# Week 16 Lesson 3 exam and cultural project DUE !!

#### **COURSE EVALUATION METHODS**

This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course.

- 1. **Class participation:** Participation in class discussions and attendance will be graded every week (starting week 2). Attending class late, making constant use of the cell-phone (or other devices i.e. computer) will result in a lower grade. If you attend class more than 10 minutes late your grade will be lowered to a 75%. The same will occur if you are constantly speaking in English in class and you are not participating. See rubric below for participation. (15%)
- 2. **Homework-SUPERSITE**: This is a web-enhanced course. Students will have to complete homework before coming to class. Homework will be graded every-week after the third week (15%)
- 3. **Composition (1)**: Students will have to write 1 in-class composition designed to apply the grammatical structures and vocabulary learnt in the class (200 words). (5%).
- 4. **Chapter Exams (3):** There will be three major written examinations during the semester designed to measure the student's capacity to apply grammar and knowledge of vocabulary covered in class. (30%).
- **5. Quizzes (3):** There will be three guizzes during the semester. (15%)
- **6.** Oral Exam (1): There will be 1 oral exam during the course. (10%)
- 7. Cultural project: There will be one project due at the end of the course. All work should be submitted in a form consistent with the norms established by the instructor. The writing part of the portfolio activities will be in English but the "vocabulary enhancement" activities will be in Spanish. You will have to complete two of the activities below for 50 points each by the end of the semester. Each activity has a different handout or "hoja de lectura" you need to work on.(10%)

#### **University Policies and Procedures**

#### Students with Disabilities (ADA Compliance):

The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. Grades assigned before an accommodation is provided will not be changed as accommodations are not retroactive. For more information, you may visit the Student Life Office, Suite 200, Building 2 or call Dr. Cynthia Suarez 972-338-1777

#### **Student Evaluation of Teaching Effectiveness Policy:**

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

#### **Assignment Policy:**

Late Work: No late work is accepted for credit.. Please, contact me beforehand if you are going to miss class. If you were sick or something absolutely important happened in your life I need documentation so that you can make up work. Students who must be absent may turn in scheduled work ahead of time with the instructor's permission. After 5 consecutive absences I can do an administrative withdrawal of you from the course. For the compositions, be sure that you write the correct amount of words or more I am asking you (that means that if the composition is 350 words you should write three hundred and fifty words and no less). Do not use translators! Or ask a friend to help you too much with your assignment. If I discover that you have cheated in one of the compositions you will have to redo the assignment in my office.

#### **Exam Policy:**

Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).

#### **Academic Integrity:**

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of Academic Integrity policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. Refer to the Student Code of Academic Integrity at <a href="http://www.unt.edu/unt-">http://www.unt.edu/unt-</a>

 $\frac{dallas/policies/Chapter\%2007\%20Student\%20Affairs,\%20Education,\%20and\%20Funding/7.002\%20Code\%20of\%20Academic\_Integrity.pd~for~complete~provisions~of~this~code.$ 

In addition, all academic work submitted for this class, including exams, papers, and written assignments should include the following statement:

On my honor, I have not given, nor received, nor witnessed any unauthorized assistance that violates the UNTD Academic Integrity Policy.

#### **Bad Weather Policy:**

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website <a href="https://www.unt.edu/dallas.">www.unt.edu/dallas</a>.

Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

#### **Attendance and Participation Policy:**

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency.

Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.

#### **Diversity/Tolerance Policy:**

Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Office of Student Life as the instructor deems appropriate.

#### Blackboard Learn

This class will use blackboard learn. In blackboard I will post your grades, composition and support materials for the course. It is important that you check the website every day. However for personal communication I will use unt webmail (not blackboard).
