

Affiliate Enrollment Program

Beginning Fall 2015, UNT Dallas will start operating independently from UNT in Denton, Texas. This independent operation began with UNT Dallas receiving separate accreditation in Spring 2014. During this time of transition, our goal is to make sure our students do not experience any disruption of service.

UNT and UNT Dallas have entered into an agreement (Affiliate Enrollment Program) to allow eligible degree-seeking students enrolled at UNT or UNT Dallas to cross register at either institution. Affiliate Enrollment Program eligibility requirements:

- Be enrolled at UNT during the previous long (Fall or Spring) semester prior to your anticipated semester enrollment at UNT Dallas.
- Be in good academic standing at UNT.
- Be in good financial standing at UNT.

The information below outlines the process for a UNT student wishing to enroll in UNT Dallas courses.
