

## Show Your Class, Jags!

Congratulations on your graduation from the **University of North Texas at Dallas!** You worked hard to achieve your goals, and we truly hope the investment you made in education will help you find success in your career and your personal life.

Next semester, *a new class* of incoming freshmen and transfer students will be entering UNT Dallas with the same hopes and dreams you had a few years ago. But many will need help in order to achieve those dreams.

You can help these students with just a small Class Gift to UNT Dallas!

### Show Your Class – Support student scholarships at UNT Dallas.

Check one:

Class of 2014 — Gift of \$20.14     Class of 2015 — Gift of \$20.15     Class of 2016 — Gift of \$20.16

A “**Show Your Class**” gift may not seem like much, but with other gifts just like them, they can add up quickly.

Your college education was a good investment in your future. You can invest in the future of a student and the future of our communities.

**Yes, my education at UNT Dallas was a good investment for me.**

Now I want to **Show My Class** and invest in a future student at UNT Dallas with a Class Gift!

**I want to give a little extra back,** so I will make a Class Gift now, and I will also pledge a Class Gift each year for the next 3 years.
