Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook). The instructor must be notified before the exam is scheduled for a makeup to be allowed. The student is responsible for arranging the makeup exam with the instructor. Any required make-ups will be administered during the week prior to the final exam.

### Quizzes

There will be a quiz after each chapter. Each quiz (12 in total) will be worth 10 points and the student must drop the lowest quiz. Quizzes are important in that they help the student review the chapter material and will be of a nature similar to exam questions. See CengageNow for dates and times. There are no make-ups for quizzes.

### Attendance/Required Study

Attendance and preparedness is expected and required for all classes. Points are allocated for attendance **and preparedness**. **Class will be conducted on the assumption that all reading and written assignments have been studied and have been completed to the best of the student's ability prior to the class for which assigned. (Preparation for class by reading the chapters and working the homework problems is essential.)**

Attendance/Preparedness will be graded daily. Each day attendance will be taken, either orally or with an attendance sheet. **STUDENTS ARE TO ANSWER "PREPARED", OR TO SIGN THE SHEET ONLY IF PREPARED FOR THE DAY'S ASSIGNMENT. STUDENTS UNABLE TO GIVE A RECITATION ON CURRENT MATERIAL WHEN CALLED UPON WILL BE CONSIDERED ABSENT FOR THAT DAY. STUDENTS ARE RESPONSIBLE FOR SIGNING THE DAILY ATTENDANCE/PREPAREDNESS SHEET BY THE END OF THE CLASS PERIOD.** If you do not wish to be called upon (using one of your available absences-see below), please give me a note to that effect prior to the beginning of class for that day.

#### POINT SCALE

0-1	Absences	100 points
2	Absences	85 points
3	Absences	70 points
4	Absences	55 points

**(This policy will go into effect beginning with the 3rd week of class.)**

#### **Audit Case: Biltrite:**

Each team (2 students) will be expected to work together to complete a comprehensive audit case (Biltrite), **which illustrates auditing procedures and workpapers.** The case consists of four (4) modules @ 25 points each, or a total of 100 points. See CengageNow for due dates. **University Policies and Procedures**

#### **Students with Disabilities (ADA Compliance):**

The University of North Texas Dallas is on record as being committed to both the spirit and letter of federal equal opportunity legislation; reference Public Law 92-112 – The Rehabilitation Act of 1973 as amended. With the passage of new federal legislation entitled Americans with Disabilities Act (ADA), pursuant to section 504 of the Rehabilitation Act, there is renewed focus on providing this population with the same opportunities enjoyed by all citizens.

As a faculty member, I am required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of that disability. Student responsibility primarily rests with informing faculty of their need for accommodation and in providing authorized documentation through designated administrative channels. For more information, you may visit the Student Life Office, Suite 200, Building 2 or call 972-780-3632.

The Department of Accounting is committed to full academic access for all qualified students, including those with disabilities. In keeping with this commitment and in order to facilitate equality of educational access, faculty members in the department will make reasonable accommodations for qualified students with a disability, such as appropriate adjustments to the classroom environment and the teaching, testing, or learning methodologies when doing so does not fundamentally alter the course.

If you have a disability, it is your responsibility to obtain verifying information from the Office of Student Life and to inform me of your need for an accommodation. Grades assigned before an accommodation is provided will not be changed. Information about how to obtain academic accommodations can be found in UNTD Policy 7.004, [Disability Accommodations for Students](#), and by visiting Student Life, building 2, Suite 200. 972-780-3632, [studentlife@unt.edu](mailto:studentlife@unt.edu).

**Student Evaluation of Teaching Effectiveness Policy:**

The student evaluation of teaching effectiveness is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider this survey to be an important part of your participation in this class. For this reason, all students that complete the survey and show the acknowledgement to me will be awarded 5 points to their total grade. I only need to see the acknowledgement, as your survey responses are confidential and anonymous.

**Academic Integrity:**

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of Academic Integrity policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. Refer to the Student Code of Academic

Integrity at [http://www.unt.edu/unt-dallas/policies/Chapter%2007%20Student%20Affairs.%20Education.%20and%20Funding/7.002%20Code%20of%20Academic Integrity.pdf](http://www.unt.edu/unt-dallas/policies/Chapter%2007%20Student%20Affairs.%20Education.%20and%20Funding/7.002%20Code%20of%20Academic%20Integrity.pdf) for complete provisions of this code.

**Bad Weather Policy:**

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campus main voicemail number (972) 780-3600 or search postings on the campus website [www.unt.edu/dallas](http://www.unt.edu/dallas). Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

**Diversity/Tolerance Policy:**

Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

**Other Policies:**

- **Use of Cell Phones & other Electronic Gadgets in the Classroom.** Cell phones are permitted in the classroom, but must be set to “vibrate” or “silent” during class. Answer calls outside, if you must, but cell phone conversations, texting, and similar activities **will not be permitted in the classroom**. If the student is texting during the class, a warning will first be given. The second incident will result in the student being considered absent for the class for that day.
- **Use of Laptops.** You are encouraged to use laptops, iPads, and similar devices to assist in taking notes and researching topics related to the class. They must not be used for social activities, games, etc., during class time.
- **Use of Blackboard Learn.** Blackboard Learn is an important communication and education tool. You will be expected to be competent in this technology, and to inform the instructor if you need help.
- **Grade of Incomplete, “I”** - This grade is given in very specific time periods and circumstances. Consult your Student Handbook for details.
