

animal waste from residential septic systems and livestock feedlots).

Historically, the Illinois cave amphipod was known to occur in six cave systems in Monroe and St. Clair Counties, Illinois. Its presence has not been confirmed in Madonnaville Cave, Monroe County and it appears to be extirpated from Stemler Cave, St. Clair County. Additional populations have been found within the known range of the species in two additional groundwater systems in Monroe County.

The quality and condition of groundwater in the amphipod's habitats are tied to land use practices within cave recharge areas. Surface activities that have the potential to contribute to the degradation of groundwater and cave habitats are best managed at the individual landowner and community level. The draft plan proposes to develop partnerships with Federal and state agencies, organizations, and private landowners that will provide mechanisms for protecting Illinois cave amphipod populations through voluntary and incentive-driven stewardship efforts.

Public Comments Solicited

The Service requests written comments on the recovery plan described. Comments should be sent to the Field Supervisor, Rock Island Ecological Services Field Office. All comments and materials received by the date specified will be considered prior to approval of the plan. They will also be available for public inspection, by appointment, during normal business hours (see ADDRESSES section).

BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Receipt of a Permit Application (Laster) for Incidental Take of the Houston Toad

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: Michael Laster and Elizabeth Pardue (Applicants) have applied for an incidental take permit (TE-053011-0) pursuant to Section 10(a) of the

Endangered Species Act (Act). The requested permit would authorize the incidental take of the endangered Houston toad. The proposed take would occur as a result of the construction and occupation of a single-family residence on approximately 0.5 acres of a 10.004-acre property in Cottletown Ranches Subdivision, Bastrop County, Texas.

DATES: Written comments on the application should be received within 30 days of the date of this publication.

ADDRESSES: Persons wishing to review the application may obtain a copy by writing to the Regional Director, U.S. Fish and Wildlife Service, P.O. Box 1306, Room 4102, Albuquerque, New Mexico 87103. Persons wishing to review the EA/HCP may obtain a copy by contacting Clayton Napier, U.S. Fish and Wildlife Service, 10711 Burnet Road, Suite 200, Austin, Texas 78758 (512/490-0057). Documents will be available for public inspection by written request, by appointment only, during normal business hours (8 to 4:30) at the U.S. Fish and Wildlife Service, Austin, Texas. Written data or comments concerning the application and EA/HCP should be submitted to the Supervisor, U.S. Fish and Wildlife Service, 10711 Burnet Road, Suite 200, Austin, Texas 78758 (512/490-0057). Please refer to permit number TE-053011-0 when submitting comments.

FOR FURTHER INFORMATION CONTACT: Clayton Napier, 10711 Burnet Road, Suite 200, Austin, Texas 78758 (512/490-0057).

SUPPLEMENTARY INFORMATION: Section 9 of the Act prohibits the "taking" of endangered species such as the Houston toad. However, the Fish and Wildlife Service (Service), under limited circumstances, may issue permits to take endangered wildlife species incidental to, and not the purpose of, otherwise lawful activities. Regulations governing permits for endangered species are at 50 CFR 17.22.

The Service has prepared the Environmental Assessment/Habitat Conservation Plan (EA/HCP) for the incidental take application. A determination of jeopardy to the species or a Finding of No Significant Impact (FONSI) will not be made until at least 30 days from the date of publication of this notice. This notice is provided pursuant to Section 10(c) of the Act and National Environmental Policy Act regulations (40 CFR 1506.6).

Applicant: Michael Laster and Elizabeth Pardue plan to construct a single-family residence, within 5 years, on approximately 0.5 acres of a 10.004-acre property in Cottletown Ranches Subdivision, Bastrop County, Texas.

Houston toads have been documented on or within one mile of the Cottletown Ranches Subdivision, which is evidence that take of the Houston toad will occur on this subject property. Therefore, the Service has recommended that the landowner apply for a 10(a)(1)(B) permit to be fully covered under the Endangered Species Act for any incidental take of the toad that may occur as a result of the Applicants' activities on the subject property. The Applicants voluntarily have agreed to apply for a 10(a)(1)(B) permit to reduce their risk of liability.

