OFFICE OF THE SECRETARY  
Washington, D.C. 20240

NOV 20 1992

Superseded  
New Compact  
approved  
6/19/97

Honorable Sue M. Shaffer, Chairman  
Cow Creek Band of Umpqua  
Tribe of Indians  
2400 Stewart Parkway, Suite 300  
Roseburg, Oregon 97470

Dear Chairman Shaffer:

On October 6, 1992, we received the Tribal-State Compact for Regulation of Class III Gaming Between the Cow Creek Band of Umpqua Tribe of Indians (Tribe) and the State of Oregon (State).

We have reviewed the Compact and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), Federal Law, or our trust responsibility. Therefore, pursuant to my delegated authority and Section 11 of the IGRA, we approve the Compact. The Compact shall take effect when notice of our approval, pursuant to Section 11(d)(3)(B) of the IGRA, is published in the FEDERAL REGISTER.

We note that Article VI, Section 4 of the Tribe's Constitution provides that the Board of Directors of the Tribe and other agencies, committees, or bodies of the Tribe are required to obtain the advice and consent of the Tribe's General Council prior to taking any action that would relinquish any tribal criminal or civil jurisdiction to any agency, public or private. Section 5(A)(1) of the Compact, entitled "Jurisdiction," provides for State criminal jurisdiction over offenses committed within the gaming facility and on tribal trust land. Further, Section 5 provides that State criminal laws have the same force and effect at the gaming site as they have on non-tribal lands within the State. If and when the Tribe organizes and operates a tribal police force, Section 5(A)(2) provides that the State's criminal jurisdiction shall be established pursuant to and by a Memorandum of Understanding to be executed by the Tribe and the State law enforcement authorities. Because the state already possesses criminal jurisdiction over tribal lands and members pursuant to Public Law 280, 18 U.S.C. § 1162, we do not view Section 5 of the Compact as a relinquishment of tribal jurisdiction. The Tribe maintains concurrent jurisdiction to the extent allowed under

Federal Law. If the Tribe wishes to relinquish its criminal or civil jurisdiction to any public or private agency, it must obtain the advice and consent of the General Council prior to taking any such action.

Section 6(H)(2)(B) of the Compact, entitled "Contracts with Manufacturers and Suppliers," provides that the State must approve all Class III gaming contracts prior to execution. Section 6(H)(2)(C), however, provides that a background investigation "may" be conducted by the Tribe and State on all Class III gaming contractors. Further, Section 6(H)(2)(E) provides that the State or Tribe "may" deny a Class III gaming contract for any one of ten enumerated reasons. In the IGRA, Congress intended that background investigations generally be conducted to protect the interest of tribes. Use of the permissive "may," rather than the mandatory "shall," in Sections 6(H)(2)(C) and (E) could result in background investigations not being conducted. Our approval of a compact which allowed no background investigations on Class III gaming contractors could be construed as inadequate protection of the tribes' interests or even a breach of trust responsibility.

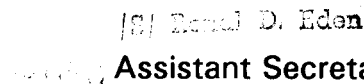

We contacted the Tribal Attorney, Mr. Dennis J. Whittlesey, and the Oregon Assistant Attorney General, Ms. Pamela L. Abernethy, with these concerns. The Tribal Attorney and the Assistant Attorney General explained that the word "may" in Compact Sections 6(H)(2)(C) and (E) is intended to provide some discretion to the Tribe and the State during the contract approval process. For instance, on very limited goods contracts, the parties may agree that background investigations would not be required. We were assured by both parties that background investigations would regularly be conducted by both the Tribe and the State on most Class III gaming contractors, and that the word "may" in Section 6(H)(2)(E) means that both the Tribe and State "are allowed" to deny a Class III gaming contract for any one of the ten enumerated reasons. Because background investigations will be performed on most Class III gaming contractors, we conclude that Sections 6(H)(2)(C) and (E) do not violate the IGRA or our trust responsibility to Indian tribes.

