OFFICE OF THE SECRETARY Washington, D.C. 20240

Honorable Albert Garcia Chairman, Pascua Yaqui Tribal Council 7474 S. Camino De Oeste Tucson, Arizona 85746

Dear Chairman Garcia:

On June 29, 1993, we received the Compact between the Pascua Yaqui Tribal Council (Tribe) and the State of Arizona (State), dated June 24, 1993.

This Compact has a unique history. In <u>Yavapai-Prescott v. Arizona</u>, No. 91-1696 (D. Az.), several Arizona tribes sued the State of Arizona for failing to negotiate, in good faith, Class III tribal-state gaming compacts. Thereafter, four tribes negotiated compacts with the State. Three tribes, the Tohono O'odham, White Mountain Apache and Pascua Yaqui, were unable to reach agreement with the State. As a result, the three tribes and the state were required to submit their last, best compact offers to a court-appointed mediator under 25 U.S.C. § 2710 (d)(7) of the Indian Gaming Regulatory Act (IGRA). The mediator was required to choose the compacts which best comported with the terms of the IGRA. In all three instances, the mediator chose the tribes' compacts. The State, however, declined to consent to the proposed compacts.

Upon the expiration of the time period in which the State could accept the compacts, the mediator submitted the compacts to the Secretary to prescribe gaming procedures. Although the compacts chosen by the mediator were submitted to the Secretary, the three tribes and the Governor had agreed to continue their compact negotiations to resolve differences and to settle the pending lawsuit. The parties were able to reach agreements which resulted in negotiated compacts. The compacts were then submitted to the Department for approval in lieu of Secretarial procedures. We find nothing in the IGRA which precludes the State and Tribe from concluding a compact and substituting it for the development of procedures.

We have completed our review of your tribe's Compact and conclude that it does not violate the IGRA, Federal law or our trust responsibility. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Compact. The Compact shall take effect when the notice of our approval, pursuant to Section 11 (d)(3)(b) of IGRA, 25 U.S.C. § 2710(d)(8)(D), is published in the FEDERAL REGISTER.

Notwithstanding our approval of the Compact, be advised that Section 11 (d)(1) of the IGRA, 25 U.S.C. § 2710(b)(1)(B), requires that gaming cannot be conducted without a tribal gaming ordinance approved by the Chairman of the National Indian Gaming Commission (NIGC). On July 8, 1992, the NIGC published in the FEDERAL REGISTER proposed regulations to govern the approval of Class II and Class III gaming ordinances. The final regulations were published in the FEDERAL REGISTER on January 22, 1993 (58 Fed. Reg. 5802), and became effective on February 22, 1993. Pursuant to the IGRA and the regulations, even previously existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman.

In addition, if the Tribe intends to enter into a management contract for the operation and management of its gaming facility, the contract must likewise be submitted to, and approved by the Chairman of the NIGC pursuant to Section 11 (d)(9) of the IGRA, 25 U.S.C. § 2710(d)(9) and the NIGC's regulations governing management contracts. The Tribe may want to contact the NIGC at (202) 632-7003 for further information on submitting the ordinance and the management contract for approval by the NIGC.

Furthermore, we note that the Compact includes a reference to the sale of alcoholic beverages. The possession or sale of liquor in Indian Country is a violation of Federal criminal laws (18 U.S.C. § 1154) unless it is done in accordance with an ordinance certified by the Secretary and published in the FEDERAL REGISTER (18 U.S.C. § 1161). The Pascua Yaqui Tribal Council does not have a certified liquor ordinance. Secretarial certification of such an ordinance must be obtained and published prior to the selling of liquor in Indian Country. The Tribe may want to contact the Phoenix Area Office for assistance and information on the requirements for certification of the ordinance.

We wish the Tribe and the State success in their economic venture.

Sincerely,

Ada

Assistant Secretary - Indian Affairs

- (b) <u>Notice to Patrons</u>. The Tribal Gaming Office shall mail written notice by certified mail, return receipt requested, to the Gaming Facility Operator and the patron of the decision resolving the dispute within thirty (30) days after the date that

the Tribal Gaming Office first receives notification from the Gaming Facility

Operator or a request to conduct an investigation from the patron.