This action will eliminate 0.5 acres or less of Houston toad habitat and result in indirect impacts within the lot. The Applicant proposes to compensate for this incidental take of the Houston toad by providing \$3,000.00 to the Houston Toad Conservation Fund at the National Fish and Wildlife Foundation for the specific purpose of land acquisition and management within Houston toad habitat.

Bryan Arroyo,

Acting Regional Director, Southwest Region.

SUPPLEMENTARY INFORMATION: 5 CFR 1320.12(a) requires that we provide a 60-day notice in the *Federal Register* concerning a collection of information to solicit comments on:

(a) Whether the collection of information is necessary for the proper functioning of the agency, including whether the information will have practical utility;

(b) the accuracy of our estimates of the information collection burden, including the validity of the methodology and assumptions we use;

(c) ways to enhance the quality, utility, and clarity of the information collected; and

(d) ways to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

The Mineral Leasing Act of 1920, as amended (30 U.S.C. 181 *et seq.*), gives the Secretary of the Interior responsibility for oil and gas leasing on approximately 600 million acres of public lands and national forests, and private lands where the Federal Government retains the mineral rights. Congress passed the Federal Onshore Oil and Gas Leasing Reform Act of 1987 requiring BLM to offer all public lands that are available for oil and gas leasing by competitive oral bidding before accepting noncompetitive lease applications. The Department of the Interior Appropriations Act of 1981 (43 U.S.C. 6508) provides for the competitive leasing of the lands in the National Petroleum Reserve—Alaska. The Geothermal Steam Act of 1970 (30 U.S.C. 1001-1025) authorizes the Secretary of the Interior to issue leases for geothermal development.

The regulations (43 CFR part 3100) outline procedures for obtaining a lease to explore for, develop, and produce oil and gas resources located on public lands. The regulations (43 CFR part 3200) outline procedures to issue geothermal leases and the exploration, development and utilization of Federally-owned geothermal resources. BLM needs the information requested on the two forms to process lease bids for oil and gas and geothermal resources and to complete environmental reviews required by NEPA.

You must submit the forms to the proper BLM office. Form 3000-2 requires the name and address to identify the bidder. This allows BLM to ensure that the bidder meets the eligibility requirements in the regulations. The regulations require the bidder to submit one-fifth of the amount of the bid for a geothermal bid or the minimum acceptable bid for an oil and gas lease is the first year's rental and administrative fee. Form 3200-9 requires the name and address of the

entity who will conduct operations on the land. You must also submit the legal land description of the lands you plan to enter or disturb for your exploration/operation. We use the starting and ending dates to determine how long the applicant/operator/contractor intends to conduct operations on the land.

Based on BLM's experience administering this program, we estimate the public reporting burden is 2 hours for completing Form 3000-2 and 2 hours for completing Form 3200-9. These estimates include the time spent on research, gathering, and assembling information, reviewing instructions, and completing the respective forms. In FY 2000, BLM estimated 393 competitive bids for oil and gas and geothermal resources and 50 Notice of Intent to Conduct Geothermal Resource Exploration Operations are filed annually, with a total annual burden of 886 hours. Respondents vary from individuals and small businesses to large corporations.

Any member of the public may request and obtain, without charge, a copy of BLM Forms 3000-2 or 3200-9 by contacting the person identified under **FOR FURTHER INFORMATION CONTACT**.

BLM will summarize all responses to this notice and include them in the request for OMB approval. All comments will become a matter of a public record.

Dated: July 18, 2002.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Bureau of Land Management (BLM) requests the Office of Management and Budget (OMB) to extend an existing approval to collection information from the Governors of States to allow the BLM to compute units of payments due to local governments under the Payments In Lieu of Taxes (PILT) Act of

**AGREEMENT BETWEEN THE NORTHERN CHEYENNE TRIBE
AND THE STATE OF MONTANA CONCERNING CLASS III GAMING**

I. AUTHORITY

This Agreement is made by and between the Northern Cheyenne Tribe and the State of Montana, pursuant to Public Law 25 U.S.C. §§ 2107-2721, the Indian Gaming Regulatory Act ("IGRA"). The Tribe is authorized to enter into this Agreement by Resolution No. DOI 154 (2002) enacted on May 1, 2002. The State is authorized to enter into this Agreement by section 11(d)(3)(B) of the IGRA and the provisions of the State-Tribal Cooperative Agreements Act (Mont. Code Ann. §§ 18-11-101 to -111).