Please be advised that Section 11(d) of the IGRA requires the Chairman of the National Indian Gaming Commission (NIGC) to approve tribal ordinances authorizing Class III gaming. On July 8, 1992, the NIGC's proposed regulations to govern approval of Class II and Class III gaming ordinances were published in the FEDERAL REGISTER. Once the regulations become final and are in effect, we expect the NIGC will request submission of existing ordinances for review and approval in accordance with the

standards contained in the final regulations. It may be useful for the Tribe to review the proposed regulations to insure that the Tribe's ordinances are consistent with or do not otherwise conflict with NIGC requirements.

We wish the Tribe and the State success in this economic venture.

Sincerely,

  
Assistant Secretary - Indian Affairs

**TRIBAL-STATE COMPACT FOR REGULATION  
OF CLASS III GAMING BETWEEN THE COW CREEK BAND OF  
UMPQUA TRIBE OF INDIANS AND  
THE STATE OF OREGON**

**PREAMBLE.**

This Compact is made between the State of Oregon and the Cow Creek Band of Umpqua Tribe of Indians and pertains to Class III gaming to be conducted on lands which were taken into trust for the Tribe and formally designated as the Tribe's Reservation prior to enactment of the Indian Gaming Regulatory Act of October 17, 1988 (Public Law 100-497), 25 U.S.C. §2701, et seq. ("IGRA"). The terms of this Compact are unique to this Tribe and the fact that its lands were taken into trust and designated a Reservation prior to IGRA's enactment.

**SECTION 1. TITLE.**

THIS Compact is entered into this 2<sup>nd</sup> day of October, 1992, by and between Cow Creek Band of Umpqua Tribe of Indians, a federally recognized Tribe of Indians (hereinafter "the Tribe"), and the State of Oregon (hereinafter "State").

**SECTION 2. FINDINGS.**

WHEREAS, the Tribe is a federally recognized Indian Tribe and is the beneficial owner of, and local government for, the trust lands of the Tribe located in the State of Oregon;

AND WHEREAS, the State and the Tribe are separate sovereigns and each respects the laws of the other sovereign;

AND WHEREAS, the public policy of the State is reflected in the Constitution, statutes and administrative rules of the State, and the Constitution provides that the "Legislative Assembly has no power to authorize, and shall prohibit, casinos from operation in the State";

**AND WHEREAS**, the tribal public policy, as reflected in the Tribe's Constitution and ordinances adopted by the Tribe, is "to form effective tribal government, to secure and protect the powers inherent in our sovereign status and guaranteed to us by treaty and by federal law, to preserve our culture and tribal identity, to promote the social and economic welfare of our people, to secure, protect and develop our common resources, to maintain peace and order and safeguard individual rights, and to advance our mutual welfare";

**AND WHEREAS**, the United States Congress has enacted IGRA, which declares federal policy and provides a statutory basis for operation of gaming by the Tribe as a means of promoting tribal economic development, self-sufficiency, and strong tribal governments;

**AND WHEREAS**, the Tribe exercises authority over Tribal trust land acquired by the Cow Creek Band of Umpqua Tribe of Indians Reservation prior to the enactment of the Indian Gaming Regulatory Act;

**AND WHEREAS**, IGRA is intended to provide a statutory basis for regulation of gaming by the Tribe adequate to shield it from organized crime and other corrupting influences, to ensure that the Tribe is the primary beneficiary of the gaming revenues, and to ensure that gaming is conducted fairly and honestly by both the operators and players;

**AND WHEREAS**, Congress has declared that it is a principal goal of federal Indian policy to promote tribal economic development, tribal self-sufficiency and strong tribal government;

**AND WHEREAS**, IGRA provides for a system of joint regulation by Indian Tribes and the Federal government (to the exclusion of the State) of Class I and II gaming on Indian lands as defined in that Act;

**AND WHEREAS**, IGRA establishes a system of agreements between Indian Tribes and States for the regulation of Class III gaming as defined in that Act;

