Students who do not participate in class discussions and/or students who are not prepared to answer questions when called upon by instructor will not receive class participation points.

***Attendance is required for all class presentations. I will deduct 5 points from your final grade for every class you miss during class presentations.**

Student Evaluation of Teaching Effectiveness Policy:

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:

Please see the Course Evaluations section above for my policy related to assignments in this course.

Exam Policy:

The exams will consist of descriptive essays, listing, and/or short answer questions. There will be no make-up exams unless you have a university-recognized emergency and notify me prior to the exam that you will have to reschedule.

NO CELL PHONES WILL BE PERMITTED DURING THE EXAMS. YOU WILL BE SUBJECT TO A 5-POINT DEDUCTION ON YOUR EXAM FOR A VIOLATION OF THIS RULE. THIS INCLUDES A RINGING OR AUDIBLY VIBRATING CELL PHONE OR THE USE OF TEXT MESSAGING. As a courtesy, please do not bring food or drink to class during exams. During exams, ALL ITEMS other than what is needed to take the exam (Blue Book, and a pen or pencil) must be under your desk. You must provide your own Blue Book.

Academic Integrity:

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. Refer to the Student Code of Conduct at http://www.unt.edu/csrr/student_conduct/index.html for complete provisions of this code.

Bad Weather Policy:

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call the UNT Dallas main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.

Diversity/Tolerance Policy:

Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

Use of Cell Phones, Laptops & other Electronic Gadgets in the Classroom:

I do not prohibit the use of electronics in the classroom as a general rule. I trust that most students are using these devices to further their education and for educational purposes during class. However, if it comes to my attention that these devices are creating a distraction to you or to other students, I reserve the right to change this policy by communicating such a change in class and via email.

Food & Drink in the Classroom:

I do not prohibit food or drink the classroom during classes, but as a courtesy to your fellow test takers, please do not bring food or drink during exams. If this becomes a distraction, I reserve the right to change this policy by communicating such a change in class.

Disruptions:

I reserve the right to ask anyone who is creating a disruption during class to leave the room. Please be respectful of your fellow students. Come to class on time and stay until class ends. Students constantly coming into and leaving the classroom during class create a distracting environment for the other students as well as the instructor.
