- 001 (14325) CRE 3.0 MW 04:30 pm-05:50 pm CHIL 270 Adams O  
 Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.  
BLENDED CLASS WITH IN-CLASS MEETINGS AND INTERNET COMPONENT. STUDENTS ARE REQUIRED TO ATTEND IN-CLASS MEETINGS ON MONDAYS 11:00AM-11:50AM IN MUSI 301.

 Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>. THIS IS A BLENDED COURSE THAT INCLUDES WEB BASED INSTRUCTION. PLEASE LOG ONTO WEBCTVISTA.UNT.EDU AND FOLLOW THE INSTRUCTIONS FOR OBTAINING YOUR EUID. VISIT WWW.UNTECAMPUS.COM FOR ADDITIONAL DETAILS.

 Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

 Are you ready to look forward to class? NextGen courses are designed to provide today's students with  
 choice learning opportunities and first-rate learning environments. NextGen classes use a combination of  
 experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online  
 learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional  
 large group lectures ensure that students still have face time with their instructor and peers in the classroom.  
 NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen  
 classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

<p>Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom.  Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

### HLTH 3300 HLTH EMERGENCIES

- 001 (12738) CRE 3.0 MW 09:30 am-10:50 am MGYM 100B Fowler C  
THIS IS A BLENDED (FLIPPED) CLASS THAT MEETS AS SCHEDULED IN PERSON WITH ADDITIONAL READING AND ASSIGNMENTS DELIVERED ONLINE. ONLINE SESSIONS AND FACE-TO-FACE SESSIONS WILL BE OUTLINED ON THE FIRST DAY OF CLASS.  
Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.  
Also meets: MW 09:30 am-10:50 am COL 047 1/17/17-5/12/17

Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <a href="http://nextgen.unt.edu">http://nextgen.unt.edu</a>.</p>

NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. WHY AND HOW IS RACE STILL A CENTRAL CONCERN IN OUR DAILY LIVES AND NATIONAL EXPERIENCE? THIS COURSE, TAUGHT BY A UNT TENURED FULL PROFESSOR, IS DESIGNED TO EXPLORE RACIAL DIVERSITY CONCEPTS THROUGH HIGHLY INTERACTIVE CLASS DISCUSSIONS, GROUP TASKS, KEY READINGS, AND APPLICATION TO CURRENT LOCAL AND NATIONAL AFFAIRS. COURSE CONTENT WILL BE GROUNDED IN PSYCHOLOGICAL THEORY AND RESEARCH, AND HISTORICAL UNDERSTANDING OF HOW RACE HAS BEEN SOCIALLY CONSTRUCTED AND SITUATED IN THE U.S. THIS TRANSFORMATIVE COURSE WILL GIVE YOU THE TOOLS TO HAVE PRODUCTIVE DISCUSSIONS AND INTERACTIONS RELATIVE TO RACE AND RACE/SEX/SOCIAL CLASS/GENDER IDENTITY INTERSECTIONS, TO BETTER UNDERSTAND YOURSELF WITH RESPECT TO THESE VARIOUS IDENTITIES, AND TO PROVIDE LEADERSHIP WITH RESPECT TO THE CRITICAL CONCEPTS ASSOCIATED WITH RACE.

 Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>. THIS IS A BLENDED COURSE. MEETS AS SCHEDULED WITH SOME WORK ONLINE.

<p>Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <a href="http://nextgen.unt.edu">http://nextgen.unt.edu</a>.</p>

<p>Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners.  Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

Are you ready to look forward to class? NextGen courses are designed to provide today's students with  
choice learning opportunities and first-rate learning environments. NextGen classes use a combination of  
experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online  
learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional  
large group lectures ensure that students still have face time with their instructor and peers in the classroom.  
NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen  
classes and to experience some NextGen online interactives, visit <http://nextgen.unt.edu>.

Are you ready to look forward to class? NextGen courses are designed to provide today's students with choice learning opportunities and first-rate learning environments. NextGen classes use a combination of experiential/small group learning activities to give learners the feel and benefits of a smaller class size; online learning exercises give students more flexibility as well as a hands-on approach to learning; and traditional large group lectures ensure that students still have face time with their instructor and peers in the classroom. NextGen courses are built to serve UNT's next generation of learners. For more information on NextGen classes and to experience some NextGen online interactives, visit <a href="http://nextgen.unt.edu">http://nextgen.unt.edu</a> .