**AND WHEREAS**, IGRA provides that Class III games are lawful on Indian lands if (1) the state permits such games for any purpose by any person, organization or entity, (2) the games are authorized by tribal ordinance and (3) the games are conducted in accordance with a tribal-state Compact;

**AND WHEREAS**, the Congressional intent in passing IGRA was to reaffirm a long and well-established principle of federal Indian law as expressed in the United States Constitution, reflected in federal statutes and articulated in decisions of the United States Supreme Court that unless authorized by an act of Congress, the jurisdiction of State governments does not extend to Indian lands;

**AND WHEREAS**, IGRA does not extend State jurisdiction or the application of State laws for any purpose other than jurisdiction and application of State laws conducted on Indian land as set forth in this Compact;

**AND WHEREAS**, Congress recognized a role of State public policy and State law in the regulation of Class III gaming;

**AND WHEREAS**, nothing in the Tribal-State Compact shall be construed to extend to any other activities or as an abrogation of other reserved rights of the Tribe or of the Tribe's sovereignty;

**AND WHEREAS**, IGRA is intended to expressly preempt the field in the governance of gaming activities on Indian lands;

**AND WHEREAS**, the Tribe is authorized to act through Resolutions adopted by its Board of Directors;

**AND WHEREAS**, the State of Oregon is authorized to act through the Governor of the State;

**NOW THEREFORE**, in consideration of the mutual undertakings and agreements herein set forth, the Tribe and the State enter into the following Compact:

#### **SECTION 4. AUTHORIZED CLASS III GAMING.**

- A. The parties intend that this Compact shall be the only Compact between the Tribe and State and that any and all Class III gaming conducted in the Gaming Facility shall be pursuant to this Compact. To the extent that elements of this Compact need to be altered to incorporate changes to the agreements between the parties -- including to permit additional Class III gaming -- the parties shall provide such changes in accordance with Subsection 11(B) of this Compact.

B. Authorized games.

- (1) Subject to the provisions of this Compact, the Tribe may engage in only the following Class III games: video lottery games of chance as described in Appendix A and keno as described in Appendix B.
- (2) This section shall be construed consistent with federal classification of gaming activities. Notwithstanding any provision of this Compact, any gaming activity classified by federal regulation as Class II activity shall not be subject to the provisions of the Compact.

C. Gaming Location. The Gaming Facility authorized by this Compact shall be located on the Tribe's Reservation at Canyonville, Oregon, known as the "Evergreen Site" and specifically described in Exhibit A to this Compact, held in trust for the Tribe by the United States prior to enactment of IGRA. D. Size of gaming floor. The size of the gaming floor for the play of Class III video games authorized by this Compact shall not exceed 15 percent (15%) of the total square footage of the gaming facility. - (1) The State shall have criminal jurisdiction over offenses committed by or against Indians and non-Indians within the gaming facility and on Tribe trust land; the criminal laws of the State shall have the same force and effect at the site as they have on non-tribal lands within the State.
- (2) If the Tribe organizes a tribal police force for the Indian Lands, the State shall have criminal jurisdiction over offenses committed by or against Indians and nonIndians within the gaming facility and on the Indian Lands. The criminal laws of the State shall have the same force and effect on the Indian Lands as they have on nonIndian lands within the State. Once a tribal police force is in operation on the Indian Lands, the state's criminal jurisdiction at the Reservation shall be established pursuant to and by a Memorandum of Understanding to be executed by the Tribe and state law enforcement authorities.

- B.** Except as provided in a Memorandum of Understanding executed in accordance with the foregoing subsection 5(A)(2), law enforcement officers of the State of Oregon, or officers designated by the State, shall have free access to anywhere within the gaming facility and on Tribal trust land for the purpose of maintaining public order and public safety, conducting investigations related to possible criminal activity and enforcing applicable

criminal laws of the State. The Tribe, or individuals acting on its behalf, shall provide State law enforcement officers or officers designated by the State access to locked and secure areas of the gaming facility in accordance with the regulations for the operation and management of the gaming operation.

