original PIID/Contract number for reference.
- V. The Original PIID/Contract number will no longer be searchable in eSRS.

3.2 Summary

- I. Click on “Reports” and then “Summary” on the left hand navigation menu.
- II. You will see a screen similar to the Summary Reports Screenshot below.
- III. Click on the View Icon beside any report to see more information regarding the filed report.
- IV. You may sort the list of reports based on column. This is accomplished by clicking on the text next to any down arrow in the column headings. You may sort the list in ascending order if you click on the same heading again. Note how the color of the text changes. The current active column is designated by a **Maroon** color.
- V. You may also view only specific types of reports using the search fields above the list or by clicking on the tabs near the top of the screen.
- VI. Notice, this screen will only show twenty reports at a time. To view more, simply click on the “Next” or “Previous” links to traverse through the list.
- VII. Choose the Search Criteria to limit the results.

3.6 Accept / Reject (Administering Agency Designated on Report)

This section will outline the process for managing Individual reports on which the contractor designated an Administering Agency other than the Contracting Office on the contract.

The first step is to go to the Individual Reports section. Click on the “Pending” tab near the top of the screen, and find the report that you would like to manage. If a report has an Administering Agency selected, a note will display at the top of the report advising of the status.

Administering Agency conflict message

NOTE: In order to Accept/Reject a report that has an Administering Agency, the “Check Out” function must be available. If the “Check Out Report” action is not available, you will need to request that the report be released by the agency who currently has the report checked out.

3.6.1 Accept/Reject

- I. Click on the View Icon beside the desired report.
- II. Select “Check Out Report” from the “Report Actions” drop down box on the right (see Report Actions screenshot below) and click the “Go” button. **Note: If you check out the report, only your agency/office will have accept/reject rights for the report. If you check out the report, the action will be tracked in the right hand “Action History” sidebar for both involved agencies to view.**

Note: If you are registered at a level above both the Contracting Office on the contract AND the designated Administering Agency in the report, you will be required to select the Agency/Office for which you are checking out the report. **Example:** The Contracting Office on the report is AFRL and the report is submitted to AFMC as the Administering Agency. If the person reviewing (checking out) the report is registered at the parent agency level Air Force (level above sub agency), you must select the agency you are representing at the time of check out (AFMC or AFRL).

Agency Selection Pop-Up Window

- III. If you have the report checked out, you will be able to select “Accept Report” or “Reject Report” from the “Report Actions” drop down box on the right by clicking on the appropriate action. A notification box will appear to allow you to enter a note for the report that will be viewable by all parties reviewing the report. **Note: If you “Reject” a report you are required to provide a notification as to why.**

- IV. Click “Submit” to finalize the action.
- V. You may view a printable report or, save as PDF, or return to the reports list by selecting the appropriate button at the top of the core report page.
- VI. If you accept or reject the report, the action will be tracked in the right hand “Action History” sidebar for both involved agencies to view.

3.6.2 Request to Release a Report

- I. Click on the View Icon beside the desired report.

- II. At any given time, the Contracting Office and Administering Agency users can view which agency currently has the report checked out, and therefore are able to manage the report. There is a “Report Rights” box visible on the right sidebar for all reports that have an administering agency designated by the contractor on the report.
- 2.6 A red X will display next to the agency that does NOT have the report checked out.
 - 2.7 A green check mark will display next to the agency that currently has the report checked out.

3.6.3 Release a Report

- I. Click on the View Icon beside the desired report.
- II. Select “Release Report” from the “Report Actions” drop down box on the right (see Report Actions screenshot below). **Note:** If you release the report, you will no longer have accept/reject rights for the report.
- III. If you release the report, the action will be tracked in the right hand “Action History” sidebar for both involved agencies to view.

3.7 Correct Report (Awarding Agency Designated on Report)

The Correct Report button allows the user to change the "Agency Awarding Contract" field in a Pending (PEN) ISR.

- I. Click on “Reports” in the left hand navigation menu.
- II. Click on the View Icon beside any report to see more information regarding the filed report.
- III. Click on the Correct Report button to open the Agency Lookup window.
- IV. Enter the first few letters of an agency name to open the picklist, click on desired agency name to load.
- V. Click Select Agency and Continue button to save

VI. Verify correct Agency in list item 4 in the Subcontracting Report for Individual Contracts Cont'd section.
