Course and University Policies and Procedures

Late Work

No late work is accepted in the course. If you feel you are falling behind in the course or struggling to meet deadlines, please come speak to me **before** assignments are due.

Attendance

Attendance in class is required. In each 15-week semester, students may have up to four (4) unexcused absences. After these four unexcused absences, a student's final grade may be reduced at the discretion of the instructor. After six (6) unexcused absences, the student may fail the class due to an absence failure.

In each 8-week semester, students may have up to two (2) unexcused absences. After these four unexcused absences, a student's final grade may be reduced at the discretion of the instructor. After four (4) unexcused absences, the student may fail the class due to an absence failure.

Absences may be considered excused only if 1) students have made pre-arranged plans with the instructor for events and circumstances that are appropriate for missing class or 2) the student has documentation (timestamped picture, official note, dated materials) of extenuating circumstances.

Writing Center Bonus Points

Good writers do not write in a vacuum; rather, they seek feedback and assistance from many people and groups. One of the best resources to use on campus is the Writing Center, where a trained writing consultant can help students review and revise their papers, no matter what stage they're at.

Students who voluntarily visit the Writing Center beyond any instructor or course requirements will receive a bonus equivalent to 1% of their total final grade, and may receive a maximum of 5% of their total grade in bonus through these voluntarily visits.

Revision Policy

For each major project in the course, students have the option to revise and resubmit the project one more time after the instructor has given feedback and a grade on it. Revisions that substantially improve the project will earn new grades, and those grades will replace the older score.

To qualify, revisions must change the paper in significant and substantial ways; revisions that only correct mechanical errors will not be eligible for new grades.

Students with Disabilities (ADA Compliance)

The University of North Texas at Dallas makes reasonable academic accommodation for students with disabilities. Students seeking accommodations must first register with the Disability Services Office (DSO) to verify their eligibility. If a disability is verified, the DSO will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, DSO notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet/communicate with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Disability Services Office website at <http://www.untdallas.edu/disability>. You may also

contact them by phone at 972-338-1777; by email at UNTDDisability@untdallas.edu or at Founders Hall, room 204. (UNT D Policy 7.004)