II. PURPOSE

The purpose of this Agreement is to define the respective jurisdictions of the Tribe and the State for regulation of Class III gaming as defined by the IGRA on the Northern Cheyenne Reservation.

III. DEFINITIONS

A. "Gaming." The term "gaming" means those gambling activities authorized under and conducted in accordance with this Agreement.

B. "Indian lands." The term "Indian lands" means any land within the Reservation now or hereafter owned in fee by, or held in trust by the United States for the benefit of, the Tribe or an Indian.

C. "Non-Indian lands." The term "non-Indian lands" means any land within the Reservation, which is not Indian lands.

D. "Premises." The term "premises" means a structure or facility that is clearly defined by permanently installed walls that extend from floor to ceiling and that has a public external entrance, leading to a street or other area, which entrance is not shared with another premises. If the premises shares a common internal wall with another premises offering gaming, the common wall must be permanently installed, opaque, and extend from floor to ceiling and may not contain an internal entrance through which public access is allowed.

E. "Regulate." The term "regulate" means the power to control through statute, ordinance, resolution, administrative rule, guideline or administrative procedure and to impose taxes, fees, assessments and penalties insofar as is consistent with the IGRA.

F. "Reservation." The term "reservation" means the Northern Cheyenne Reservation as established by Executive Orders of November 26, 1884, and March 19, 1900.

G. "State." The term "State" means the State of Montana or any agency thereof.

H. "Tribe." The term "Tribe" means the Northern Cheyenne Tribe, any agency, organization or subdivision of that Tribe, or any corporate entity in which such Tribe is the sole owner.

IV. JURISDICTION OF THE TRIBE AND STATE

A. The Tribe shall have jurisdiction, exclusive of the State and which may be concurrent with any jurisdiction of the United States, to regulate all gaming on Indian lands, all gaming by the Tribe or Indians on non-Indian lands. The Tribe agrees to limit gaming to gaming operations wholly-owned by the Tribe.

B. Because of the Reservation's present and historical demographic and land ownership patterns and the fact that the Tribe does not allow the sale of alcoholic beverages within the Reservation, the State does not seek authority to authorize gaming operations owned by non-Indians on non-Indian lands. On the conditions set forth in this paragraph, the State shall have jurisdiction concurrent with that of the United States to prosecute non-Indians for violation of this Agreement occurring on non-Indian lands. For purposes of such prosecution, the provisions of the gambling laws of the State of Montana are incorporated by reference. If such violation occurs, the Tribe promptly shall initiate civil enforcement action, or request federal criminal enforcement action, to eliminate the violation. If the federal government defers to the State, the State may criminally prosecute the non-Indian violators provided that the State shall ask the federal government to first confer with the Tribe.

V. PERMITTED GAMING

Subject to the jurisdictional authorities and the prohibitions and limitations set forth in Article IV, the following gaming may be conducted under this Agreement:

A. Video gambling machines when conducted in compliance with the provisions of Appendix A.

B. Simulcast racing when conducted in compliance with the provisions of Appendix B.

C. Calcutta pools when conducted in compliance with the provisions of Appendix C.

D. Fantasy sports leagues when conducted in compliance with the provisions of Appendix D.

E. Fishing derbies and betting on natural occurrences when conducted in compliance with the provisions of Appendix E.

F. Lotteries when conducted in compliance with the provisions of Appendix F.

G. Shake-a-day and shaking for music or drinks when conducted in compliance with the provisions of Appendix G.

H. Raffles when conducted in compliance with the provisions of Appendix H.

I. Live keno when conducted in compliance with the provisions of Appendix I.

J. Sports pools and sports tab games when conducted in compliance with the provisions of Appendix J, so long as not prohibited by applicable federal law on sports betting.

K. Live poker games when conducted in compliance with the provisions of Appendix K.

VI. GENERAL REGULATIONS

The following regulations shall apply to all gaming activities conducted on the Reservation.