- (c) Effective Date of Decision. The decision of the Tribal Gaming Office is effective on the date it is received by the aggrieved party as reflected on the return receipt.
- (d) Review of Decision. Within thirty (30) days after the date of receipt of the written decision, the aggrieved party may file a petition with the Tribal Gaming Office requesting a review of the decision. The Tribal Gaming Office may set a hearing on the matter or may make a decision based solely upon the prior decision and other documentation provided to it by the patron and the Gaming Facility Operator. The Tribal Gaming Office shall then issue a written decision and mail it to the parties pursuant to the procedures set forth in Section 14(b). The decision of the Tribal Gaming Office shall be final and binding upon the patron and the Gaming Facility Operator and shall not be subject to judicial review, dispute resolution or other legal action.

# SECTION 15. DISPUTE RESOLUTION

(a) Procedures and Provisions Subject to Dispute Resolution. The parties may discuss and reconsider Sections 4, 5, 7, 11, 12, 14 and all appendices to this

Compact upon written notice and request by either party. Thereafter, if the Tribe or the State believes that the other party has failed to comply with the requirements of the foregoing Sections and appendices, or if any dispute arises as to the proper interpretation thereof, the procedures set forth in this Section shall apply.

- (b) Notice. The party asserting noncompliance or seeking an interpretation shall serve written notice on the other party. The notice shall identify the specific Compact provision alleged to have been violated or in dispute and shall specify in detail the factual basis for the alleged noncompliance or the proffered interpretation of the Compact provision for which interpretation is sought.
- (c) <u>Voluntary Resolution</u>. Representatives of the Tribe and the State shall meet within ten (10) days following receipt of the notice in an effort to resolve the dispute.
- (d) <u>Arbitration Procedures</u>. If the dispute is not resolved to the satisfaction of the parties within thirty (30) days after service of the notice set forth above, the dispute shall be adjudicated through arbitration in Arizona or such other place as the parties may agree as follows:
  - (1) The parties shall attempt to agree upon one arbitrator with expertise in the subject matter of the dispute.

- shall select an arbitrator within ten (10) days of the commencement of the arbitration and the two (2) arbitrators shall mutually appoint a third arbitrator within twenty (20) days of their appointment. If the two (2) arbitrators are unable to agree on the appointment of a third arbitrator within twenty (20) days, the third arbitrator shall be appointed by the American Arbitration Association.
- after appointment to determine an arbitration schedule including whether and to what extent discovery is required.

  The arbitrator(s) may set the matter for an evidentiary hearing or oral argument, or may dispose of the dispute based upon written submissions only.
- (e) Arbitration Costs. The cost of arbitration shall be borne equally by the parties, with one-half of the expenses charged to the Tribe and one-half charged to the State. The parties shall bear their own costs and attorneys' fees associated with their participation in the arbitration unless the decision of the arbitrator shall specify otherwise.

- (f) Arbitration Decision. The decision of the majority of the arbitrator(s) shall be final, binding and unappealable. Failure to comply with judgment upon the award entered in such arbitration proceeding shall be deemed a breach of the Compact.
- of the Agreement. The parties recognize that the Act provides at 25 U.S.C. § 2710(d)(7)(A)(ii) that the United States District Courts shall have jurisdiction over an action initiated by the State or the Tribe to enjoin a Class III Gaming activity located on Indian Lands and conducted in violation of this Compact.

# SECTION 16. RESERVATION OF RIGHTS UNDER THE ACT

- (a) Status of Class I and Class II Gaming. This Compact shall not apply to any Class I or Class II Gaming whether conducted within or without the Gaming Facilities, and shall not confer upon the State any jurisdiction or other authority over such Class I or Class II gaming conducted by the Tribe on Indian Lands.
- (b) Prohibition on Taxation by the State. Nothing in this Compact shall be deemed to authorize or permit the State or any political subdivision thereof to impose any tax, fee, charge or assessment upon the Tribe or any Gaming Operation

of the Tribe, except for the payment of expenses as provided in Section 12 of this Compact.