- C. State law enforcement may station one or more officers at the gaming facility by mutual agreement with the Tribe.

  - (2) Social security number;
  - (3) Date and place of birth;
  - (4) Residential addresses for the past five years;

- (5) Employment history for the past five years;
  - (6) Driver's license number;
  - (7) All licenses issued and disciplinary actions taken by any State agency or tribal gaming agency;
  - (8) All criminal proceedings, except for minor traffic offenses, to which the applicant has been a party;
  - (9) A current photograph.
- C. In addition to the requirements of Subsection 6(I)(B) above, prospective High Security Employees shall provide a set of fingerprints.
- D. The Tribe shall forward the applicant information to the Oregon State Police, along with the State required portion of the application fee as described in Section 6(III). The Oregon State Police shall conduct a background investigation and provide a written report to the Tribe, approve or disapprove the applicant, within a reasonable period of time, but in no event shall such background checks exceed thirty (30) days without notice to and consent of the Tribe. If the Oregon State Police disapproves for failure to meet the criteria established in Section 6(II)(E) below, no license shall be issued or employment approved by the Tribe.
- E. (1) The Tribe shall not employ any Low Security Employee who does not meet the criteria established in Section 6(II)(E) below.
- (2) The Tribe shall deny a gaming license to any High Security Employee or Primary Management Official who does not meet the

criteria established in Section 6(II)(E) below. Denial of a license by the Tribe is final.

F. Background investigation during employment. The Tribe or the State may conduct additional background investigations of any gaming employee at any time during the term of employment. If after investigation, the State determines there is cause for the dismissal of any employee under the criteria established in Section 6(II)(E), it shall promptly notify the Tribe of such determination and furnish the Tribe with copies of all relevant information pertaining to such determination, along with a Request for Termination of Employment. The Tribe shall review the State's request and supporting materials and if it concludes that good cause for dismissal is shown under the criteria established in Section 6(II)(E) below the subject employee shall be dismissed.

G. Temporary licensing.

- (1) The Tribe may issue a temporary license to High Security Employees 30 days after submission of the application to the state police. The temporary license shall expire and become void upon completion of the background check and award or denial of a permanent license.
- (2) The Tribe may employ Low Security Employees 10 days after submission of the application to the state police for a period of 30 days or until the background investigation is completed, whichever is later.

H. Duration of license and renewal.

Any employee license shall be effective for not more than three (3) years from the date of issue except that a licensed employee who has applied for renewal may continue to be employed under the expired license until final action is taken on the renewal application in accordance with the provisions of Subsections 6(I)(B)-(E). Applicants for renewal shall provide a renewal fee and updated information to the Tribe but will not be required to resubmit historical data already provided.

I. Revocation of License.

The Tribe may revoke the license of any employee pursuant to policies determined by the Tribe. The State may revoke the license of any employee only upon determination that the employee no longer meets the criteria described in Section 6 (II)(E).

J. The Tribe shall maintain a procedural manual for employees which includes rules and regulations of conduct and disciplinary standards for breach of procedures.

II. Contracts with Manufacturers and Suppliers.

A. The Tribe shall contract with all managers, manufacturers or suppliers of goods or services related to the play of Class III games authorized by this Compact before conducting any business related to Class III games.

B. The Tribe will submit all Class III gaming contracts to the State for review, comment and approval and such contracts will specifically provide that the State will have such authority. The State must approve all contracts prior

to execution. It is agreed that the State can deny a contract only in accordance with criteria established in Section 6(II)(E). It is further agreed that State action on such contracts shall be completed within 60 days, and that failure by the State to meet this deadline shall create a presumption of approval which can be rebutted for good cause shown. Should the parties fail to agree, then disputes shall be resolved in accordance with Section 15 of the Compact.

