

United States Department of the Interior

OFFICE OF THE SECRETARY

Washington, D.C. 20240

MAR 20 1998

Honorable Michael L. Stepetin
Chairman, Nisqually Indian Tribe
4820 She-Nah-Num Drive S.E.
Olympia, Washington 98513

Dear Chairman Stepetin:

On February 10, 1998, we received the Tribal-State Compact for Class III Gaming (Compact) between the Nisqually Indian Tribe (Tribe) and the State of Washington (State), dated May 25, 1995. We have completed our review of this Compact and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law, or our trust responsibility. Therefore, pursuant to delegated authority and Section 11 of IGRA, we approve the Compact. The Compact shall take effect when the notice of our approval, pursuant to Section 11 (d)(3)(B) of IGRA, 25 U.S.C. § 2710(d)(3)(B), is published in the FEDERAL REGISTER.

We interpret Section III(A) of the Compact to allow the Tribe to engage in sports betting if the Tribe meets one of the exceptions of the Professional and Amateur Sports Protection Act, 28 U.S.C. §§ 3701-3704 (PASPA). PASPA makes it unlawful for a governmental entity, including an Indian tribe, to sponsor, operate or authorize by law or compact, gaming based on the outcome of professional and amateur sports competitions. This prohibition does not extend to parimutuel animal racing or jai-alai games. To be lawful, any prohibited sports gaming pursuant to Section III(A) of the Compact must come within one of the two exceptions in PASPA which are applicable to Indian tribes.

Under the first exception, the general prohibition does not apply to a State or other governmental entity, including an Indian tribe, to the extent that the sports gaming activity was conducted by that State or other governmental entity between January 1, 1976 and August 31, 1990. The second exception establishes two criteria which must be met to authorize an otherwise prohibited sports betting activity within a State or governmental entity: (1) the activity must actually have been authorized by a statute in effect on October 2, 1991; and (2) the activity must actually have been conducted at some point between September 1, 1989 and October 2, 1991 pursuant to the law of that State or other governmental entity. We are not, however, in a position to verify the factual basis for establishing whether the Tribe comes within one of the two exceptions described above. Therefore, we express no opinion on the matter.

We note that the Compact contains a provision for the sale of Washington State Lottery tickets on Indian lands as a Class III gaming activity. The issue of whether a state lottery is a Class III gaming activity under IGRA was addressed in Confederated Tribes & Bands of the Yakama Indian Nation v. Lowry, 968 F. Supp. 531 (E.D. Wash. 1996), which is currently on appeal before the Ninth Circuit Court of Appeals. We anticipate that the Ninth Circuit's disposition of this case will likely resolve the issue and clarify the treatment to be afforded state lotteries on Indian lands under IGRA.

Notwithstanding our approval of the Compact, Section 11(d)(1) of IGRA, 25 U.S.C. § 2710(d)(1), requires that tribal gaming ordinances be approved by the Chairman of the National Indian Gaming Commission (NIGC). Regulations governing approval of Class II and Class III gaming ordinances are found in 25 C.F.R. §§ 501.1-577.15 (1996). Pursuant to IGRA and the regulations, even previously existing gaming ordinances must be submitted to the NIGC for approval when requested by the Chairman. The Tribe may want to contact the NIGC at (202) 632-7003 for further information to determine when and how to submit the ordinance for approval by the NIGC.

In addition, if the Tribe enters into a management contract for the operation and management of the Tribe's gaming facility, the contract must likewise be submitted to, and approved by the Chairman of the NIGC pursuant to Section 11(d)(9) of IGRA, 25 U.S.C. § 2710(d)(9) and the NIGC's regulations governing management contracts. The Tribe may want to contact the NIGC for information on submitting the ordinance and the management contract for approval by the NIGC.

We wish the Tribe and the State success in their economic venture.

Sincerely,

Kevin Gover

INTRODUCTION

THIS COMPACT is entered into pursuant to the Indian Gaming Regulatory Act of 1988, P.L. 100-497, codified at 25 U.S.C. §§ 2701-2721 and 18 U.S.C. §§ 1166-1168 (hereafter "IGRA" or "Act").

PARTIES

THIS TRIBAL-STATE COMPACT is made and entered into by and between the NISQUALLY INDIAN TRIBE (hereafter "Tribe"), a federally-recognized Indian Tribe, possessed of all sovereign powers and rights thereto pertaining; and the STATE OF WASHINGTON (hereafter "State"), as a sovereign state of the United States, with all rights and powers thereto pertaining.

DECLARATION OF POLICY AND PURPOSE

IGRA provides for the negotiation of compacts between States and Tribes to govern the conduct of Class III gaming. Indian tribes have rights under IGRA to regulate gaming activities on Indian lands if the gaming activity is not specifically prohibited by Federal law and is conducted within a state which does not, as a matter of criminal law and public policy, prohibit such gaming activity. The overarching policy of the Act is to provide a framework for the operation of gaming by Indian tribes as a means of promoting Tribal economic development, self-sufficiency and strong Tribal governments, as well as providing a basis for the regulation of gaming by an Indian tribe adequate to shield it from organized crime and other corrupting influences, to ensure that the Indian tribe is the primary beneficiary of the gaming operation and to assure that gaming is conducted fairly and honestly by both the operator and players. The terms and conditions set forth below to regulate Class III gaming conducted by the Tribe have been agreed to pursuant to that congressional mandate.

It is the stated intention of the parties hereto to foster full cooperation between the Tribe and the State on the basis of a shared concern for the welfare and protection of all the members of the Tribe and citizens of the State as a result of gaming on the Nisqually Reservation. Through the partnership of this Compact, the parties desire to further the purposes of IGRA for the benefit of the Tribe and the protection of the State, by creating a cooperative means through which the Tribe may lawfully conduct Class III gaming activities on the Nisqually Reservation in conjunction with the State, which permits such gaming for any purpose by any person, organization or entity. To that end, this Compact defines the manner in which laws regulating the conduct of the Tribe's Class III gaming activities are to be applied in order that the respective Tribal and State interests may be met.

The Tribe and the State have mutually agreed, within the parameters established by the Act, to the following provisions governing the conduct of Class III gaming activities on the lands of the Tribe, which are designed to (a) protect the health, welfare and safety of the citizens of the Tribe and the State, (b) develop and implement a means of regulating Class III gaming on the Nisqually Reservation in order to ensure the fair and honest operation of such gaming, (c) minimize the possibility of corruption or illegal practices in conjunction with such activities, and (d) maintain the integrity of Class III gaming within the State.

The policy of the State, as set forth in Chapter 9.46 RCW, is to allow limited and highly regulated casino gaming for non-profit organizations, and to restrain persons from seeking profit from professional gambling activities. The provisions of Chapter 9.46 RCW and Title 230 WAC regulate gambling activities; the provisions of Chapter 67.16 RCW and Title 260 WAC authorize and regulate horse racing activities, including parimutuel satellite wagering, in Washington State. The State agrees that the Tribe is authorized, as a result of the provisions of IGRA and the terms of this Compact, to engage in the Class III gaming activities expressly permitted herein.

The Tribe and the State believe the conduct of Class III gaming under the terms and conditions set forth below will, from a regulatory perspective, benefit the Tribe and the State and protect the members of the Tribe and the citizens of the State consistent with the objectives of IGRA.

NOW, THEREFORE, in consideration of the foregoing and the mutual benefits to be derived, the Tribe and State do enter into this Compact as provided for herein.

2. Beat My Shake;
3. Beat the Dealer;
4. Blackjack (to the extent not played as a Class II game);
5. Chemin De Fer;
6. Chuck-a-luck;
7. Craps;
8. 4-5-6;
9. Horses (stop dice);
10. Horse Race;
11. Money-wheel;
12. Satellite (off-track) wagering on horse races, subject to Appendix B;
13. Over/Under Seven;
14. Pai-gow (to the extent not played as a Class II game);
15. Poker (to the extent not played as a Class II game);
16. Red Dog;

18. Ship-Captain-Crew;
19. Sic-Bo;
20. Sports Pools, subject to Appendix B;
21. Sweet Sixteen;
22. Punchboards and Pull-tabs, subject to Appendix B; and
23. Washington State Lottery tickets, subject to Appendix B.