- (c) <u>Preservation of Tribal Self-Government</u>. Nothing in this Compact shall divest or diminish the sovereign governmental authority of either the Tribe or the State.
- (d) <u>Use of Net Revenues</u>. The net revenues derived from Class III Gaming authorized under this Compact shall be used by the Tribe for the purposes permitted under the Act.
- (e) Tax Documentation. For purposes of cooperation, the Tribal Gaming Office shall obtain from the Gaming Facility Operator and provide to the State Gaming Agency a copy of the documentation the Gaming Facility Operator submits to the Internal Revenue Service indicating gaming winnings of patrons of the Gaming Operation.

to be invalid or unenforceable, it is the intent of the parties that the remaining

provisions shall remain in full force and effect to the extent possible.

SECTION 19. THIRD PARTY BENEFICIARIES

This Compact is not intended to create any third-party beneficiaries and is entered

into solely for the benefit of the Tribe and the State.

The State and the Tribe agree to execute an acknowledgement that this condition has been satisfied after all such Compacts have been executed.

Subject to the provisions of Section 23 (a)(1) above, this Compact shall become effective after it is executed by both the Governor of the State and the Chairman of the Tribe, it is approved by the Secretary of the Interior, and notice of approval is published in the Federal Register pursuant to the Act.

## (b) **Duration**.

- (1) This Compact shall be in effect for a term of ten (10) years after the effective date.
- The duration of this Compact shall thereafter be automatically extended for terms of five (5) years, unless either party serves written notice of nonrenewal on the other party not less than one hundred eighty (180) days prior to the expiration of the original term of this Compact or any extension thereof.
- (3) In the event written notice of nonrenewal is given by either party as set forth in this Section, the Tribe shall cease all Class

# (d) Enforceability.

(1) The State and the Tribe voluntarily enter into this Compact pursuant to 25 U.S.C. § 2710(d)3)(B). Furthermore, the State abandons any argument it may have had under the Tenth Amendment to the United States Constitution that its execution of this Compact was coerced.

- (2) In the event that federal law changes to prohibit the gaming authorized by this Compact, the State may seek, in a court of competent jurisdiction, a declaration that this Compact is invalid.
- (3) This Compact shall remain valid and enforceable against the State and the Tribe unless or until it is held to be invalid in a final nonappealable judgment or order of a court of competent jurisdiction.

TECHNICAL STANDARDS FOR ELECTRONIC GAMES OF CHANCE

#### TECHNICAL STANDARDS FOR ELECTRONIC GAMES OF CHANCE

#### SECTION 1. <u>DEFINITIONS</u>

For the purposes of this Compact:

- (a) "Credit" means the smallest unit of value that may be used to play a game on an electronic game of chance or that may be redeemed in currency.
- (b) "Distributor" means a person who obtains an electronic game of chance from a manufacturer and who intends to furnish it to the Tribe.
- (c) "Manufacturer" means a person who manufactures, produces, or assembles an electronic game of chance and who intends to furnish it to a distributor or the Tribe.
- (d) "Electronic Game of Chance" means a microprocessor-controlled electronic device which allows a player to play games of chance, some of which are affected by skill, which device is activated by the insertion of a coin, currency, tokens or by the use of a credit and which awards game credits, cash or tokens or prizes of value, replays or a receipt that can be redeemed by the player for any of the foregoing. Game play may be displayed by:
  - (i) Video facsimile; or
  - (ii) Mechanical rotating reels whereby the software of the device predetermines the stop positions and the presence, or lack thereof, of a winning combination and payout, if any.
- (e) "Progressive Jackpot" means an electronic game of chance payoff that increases automatically over time or as the machine or another is played.
- (f) "Base Amount" means the amount of the progressive jackpot initially offered before it increases.
- (g) "Incremental amount" means the difference between the amount of a progressive jackpot and its base amount.

#### SECTION 2. TESTING AND APPROVAL OF ELECTRONIC GAMES OF CHANCE.

No electronic game of chance may be purchased, leased or otherwise acquired by the Tribe unless:

(a) The electronic game of chance is purchased, leased or acquired from a manufacturer or distributor licensed by the Tribe and certified by the State to sell, lease or distribute electronic games of chance to the Tribe, and

(b) The electronic game of chance, or prototype thereof, has been tested, approved and certified by a gaming test laboratory as meeting the requirements and standards of this Compact.