- C. A background investigation may be conducted by the Tribe and State on all Class III contractors. The level of investigation will be determined by whether the individual procurement is classified as a Major Procurement, Minor Procurement or Sensitive Procurement. The level of investigation for a Major Procurement and Sensitive Procurement shall be more intense than that for a Minor Procurement.
- D. The Tribe and the State shall not approve any manufacturer or distributor that does not grant the State or the Tribe access to its business and financial records.
- E. Criteria for Denial of Contract Application.
  - (1) Unless otherwise specified, the State or the Tribe may deny a Class III game contract application for any of the following reasons:
    - a) A conviction for any felonious crime in any jurisdiction;
    - b) A conviction for any gambling offense in any jurisdiction;

- c) A civil judgment based in whole or in part upon conduct which constituted a pattern of racketeering activity under state or federal law;
- d) An omission of any material fact not disclosed to the State or Tribe or their authorized agents during initial or subsequent background or security investigations;
- e) A misstatement or untrue statement of material fact as determined by the Tribe or the State;
- f) An association with persons or businesses of known criminal background, or persons of disreputable character, that may adversely affect the general credibility, security, integrity, honesty, fairness or reputation of the Tribe;
- g) Any aspect of the applicant's past conduct which the Tribe or the State determines would adversely affect the integrity, security, honesty or fairness of Tribal gaming; or
- h) By reason of ownership of any interest whatsoever in the manager's contract by a person who is unqualified or disqualified to hold a Tribal contract, regardless of the qualifications of the person who seeks approval as a contractor.
- i) A person who demonstrates inadequate financing for the business proposed under the type of contract for which application is made. The Tribe and State shall consider

whether financing is from a source that meets the qualifications in subdivisions (1), (2), and (3) of this section and is in an amount to ensure the likelihood of success in the performance of the contractor's duties and responsibilities.

- j) No person applying for a Class III game contract shall own, manufacture, possess, operate, own interest in, gain income or reimbursement in any manner from video gaming devices in any jurisdiction unless the devices are approved and certified by another state lottery, gambling or gaming control agency, Indian Tribe, or National Indian Gaming Commission, and such ownership, manufacture, possession, operation, or income is disclosed to and approved by the Tribe and the State.
- (2) In evaluating whether to deny a contract related to Class III gaming based on Subsections 6(II)(E)(1)(a), (b) and (c), the State and the Tribe may consider the following factors:
- a) The nature and severity of the conduct that constituted the offense or crime;
  - b) The time that has passed since satisfactory completion of the sentence, probation imposed, or payment of fine;
  - c) The number of offenses or crimes; and
  - d) Any extenuating circumstances that affect or reduce the impact of the offense or crime on the security, integrity, honesty, and fairness of the Tribal gaming enterprise.

F. Revocation of Class III Contract.

- (1) The Tribe may revoke any contract pursuant to policies and procedures determined by the Tribe.
- (2) Every Class III gaming contract shall provide that the State, although not a party to that contract, may revoke any contract for cause consistent with the criteria established by Section 6(II)(E) and that the Class III contractor shall consent to the State's right to review and revoke all Class III gaming contracts.

G. Contractor Reporting Requirements.

- (1) All contractors shall submit to the Tribe and State any financial and operating data requested by the Tribe and State.
- (2) The Tribe shall specify the frequency and a uniform format for the submission of such data.
- (3) The Tribe, State, or their agents reserve the right to examine contractor tax records and the detailed records from which the tax reports are compiled.

