*The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Any student requesting academic accommodations based on disability is required to register with Disability Services each semester. A letter of verification for approved accommodations can be obtained from the disability office. Please be sure the letter is delivered to me as early in the semester as possible. For more information, you may visit the Student Life Office, Suite 200, Building 2 (open Mon – Friday 8:30am to 5:00 pm) or call **972-338-1775**.*

Student Evaluation of Teaching Effectiveness Policy:

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:

All required assignments and discussion boards must be submitted by the posted due dates and in the proper MLA format to receive credit. Part of the format that is expected is that all final drafts of essays, journals, free writes, summaries, etc are to be submitted as both paper copies and digital submissions in the location that the professor specifies by the start of class. Failure to turn in one of the two submissions on time results in a 0. All work must be created solely for the purposes of this class and must be the student's own. Students should keep a copy of all materials handed in during the course. Grades will be updated every week and feedback given through email, Bb comments, turnitin.com and/or rubrics. **NO LATE WORK WILL BE ACCEPTED.** Grades are posted as the grading is completed. Students have access to the grade book at all times.

Exam Policy: Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).

Academic Integrity:

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of Academic Integrity policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. For complete provisions of this code, please refer to the Student Code of Academic Integrity at http://www.untDallas.edu/sites/default/files/page_level2/pdf/policy/7.002%20Code%20of%20Academic_Integrity.pdf In addition, all academic work submitted for this class, including exams, papers, and written assignments should include the following statement: **On my honor, I have not given, nor received, nor witnessed any unauthorized assistance that violates the UNTD Academic Integrity Policy.**

Bad Weather Policy:

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website <http://www.untDallas.edu/>. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.

http://www.untDallas.edu/sites/default/files/page_level2/pdf/policy/7.005%20Student%20Attendance.pdf

In addition to the above information, **an excessive absence pattern may be an important factor in determining quiz, assignment, and test makeups as well as in averaging borderline letter grades. The policy for this course is as follows. More than three unexcused absences may lead to a failing grade for the course.**

Diversity/Tolerance Policy: Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Office of Student Life as the instructor deems appropriate.