B. Lottery-type Games. For games including keno and keno-type games, instant tickets, on-line games, or other lottery-type games authorized for play for any purpose by any person, organization, or entity in the State of Washington that are not otherwise treated as Class II gaming in Washington pursuant to 25 USC § 2703(7), the Tribe will submit the proposed rules, manner of regulation and manner of play to the State Gaming Agency at least sixty (60) days prior to the time play shall begin. If the State takes no action within the 60 days, the Tribe may begin offering the game. If a dispute arises between the Tribe and the State with respect to the nature of the game, security issues, rules of play, or training and enforcement associated with regulation, the State and Tribal Gaming Agencies shall meet and resolve the dispute prior to the time play of that game can begin. If the dispute cannot be resolved by the parties through discussion, then the Tribe may initiate formal negotiations subject to the provisions of the Indian Gaming Regulatory Act. Provided further, that upon mutual agreement of the Tribal and State Gaming Agencies, some or all of the unresolved issues may be submitted to arbitration under Section XII.C.

C. Other Class III Table Games. With respect to any other Class III table games similar to those set forth above that would also be authorized for play for any purpose by any person, organization, or entity in the State and which are not otherwise treated as Class II gaming in Washington pursuant to 25 USC § 2703(7), the Tribe shall provide the game regulations

thereof to the State Gaming Agency at least thirty (30) days prior to the time play shall begin. If the State Gaming Agency takes no action within said 30 days, the Tribe may begin offering the game. If a dispute arises between the Tribe and the State Gaming Agency with respect to issues including, but not limited to, the rules of the game, legality of the game, manner of play, or training and enforcement associated with the regulation thereof, the State and Tribal Gaming Agencies shall meet and attempt to resolve the dispute through good faith negotiations prior to the time play of that game can begin. If either party believes, after such negotiations have commenced, that a resolution by the parties cannot be achieved, then either or both parties shall be entitled to have the dispute resolved pursuant to the dispute resolution provisions of Section XII.C below.

D. Authorized Gaming Operation and Facility. The Tribe may establish one Class III gaming operation and gaming facility, to be located on the Nisqually Reservation, for the operation of any Class III games authorized pursuant to this Compact.

E. Forms of Payment. All payment for wagers made in authorized forms of Class III gaming conducted by the Tribe on its Tribal Lands, including the purchase of chips or tokens, for use in wagering, shall be made by cash, cash equivalent, credit card or personal check. Except for said use of credit cards, no credit shall be extended to any patron of the gaming facility for gaming activities.

F. Size of Gaming Floor. The actual gaming floor devoted to Class III activities within the gaming facility shall be determined by the Tribe.

G. Number of Gaming Stations. During the first six months of operation, the maximum number of Class III gaming stations shall not exceed thirty-one (31) plus, at the option of the Tribe, one (1) additional gaming station ("the non-profit station"). The proceeds from the non-profit station shall be dedicated to support non-profit organizations and their activities located

within Thurston County or the State of Washington. For the purpose of the determination of "proceeds" from the non-profit station only, proceeds shall mean the net win less the pro rata cost of regulation and operation, specifically excluding capital costs. Therefore, the proceeds shall equal the net win less the costs of regulation and operation, divided by the thirty-one (31) gaming stations. The Tribal Gaming Ordinance shall set forth regulations concerning the types of bona-fide non-profit organizations and/or the types of projects of such organizations which shall be supported by the non-profit station. At the end of six (6) months of continual operation of the Class III facility, if the gaming operation has met the conditions set forth in Section III.H.2, "phase two" may be implemented, providing for up to fifty (50) gaming stations plus, at the option of the Tribe, two (2) additional gaming stations ("the non-profit stations").

H. Wagering Limitations.

1. During the first six months of operation, wager limits shall not exceed two hundred fifty dollars (\$250). When the gaming operation has met the conditions set forth in Section III.H.2, "phase two" may be implemented, providing for wager limits of up to five hundred dollars (\$500).

2. An increase in the number of gaming stations, hours of operation, or wager limits authorized is conditioned on compliance with the following criteria:

(a) There have been no violation(s) of the provisions of this Compact which have resulted in sanctions imposed by the Federal District Court or the National Indian Gaming Commission;

(b) There have been no violations of the Compact which are substantial or, due to repetition, would be deemed material;

(c) There have been no material adverse impacts on the public health, safety or welfare of the surrounding communities in the nature of criminal activities directly related to the operation of the Class III facility;

(d) The Tribal Gaming Agency has developed a strong program of regulation and control demonstrating an adequate level of proficiency, which includes the hiring of trained Tribal Gaming Agents, an independent management and reporting structure separate from that of the gaming facility or Tribal bodies, a thorough and developed system for the reporting of Compact violations, and a strong and consistent presence within the Class III facility; and

(e) There have been no material violations of Appendix A of this Compact.

3. Notwithstanding anything herein to the contrary, after any six (6) months of operation of the Class III gaming facility, the State Gaming Agency will review the gaming operation and activities to determine Compact compliance and whether the conditions set forth in Section III.H.2 above have been satisfied. If, as a result of the review, the State Gaming Agency determines that the operation is in compliance with these conditions, the Class III operation may implement "phase two". If the State Gaming Agency determines that the Class III operation has not satisfied the conditions, any resulting dispute will be resolved through the dispute resolution procedures set forth in Section XII.C of this Compact. Any increase in the number of gaming stations, hours of operation, or wager limits beyond that initially authorized during "phase one" of Class III gaming operations shall be conditioned upon the criteria in Section III.H.2 above.

I. Hours of Operation. During the first six months of operation, operating hours may not exceed one hundred twelve (112) hours per week on an annualized basis. When the gaming

operation has met the conditions set forth in Section III.H.2, "phase two" may be implemented, providing for operating hours of up to one hundred forty (140) hours per week on an annualized basis.

J. Ownership of Gaming Facility and Gaming Operation. The gaming operation, including the gaming facility, shall be owned and operated by the Tribe, but the Tribe shall be entitled to contract for management of the gaming facility and gaming operation. Any such contract shall subject the manager to the terms of this Compact, including annual certification and licensing.

K. Prohibited Activities. Any Class III gaming activity not specifically authorized in this Compact is prohibited. Unless subsequently authorized by the State, all Class III gambling devices are prohibited. Nothing herein is intended to prohibit or restrict otherwise lawful and authorized Class II gaming activities upon Nisqually Tribal Lands or within the gaming facility.

L. Age Limitations. No person under the age of eighteen (18) shall participate in any gaming operation, or be allowed on the Class III gaming floor authorized by this Compact during actual hours of operation. Should alcoholic beverages be offered on the gaming floor pursuant to applicable law, then no patron under the age of twenty-one (21) shall be permitted on the gaming floor during actual hours of operation.

M. Prohibition on Firearms. The possession of firearms by any person within the gaming facility shall be strictly prohibited. Provided, this prohibition shall not apply to authorized agents or officers of the Tribal Gaming Agency, Tribal Law Enforcement Agency, State Gaming Agency, state and local law enforcement agencies.

SECTION IV - LICENSING AND CERTIFICATION REQUIREMENTS

A. **Gaming Operation and Facility.** The gaming operation and gaming facility authorized by this Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact prior to commencement of operation, and annually thereafter. Verification of this requirement shall be made by the State Gaming Agency and the Tribal Gaming Agency and, as applicable to the satellite wagering facility and operation the Washington Horse Racing Commission, through a joint pre-operation inspection scheduled at least ten (10) days prior to the scheduled opening to the public. If the facility does not meet the requirements, the Tribal Gaming Agency and/or State Gaming Agency must send a non-compliance letter within seven (7) working days after completion of the inspection. If the Tribal and State Gaming Agencies do not agree on whether the facility meets the requirements, the agencies will meet within ten (10) working days from receipt of the non-compliance letter and work together to resolve concerns. If a dispute regarding this inspection cannot be resolved by the gaming agencies within a reasonable time, the parties may seek resolution pursuant to Section XII.C of this Compact. The actual costs of final inspection of the facility under this Section shall be the responsibility of the Tribe.