H. Termination of Contract.

- (1) No contract shall be in effect for a term longer than seven (7) years.
- (2) The Tribe and the State shall retain, in each contract, the right to terminate the contract immediately upon the occurrence of any of the following:
  - a) Contractor is discovered to have made any statement, representation, warranty, or certification in connection with the

- contract which is materially false, deceptive, incorrect, or incomplete.
- b) Contractor fails to perform any material requirements of the contract or is in violation of any material provision therefor, and fails to cure same within ten (10) days' written notice of such failure.
- c) Tribe or the State determines satisfactory performance of the contract is substantially endangered or can reasonably anticipate such occurrence or default.
- d) Contractor, or any officer or employee of Contractor or any owner of fifteen percent (15%) or more of the equity ownership in Contractor is convicted of a felony or a gambling-related offense which reflects on Contractor's ability to perform honestly in carrying out the contract.
- e) The Contractor jeopardizes the integrity, security, honesty, or fairness of the Tribal gaming operation.
- f) Upon transfer of controlling interest of the Contractor.

III. Fees for Approval of Licenses and Contracts.

- A. The State shall be reimbursed its costs for approval of employees and licenses, in accordance with the terms of this Compact.
- B. The fees for State approval of licenses and contracts shall be set pursuant to a Memorandum of Understanding between the parties to be negotiated annually.

- C. Should actual costs incurred by the State exceed the fees agreed to by the parties in the annual Memorandum of Understanding, the State will assess those additional costs to the applicants during or after the investigation. The applicant is required to pay the investigation fee in full prior to issuance of the contract or license except that interim contracts or licenses shall be issued for the period of time that a dispute is pending as contemplated at Subsection 6(III)(D) below.
- D. Should the State and the Tribe fail to agree to fees in the Memorandum of Understanding, the dispute shall be resolved pursuant to Section 15 of this Compact.

IV. Management Contracts.

- A. The Primary Management Official shall furnish the State at all times with a current copy of its management agreement with the Tribe which allows it to conduct Class III gaming on the tribal trust land.
- B. The Primary Management Official shall furnish to the State complete information pertaining to any transfer of controlling interest in the management company at least 30 days before such change; or, if the Primary Management Official is not a party to the transaction effecting such change of ownership or interests, immediately upon acquiring knowledge of such change or any contemplated change.

**SECTION 7. REGULATIONS FOR OPERATION AND MANAGEMENT OF CLASS III GAMES.**

- A. Video Lottery Games of Chance. The acquisition, use and operation of all video lottery games of chance and keno authorized under this Compact shall be in accordance with the rules and regulations set forth in Appendices A and B.
- B. Identification badges. The Tribe shall require all employees to wear, in plain view, identification badges issued by the Tribe which include photo and name.
- C. No credit extended. All gaming shall be conducted on a cash basis. Except as provided herein, no person shall be extended credit for gaming and no operator shall permit any person or organization to offer such credit for a fee. This restriction shall not apply to credits won by players who activate play on video games of chance after inserting coins or currency into the games. This section shall not restrict the right of the Tribe or any other person to offer check cashing or install and accept bank card or credit card transactions in the same manner as is permitted at any retail business in the State.
- D. Prohibition on attendance of minors. No person under the age of eighteen (18) shall participate in any gaming operation or be allowed on the gaming floor authorized by this Compact during actual hours of operation. If any person under the age of eighteen (18) plays and otherwise qualifies to win any prize or compensation, the prize or compensation shall not be paid.

- E. Prohibition of firearms. With the exception of federal, state, county or local law enforcement agents or officers, no person shall possess firearms within the gaming facility.
- F. Prohibition of alcohol. No alcohol shall be served in the Gaming Facility.
- G. Liability for damage to persons and property. During the term of this Compact, the Tribe shall maintain public liability insurance with limits of not less than \$250,000 for one person and \$2,000,000 for any one occurrence for any bodily injury or property damage. The Tribe's insurance policy shall have an endorsement providing that the insurer may not invoke tribal sovereign immunity up to the limits of the policy. The Tribe shall indemnify, defend and hold harmless the State, its officers, directors, employees and agents from and against any claims, damages, losses or expenses asserted against or suffered or incurred by the State or its officers, directors, employees and agents (except as may be the result of their own negligence) based upon or arising out of any bodily injury or property damage resulting or claimed to result in whole or in part from any act or omission of the Tribe relating to the inspection of any gaming or gaming-related facility pursuant to this Compact.