For purposes of this Compact, a gaming test laboratory is a laboratory designated in writing by the Tribe and the State Gaming Agency as competent and qualified to conduct scientific tests and evaluations of electronic games of chance and related equipment. A laboratory operated by or under contract with the State or by or under contract with the States of Minnesota, Montana, Nevada, New Jersey, South Dakota, or Wisconsin constitutes a designated gaming test laboratory.

## SECTION 3. APPLICATION FOR APPROVAL OF PROTOTYPE ELECTRONIC GAMES OF CHANCE.

In order to obtain the necessary approval and certification, the Tribe shall require that the gaming test laboratory and the State Gaming Agency each be provided with one copy of electronic game of chance illustrations, schematics, block diagrams, circuit analyses, technical and operation manuals, program object and source codes and hexadecimal dumps (the compiled computer program represented in base 16 format) and any other necessary prototype information.

#### SECTION 4. TESTING OF ELECTRONIC GAMES OF CHANCE.

If required by the gaming test laboratory, the Tribe shall require the manufacturer or distributor to transport not more than two working models of the electronic game of chance and related equipment to a location designated by the laboratory for testing, examination and analysis. The Tribe shall require the manufacturer or distributor to pay for any and all costs for the transportation, testing, examination and analysis. The testing, examination and analysis may include the entire dismantling of the electronic games of chance and related equipment and some test may result in damage or destruction to one or more electronic components of the devices. If required by the laboratory, the Tribe must provide, or require the manufacturer to provide, specialized equipment or the services of an independent technical expert to assist with the testing, examination and analysis.

#### SECTION 5. REPORT OF TEST RESULTS.

At the conclusion of each test, the laboratory shall provide to the tribe and to the State Gaming Agency a certified affidavit that contains findings, conclusions and a determination that the electronic game of chance and related equipment conforms or fails to conform to the technical requirements and standards set forth in this Compact. If modifications can be made which would bring the electronic game of chance or related equipment into compliance, the report may contain recommendations for such modifications.

SECTION 6. MODIFICATIONS OF APPROVED ELECTRONIC GAMES OF CHANCE.

No modification to the assembly or operational functions of any electronic game of chance or related equipment may be made after testing and installation unless the gaming test laboratory certifies to the Tribal Gaming Office and the State Gaming Agency that the modified electronic game of chance conforms to the standards of this Compact. All proposed modifications shall be described in a written request made to the State Gaming Agency and the Tribal Gaming Office, which contains information describing the modification, the reason therefor and all documentation required by the laboratory. If the State Gaming Agency and the Tribal Gaming Office agree that a modification is warranted, the documentation shall be forwarded to the gaming test laboratory. The State Gaming Agency and the Tribal Gaming Office will jointly agree to a temporary certification of the modifications for up to 15 days pending compliance with this Section.

#### SECTION 7. CONFORMITY TO TECHNICAL STANDARDS.

The Tribe shall require the manufacturer or distributor to certify, in writing, that, upon installation, each electronic game of chance:

- (a) Conforms precisely to the exact specifications of the electronic game of chance prototype tested and approved by the gaming test laboratory; and
- (b) Operates and plays in accordance with the technical standards set forth in this Compact.

A copy of the certification document shall be forwarded to the State Gaming Agency.

#### SECTION 8. REPORTS TO TRIBE AND STATE GAMING AGENCY.

- (a) <u>Installation and Operation.</u> Prior to installation of an electronic game of chance, the manufacturer or distributor shall report in writing to the Tribe and the State Gaming Agency the following information for each electronic game of chance, including, but not limited to:
  - (i) The type of electronic game of chance;
  - (ii) The game's serial number;

A licensed and certified agent or employee of the Tribe may open the gaming cabinet to effect repairs and service, but shall do so only in the presence of an authorized agent or inspector of the Tribal Gaming Office or after notifying the closed circuit television surveillance room. The Tribe shall make available upon request a licensed and certified agent or employee of the Tribe to assist with the removal and replacement of EPROM's for the compliance testing of electronic games of chance by the State Gaming Agency.
- (i) <u>Microprocessor Compartment.</u> The compartment containing the microprocessor-controlled device within the cabinet of the electronic game of chance must be locked and sealed and unlocked by a different key than the key which unlocks the cabinet or cash compartment. The compartment may only be opened in the presence of an authorized agent of the Tribal Gaming Office. The key to the microprocessor compartment shall be kept by the Tribe in a secure place.
- (j) Access to Cabinet. A log shall be maintained disclosing the identity of all persons accessing the gaming device cabinet or microprocessor compartment, including the date, time and reason for entry.