A. Persons under 18 years of age shall not participate in any gaming activity.

B. A person who is not physically present on the premises where the gaming activity is actually conducted may not be allowed to participate.

C. The consideration paid for the chance to play shall be strictly cash. Every participant must present the money with which he intends to play the game at the time the game is played. No check, credit card, note, IOU, or other evidence of indebtedness shall be offered or accepted as part of the price of participation in such game or as payment of a debt incurred therein. No person or organization shall be permitted to offer credit for gaming for a fee. This restriction shall not apply to credits won by players who activate play on Class III games after inserting coins or currency into the game, and shall not restrict the right of the Tribe or any other person to offer check cashing or to install or accept bank card or credit card transactions in the same manner as would be normally permitted at any retail business.

D. The Tribe shall make no more than one hundred (100) video gambling machines available for play in any tribally operated premises.

**VII. BACKGROUND INVESTIGATIONS AND LICENSING
OF EMPLOYEES AND MANAGER**

A. The Tribe, prior to placing a prospective employee whose responsibilities include the operation or management of gaming, shall obtain releases and then shall investigate the backgrounds of all potential employees. The Tribe shall conduct this background check and prepare a written report regarding each applicant within 30 days of receipt of the employment application.

B. The Tribe may employ any person whose prior financial or other activities or criminal record indicates that he or she:

1. does not pose a threat to the public interest;
2. does not pose a threat to the effective regulation and control of gaming;
3. does not create a danger of illegal practices, methods, or activities in the conduct of gaming or in the carrying on of the business and financial arrangements incidental to gaming;
4. has not been convicted of a felony offense within five years of the date of application or is on probation or parole or under deferred prosecution for committing a felony offense; or
5. is not receiving a substantial amount of financing for the proposed operation from an unsuitable source. A lender or other source of money or credit that is found to be unacceptable based upon the provisions of one, two, three or four above may be considered an unsuitable source.
6. The Tribe may deny employment to a person who has falsified an application. If the falsification is determined after the person has been employed, the Tribe may terminate the employment.

VIII. TRIBE MAY CONTRACT WITH STATE

The Tribe may contract with the State to certify and inspect video gambling machines by paying a fee for each machine, which does not exceed the actual cost incurred by the State for such inspections. The Tribe may contract with the State to conduct background and financial examinations of persons associated with any gaming operation allowed under this Agreement. State officials acting in this capacity shall act as subcontractors of the Tribe, and shall not be deemed to be acting on the State's behalf.

IX. DEFAULT AND TERMINATION

A. Default by Tribe. In the event of substantial and continuing failure by the Tribe in the performance of its

obligations under this Agreement, the State shall have the right, at its option, to terminate this Agreement, provided that the State shall have given the Tribe ninety (90) days written notice of such default and the Tribe shall have failed to cure such default within ninety (90) days after receipt of such written notice.

B. Default by State. In the event of substantial and continuing failure by the State in the performance of its obligations under this Agreement, the Tribe shall have the right, at its option, to terminate this Agreement, provided that the Tribe shall have given the State ninety (90) days written notice of such default and the State shall have failed to cure such default within ninety (90) days after receipt of such written notice.

C. Voluntary Termination. The parties may jointly terminate this Agreement by written instrument signed by both parties.

D. Continuing Duty to Bargain. Upon termination of this Agreement for default or voluntarily, upon receipt of a request pursuant to Section 11(d) of the IGRA, the State will negotiate in good faith with the Tribe over the terms and conditions of a subsequent agreement.

X. MISCELLANEOUS TERMS

A. Effective Date and Term. This Agreement shall be effective upon execution, and shall continue in effect for a period of five years unless earlier terminated in accordance with Article IX. Before expiration of this Agreement or upon its termination, the parties may agree to the renewal of the Agreement for a term agreed upon by the parties.

B. Amendments. This Agreement may be amended only with the consent of both parties and only by written instrument signed by both parties. If the IGRA or state law is amended or changed in any way affecting the terms of this Agreement, the parties agree to negotiate in good faith to amend this agreement so as to achieve the objectives provided for and to ensure compliance with all applicable state and federal law, and, in the case of a change in law which would prohibit gaming authorized under this Agreement, the Tribe and the State shall engage in good faith negotiations to establish a reasonable period of time during which such gaming may continue in order to enable the Tribe and its investors (if any) to receive a reasonable return on investments made under this Agreement.