B. **Gaming Employees.** Every gaming employee shall be licensed by the Tribal Gaming Agency and shall be certified by the State prior to commencement of employment, and annually thereafter. Provided, the Tribal Gaming Agency may issue a license if the employee has a current Class III gaming certification issued by the State Gaming Agency, the employee consents to disclosure to the Tribal Gaming Agency of all information held by the state agency, and the State Gaming Agency certifies prior to licensing that the employee is in good standing. If Class II and Class III table games are combined in a single facility, the parties agree that this could impact the regulatory scheme established under this Compact. In such event, all Class II

table gaming employees shall be certified as if they were Class III gaming employees. This provision shall not be applicable to employees engaged in activities related to bingo, pull-tabs and/or punchboards.

C. Manufacturers and Suppliers of Gaming Services. Each manufacturer and supplier of gaming services shall be licensed by the Tribal Gaming Agency and shall be certified by the State prior to the sale of any gaming services. If the supplier or manufacturer of the services or goods is licensed or certified by the State of Washington it shall be deemed certified to supply those services or goods for the purposes of this Compact. The licensing and certification shall be maintained annually after initial certification. Professional legal and accounting services shall not be subject to the certification and licensing requirements.

D. Financiers. Any party extending financing, directly or indirectly, to the gaming facility or gaming operation shall be subject to the annual licensing requirements of the Tribal Gaming Agency, and shall be required to obtain State certification prior to completion of the financing agreement and annually thereafter. These licensing and certification requirements do not apply to financing provided by a federally regulated commercial lending institution, the Nisqually Tribal government, or the Federal Government. The source of all funds will be fully disclosed in accordance with IGRA and a copy provided to the State Gaming Agency and, as applicable to the satellite wagering facility and activities, to the Washington Horse Racing Commission.

SECTION V - LICENSING AND STATE CERTIFICATION PROCEDURES

A. Procedures For Tribal License Applications and State Certification. Each applicant for a Tribal gaming license and for State certification shall submit the completed application along with the required information to the Tribal Gaming Agency. Each completed application shall be accompanied by the applicants' fingerprint card(s), current photograph, and the fees

required by the State and Tribal Gaming Agency. Upon receipt, the Tribal Gaming Agency will transmit a copy of all application materials for each applicant together with a set of fingerprint cards, a current photograph, and the fee required to the State Gaming Agency. For applicants who are business entities, these provisions shall apply to the principals of such entities.

B. Background Investigations of Applicants. Upon receipt of a completed application and required fee for State certification, the State Gaming Agency shall conduct the necessary background investigation to ensure the applicant is qualified for State certification. The State Gaming Agency shall expedite State certification applications. Upon completion of the necessary background investigation, the State Gaming Agency shall either issue a State certification to the applicant with a copy to the Tribal Gaming Agency, or deny the application. If the application for certification is denied, a statement setting forth the grounds for denial shall be forwarded to the applicant in accordance with the provisions of Chapter 230-50 WAC with a copy forwarded to the Tribal Gaming Agency.

C. Grounds for Revocation, Suspension or Denial of State Certification. The State Gaming Agency may revoke, suspend or deny a State certification under the provisions of RCW 9.46.075, and rules promulgated thereunder, for any reason or reasons it deems to be in the public interest. In addition, these reasons shall include, but shall not be limited to when an applicant or holder of certification or principal of an entity:

1. Is determined to be a person whose prior activities, criminal record, if any, or reputation, habits and associations pose a threat to the effective regulation of gaming or create or enhance the chances of unfair or illegal practices, methods and activities in the conduct of the gaming activities permitted pursuant to this Compact; or the person has violated, failed or refused to comply with the provisions, requirements, conditions, limitations or duties imposed by any provision of a Tribal/State Compact.

2. Has failed to provide any information reasonably required to investigate the application for state certification or to reveal any fact material to such application, or has furnished any information which is untrue or misleading in connection with such application.

3. Has had a Tribal or State gaming license revoked or denied during the twelve (12) months prior to the date of receipt of the application; is currently on probation; or has demonstrated a willful disregard for compliance with gaming regulatory authority in any jurisdiction, including offenses that could subject the individual or entity to suspension, revocation or forfeiture of a gaming license.

For the purpose of reviewing any application for a state certification or for considering the denial, suspension or revocation of any state certification the State Gaming Agency may consider any prior criminal conduct or current probationary status of the applicant or holder of certification and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.

4. Notwithstanding herein to the contrary, in the absence of other violations, it shall not be automatic grounds for revocation, suspension or denial for an Indian from a federally recognized Indian Tribe to have been charged or convicted of the following non-gambling related offenses the occasion of which occurred prior to United States Supreme Court rulings on the subject: (1) fishing or hunting offenses; (2) cigarette, fireworks or alcohol sales offenses; or (3) cases involving the exercise of trust or treaty rights. In the absence of other violations, activities or factors which would warrant denial, revocation or suspension, these Indian individuals shall not be barred solely as a result of such activities from certification.

5. For enrolled members of the Tribe who are applicants for Class III gaming certification and licensing, the State Gaming Agency will consult with the Tribal Gaming Agency prior to denying certification to such an applicant who does not meet the criteria for certification.

The Tribal and State Gaming Agencies may waive, by mutual agreement, through a provisional or conditional certification, certain criteria for such enrolled tribal members if the waiver does not pose an appreciable risk to the public or the lawful operation of the gaming facility. If the Tribe can show extenuating circumstances why an enrolled tribal member who does not meet all criteria should be further considered for a provisional or conditional certification, the Tribal and State Gaming Agencies may agree to a temporary certification, based on specific conditions and a further detailed review of the applicant. Additional fees may be required to maintain a conditional or provisional certification.

D. Right to Hearing For Revocation, Suspension, or Denial of State Certification.

Any applicant for State certification, or holder of a State certification shall be entitled to notice and a full hearing on any action by the State Gaming Agency which may result in the revocation, suspension, or denial of State certification. The notice and hearing will be conducted in accordance with the procedures contained in the applicable provisions of Chapter 9.46 RCW, Chapter 34.05 RCW and Chapter 230-50 WAC. Provided, the State may defer such actions to the Tribal Gaming Agency at the State's discretion, and nothing herein shall prevent the Tribal Gaming Agency from invoking its disciplinary procedures and proceedings.

E. Denial, Suspension, or Revocation of Licenses Issued by Tribal Gaming Agency.

The denial, suspension, or revocation of any Tribal gaming license by the Tribal Gaming Agency shall be in accordance with Tribal ordinances and regulations governing such procedures and the grounds for such actions shall not be less stringent than those of Section V.C.

F. Duration and Renewal of Tribal Issued Licenses and State Certifications. Any Tribal issued license or State certification shall be effective for one year from the date of issuance. Provided, that a licensed or certified employee or party that has applied for renewal may continue to be employed under the expired license or State certification until action is taken

on the renewal application by the Tribal Gaming Agency or State Gaming Agency or a summary suspension has occurred. Applicants for renewal of license or certification shall provide updated material as requested, on the appropriate renewal forms, but shall not be required to re-submit historical data already available to the Tribal Gaming Agency or the State Gaming Agency. Additional background investigation shall not be required unless new information concerning the applicant's continuing suitability or eligibility for a license, or a State certification is discovered by either the Tribal Gaming Agency or the State Gaming Agency.

G. Identification Cards. The Tribal Gaming Agency shall require all gaming employees to wear in plain view identification cards issued by the Tribal Gaming Agency which include photo, first name and an identification number unique to the individual Tribal license and/or certification which shall include a Tribal seal or signature, and a date of expiration.

H. Exchange of Licensing and State Certification Information. In an effort to ensure a qualified work force in all areas of Class III gaming, and in all types of gambling authorized under the laws of the State, upon completion of any administrative action or legal proceeding against a Tribal license or State certification, the final disposition shall be forwarded to either the Tribal Gaming Agency or the State Gaming Agency and maintained as part of both agencies' permanent licensing records.

I. Fees For State Certification. The fees for State certification shall be the following:

Gaming Employee (in-state) Initial Certification	\$ 200.00
Gaming Employee (out-of-state) Initial Certification	\$ 250.00
Gaming Employee - Renewal	\$ 125.00
Management Entities, Suppliers Manufacturers or Financiers (in-state) Initial Certification	\$1500.00

Management Entities, Suppliers
Manufacturers or Financiers
(out-of-state)

Provided, should actual costs incurred by the State Gaming Agency exceed the above fees, those costs will be assessed to the applicants during the investigation process. Payment in full to the State Gaming Agency will be required prior to the issuance of State certification. Notwithstanding any other provision of this Compact, the State Gaming Agency may modify any of the above fees consistent with like fees charged by the State Gaming Agency for non-Compact gaming elsewhere in the State by giving the Tribe sixty (60) days notice of intent to modify fees. Should a dispute arise under this Section it shall be resolved pursuant to Section XII.C of this Compact.

