Pre-Studio Art students must meet the following criteria of admission to the Photography concentration:

Complete at least 30 hours of college courses (including the following) and:

REVIEWS FOR PHOTOGRAPHY STUDENTS

Students will be expected to develop the following minimum competencies before completion of a B.F.A. degree in the concentration of Photography or a minor in Photography.

- Technical competence in both digital and analog photographic imaging.
- Awareness of photography as an art medium in historical and contemporary context.
- Development of sound art concepts into a portfolio of creative work.

Entry Review

Students wishing to pursue a concentration or minor in Photography must:

1. Complete ASTU 2250 (Photography I) and 2555 (Photography II) with the grade of A or B
2. Identify themselves as a major or minor to their instructor during Photography I or Photography II

Transfer Credit

The College of Visual Arts accepts ARTS 2356 Photography I as a direct equivalent to ASTU 2250 with the grade of "C" or better. However, the concentration in Photography requires that Photography majors get a "B" or better to receive major credit. All Photography students that transfer in with a "C" will receive art elective credit only and will be required to retake ASTU 2250 to meet degree requirements.

Senior Exit Review

A Senior exit review is required of all seniors in the College of Visual Arts and Design prior to graduation in order to establish that basic competencies in the major are met. For photography majors this review occurs during the last ASTU 4250 Photography Studio the student is required to take before graduation. Graduating seniors should identify themselves to their instructor during the first week of class. Reviews are not conducted during summer sessions.

The senior exit review includes a creative portfolio of images that will be included in a group exhibition. Should the show not actually be installed, the portfolio will be presented to the photography faculty for review. Students will submit the following for the senior exit review:

1. Portfolio of related images prepared for exhibition
2. Written artist's statement
3. URL to professional portfolio website

Students who do not successfully complete the review will receive a grade of "incomplete" for ASTU 4250 and will be barred from graduation until deficiencies are corrected.

Results

A record of review outcomes will be furnished to the student and recorded for the College of Visual Arts and Design.

STUDENTS WHO DO NOT HAVE AN OFFICIAL DEGREE PLAN ON FILE BEFORE THE SEMESTER THEY PLAN TO GRADUATE MAY NOT APPLY FOR GRADUATION.
