## University Policies and Procedures

### Students with Disabilities (ADA Compliance):

The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students' with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. Grades assigned before an accommodation is provided will not be changed, as accommodations are not retroactive. For more information, you may visit the Student Life Office or call Laura Smith at 972-338-1779.

### Student Evaluation of Teaching Effectiveness Policy:

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

### Assignment Policy:

ALL HOMEWORK ASSIGNMENTS in this class will be DUE on THURSDAYS by MIDNIGHT in Blackboard. Submit whatever you have done, even if it is not finished, to earn some credit. No late assignments will be accepted.

As a part of the course, you should complete and submit for grading ALL software assignments. These assignments are designed to help you learn the course material and to prepare for the exams. THERE WILL BE QUESTIONS ON EACH EXAM ABOUT THE SOFTWARE ASSIGNMENTS. More details on the assignments are provided separately in "exploding" zip files downloadable from Blackboard and as an independent handout.

## Exam Policy

We will test your knowledge of all material assigned or taught in this course. THERE WILL BE EXAM QUESTIONS ABOUT THE LECTURE MATERIAL, WEB, EXCEL, AND POWERPOINT ASSIGNMENTS.

There will be THREE semester exams and an optional, comprehensive, final exam.

If you miss one of the 3 semester exams, you **MAY TAKE THE OPTIONAL COMPREHENSIVE FINAL EXAM TO SUBSTITUTE FOR ONE LOW [or missed] SEMESTER EXAM GRADE.**

You may elect to take the **OPTIONAL** comprehensive final exam and **SUBSTITUTE** the optional comprehensive final exam grade **for any low semester exam grades** or to **replace a 0 on a missed semester exam.** **YOU MUST TAKE THE OPTIONAL COMPREHENSIVE FINAL EXAM WITH YOUR OWN SECTION. IF YOU ATTEMPT TO TAKE THE FINAL EXAM WITH ANOTHER SECTION, YOU WILL RECEIVE A ZERO '0' ON THE EXAM.**

If you are pleased with the 3 semester exam grades, you DO NOT have to take the final exam.

THERE IS NO MAKE-UP FOR THE OPTIONAL FINAL EXAM – If you do not take the optional final exam, we will **use the 3 semester exam grades as the basis for your course grade.**

No electronic devices can be used during the exams.

All exams will be CLOSED BOOKS, CLOSED NOTES. The use of any books or notes during the exams will be considered cheating and will result in an 'F' grade for the course

## Academic Integrity:

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website [www.untDallas.edu](http://www.untDallas.edu). Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

## Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent. In class exams or other assignments are given at every class meeting and cannot be made up.

## Diversity/Tolerance Policy:

Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions, which violate

the Code of Student Conduct, will be referred to the Center for Student Rights and Responsibilities, as the instructor deems appropriate.

### **Other Policies:**

Mutual respect and courtesy.

Professional quality in the organization, completeness, neatness, and timeliness of any material submitted will be expected.

**Late assignments will not be accepted!** However, the professor realizes that exceptional situations (such as justified emergencies or medical situations) do occur. In such cases, please inform your professor via e-mail to obtain special permission for late submission, prior to the deadline.

A student may not do additional work or repeat an examination to raise a final grade.

### **Instructor's Blackboard Site**

Your instructor will use Blackboard to provide additional information and material in support of the course.
