**PUBLIC NOTICE MAILING LIST SELECTION**

Please select the Public Notice Mailing List(s) you are interested in:

- General (all Corps Regulatory program standard and special public notices)
- Arizona only (all Counties)
- California only (includes the following Counties)  
Imperial, Inyo, Kern, Los Angeles, Mono, Orange, Riverside, San Diego, Santa Barbara, San Luis Obispo and Ventura

**PRINCIPAL PURPOSE:** The public notice is the primary method of advising all interested parties of proposed activities for which a permit is sought and of soliciting comments and information necessary to evaluate the probable impact on the public interest. It is presumed all interested parties and agencies will wish to respond to public notices; therefore, a lack of response will be interpreted as meaning there is no objection to a proposed project.

**ROUTINE USES:** Utilized to develop mailing lists for distribution of Corps Regulatory Public Notices.

**DISCLOSURE:** Voluntary. Failure to provide information may result in not being contacted when future Public Notices are published.

**NOTE:** Not all suggestions for new lists can be accommodated. If you wish to receive a particular Public Notice, contact the Project Manager to request your copy.
