NAVAL AIR STATION CORPUS CHRISTI ENVIRONMENTAL POLICY

Naval Air Station Corpus Christi (NASCC), our tenant commands, and our contractors recognize Environmental Excellence as a principal factor in successful mission accomplishment. The mission of NASCC is to provide the best possible service and facilities to our customers with pride. Our environmental management approach ensures mission readiness through environmental compliance. In support of this mission, NASCC is committed to protecting, preserving, and conserving our environment through active stewardship of our natural resources, reducing generation of solid and hazardous wastes, and continual improvement in the performance of the Environmental Management System.

NASCC is committed to:

- Ensure compliance with federal, state, and local government laws and regulations.
- Incorporate environmental policies into all planning, decision-making, and business practices.
- Meet established Environmental Management System objectives and targets.
- Advocate Pollution Prevention (P2) through energy conservation, waste reduction, and procurement and use of green products and services.
- Ensure this Environmental Policy is implemented, maintained and disseminated to all employees.
- Increase community awareness of our environmental programs through press releases, media outlets, and training.

Every member of the NASCC community is responsible to continually improve their operational activities and prevent environmental impacts. This is accomplished by ensuring we remain good stewards of the environment and incorporate positive environmental behaviors into our everyday lives and work ethic.

If you have an environmental concern, please contact our Environmental Director at (361) 961-5353. Our goal is to be an environmentally responsible neighbor and partner in the community where we operate, and I am counting on you to achieve Environmental Excellence.

A handwritten signature in black ink, appearing to read "S. E. BANTA", is positioned above the printed name.

S. E. BANTA
Captain, U.S. Navy
Commanding Officer