- (I) Secure Cash Compartment. The coin and currency compartment shall be locked separately from the main cabinet area, and secured with a different key or combination than used for the main cabinet door, except that a separate cash compartment shall not be required for coins necessary to pay prizes in a machine which pays prizes through a drop hopper as permitted in this Section. Cash compartment keys must be kept in a secure location. Except as provided in this section, the compartment in which the inserted coins and bills are deposited shall be locked at all times. An employee or an official of the Tribe may open the cash compartment in the gaming cabinet for the purpose of collecting the accumulated

cash. The person collecting the accumulated cash shall record the amount collected.

- (m) Hardware Switches or Hardware Modification of Pay Tables or Payouts Prohibited.

  No hardware switches (DIP Switches) may be installed on an electronic game of chance or on any associated equipment which may alter the pay tables or payout percentages in the operation of the gaming device. Hardware switches may be installed to control the machine's sound, screen color and game speed.
- (n) Operation as Part of a Network. The hardware requirements of this Section shall not be construed to prevent the operation of the electronic game of chance as part of a network within the Tribal Gaming Facility, or between the Gaming Facilities on Tribal Lands, with an aggregate prize or prizes; provided that an electronic game of chance capable of bi-directional communication with external associated equipment must utilize communication protocol which insures that erroneous data or signals will not adversely affect the operation of the game. The operation of the local network must be approved by the independent gaming test laboratory.
- (o) <u>Identification Plates Required.</u> Each electronic game of chance shall have an unremovable identification plate on the exterior of the cabinet which contains the following information:

# SECTION 10. REQUIREMENTS FOR PROGRESSIVE ELECTRONIC GAMES OF CHANCE.

(a) A meter that shows the amount of the progressive jackpot must be conspicuously displayed at or near the machines to which the jackpot applies. At least once a day each Tribe shall record the amount shown on each progressive jackpot meter at the Tribe's gaming facility except for those jackpots that can be paid directly from the machine's hopper. Explanations for meter reading decreases must be maintained with the progressive meter reading sheets, and where payment of a jackpot is the explanation for a decrease, the Tribe shall record the jackpot payout form number on the progressive meter reading sheets or have a number reasonably available. Each Tribe shall record the base amount of each progressive jackpot that the Tribe offers.

- (b) A Tribe may limit a progressive jackpot to an amount that is equal to or greater than the amount of the jackpot when the limit is imposed. The Tribe shall post a conspicuous notice of the limit at or near the machine or machines to which the limit applies.
- (c) A Tribe shall not reduce the amount displayed on a progressive jackpot meter or otherwise reduce or eliminate a progressive jackpot unless:
  - (i) A player wins the jackpot;
  - (ii) The Tribe adjusts the progressive jackpot meter to correct a malfunction or to prevent the display of an amount greater than a limit imposed pursuant to subsection (b) above, and the Tribe documents the adjustment and the reasons for it as follows:
    - (A) The Tribe documents the distribution:
    - (B) Any machine offering the jackpot to which the Tribe distributes the incremental amount does not require that more money be played on a single play to win the jackpot than the machine from which the incremental amount is distributed:
    - (C) Any machine offering the jackpot to which the incremental amount is distributed complies with the minimum theoretical payout requirement of Section 11(b);
    - (D) The distribution is completed within 30 days after the progressive jackpot is removed from play.
  - (iv) Upon presentation of exceptional circumstances to the State Gaming Agency, and by mutual agreement, the Tribe may reduce, eliminate, distribute, or follow a procedure not otherwise described in this subsection.
- (d) The Tribe shall preserve the records required by this section for two years following the expiration date of this Compact.
- SECTION 11. SOFTWARE REQUIREMENTS FOR ELECTRONIC GAMES OF CHANCE.