**SECTION 8: INSPECTION AND ENFORCEMENT OF GAMING REGULATIONS.**

- A. Tribal Gaming Commission.
  - (1) The primary responsibility for the on-site regulation, control and security of the gaming operation authorized by this Compact, and for

the enforcement of this Compact within Cow Creek Tribal Lands, shall be that of the Tribal Gaming Commission. The Tribal Gaming Commission's role shall include the following functions:

- a) ensure compliance with all relevant laws;
- b) ensure the physical safety of patrons in, and of personnel employed by, the establishment;
- c) safeguard the assets transported to and from the gaming facility and cashier's cage department;
- d) protect patrons and property from illegal activity;
- e) detain persons suspected of crimes for the purpose of notifying the law enforcement authorities;
- f) record any and all unusual occurrences within the gaming facility in indelible ink in a bound notebook from which pages cannot be removed, and each side of each page of which is sequentially numbered, as follows:
  - (i) the assigned sequential number of the incident,
  - (ii) the date,
  - (iii) the time,

(2) A video lottery terminal may offer one or more of the authorized video games.

### **GAME REQUIREMENTS**

#### **Section 177-200-010**

(1) Each game must also display the amount wagered and the amount awarded for the occurrence of each possible winning occurrence based on the number of tickets wagered.

(2) Provide a method for players to view payout tables.

## **TICKET PRICE**

### **Section 177-200-015**

Except as limited by the terms of the Compact, the price of a ticket for all video lottery games shall be determined by the Tribe.

## **PAYMENT OF PRIZES**

### **Section 177-200-020**

No payment for prizes awarded on a terminal may be made unless the cash slip meets the following requirements:

- (1) It is fully legible and meets all the Tribe's security requirements.
- (2) It must not be mutilated, altered, unreadable, or tampered with in any manner.
- (3) It must not be counterfeit in whole or in part.
- (4) It has been presented by a person authorized to play under these rules.

## **METHOD OF PAYMENT**

### **Section 177-200-030**

The manager shall designate employees authorized to redeem cash slips during the Tribe's business hours of operation. Prizes shall be immediately paid in cash or by check when a player presents a cash slip for payment meeting the requirements of these rules. No prizes may be paid in tokens, or chips.

## REQUIREMENTS FOR RANDOMNESS TESTING

### Section 177-200-050

(1) Each video lottery terminal must have a random number generator that will determine the occurrence of a specific card or a specific number to be displayed on the video screen. A selection process will be considered random if it meets the following requirements.

- (a) Each card position, symbol position or, in the case of Keno, each number position satisfies the 99 percent confidence limit using the standard chi-squared analysis. "Chi-squared analysis" is the sum of the squares of the difference between the expected result and the observed result. "Card position" means the first card dealt, second card dealt in sequential order. "Number position" means first number drawn, second number drawn in sequential order, up to the 20th number drawn.
- (b) Each card, symbol position, or number position does not produce a significant statistic with regard to producing patterns of occurrences. Each card or number position will be considered random if it meets the 99 percent confidence level with regard to the "run test" or any similar pattern testing statistic. The "run test" is a mathematical statistic that determines the existence of recurring patterns within a set of data.
- (c) Each card, symbol position, or number position is independently chosen without regard to any other card or number drawn within that game play. The test is the "correlation test." Each pair of card or

number positions is considered random if they meet the 99 percent confidence level using standard correlation analysis.

- (d) Each card, symbol position, or number position is independently chosen without reference to the same card or number position in the previous game. This test is the "serial correlation test." Each card or number position is considered random if it meets the 99 percent confidence level using standard serial correlation analysis.
- (e) The random number generator and selection process must be impervious to influences from outside devices including, but not limited to, electromagnetic interferences, ESD, RF interfaces.