C. Negative Declaration. This Agreement has been entered into to satisfy the requirements of the IGRA. It is not intended to reflect or be viewed as reflecting in any other context either party's position with respect to the jurisdictional authority of the other. Nothing in this Agreement or in any conduct undertaken

pursuant thereto shall be deemed as enlarging or diminishing the jurisdictional authority of either party except to the extent necessary to implement and effectuate the Agreement's terms. Neither this Agreement nor conduct pursuant thereto shall be offered as evidence, otherwise referred to in any present or future litigation unrelated to the subject matter of the Agreement, or used to further either party's equitable or legal position in any litigation unrelated to the subject matter of the Agreement.

D. Expansion of Class III Gaming. If, after the date of this Agreement, the State authorizes pursuant to State law (a) any form of gaming classified as Class III under the IGRA in addition to those forms permitted by this Agreement ("Additional Class III Games"), or (b) wager, prize, machine or other limits or restrictions on gaming, including Additional Class III Games authorized under subsection 2 below, less restrictive than those set forth in this Agreement ("Less Restrictive Provisions"), then the following provisions shall apply:

1. The State shall promptly notify the Tribe of such Additional Class III Games or Less Restrictive Provisions.

2. This Agreement shall be deemed amended to permit Additional Class III Games provided that they are conducted in conformity with the least restrictive terms and conditions applicable to them under the State law.

3. This Agreement shall be deemed amended so as to include such Less Restrictive Provisions.

4. The Tribe may notify the State that it desires to amend this Agreement to authorize such Additional Class III Games on the Reservation on terms and conditions less restrictive than those applicable to them under the foregoing provisions. Upon such notice, the parties shall in good faith endeavor to negotiate amendments to provide for such gaming by the Tribe hereunder in conformity with the IGRA.

E. Severability. Each provision, section and subsection of this Agreement shall stand separate and independent of every other provision, section, or subsection. In the event that a court of competent jurisdiction shall find any provision, section, or subsection of this Agreement to be invalid, the remaining provisions, sections, and subsections of the Agreement shall remain in full force and effect.

F. Notices. All notices and other communications required to be given hereunder by the Tribe and the State shall be deemed to have been duly given when delivered in person or posted by United States certified mail, return receipt requested, with postage prepaid, addressed as follows:

(i) if to the Tribe:

President
Northern Cheyenne Tribal Council
P.O. Box 128
Lame Deer, MT 59043

(ii) if to the State:

Governor of the State of Montana
Capitol Station
Helena, MT 59620

or to such other address or addresses as either the Tribe or the State may from time to time designate in writing.

G. Reservation of Rights. Each party reserves all rights, arguments and defenses that are available to it under the law, and nothing in this Agreement shall be interpreted or construed as an express or implicit waiver of any right, argument or defense. The State agrees it will continue to negotiate in good faith in response to Tribal requests to negotiate for additional compact terms.

VIDEO GAMBLING MACHINES

I. DEFINITIONS

For the purposes of this Agreement, the following definitions apply:

A. "Bingo machine" means an electronic video gambling machine that, upon insertion of cash, is available to play bingo as provided in this Agreement. The machine utilizes a video display and microprocessor(s) in which, by chance, the player may receive cash or credits that may be redeemed for cash. The term does not include a slot machine. Electronic, computer or other technological aids to the Class II game of bingo, as defined by IGRA or Rules of the National Indian Gaming Commission (25 CFR Part 502), are not included in this definition or subject to the terms of this Agreement.

B. "Draw poker machine" means an electronic video gambling machine that, upon insertion of cash, is available to play or simulate the play of the game of draw poker as provided in this Agreement. The machine utilizes a video display and microprocessor(s) in which, by the skill of the player, by chance, or both, the player may receive cash or credits that may be redeemed for cash. The term does not include a slot machine.

C. "Keno machine" means an electronic video gambling machine that, upon insertion of cash, is available to play keno as provided in this Agreement. The machine utilizes a video display and microprocessor(s) in which, by chance, the player may receive cash or credits that may be redeemed for cash. The term does not include a slot machine.