J. Fees For Tribal License. The fees for all gaming employee licenses shall be set by the Tribal Gaming Agency.

K. Temporary Certification of Gaming Employees. Unless the background investigation undertaken by the State Gaming Agency within thirty (30) days of the receipt of a completed application discloses that the applicant has a criminal history, or unless other grounds sufficient to disqualify the applicant pursuant to this Section are apparent or have been discovered during that period, the State Gaming Agency shall upon request of the Tribal gaming operation issue a temporary certification to the applicant. The temporary certification shall become void and be of no effect upon either the issuance of a State certification or upon the issuance of intent to deny, in accordance with the provisions of this Compact. During the twelve (12) month period immediately following the effective date of this Compact as provided herein, any applicant who has a current license issued by the State Gaming Agency, together with his

or her completed application shall be immediately issued a temporary certification by the State Gaming Agency pending completion of the certification investigation.

L. Summary Suspension of Tribal License or State Certification. The Tribal Gaming Agency, pursuant to the laws of the Tribe, and the State Gaming Agency, pursuant to the laws of the State, may summarily suspend any respective Tribal license or State certification if the continued licensing or certification of a person or party constitutes a threat to public health and safety.

M. Submission to State Administrative Process. Applicants for State certification agree by submitting such application to submit to State jurisdiction to the extent necessary to determine qualification to hold such certification, including all necessary administrative procedures, hearings and appeals pursuant to RCW 9.46, WAC 230-50 and the State Administrative Procedures Act, RCW 34.05. Tribal members who apply specifically waive any immunity, defense, or other objection they might otherwise have to the exercise of State jurisdiction for these purposes, but only for the purposes discussed in this paragraph. Nothing in this Section shall be deemed or interpreted as a waiver of immunity or submission to State jurisdiction for any other purpose or cause of action.

N. Tribal Certification. The Tribe for any certification process may, in its sole election, rely upon the certification of the State as the Tribe's qualification process for a tribal gaming license.

SECTION VI - TRIBAL ENFORCEMENT OF COMPACT PROVISIONS

A. Tribal Gaming Agency. The primary responsibility for the on-site regulation, control and security of the gaming operation authorized by this Compact, and for the enforcement of this Compact within Nisqually Tribal Lands, shall be that of the Tribal Gaming Agency. A Tribal Inspector shall be present in the gaming facility during all hours of gaming operation, and shall have immediate access to any and all areas of the gaming operation for the purpose of ensuring compliance with the provisions of this Compact and Tribal Ordinances. Any violation(s) of the provisions of this Compact, or of Tribal Ordinances by the Tribal gaming operation, a gaming employee, or any person on the premises whether or not associated with the Tribal gaming operation shall be reported immediately to the Tribal Gaming Agency and forwarded to the State Gaming Agency within seventy-two (72) hours of the time the violation(s) was noted.

D. Investigation and Sanctions. The Tribal Gaming Agency shall investigate any reported violation of the Compact provisions and shall require the Tribal gaming operation to correct the violation upon such terms and conditions as the Tribal Gaming Agency determines are necessary. The Tribal Gaming Agency shall forward copies of all completed incident and investigation reports and final dispositions to the State Gaming Agency on a continuing basis. If requested by the Tribal Gaming Agency, the State Gaming Agency shall assist in any investigation, initiated by the Tribal Gaming Agency, and provide other requested services to ensure proper compliance with the provisions of this Compact, Tribal Ordinances, laws of the Tribe, or applicable laws of the State.

F. Quarterly Meetings. In an attempt to develop and foster a relationship in the enforcement of the provisions of this Compact, representatives of the State Gaming Agency, the Tribal Gaming Agency, and the Washington Horse Racing Commission as applicable, shall meet, not less than on a quarterly basis, to review past practices and examine methods to improve the

regulatory program created by this Compact. The meetings shall take place at a location selected by the Tribal Gaming Agency. The State Gaming Agency prior to or during such meetings shall disclose to the Tribal Gaming Agency any concerns, suspected activities or pending matters reasonably believed to possibly constitute violations of this Compact by any person, organization or entity, if such disclosure will not compromise the interest sought to be protected.

SECTION VII - STATE ENFORCEMENT OF COMPACT PROVISIONS

A. **Monitoring.** The State Gaming Agency and, as applicable to the satellite wagering facility and activities, the Washington Horse Racing Commission, shall, pursuant to the provisions of this Compact, have the authority to monitor the Tribal gaming operation to ensure that the operation is conducted in compliance with the provisions of this Compact. In order to properly monitor the Tribal gaming operation, these agents of the State Gaming Agency and the Commission shall have free and unrestricted access to all areas of the gaming facility during normal operating hours with or without giving prior notice to the Tribal gaming operation. Provided, that when possible, notice shall be given to the Tribal Gaming Agency or to a Tribal gaming inspector in the facility, and the Tribe may assign a Tribal agent or other representative to accompany the State agent while on the Nisqually Reservation. Following the investigation, and to the extent such disclosure does not jeopardize the investigation or the personal safety of individuals, the State shall provide the Tribal Gaming Agency with a report of the investigation, including information about evidence gathered in connection with the investigation.

B. **Access to Records.** Agents of the State Gaming Agency and the Commission shall have the equal authority with the Tribal Gaming Agency to review and copy, during all operating hours, all Class III gaming records maintained by the Tribal gaming operation. Provided, that any copy thereof and any information derived therefrom, shall be deemed strictly confidential, and proprietary financial information of the Tribe. Tribe of any requests for disclosure of such information and shall not disclose until the Tribe, the State, or both have had a reasonable opportunity to challenge the request. Provided, this public disclosure prohibition shall not apply to evidence used in any proceeding authorized by this Compact.

C. Tribal Gaming Agency Notification. At the completion of any inspection or investigation, copies of the investigative report shall be forwarded to the Tribal Gaming Agency.

D. Cooperation With Tribal Gaming Agency. The State Gaming Agency and the Commission shall meet periodically with the Tribal Gaming Agency and cooperate fully in all matters relating to the enforcement of the provisions of this Compact and promptly notify the Tribal Gaming Agency of any activity suspected or occurring whether within the gaming facility or not, which adversely affects State, Tribal or public interests relating to the gaming facility and operation. Provided, such disclosure shall not compromise the interest sought to be protected.

E. Jurisdictional Issues. Except as expressly set forth herein, nothing in this Compact is intended nor shall it confer upon the State or any other non-Tribal entity any jurisdiction or exclusive jurisdiction with respect to non-gaming related activities on the Nisqually Reservation. Except as expressly set forth herein, and then only to the extent expressly set forth herein, the terms of this document do not constitute a waiver of sovereign immunity and any such waiver is and shall be deemed to be only a limited waiver solely for the purposes set forth in this Compact. The terms of such limited waiver of sovereign immunity shall be strictly construed.

SECTION VIII - REGULATORY JURISDICTION RELATING TO ENFORCEMENT OF THE PROVISIONS OF THIS COMPACT

Concurrent Jurisdiction. The Tribal Gaming Agency, State Gaming Agency, and the Commission shall have concurrent jurisdiction to investigate violations of the provisions of this Compact, and to bring administrative charges, in accordance with Tribal Laws and the provisions of Chapter 9.46 RCW, Chapter 67.16 RCW, Chapter 34.05 RCW and Chapter 230-50 WAC,

against any individual or business entity that is licensed by the Tribal Gaming Agency or certified by the State Gaming Agency in accordance with this Compact. In recognition of the need to foster a joint regulatory program to enforce the provisions of this Compact, the Tribe consents to the limited waiver of sovereign immunity solely with respect to this Compact and its provisions. The Tribe further consents to the exercise of jurisdiction by the Federal District Court of the Western District of Washington with respect to actions to enforce the provisions of this Compact, but if such court declines to exercise subject matter jurisdiction, then by any court of competent jurisdiction. With the exception of those jurisdictional issues specifically addressed in this Compact, this Compact should not be construed to affect any other jurisdictional issues between the State and the Tribe.