Electronic games of chance must meet the following specification:

(a) Software Requirements for Randomness Testing. Each electronic game of chance must have a true random number generator which will determine the occurrence of a specific symbol or a specific number to be displayed on the video screen where such symbol, card, or number is wholly or partially determinative of the outcome of the game. A selection process will be considered random if:

#### (i) Chi-Square Analysis.

Each symbol, card, stop position or number position which is wholly or partially determinative of the outcome of a game, satisfies the 99 percent confidence limit using the standard chi-square analysis.

#### (ii) Runs Test.

Each symbol, card, stop position or number does not as a significant statistic, produce predictable patterns of game elements or occurrences. Each symbol, card, stop position or number will be regarded as random if it meets the 99 percent confidence level with regard to the "runs test" or any generally accepted pattern testing statistic.

#### (iii) Correlation Analysis.

Each symbol, card, stop position or number is independently chosen without regard for any other symbol, card or number drawn within that game play. Each pair of symbol, card or number positions is considered random if it meets the 99 percent confidence level using standard correlation analysis.

#### (iv) Serial Correlation Analysis.

Each symbol, card, stop position or number is independently chosen without reference to the same symbol, card, stop position or number in the previous game. Each symbol, card, stop position or number position is considered random if it meets the 99 percent confidence level using standard serial correlation analysis.

#### (v) Live Game Correlation.

Video games of chance that are representative of live gambling games must fairly and accurately depict the play of the live game.

(b) <u>Software Requirements for Percentage Payout.</u> Each electronic game of chance must meet the following maximum and minimum theoretical percentage payout during the expected lifetime of the game.

#### (i) Games Not Affected by Player Skill.

Electronic games of chance with game outcomes not affected by player skill shall payout a minimum of 80 percent and not more than 100 percent of the amount wagered, including replays. The theoretical payout percentage will be determined using standards methods of probability theory. For the video game of keno, the theoretical payout percentage requirements apply to each number of spots marked, but in no instance less than 75 percent for each wager.

(ii) Games That Are Affected by Player Skill.

Electronic games of chance that are affected by player skill, such as draw poker and blackjack, shall payout a minimum of 83 percent and no more than 100 percent of the amount wagered, including replays. This standard is met by using a method of play which will provide the greatest return to a player over a period of continuous play.

- (c) <u>Minimum Probability Standard for Maximum Payout.</u> Each electronic game of chance must have a probability of obtaining the maximum payout which is greater than 1 in 17,000,000 (ONE IN SEVENTEEN MILLION) for each play.
- (d) Software Requirements for Continuation of Game After Malfunction. Each electronic game of chance must be capable of continuing the current game with all current game features after a game malfunction is cleared automatically or by an attendant. This provision does not apply if a game is rendered totally inoperable; however, the current wager and all player credits prior to the malfunction must be returned to the player after verification of those amounts by the Tribe.
- (e) <u>Software Requirements for Play Transaction Records.</u> Each game shall maintain electronic accounting meters. Such meters shall be maintained at all times, whether or not the game is being supplied with external power. The following information must be recorded and stored on meters:
  - (i) Total number of coins or tokens inserted (the meter must count the total number of coins or tokens, or the equivalent value if a bill acceptor is used inserted by the players) (the "In Meter");
  - (ii) Number of coins or tokens automatically paid directly by the machine to the patron (the "Out Meter");
  - (iii) Number of coins or tokens plus the value of any currency dropped into the machine's Drop Bucket (the "Drop Meter");
  - (iv) Number of coins or tokens or value of amounts required to be paid manually to winning patrons not including the value of an aggregate prize or prizes which may be awarded under Section 9(n). (the "Manual Jackpot Meter");
  - (v) Number of coins or tokens or value of amounts or credits that have been paid to a patron in the last complete valid game, which shall be displayed visibly on the front of the machine (the "Win Meter");
  - (vi) Number of coins, tokens or credits wagered in the current game;
  - (vii) Number of coins, tokens or credits wagered in the last complete, valid game; and

- (viii) Number of cumulative credits representing credits won and money or tokens inserted by a player but not collected (commonly referred to as the "Credit Meter").
- (f) No Automatic Clearing of Accounting Meters. No electronic game of chance shall have a mechanism or program which will cause the electronic accounting meters to automatically clear. The electronic accounting meters may be cleared only after written records of the readings before and after the clearing process are taken by the Tribe, which shall also record the reason the meter was cleared.