D. "Video gambling machine" means a bingo machine, draw poker machine, or keno machine.

II. CONDITIONS

A video gambling machine regulated by the Tribe must comply with the following conditions:

A. Prizes may be awarded only in the form of free games, credits, or cash. A prize may not exceed the value of \$1,500 for each individual award.

B. Video gambling machines within tribal premises may be connected in a progressive bank provided the prize limit for the progressive bank does not exceed \$1,500.

C. Video gambling machines may not be operated between the hours of 2 a.m. and 8 a.m. of each day, unless the Tribal Council adopts an ordinance allowing play between 2 a.m. and 8 a.m.

D. A video gambling machine authorized under this agreement shall be tested and approved by the State before placement on the Reservation. Any gambling device manufacturers or distributors providing, selling or otherwise placing gambling machines under this Agreement must be licensed by the State under Mont. Code Ann. § 23-5-625.

E. General Specifications of Video Gambling Machines. A video gambling machine and associated equipment must meet the following general specifications and be approved by the State for play in accordance with this Agreement.

(1) Each video gambling machine model or modification must:

(a) be inspected for approval and licensure. Any machine sold or operated may be inspected. Any approval granted to a person is not transferable. Immediate access must be allowed to each machine. Keys to allow access to a machine for purposes of inspection may be provided or must be immediately available on the premises. Machines for which a substantial modification or a series of minor modifications whose total result is substantial must meet all of the specific law or rule requirements in effect at the time of submission. Only those machines which are owned or operated and to which the submitted modification will be applied are required to meet those specifications in effect at time of submission. A determination that a modification is substantial may be contested;

(b) be operated by the players in the manner specified by this appendix;

(c) not have any switches, jumpers, wire posts, or other means of manipulation that could affect the operation or outcome of a game. The machine may not have any functions or parameters adjustable by and through any separate video display or input codes except for the adjustment of features that are wholly cosmetic or other operational parameters as approved. This is to include devices known as "knockoff switches;"

(d) offer only those games defined as video gambling in this Agreement and operate in the following manner:

(i) in the case of draw poker, after the initial cards have been dealt, the player may be allowed to raise his wager;

(ii) the game must display the combinations for which credits will be awarded and the number of credits awarded for each combination;

(iii) one credit may not exceed twenty-five cents in value;

(iv) the machine must have three (3) locks: one in the area containing the logic board and software for the game, one to the logic board and software itself, and the other to the area housing the cash, except that a separate cash compartment shall not be required for coins necessary to pay prizes in a machine which pays prizes through a drop hopper. EPROMS contained on the logic board must be readily accessible from the front of the machine.

(v) (A) the machines may have two mechanisms that accept coins, hereinafter referred to as "mechanism 1" and "mechanism 2." These mechanisms must have devices referred to as "lockouts" which prohibit the machine from accepting coins during periods when the machine is inoperable;

(B) the machine may have a machine manufacturer mechanism that accepts cash in the form of bills that do not exceed \$5;

(vi) in the case of poker each machine must use a color display with images of cards that closely resemble the standard poker playing cards;

(vii) the machine must:

(A) be monitored by a game transaction management/reporting system of the type described in paragraph (1) (d) (xi) (A); if the machine utilizes a coin drop hopper or

(B) be capable of printing a ticket voucher for all credits owed the player at the completion of each game, in which event a valid ticket must contain the following:

(1) the name of the licensed establishment;

(2) the name of the city, town, or county in which the establishment is located;

(3) the machine serial number;

(4) the time of day in hours and minutes in a 24-hour format;

(5) the current date;

(6) the program name and revision;

(7) the value of the prize in numbers;

(8) the value of the prize in words;

(9) the sequential number of the ticket voucher;

(viii) for both ticket voucher and cash drop machines, the printing mechanism must be located in a locked area of the

machine to insure the safekeeping of the audit copy. The logic board shall be mounted within the logic area so it is not visible upon opening the logic area door. The printing mechanism must have a paper sensing device that upon sensing a "low paper" condition will allow the machine to finish printing the ticket and prevent further play. The machine must recognize a printer power loss occurrence and cease play until power has been restored to the printer and the machine is capable of producing a valid ticket;