**SECTION IX - LAW ENFORCEMENT JURISDICTION
RELATING TO GAMBLING**

A. Investigative Authority. The Tribal Gaming Agency, Tribal Law Enforcement Agency, Thurston County Sheriff or Local Law Enforcement Agency, the Washington State Patrol, the State Gaming Agency, and the Commission shall have the authority to investigate any gambling and related crimes against the laws of Chapter 9.46 RCW or Chapter 67.16 RCW to the extent said State laws are expressly made applicable herein, and that occur on Nisqually Tribal Lands. Except as expressly set forth in this Compact, nothing herein shall be or be deemed to be a consent, grant or waiver of any sovereign right or immunity of the Tribe with respect to the Tribe, the Nisqually Reservation, members of the Tribe, or any other individuals or entities subject to Tribal jurisdiction.

B. Jurisdictional Forums. Following investigation and arrest, formal charges will be brought in the appropriate venue. Criminal prosecution of non-Tribal members will be through the proper State or Federal courts. Tribal members who are criminal defendants will be prosecuted in the Nisqually Tribal Court or Federal Court. Wherever possible, for criminal

defendants who are Tribal members, Tribal Court will be the preferred venue for individual prosecutions unless the Tribe declines to seek jurisdiction in the Tribal Court within six months of the discovery of an offense.

C. Consent to Application of State Law and Incorporation in Tribal Ordinance. For the purposes of 18 USC Section 1166(d), for enforcing the provisions of this Compact with respect to certification and criminal conduct, for protection of the public health, safety and welfare, and to the extent not inconsistent with other provisions of this Compact, RCW 9.46.075; 9.46.140; 9.46.155; 9.46.160; 9.46.170; 9.46.180; 9.46.185; 9.46.190; 9.46.196; 9.46.198; 9.46.220; 9.46.221; 9.46.222; 9.46.230; 9.46.240; or 67.16.060; as now or hereinafter amended, to the extent such amendments concern the same subject matter as the old statutory provision, shall be applicable and incorporated herein as part of this Compact and shall be incorporated into a Tribal ordinance regarding any gaming affected by such statutory sections. Provided, that in the event any such provisions of State law are amended or repealed, the Tribe will be given notice of same within thirty (30) days of the effective date, by the State Gaming Agency. Notwithstanding anything herein to the contrary, any penalty or fines contained in any State statutory provisions incorporated into this Compact or the Tribe's gaming ordinance which are in conflict with applicable federal law shall be deemed revised and amended so as to conform to federal law.

D. Exception to Consent. Except for the concurrent jurisdiction of the State with respect to gaming on the Nisqually Reservation contained in this Section and elsewhere for acts of individuals, nothing in this Compact shall be deemed a consent or submission of or by the Tribe to the concurrent jurisdiction and/or application of other laws of the State.

E. Law Enforcement Coordination. In an attempt to foster a spirit of cooperation between the law enforcement agencies authorized to enforce the criminal laws of the State or the

Tribe, and those laws affecting the public health, safety and welfare of the surrounding communities, representatives of those law enforcement agencies shall meet prior to commencement of operations and periodically thereafter to discuss mutual concerns and coordinate the enforcement actions necessary to minimize those concerns.

SECTION X - ENACTMENT OF COMPACT PROVISIONS

A. **State Gaming Agency Rules or Regulations.** Pursuant to its general rule making authority contained in Chapter 9.46 RCW, the State Gaming Agency may enact as part of its rules or regulations governing gambling, all or part of the provisions of this Compact.

B. **Tribal Gaming Agency Regulations.** Pursuant to its general rule making authority, the Tribal Gaming Agency may enact as part of its regulations governing gambling, all or part of the provisions of this Compact.

SECTION XI - REGULATIONS FOR THE OPERATION AND MANAGEMENT OF THE TRIBAL GAMING OPERATION

A. **Adoption of Regulations for Operation and Management.** The Tribal Gaming Agency shall adopt regulations to govern the operation and management of the gaming operation conducted under the authority of this Compact. To the extent such regulations have been adopted prior to the execution of this Compact they are set forth in Appendix A hereto and shall be deemed approved by the State. Any regulations adopted by the Tribe shall ensure that the interests of the Tribe and the State relating to Class III gaming are preserved and protected. The regulations shall maintain the integrity of the gaming operation and shall reduce the dangers of unfair or illegal practices in the conduct of the Class III gaming operation. The Tribal Gaming Agency shall notify the State Gaming Agency of any intent to revise the standards or of any other regulations issued thereafter and shall request the concurrence of the State Gaming Agency for such revisions. State Gaming Agency concurrence shall be deemed granted unless disapproved in writing within twenty (20) days of submission of the revised standards. The State

Gaming Agency shall concur with the proposed revisions upon request, unless it finds that they would have a material adverse impact on the public interest in the integrity of the gaming operation, and shall disapprove only such portions of the proposed revised standards which are determined to have a material adverse impact upon such interests. If the State Gaming Agency disagrees with the proposed revised standards, it shall set forth with specificity the reasons for such disagreement. Upon a notice of disagreement, the parties shall meet, and in good faith try to resolve the differences. If unsuccessful, the matter shall be resolved pursuant to Section XII.C of this Compact.

B. Additional Operational Requirements Applicable to Class III Gaming. The following additional requirements shall apply to the gaming operation conducted by the Tribe:

1. To ensure integrity, the Tribal gaming operation shall maintain the following logs as written, or computerized records which shall be available for inspection by the State Gaming Agency in accordance with Section VII.B of this Compact: a surveillance log recording all surveillance activities in the monitoring room of the gaming facility; a security log recording all unusual occurrences for which the assignment of a Tribal Gaming Agency employee is made.

2. The Tribal Gaming Agency shall establish a list of persons barred from the gaming facility because their criminal history or association with career offenders or career offender organizations poses a threat to the integrity of the gaming activities of the Tribe. The Tribal Gaming Agency shall employ its best efforts to exclude persons on such list from entry into its gaming facility. The Tribal Gaming Agency shall send a copy of its list on a quarterly basis to the State Gaming Agency.

3. The Tribal Gaming Agency shall require the audit of the Tribal gaming operation, not less than annually, by an independent certified public accountant, in accordance

with the auditing and accounting standards for audits of casinos of the American Institute of Certified Public Accountants.

4. The Tribal Gaming Agency shall notify the State Gaming Agency of the rules of each game operated by the Tribe and of any change in such rules. To the extent such rules have been adopted prior to the execution of this Compact they are set forth in Appendix B hereto and shall be deemed approved by the State. Summaries of the rules of each game relevant to the method of play and odds paid to winning bets shall be visibly displayed or available in pamphlet form in the gaming facility. Betting limits applicable to any gaming station shall be displayed at such gaming station. Rules for games identified in Section III.A, except as specified in Appendix B, shall be based upon such games as commonly practiced in Nevada, including wagering, as do not fundamentally alter the nature of the game as the Tribal Gaming Agency may approve. Rules for games identified in Section III.A, except as specified in Appendix B, shall be submitted to the State Gaming Agency for review, to determine if the rules fundamentally alter the nature of the game. The Tribe will provide the State Gaming Agency ten (10) days advance notice of the rules of each game and any modifications thereof, and will provide adequate notice to patrons of the gaming operation facility to advise them of the applicable rules in effect. In the event of a dispute, the matter will be handled in accordance with Section XII.C of this Compact.

5. The Tribal gaming operation shall maintain a closed circuit television system in accordance with the regulations set forth in Appendix A, and shall not modify such regulations without the agreement of the State Gaming Agency. The Tribal gaming operation shall provide the Tribal Gaming Agency and the State Gaming Agency with copies of its floor plan and closed circuit television system and any modifications thereof for review by the Tribal Gaming Agency. If the floor plan or closed circuit television system does not provide

unobstructed camera views in accordance with such regulations, the Tribal Gaming Agency shall modify such floor plan or closed circuit television system in order to remedy such deficiency. The Tribal Gaming Agency shall forward a copy of the floor plan and closed circuit television system to the State Gaming Agency for review and consideration prior to final approval. In the event of a dispute, the matter will be handled in accordance with the provisions of Section XII.C.