**Tribal-State Compact for Regulation  
of Class III Gaming:  
Cow Creek Band of Umpqua Tribe of Indians**

**Appendix B**

**I. KENO DESCRIPTION**

**DEFINITIONS**

**Section 177-99-000**

For the purposes of Keno, the following definitions apply unless the context requires a different meaning or is otherwise inconsistent with the intention of the rules adopted by the Oregon State Lottery Commission.

(1) "Exchange ticket" means the ticket issued to replace a consecutive game ticket that is validated before the last game on the ticket.

(2) "Game" means the opportunity provided to a player to win a prize.

(3) "Game slip" means the form used to indicate a player's selections.

(4) "Spot" means the amount of numbers a player may play per game.

(5) "Winning numbers" means the twenty (20) numbers from one (1) to eighty (80) which are randomly selected by the Lottery for each game.

(6) "Keno runner" means an individual who picks up and delivers the Keno tickets that are written by customers in the facility.

(7) "Keno writer" means an individual stationed at the Keno counter who processes received tickets from either the customer or Keno runner.

**GAME DESCRIPTION**

A Keno ticket has the numbers 1 through 80 on it. For each game a player may select from 1 to 20 numbers or spots. Twenty numbers are selected or drawn randomly.

Prizes are awarded based on the total amount of winning numbers matched by a player for the number of spots played for that game.

## **PLAY RULES**

### **Section 177-99-020**

- (1) To play, a player must use a game slip.
- (2) The player must mark the amount of spots to be played. A player can pick from one (1) to twenty (2) spots per game slip. A player may also play a "way ticket." A way ticket is the equivalent of playing multiple Keno tickets, but marking only one ticket.
- (3) The player must mark the number of dollars to be wagered per game and/or per way.
- (4) The player may then select the spots to be played by one of two methods. The player may mark the player's own selections on the game slip; if this method is used, the number of spots marked on the game slip must equal the number of spots which were selected to play. The other method of play is to select "Quick Pick:" the number of spots randomly generated by the computer will match the number of spots indicated by the player.
- (5) The player shall indicate the number of consecutive games to be played: 1, 2, 3, 4, 5, 10, 20, 50 or 100.
- (6) The player shall present the completed game slip and the amount wagered either to a Keno runner or directly to the Keno counter for processing by the Keno writer. The cost of the ticket is equal to the amount wagered times the number of ways

you are playing the ticket times the number of consecutive games indicated by the player. For example, if \$2 per game is wagered on a regular (one-way) ticket for 5 consecutive games, the total cost of \$10. If the same ticket is played "3 ways" the cost is \$30.

(7) Minimum and maximum wages will be set by the Tribal Gaming Commission.

### CANCELLATION OF TICKETS

#### **Section 177-99-030**

A game ticket may be cancelled or voided provided it is cancelled from the system prior to the start of the game.

### DETERMINATION OF WINNERS

(1) Keno tickets will be sold during the hours of operation of the bingo hall and/or video lottery section. The selection of winning numbers shall take place at established intervals.

(2) Winning number combinations shall be generated at the established intervals through the use of a computer-driven random number generator or conventional Keno blower mechanism. The number generating device shall meet the requirements of the Tribal-State compact pertaining to; contracts with manufacturers and suppliers, security, terminal specifications, equipment testing, procurement, duties of manufacturer and requirements for randomness testing.

(3) The Tribal Gaming Commission shall establish the procedures for the operation and security of the numbers generation equipment.

### PRIZE STRUCTURE

(1) Published payoff schedules are made available to the public at all times throughout the facility and in a conspicuous place immediately adjacent to the game.

(2) A player is eligible to receive only the highest prize per game played on a ticket.

### TICKET VALIDATION REQUIREMENTS

(1) After the numbers are drawn, the supervisor will review all inside (house copy) tickets and pull all winning tickets.

(2) A master ticket to verify winners will be produced. The master ticket will have the winning numbers hole punched. This facilitates the verification of the customer's tickets.