(ix) the machine must have nonresettable mechanical meters housed in a readily accessible locked machine area. The mechanical meters must be manufactured in such a way as to prevent access to the internal parts without destroying the meter. Meters must be hardwired (no quick connects will be allowed in the meter wiring system). A validating identification sticker attached to the mechanical meters to verify the meters are assigned to a specific licensed machine may be required. The meters must keep a permanent record of:

(A) total dollars accepted by the coin acceptor mechanism(s), and bill acceptor (if applicable);

(B) total dollars played;

(C) total dollars won;

(3) If merchandise is awarded as a prize, the sponsor shall retain proof of the purchase price of the merchandise for one year after the date of the sports event.

VI. USE OF SPORTS TABS RESTRICTED

(1) A sports tab may be used only in conducting a sports tab game as described in this Appendix. A sports tab used for any other purpose is an illegal gambling device.

VII. AUTHORIZED SPORTS POOLS

(1) Authorized sports pools described in this section are identified by a title to distinguish one pool type from another. The controlling factor as to the legality of a sports pool is not the pool's title but the method and manner in which the pool is conducted.

(2) The conduct of an authorized sports pool is subject to the provisions of this appendix.

(3) The following sports pools are authorized:

(a) a "traditional sports pool" involving a single sports event with two competitors that is conducted on a sports pool card containing a master square with 25, 50, or 100 spaces. Each space is randomly assigned a unique pair of numbers from the vertical and horizontal axis of the master square. A winner is determined by matching the numbers assigned to a space with the only or last digit of the score of each competitor in the sports event at predetermined intervals during the event or at the end of the event.

(b) a "series sports pool" conducted on a master square in conjunction with a series of sports events. The pair of numbers assigned to each space on the master square remains the same for each sports event in the series. The competitors in each sports event in the series may be individual teams or a combination of teams (e.g., a group of teams designated as home teams versus a group of teams designated as away teams). Spaces must be sold for all events in the series of sports events and may not be sold for individual events. Winners for each sports event in the series are determined:

(i) in the same manner as in a traditional sports pool; or

(ii) in the same manner as in a traditional sports pool for the first sports event in the series. For the second and subsequent events, winners are determined by combining the scores generated by each competitor in the previous events.

(c) a "multiple way sports pool" conducted on a master square with multiple sets of numbers randomly assigned to the horizontal and the vertical axes representing certain intervals of a single sports event or individual sports events in a series of events. Winners are determined in the same manner as in a traditional sports pool.

(d) a "selected point sports pool" in which the winner is the participant whose assigned competitor is the first to attain a final score that matches a predetermined number (e.g. 28, 39). If in a given week none of the competitor's score match the predetermined number, the prize is carried over to the next and subsequent weeks until a match occurs. However, the pool must be

designed to ensure that a prize does not exceed the value of \$500. The number of participants in a selected point sports pool is limited to the number of competitors in an established league. Competitors are randomly assigned to the participants and may be assigned for a single week or the duration of the pool.

(e) a "blackout sports pool" in which the winner is the participant who holds the randomly assigned competitor that first accumulates scores on succeeding weeks whose only or final digit corresponds to all of the numbers zero through nine. A variation of this pool tallies only those scores in which the competitor is the winner of a sports event. The number of participants is limited to the number of competitors in an established league.

(f) a "weekly sweepstakes sports pool" in which a different competitor or competitors are randomly assigned to participants for each week. The winner is determined by the most or least points scored by the competitor or competitors assigned to a participant or by the most games won by the competitors assigned to a participant. The number of participants is limited to the number of competitors in a league or to the maximum combination of competitors in a league.

(g) a "multiple competitor sports pool" in which three or more competitors simultaneously compete in a sports event or series of sports events as individuals, not as a team, such as in a car race or golf tournament. Competitors are randomly assigned to participants, and a pool winner is determined by the score or place that the competitor attains in the sports event or series of sports events.

VIII. SPORTS POOL CARD

(1) A traditional, series, or multiple way sports pool must be conducted on a sports pool card containing a master square.

(a) The master square of the card must be divided into spaces arranged in horizontal rows and vertical columns.