6. The Tribal gaming operation shall maintain a cashier's cage in accordance with the standards set forth in Section 7(3) of Appendix A, and shall not modify such standards without the concurrence of the State Gaming Agency. The Tribal Gaming Agency and the State Gaming Agency may review cashier's cage security. If the cashier's cage does not comply with the security standards set forth in said Appendix, the Tribal gaming operation shall modify its cashier's cage to remedy such deficiency. In the event of a dispute the matter will be handled in accordance with provisions of Section XII.C.

7. The Tribal gaming operation shall provide the Tribal Gaming Agency and the State Gaming Agency with a description of its minimum requirements for supervisory staffing for each table gaming pit operated in its gaming facility, and in the event that the State Gaming Agency regards such supervisory staffing as inadequate, the Tribal Gaming Agency and State Gaming Agency shall promptly confer in good faith in an effort to reach agreement on supervisory staffing requirements. If agreement cannot be reached between the State Gaming Agency and the Tribal Gaming Agency, the dispute shall be handled in accordance with Section XII.C of this Compact.

8. Standards for management and operation of the satellite wagering activities shall be consistent with the provisions of this Compact, including Appendix B, and those applicable to non-tribal satellite wagering facilities and activities in the State to the extent not inconsistent with this Compact.

SECTION XII - REMEDIES FOR BREACH OF COMPACT PROVISIONS

A. **Injunction Against the State.** If the Tribe believes the State, whether or not through the State Gaming Agency or Commission, is in breach or default or is otherwise acting contrary to, or failing to act in the manner required by, any of the provisions of this Compact, the Tribe may seek injunctive or other relief in a court of competent jurisdiction. Prior to bringing such action, the Tribe shall notify the State and the State Gaming Agency of the alleged violation(s).

B. **Injunction Against the Tribe, the Tribal Gaming Operation, or any Individual.** The State Gaming Agency may bring an action to enjoin the Tribe, the Tribal gaming operation, or any individual, if the State determines that any gaming operation authorized by the provisions of this Compact is being conducted in violation of the provisions of this Compact or if any Class III activity is being conducted by others elsewhere on the Nisqually Reservation in violation of the provisions of this Compact. Such action shall be brought in the U.S. District Court, pursuant to 25 U.S.C. § 2710(d)(7)(A)(ii). Solely for the purpose of this remedy, the Tribe consents to such suit and hereby agrees to a limited waiver of sovereign immunity for the purposes set forth in this sub-section only. Prior to bringing such action, the State Gaming Agency shall notify the Tribe, the Tribal Gaming Agency and the Tribal Gaming Operation of the alleged violation(s) and the parties shall meet and confer in a good faith attempt to correct the alleged violation before court action is sought.

C. **Dispute Resolution.** In recognition of the government-to-government relationship of the Tribe and State, the parties shall make their best efforts to resolve disputes by good faith negotiations whenever possible. Therefore, without prejudice to the right of either party to seek injunctive relief against the other when circumstances require such immediate relief, the parties hereby establish a method of non-judicial dispute resolution in order to foster a spirit of

cooperation and efficiency in the administration and monitoring of performance and compliance by each other with the terms, provisions and conditions of this Compact. Unless other procedures and time frames are elsewhere set forth in this Compact, then and in the event of a dispute or disagreement between the parties regarding the implementation and compliance with referenced provisions of this Compact or otherwise by mutual agreement of the parties, disputes shall be resolved as follows:

1. Either party shall give the other, as soon as possible after the event giving rise to the concern, a written notice setting forth the issues to be resolved;
2. The parties shall meet and confer in a good faith attempt to resolve the dispute through negotiation not later than ten (10) days from receipt of the notice;
3. If the dispute is not resolved to the satisfaction of either within twenty (20) days of the first meeting, then the party may seek and cause to have the dispute resolved by and in accordance with the policies and procedures of the Commercial Rules of Arbitration of the American Arbitration Association, at sites which alternate between the Nisqually Reservation and the State Gaming Agency or Commission offices after each arbitration dispute, i.e., the first arbitration dispute, until completed, shall be held on the Nisqually Reservation; the next arbitration dispute, until completed, shall be held at the State Gaming Agency or Commission offices; and so forth.
4. The arbitration, unless another date is stipulated to by the parties, shall occur no later than fourteen (14) days from the date an arbitrator is named.
5. The decision of the arbitrator shall be final and unappealable.
6. Nothing in this Section shall be construed to waive, limit or restrict any remedy which is otherwise available to either party to enforce or resolve disputes concerning the provisions of this Compact. Nor shall this Section be construed to preclude, limit or restrict the

ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, including but not limited to mediation or utilization of a technical advisor to the Tribal and State Agencies; provided that neither party is under any obligation to agree to such alternative method of dispute resolution. The parties to this Compact agree that the favored method of resolving differences is for the State and Tribal Gaming Agencies to meet and confer in good faith regarding the issues in dispute and attempt to resolve disputes through their joint working relationship.

D. Sanctions/Civil Fines. The following is a schedule of civil fines for any violation of the provisions of the compact Sections set forth below. These penalties are set forth as maximums to be set within the reasonable discretion of the State Gaming Agency and charged and levied against the Tribe. The event or circumstances occasioning the charge and the extent and amount of the penalty for the violation, if contested by the Tribe, are subject to dispute resolution under Section XII.C. Any penalties are subject to disposition under Section XII.E.

1. For violation of terms, conditions and provisions of Section III:

gaming operations for each day of employment or a fine equal to the Net Win for each day of employment.

(b) For manufacturers, suppliers and other entities: (1) first infraction - up to \$5,000; and (2) second and subsequent infractions - up to \$20,000.

(a) For first infraction - written warning.

(b) For second infraction - up to \$250.

(c) For third infraction - up to \$500.

(d) For subsequent violations - up to \$1,000.

All penalties listed in this subsection (3(a) through (d)) will be charged and monitored on a per-violation basis on an annual basis dating from the issuance of the written warning. Provided, during the first six (6) months of actual operation of the Class III gaming operation only written warnings will be issued.

E. Method of Collection and Payment to Washington State Council on Problem Gambling. Any civil fines collected by the State Gaming Agency or the Tribal Gaming Agency pursuant to the provisions of this Compact shall be disbursed at the end of each fiscal year to the Washington State Council on Problem Gambling, a bona fide nonprofit organization, provided that the organization offers some program which takes affirmative steps to reach the Indian community in Washington State. In the event the Washington State Council on Problem Gambling does not have such an Indian program, or ceases to exist, or substantially changes its purpose, then the parties agree to meet and in good faith designate a successor recipient bona fide nonprofit organization whose primary purposes are related to addressing the ills of compulsive and/or problem gambling within the State, the Nisqually Reservation and the neighboring

communities. Provided, in the event a dispute arises, it will be resolved pursuant to Section XII.C of this Compact.

**SECTION XIII - TRIBAL REIMBURSEMENT FOR EXPENSES INCURRED
BY THE STATE GAMING AGENCY**

The Tribe shall reimburse the State Gaming Agency for all reasonable costs and expenses actually incurred by the State Gaming Agency in carrying out its responsibilities as authorized under the provisions of this Compact. Reimbursement shall be made for monitoring, investigative, and processing costs. With regard to administrative actions, reimbursement shall be made to the extent that costs incurred exceed the certification fees received. The State shall submit a verified, detailed statement with supporting documentation on a quarterly basis to the Tribal Gaming Agency. The Tribe shall reimburse the State Gaming Agency within thirty (30) days after the receipt of the statement of expenses. In the event a dispute arises, it will be resolved pursuant to Section XII.C of this Compact.

SECTION XIV - PUBLIC HEALTH AND SAFETY

A. Compliance. For the purposes of this Compact the Tribal gaming operation shall comply with and enforce standards no less stringent than the following with respect to public health and safety:

1. Indian Health Service public health standards;
2. All Federal laws establishing minimum standards for environmental protection;
3. Applicable Environmental Protection Agency program standards and National Environmental Policy Act requirements;
4. Federal water quality and safe drinking water standards;
5. Uniform Building Code, including codes for electrical, fire and plumbing;
6. Public health standards for food and beverage handling in accordance with U.S. Public Health Service requirements; and

7. Nisqually Tribal Codes regarding public health, safety and environmental protection standards.

B. Emergency Service Accessibility. The Tribal Gaming Agency shall make provisions for adequate emergency accessibility and service.