#### SECTION 12. NON-COMPLYING ELECTRONIC GAMES OF CHANCE.

- c. Exchange written lists of persons each party then intends to call as a material witness in support of that party's case in chief. Each witness shall be identified by name, if known, position, business address, and a brief description of the purpose for which the witness will be called. If no business address is available, the party shall provide a home address for the witness, or shall make the witness available for service of process. For the purpose of this paragraph, a "material witness" is a person whose testimony relates to a genuine issue in dispute which might affect the outcome of the proceeding.
- 3. It shall be a continuing obligation of the parties to produce documents, witness lists, and other matters governed by this section as such become identified by and available to the parties. A party may amend its responses to the requirements of this section by informing the adverse party that documents previously produced or witnesses previously listed, will not be introduced in that party's case in chief.
- 7.080 Conduct of hearings. The following procedures will apply when appropriate:
- 1. The respondent will be allowed to present and argue any legal objections to the complaint set forth in the answer; the Executive Director may thereupon present his answering argument; and thereafter the respondent may present rebuttal argument. The matter will then be submitted to the Agency for decision. The Agency may rule upon such objections immediately or take the matter under advisement and proceed with the hearing.
- 2. The Executive Director will present his opening statement on the merits. The respondent will then be permitted to make an opening statement of the defense, or he may reserve the same until commencement of the presentation of the defense.
- 3. The Executive Director will then present his case in chief in support of the complaint.
- 4. Upon conclusion of the Executive Director's case in chief, the respondent may move for dismissal of the complaint. The Agency may hear arguments on the motion, or may grant, deny, or reserve decision thereon, with or without argument.
- 5. If no motion to dismiss is made, or if such motion is denied or decision reserved thereon, the respondent shall thereupon present the case for the defense.
- 6. Upon conclusion of the respondent's case, the Executive Director may present his case in rebuttal.

- 7. Upon conclusion of the Executive Director's case in rebuttal, the Executive Director shall present his closing argument, the respondent may present answering argument, and thereafter the Executive Director may present rebuttal argument. Thereupon the matter will stand submitted for decision.
- 8. Any member of the Agency may ask questions of witnesses, and may request or allow additional evidence at any time, including additional rebuttal evidence.

#### 7.090 Evidence: admissibility.

- 1. For the purpose of this section, evidence is reliable if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.
- 2. In hearings governed by this Chapter, the technical rules relating to evidence and witnesses shall not apply. Any relevant evidence may be admitted, and such evidence shall be sufficient in itself to support a finding if it is reliable, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in a civil action.
- 3. By way of illustration only, those matters that would be admissible in a court of law are hereby deemed to be reliable, in addition to those matters that satisfy the standards set forth in subsections-1 and 2.
- 4. Irrelevant or unduly repetitious evidence shall be excluded upon request of a party or the Agency's own initiative.

#### 7.100 Evidence: authentication and identification.

- 1. Documentary and other physical evidence may be authenticated or identified by any reasonable means, by evidence or other showing that the matter in question is what its proponent claims it to be.
- 2. By way of illustration only, those matters that would be accepted as authentic in a court of law, are hereby deemed to be authentic, in addition to matters that satisfy the standard set forth in subsection 1 of this section.

#### 7.110 Failure or refusal to testify.

1. If a respondent fails to testify in his own behalf or asserts a claim of privilege with respect to any question propounded to him, the Agency may infer therefrom that such testimony or answer would have been adverse to his case.

