APPENDIX B
SITE VISIT PHOTOGRAPHS

Client Name: FEMA		Project: Boulder County Wildfire Mitigation Project	Project No. 15702511

Photograph No. 1	Date: 11/1/11

Description:
View of Betasso looking south from the road near the Betasso Water Treatment Plant. Note the severity of the slope.

Photograph No. 2	Date: 11/1/11

Description:
Betasso Water Treatment Plant.

Client Name: FEMA		Project: Boulder County Wildfire Mitigation Project	Project No. 15702511

Photograph No. 3	Date: 11/1/11

Description:
Boulder Canyon
Hydroelectric Facility.

Client Name: FEMA		Project: Boulder County Wildfire Mitigation Project	Project No. 15702511
Photograph No. 4	**Date:** 11/1/11		
Description: Vegetation in Mud Lake project area. Photograph taken from County Road 128W.			
Photograph No. 5	**Date:** 11/1/11		
Description: Vegetation in Mud Lake. Photograph taken from a dirt access road within Mud Lake.			

Client Name: FEMA		Project: Boulder County Wildfire Mitigation Project	Project No. 15702511

Photograph No. 6	Date: 11/1/11

Description:
Vegetation around Nederland Middle/Senior High School football field.

Photograph No. 7	Date: 11/1/11

Description:
Vegetation near Nederland Elementary School.

Client Name: FEMA		Project: Boulder County Wildfire Mitigation Project	Project No. 15702511

Photograph No. 8	**Date:** 11/1/11

Description:
Kossler Reservoir. View of pipeline outlet on the west side of the lake.

Photograph No. 9	**Date:** 11/1/11

Description:
Masticator with high floatation tires.

Picture courtesy of the Colorado State Forest Service.

Client Name: FEMA		Project: Boulder County Wildfire Mitigation Project		Project No. 15702511
Photograph No. 10	**Date:** 11/1/11			
Description: Chipper used to chip felled slash and timber. Picture courtesy of the Colorado State Forest Service.