C. Community Contribution.

1. The Tribe recognizes that activities directly and indirectly associated with the operation of gaming facilities on the Nisqually Reservation may impact surrounding local law enforcement agencies and other services and place an increased burden on them. The Tribe hereby agrees to establish a fund for purposes of providing assistance to non-tribal law enforcement, emergency services and/or service agencies (including those agencies responsible for traffic and transportation) impacted by the Class III gaming facility and to withhold and disburse 2.0% of the Net Win from Class III gaming operation, with the exclusion of the satellite wagering activities, for this fund ("Community Contribution"). A committee consisting of a representative of the Tribal Council; a representative from the county in which the facility is located; a representative from the City of Yelm; and a representative of the State Gaming Agency shall be established. The composition of this committee may be altered by mutual agreement of the Tribal and State Gaming Agencies, if necessary. The committee shall meet at least annually to discuss impacts within the county and on the Reservation. No Class II gaming revenues, satellite wagering revenues, or non-gaming revenues shall be included with the 2.0% budgeted and disbursed as set forth in this Section.

2. Within six (6) months of the date of final approval of this Compact, the Tribe and all local jurisdictions potentially impacted shall enter into a Memorandum of Understanding (MOU) delineating the anticipated governmental relationships and responsibilities both on and off Reservation with respect to the utilization of the Community Contribution. In the event that the parties are unable to enter into such a MOU, except as set forth below, the

Community Contribution shall be placed in an interest bearing escrow account(s) pending the execution of such an agreement. The Tribe shall be entitled to any interest earned on such funds unless it is subsequently determined, under the provisions of Section XII.C, that the Tribe acted unreasonable in refusing to sign such an agreement.

3. The Community Contribution shall be paid within thirty (30) days following the end of each quarter following the opening of the Class III gaming facility to the public.

4. The MOU shall provide that the committee may adjust annually the allocation of the Community Contribution to meet the impacts associated with the Class III gaming by the Tribe.

5. At any time after one year from the opening of the Class III gaming facility, either the State or the Tribal Gaming Agency may request a reevaluation, and possible reduction of, the Community Contribution based on fewer than anticipated impacts. In the event the State and Tribal Gaming Agencies mutually agree, the Community Contribution shall be reduced at that time.

6. In the event of the creation of an escrow account(s), either the State Gaming Agency or the Tribe shall be entitled to invoke the alternative dispute resolution procedures of Section XII.C above. The determination of the arbitrator shall be binding on all parties, including the local governments and agencies, and the MOU terms as determined by the arbitrator shall be approved and executed by all parties. Upon execution, the Community Contribution shall be disbursed.

D. Community Relations. The Tribal Gaming Agency agrees to be available to meet and discuss with neighboring communities any concerns regarding the impact of the Class III gaming operation upon the neighboring communities.

E. Alcoholic Beverage Service. Standards for alcohol service shall be subject to applicable law.

SECTION XV - AMENDMENTS, DURATION AND EFFECTIVE DATE

A. Effective Date. This Compact shall constitute the agreement between the State and the Tribe pursuant to IGRA and shall be amendable and modified only under provisions of the Compact. This Compact shall take effect upon publication of notice of approval by the U.S. Secretary of the Interior in the Federal Register in accordance with 25 U.S.C. § 2710(d)(3)(B).

B. Voluntary Termination. Once effective, this Compact shall be in effect until terminated by the written agreement of both parties. Provided, should the Tribe wish to cease Class III gaming operations, the Tribe may unilaterally terminate this Compact by submitting written notice sixty (60) days prior to the date of termination to the Governor of the State of Washington. Provided, State jurisdiction under this Compact shall continue until the completion of any pending investigation or court action. Suspension or injunction of Class III gaming operations shall not constitute termination for the purpose of this sub-section.

C. Other Termination - Change of State Law. If the laws of the State authorizing the activities set forth herein as Class III gaming activities are repealed prohibiting such gaming for any purpose by any person, organization or entity, it is the State's position that the provisions of the Compact providing for such gaming would not be authorized and continued operation of such gaming would constitute a violation of the Compact and the State may bring an action in Federal District Court pursuant to 25 USC § 2710(d)(7)(A)(ii).

The Tribe disagrees that such subsequent State legislation would have this effect under IGRA and the Compact, but does agree that such an action, if commenced in that forum, is the appropriate State recourse and for such purpose the Tribe consents to such a suit and hereby grants a limited waiver of sovereign immunity solely for the purpose of litigating the said issue.

D. Adjustments/Renegotiations.

1. Adjustments - Mutual. The terms and conditions of this Compact may be amended at any time by the mutual and written agreement of both parties, and as provided in this Compact.

2. Changes to and Interpretation of Laws. The parties shall adjust the terms and conditions of this Compact, except as provided below in Section XV.D.3, upon written notice and request by the Tribe to the State if and when:

(a) the laws of the State are amended, expanding gaming beyond that which is now allowed under the terms of this Compact;

(b) a State or Federal court within the State of Washington or a federal court interpreting the laws of the State of Washington issues a final and unappealable decision that permits participation in a gaming activity that was not authorized for any purpose by any person, organization or entity at the time this Compact was executed and is not authorized by this Compact; or

(c) federal legislation authorizes the operation of or participation in gaming activity that was not authorized at the time this Compact was executed or was not authorized by this Compact.

3. Renegotiation/Amendments - Section III of Compact. Section III D, G, H and I of the Compact regarding certain aspects of the scope of gaming shall not be subject to renegotiation or amendment for thirty-six (36) months from the date of this Compact, unless one of the following occurs: (1) the laws of the State are amended, expanding gaming beyond that which is now allowed under the terms of this Compact; (2) a State or Federal court within the State of Washington or a Federal court interpreting the laws of the State of Washington issues a final and unappealable decision permitting participation in a gaming activity that was not

authorized for any purpose by any person, organization, or entity at the time this Compact was executed or not authorized by this Compact; or (3) another tribe West of the Cascade Mountains obtains, through a Compact or Amendment to a Compact approved by the Secretary of the Interior, greater levels of wagering, hours of operation, size and/or scope of Class III gaming activities, than authorized by the provisions of this Compact; (4) another tribe East of the Cascade Mountains obtains, through a Compact approved by the Secretary of the Interior, greater levels of wagering, hours of operation, size and/or scope of Class III gaming activities, than authorized by the provisions of this Compact and the Tribe can demonstrate that such levels have resulted in an adverse economic impact on the Class III gaming operation.

4. Re-negotiation of Compact After Moratorium Period. At the conclusion of the moratorium period on re-negotiation set forth in Section XV.D.3, the State and the Tribe shall meet and confer as to whether the Gaming Operation should be expanded to meet market needs at that time. Negotiations under this paragraph shall be in accordance with Section XV.D.6.

5. Re-negotiation/Amendments - Other Sections of Compact. At any time after execution of this Compact, the parties shall re-negotiate Sections of the Compact, other than Section III D, G, H and I, upon the written notice and request by one party to the other if and when circumstances and events unforeseen at the time of the negotiation and execution of this Compact occur meriting discussion and re-negotiation of such provisions.

6. Process and Negotiation Standards. All written requests to amend or re-negotiate shall include the activities or circumstances to be negotiated together with a statement of the basis supporting the request. If the request meets the requirements of this subsection, the parties shall confer and required negotiations shall commence within thirty (30) days of the request. All matters involving negotiations or other amendatory processes under this section shall

be otherwise governed, controlled and conducted in conformity with the provisions and requirements of 25 USC § 2710(d), except in subsections where a different resolution is specifically provided for by this Compact. The original terms and provisions of this Compact shall remain in effect unless and until the parties agree on re-negotiated terms.

7. State Authorization of Additional-Class III Gaming Activities. In the event the State hereafter authorizes any additional Class III gaming activity, including electronic facsimiles of Class II or Class III gaming, the Tribe shall be authorized to immediately commence conducting such activity prior to completion of the subsequent negotiations as provided in Section XV.D.2, if such activity is conducted in accordance with all of the limitations, regulations and requirements of the State.

8. State Authorization to Other Tribes Modifying Scope of Gaming Compact. Notwithstanding any other provision of this Compact to the contrary, if after the signing of this Compact, the Secretary of the Interior approves a compact with any Washington Tribe west of the Cascade Mountains, or an amendment thereto, and such compact gives such tribe more Gaming Stations, higher wager limits, other Class III gaming activity, and/or more hours of operation or otherwise approves a compact or amendment to a compact which gives such Tribe an expansion of terms other than those identified above, then this Compact shall be amended automatically to maintain equality. Provided, either party shall have the right to take the issue to dispute resolution under the provisions of Section XII.C of this Compact if a dispute arises regarding the applicability of this automatic amendment provision to a particular term approved in another compact.

SECTION XVI - LIMITATION OF LIABILITY

Neither the Nisqually Tribe nor the State are creating, or intend to create, any rights in third parties which would result in any claims of any nature whatsoever against the Tribe or the

State as a result of this Compact. Neither the Nisqually Tribe nor the State has waived immunity from third party suits or claims of any kind or nature whatsoever against them, and nothing contained in this Compact shall be construed to effect a waiver, in whole or in part, of said immunity.

4.1.10 Except as otherwise provided herein, meanings ascribed to terms used in the Horse Racing Law and the Commission Regulations are hereby adopted by reference wherever such terms are used in this Compact.

4.2 APPLICABILITY OF LAWS. Wagering at the Nisqually tribal satellite wagering facility will be conducted in accordance with this Compact, the Indian Gaming Regulatory Act, the Interstate Horseracing Act, any ordinances or regulations adopted by the Tribe, and Washington Horse Racing Laws as made applicable herein. Nothing herein shall otherwise be deemed a prohibition upon or limitation upon tribal operation of a satellite wagering facility by the Tribe or on behalf of the Tribe.

4.3 REGULATION OF SATELLITE (OFF-TRACK) WAGERING.

4.3.1 Wagering Permitted. The Tribe is entitled to operate a single satellite wagering facility pursuant to this Compact subject to the following terms and conditions:

a. Unless permitted in accordance with subparagraph c., below, Tribe may conduct satellite wagering only on events simulcast from any Washington State track (whether of a live race, or an authorized simulcast of an out-of-state signal) on

the same terms and conditions permitted any other satellite wagering facility in the State without limitation on the distance such tribal facility is from a live race meet, provided, the Tribe is entitled to receive simulcast signals from each Washington State track on terms at least as advantageous as those made available by such track to any other satellite facility operated at a track holding a Class A or Class B Washington Horseracing Commission license or at any other facility operated or leased by an entity holding such a license. Negotiations conducted between the Tribe and the track shall cover areas including, but not limited to, the following: percent of handle received; equipment required and who provides such equipment; who provides wagering employees; and how and on what schedule funds will be transferred. All wagers accepted at the tribal facility on such events shall be made into the parimutuel pool of the Washington State track which provides the simulcast signal. Nothing herein shall prohibit assessment by the Tribe of taxes, fees or other charges for wagering conducted at the tribal facility, nor shall the State or any of its political subdivisions be authorized to impose any taxes, fees, charges or assessments upon the Tribe or any person or entity authorized to conduct such activities on behalf of the Tribe for the satellite wagering activities regulated hereunder, other than those generally applicable to the parimutuel pool; provided, such taxes, fees, charges or other assessments generally applicable to the parimutuel pool are consistent with the holding of Cabazon Band of Mission Indians, et al. v. Wilson, et al., 23 F.3d 1535 (9th Cir. 1994) and 25 U.S.C. § 2710(d)(4) and consistent with fees or rates applied to other satellite locations.

b. In the event the Tribe believes it is not offered simulcast signals from a Washington State track on terms at least as advantageous as those made available by such track to the other satellite wagering operators as set forth in subparagraph a., above, the Tribe may request a formal determination from the Commission. The sole issues in such determination will be whether the Washington State track provides terms to those other satellite wagering operators which are more advantageous than those offered to the Tribe and, if so, what terms are less advantageous to the Tribe. Provided, the Commission shall conduct a hearing and render a decision within ninety (90) days after receipt of the request for a determination from the Tribe, and further provided, that if the Commission decision is not rendered within that time, the Tribe is entitled to conduct satellite wagering in accordance with the provisions of subparagraph c., below. If the Commission determines that the terms offered the Tribe are less advantageous, the Washington State track shall have thirty (30) days to offer terms that are at least as advantageous to the Tribe, or the Tribe will be entitled to conduct satellite wagering in accordance with subparagraph c., below. If the Tribe disputes the determination of the Commission regarding whether the terms offered to the Tribe are less advantageous, the Tribe or State may request arbitration under Section XII.C of this Compact.

c. If, following an adverse determination from the Commission, the Washington State track does not offer the terms

identified by the Commission in accordance with subparagraph b., above, the Tribe shall be entitled to negotiate for and receive simulcast signals from out-of-state races for an equivalent number of races, to be offered within the subsequent twelve (12) month period, on such terms and conditions as it may obtain. Acceptance of signals from out-of-state tracks shall be made in compliance with the Interstate Horseracing Act, 15 U.S.C. § 3001, et seq. Nothing in this section (Section 4) shall be deemed to limit acceptance of satellite wagers to the extent permitted under the Interstate Horseracing Act. Consent of the Commission, as required under the Interstate Horseracing Act shall not be unreasonably withheld. For disputes concerning whether the Commission has unreasonably withheld its consent, the Tribe or the State may request arbitration under Section XII.C of this Compact.

4.3.2 Hours of Operation. The wagering authorized in the Tribe's satellite wagering facility shall be conducted within the hours of operation authorized for Class III gaming under Section III.I of this Compact. Provided, however, when a track providing a simulcast to the tribal facility operates outside the Tribe's regularly scheduled hours of operation, then the satellite wagering portion of the Class III facility authorized under this Compact may be open to the public during the time the sending track is open to the general public.

4.3.3 Approval of Facility. Subject to approval of the physical adequacy of the facility, the Nisqually Reservation is hereby approved as location for the conduct of satellite wagering as permitted under this Compact. The right of the Tribe to conduct satellite wagering from a facility at such location shall not be affected by its distance from any live race meet being broadcast to such facility, and statutes and regulations imposing distance limitations on the location of satellite wagering facilities relative to live race meets, including but not limited to RCW 67.16.200(c), shall not be applicable to the Tribe.

4.3.4 Wagering Rules. All of the rules set forth in Chapter 260-48 WAC ("Mutuels") are hereby incorporated by reference as being applicable to any satellite wagering facility authorized hereunder, subject to the following qualifications:

4.3.4.1 References therein to "racing associations" shall mean the Tribe.

4.3.4.2 References therein to "enclosure of any race track" shall mean the satellite wagering facilities authorized hereunder.

4.3.4.3 Parimutuel machines shall be locked at the time and by the same means as are applicable to parimutuel machines at other satellite wagering facilities within the State or as otherwise required by the parimutuel pool operator at the host race track or other authorized source, if different therefrom, but in all cases prior to the start of any race for which bets are being accepted.

4.3.4.4 References to "the manager of the parimutuel department" shall refer to any person appointed to manage the satellite wagering facility authorized under this Compact.

4.3.4.5 The Tribe may accept exotic bets, including but not limited to daily doubles, quinellas, exactas, wagering on "short fields", daily triples, "Pick n", trifectas, and other exotic bets to the extent made available through parimutuel pools by the parimutuel pool operator.

4.3.5 Other Facilities Within Area. In the event the Commission considers allocation of exclusive or limited areas in which satellite wagering facilities may be located, the Commission will give good faith consideration to designating the Nisqually satellite wagering facility as one of those exclusive or limited area satellite wagering sites. Notwithstanding the foregoing, the conduct of satellite wagering at any other facility, including a live racing facility, in the State shall not affect the right of the Tribe to operate its satellite wagering facility at any time.

4.3.6 Amounts Received by Tribe. The Tribe may receive from parimutuel wagers made at its satellite wagering facility such amounts as may be negotiated between it and the operator of the parimutuel pool (track).

4.3.7 Security Control. The Tribe shall maintain such security controls over any satellite wagering facility authorized hereunder as would be required by the Commission for a comparable facility off the Reservation. The Tribe shall remove, deny access to, eject or exclude persons whose presence within such facility would be contrary to the interests of the Tribe or the State in operating an honest, legitimate facility or in meeting the goals and objectives of this Compact or the Act.

4.3.8 Accounting Practices and Audits. Any satellite wagering facility authorized hereunder shall maintain its books and records in accordance with generally accepted accounting principles and such rules and regulations, if any, as are applied to satellite wagering facilities in the State.