- 2. If any person controlling, controlled by, or under common control with, or employed by, or an agent of, a respondent fails to respond to a subpena, or asserts a claim of privilege with respect to any question propounded to him, the Agency may, taking into account all of the circumstances, infer that such testimony would have been adverse to the respondent.
- 3. If, on a ground other than the properly invoked privilege against self-incrimination, a respondent fails to respond to a subpena, or fails or refuses to answer a material question propounded to him, the Agency may deem such failure or refusal to be independent grounds for granting the relief requested by the Executive Director in the complaint with respect to that respondent.
- 7.120 <u>Continuances</u>. Continuances will not be granted except for good cause shown. A motion to continue a hearing must be made at least 10 calendar days prior to the hearing date and may be granted or denied in the discretion of the Chairperson.
- 7.130 <u>Defaults</u>. Failure of a respondent to file an answer to the complaint or to request a hearing, or to appear personally at a hearing on the merits without having obtained a waiver of appearance, shall constitute an admission of all matters and facts contained in the complaint filed with respect to such respondent, and shall be deemed a waiver of the right to an evidentiary hearing. In such cases the Agency may take action based upon such admission or upon any other evidence, including affidavits, and without any further notices whatever to respondent.

# 7.140 Decision of the Agency.

- 1. Findings of fact shall be based upon a preponderance of the evidence standard.
- 2. The "preponderance of the evidence" standard is such evidence as when considered and compared with that opposed to it, has more convincing force, and produces in the minds of the members of the Agency a belief that what is sought to be proved is more likely true than not true.
- 3. The decision shall be in writing and shall be issued within 30 days after the hearing and served upon the parties personally, by certified mail, return receipt requested, or by registered mail. A copy shall also be provided to the State Gaming Agency at the same time.
- 7.150 <u>Penalties</u>. The Agency may suspend, revoke, limit or condition the license or finding of suitability of any person or enterprise, or may order the suspension or termination of any gaming employee, found to have violated the provisions of the Compact, this Ordinance or the regulations. The Agency may

impose a civil fine of not more than \$5,000 for each separate violation. All fines must be paid to the Tribe within 15 days after the decision is issued imposing the fine unless otherwise ordered by the Agency.

- 1. For each table game, gross revenue equals the closing bankroll plus credit slips for cash, chips, or tokens returned to the casino cage, plus drop, less opening bankroll and fills to the table.
- 2. For each slot machine, gross revenue equals drop less fills to the machine, jackpot payouts, and the actual cost to the Gaming Operation of any personal property (other than costs of travel, food, lodging, services, and food and beverages) provided for or distributed to a patron as winnings. The initial hopper load is not a fill and does not affect gross gaming revenue. The difference between the initial hopper load and the total amount that is in the hopper at the end of each quarter must be adjusted accordingly as an addition to or subtraction from the drop for that quarter:
  - 3. For each counter game, gross gaming revenue equals:

- a. The money accepted by the Gaming Operation on events or games that occur during the month or will occur in subsequent months, less money paid out during the month to patrons on winning wagers; or

- 2. The Gaming Operation shall, prior to extending credit, follow the procedures in Manager's internal control system.
- 3. The Gaming Operation need not include in gross gaming revenue the unpaid balance of a credit instrument if one or more of the following paragraphs are satisfied:

This paragraph is satisfied only if the Gaming Operation first requests payment of the debt in full from the patron, the patron fails to respond to the request or refuses to pay the debt in full, and the patron then makes a partial payment in consideration for settlement of the debt for less than the full amount.
- b. The Gaming Operation settles the debt for less than its full amount to compromise a genuine dispute between the patron and the Gaming

- (7) The patron's signature or in cases in which the patron's signature is not on the settlement document, confirmation from the patron acknowledging the debt. If confirmation from the patron is not available because of circumstances beyond the Gaming Operation's control, the Gaming Operation shall provide such other information regarding the settlement as is necessary to confirm the debt and settlement.

- 5. If the Tribal Gaming Agency determines that it is necessary to independently verify the existence or the amount of a settlement made pursuant to subsection 3, the Gaming Operation shall allow the Tribal Gaming Agency to confirm the settlement and its terms and circumstances with the patron to whom the credit was initially extended.
- 6. The Gaming Operation shall include in gross gaming revenue all money, and the net fair market value of property or services received by the Gaming Operation in payment of credit instruments.

The Gaming Operation may exclude money received in payment of credit instruments from gross revenue if the Gaming Operation notifies the Tribal Gaming Agency in writing within 45 days of the Gaming Operation's discovery of the alleged criminal misappropriation of the money by an agent or employee of the Gaming Operation where the agent, employee, or person was involved in the collection process, and if the Gaming Operation:
