Ifeliance from the first from the fi

Through misty clouds across the USS Utah Memorial on Ford Island, the sun peeked out as if to welcome home a fallen hero.

During an ash-scattering ceremony held Nov. 15, Chief Petty Officer Edwin Ray Penrose, U.S. Navy retired, was laid to rest near his fellow shipmates.

Penrose's family gathered around the historical landmark to celebrate the life of their American hero, surrounded by memories of rendered, including a rifle salute, Taps and flag-folding ceremony provided by the Navy Region Hawaii Ceremonial Guard.

and death. Let us now praise him for the life of Edwin Penrose."

Penrose's son, Steve, spoke of his father's true devotion to being a Sailor.

"He was proud to serve in the United States Navy. He never really spoke about his time in Pearl Harbor, but we knew that it had special meaning for him because this is where he wanted to scatter his ashes," Steve said.

Edwin Ray Penrose joined the Navy in 1940 at the age those who went before him. of 18. At the time of the Full military honors were attack on Pearl Harbor, he was assigned to the USS Rigel, which was in the shipbecause she was in the pro-

recounted.

returning from church, they saw the bombers heading low over the harbor and they immediately knew what was about to happen," Steve

Penrose returned to his ship and gathered the crew to man the rescue efforts with the ships' boats. He was in one of the boats that pulled numerous Sailors from the burning flames of the ignited oil on the water.

Jim Taylor, retired Navy Master Chief and Navy Region Hawaii's Pearl Harbor survivor liaison, described Rigel's involvement on Dec. 7, 1941.

"Their crew was credited yard and without weapons for saving over 75 men that were probably blown overcess of being converted from board or jumped off their 11, 1960.

ship, the battleship West

Virginia," Taylor explained. Penrose was devoted to the Navy, but his wife was chronically ill. So he reluctantly initiated a request that the Navy grant him shore duty.

"My dad loved the Navy, but my mom was sick and could not care for us. He gave up being promoted so that he could stay with the family," his son said.

Penrose went on to serve throughout World War II, re-enlisted and remained in the Navy until he retired as a chief opticalman on July

Steve and his wife, Pat, their daughter Tricia and son-in-law, Tom, and Penrose's two-year-old greatgrand-daughter, Emma, along with Penrose's niece, Nannette, made the trip to Hawaii to experience the history their beloved Sailor

As the family members gathered, they were comforted to know that they had fulfilled Edwin's last wishes.

SDVT-1 claims second straight soccer title

Story and photos by Randy Dela Cruz

Sports Editor

Three months after winning the Navy Intramural Soccer League championship, SEAL Delivery Vehicle Team One (SDVT-1) captured its second title in a row after defeating Shipyard, 3-0, to win the Soccer Summer League (SSL) playoffs and crown at Ward Field, Joint Base Pearl Harbor-Hickam, on Nov. 13.

The SSL is a pay-to-play league that is open to active duty military and their family members 18 years and older, and Department of Defense (DoD) employees connected with Pearl Harbor, Barbers Point, Computer Telecommunications Area Master Station (NCTAMS), West Loch and Kunia.

In winning the summer league, SDVT-1 capped off an outstanding season in which the team finished the regular season with a 7-0 record, before going 3-0 in the one-day playoffs.

"We were confident that we would be in the 3:30 (championship) game," said SDVT-1 Master-at-Arms 2nd Class Chance Scott, who scored two goals against Shipyard. "Everybody knew the skills that they had, so nobody felt pressured."

As the top seed in the playoffs, SDVT-1 received favorable positioning in the post-season bracket and after winning its first two playoffs games, the team enjoyed a one-and-a-halfhour break before squaring off for the championship.

won its quarter and semifinal games, the team had 30-minute a turnaround before going into the finals.

Both teams agreed that the difference in rest periods might have dictated the tempo and outcome of the game.

"I'm sure that made a difference," said Marine Capt. Dan Benson, who played in the backfield for SDVT-1. "But that's why you want to work so hard during the Although Shipyard also regular season to come out as the top seed."

From the opening moments of the game, SDVT-1 seemed to use the extra rest to consistently

beat Shipyard to the ball.

Minutes into the first half, SDVT-1 Culinary Specialist Seaman Apprentice Christian Diaz maneuvered down the left sideline before shooting the ball to the opposite side of the field, where Scott took the pass and booted it into the corner of the goal for a 1-0 lead.

Later in the half, Diaz beat the traffic in the middle of the field and kicked in the team's second goal of halftime, Scott took a pass on a free kick and broke out into the

goal. He then blasted a shot past the outreaching arms of Shipyard goalkeeper DoD employee Jayson Nakakura for the

third and final score. "We spread the field on them and made them run after us," said Scott about the team's offensive strategy. "Everybody was just amazing today. This morning was kind of shady, but we got in the groove and put them away.

While ing on all cylinders, its have interrupted the team's

Then following defense was just as effective in stopping Shipyard's usually potent attack.

> Benson said that once SDVT-1 got on the scoreboard, he knew it was time for the defense to step up and take it home.

"We knew we wanted to push the envelope in the beginning," Benson admitted. "We knew we would have the advantage conditioning-wise, so once we got some goals in there and settled with a comfortable lead, that made the rest of the game pretty relaxing."

Army Maj. Joshua Severs, a striker on Shipyard, said the short SDVT-1 turnaround between its offense appeared to be click- semi and final games may

attack just enough to make a difference.

"Our midfield wasn't pushing up forward and all of our long balls were puttering out at midfield," Severs pointed out. "That was the brunt of it."

As the members of SDVT-1 walked off the field with the second title trophy of the year in their clutches, Scott indicated that the win should say a lot about the effort and commitment of the team's players.

Scott offered parting words to any base team that might be thinking about dethroning the cur-

rent two-time champs.
"Come get some," Scott challenged. "We're ready for somebody to try and take us

Big plays lead 15th MXG over 25 ASOS

Story and photo by Randy Dela Cruz

Contributing Writer

The 15th Maintenance Group (15 MXG) turned two interceptions into scores and Airman 1st Class Aaron Maxwell caught a 53-yard bomb for a touchdown in the first half, as the team fought off a strong effort by 25th Air Support Operation Squadron (25 ASOS) to claim a 21-12 victory in a Hickam Intramural Flag Football League game at Hickam football field, Joint Pearl Harbor-Hickam, on Nov. 15.

The victory balanced out the Maintenance Group's league record at 3-3 and left the hard-luck 25th, which started the game with the bare minimum of seven players, still searching for its first win at 0-5.

"We had seven guys playing both ways and we tried to get in rhythm,' said 25th ASOS Senior Airman Brandon Green, who scored all of his team's two touchdowns. "But overall, I think we did a good job coming back in the second half.'

The 25th's slow start in the first half may have been the difference in the game as the Maintenance Group took full advantage of its opponent's lack of synchronicity.

downs ended on an interception by 15 MXG Staff Sgt. Ricardo Goodwyn and the team coughed it up again in its second offensive series when Staff Sgt. Abel Varela picked off a tipped pass near midfield and returned it to the

Airman 1st Class Aaron Maxwell of 15th Maintenance Group (15 MXG) tries to make a catch over the defense of 25th Air Support Operation Squadron (25 ASOS) Staff Sgt. Steven Cox and Airman 1st Class David Berube in a Hickam Intramural Flag Football League game at Hickam Football Field, Joint Base Pearl Harbor-Hickam, on Nov. 15. Maxwell caught two passes for touchdowns and added an interception of defense, as the 15 MXG beat the 25 ASOS by a score of 21-12.

25th's 22-yard line.

The second turnover proved to be more costly than the first, as the Maintenance Group used the short field to punch in The 25th's first set of the first touchdown of the game on only three plays.

The scoring strike came on an eight-yard pass from quarterback Senior Āirman Evan Wilson to Maxwell. The extra point put the 15th out ahead at

stopped on its first two Green, who made the drives by the 15th's ballhawking defense, the team showed some spark after it got the ball on its own 15vard line.

Two short completions 25th quarterback Airman 1st Class David Berube put the ball on the team's 21, before another short pass by the QB to Green brought the team right back into the game.

Berube dumped off a Although the 25th was pass into the hands of sion.

catch, shook off his defender, and turned it up field covered 59 yards and a touchdown that made the score 7-6.

point on, the rest of the first half belonged to the 15 MXG as the team came right back to score a touchdown on its next series and added another TD on the final play before intermis-

On the 15th's second scoring drive, Wilson completed a bomb to Maxwell for a catch-and-run that that moved the chains from the team's 15-yard line to the 25th's eight.

Three plays later, Wilson However, from that took the ball up the middle on a one-yard plunge for a touchdown. The converted point after gave the 15th a 14-6 lead.

Then with time running out, Staff Sgt. Corey Staples intercepted a Berube pass tion, they won't be able to and returned it into 25th stop us."

territory at the 27.

On the first play from the line of scrimmage, Wilson hoisted a rainbow toward the end zone where Maxwell leaped up above the crown to pull in his second touchdown of the game.

"He (Maxwell) always comes through," Wilson said. "You just throw it up anywhere in his general vicinity and he'll come down with it. He was making plays on defense as well.

After halftime, Green replaced Berube at quarterback and seemed to breathe life back into the 25th's offensive attack.

Early in the second half,

Green helped his team stage a short rally by scoring on a 12-yard run that narrowed the margin down to 21-12. Later in the game, the

25th had an opportunity to draw even closer, but Maxwell made an acrobatic play to pick off a pass by Green and end the threat.

Goodwyn, who along with Maxwell form one of the top receiving duos on base, said although the team struggled a bit on offense in the second half, he is confident that the 15th still has the potential to be one of the highest scoring squads in the league.

All it needs is just a few adjustments and the team should be primed and ready, come playoff time.

"We will make the playoffs for sure. Then we'll see what happens once we get there," Goodwyn said. "It's going to be hard to guard me and Max. If we can get a little bit of extra isola-

Weather Squadron pours it on Air National Guard

Story and photo by Randy Dela Cruz

Contributing Writer

The 17th Operational Weather Squadron (17 OWS) subdued a short-Hawaii National Guard (HIANG) team to gain a 29-6 mercyrule win in a Hickam Intramural Flag Football League game at Hickam Football Field, Joint Base Pearl Harbor-Hickam, on Nov. 16.

The HIANG nearly forfeited the matchup after officials spotted only four players on its sideline minutes before the opening kickoff.

League games are played seven-on-seven, but teams are allowed to compete if they have a minimum of five players on the field.

When a fifth player arrived for the HIANG, the team decided to challenge the 17th even though it would face an uphill climb by matching its five against the weather squadron's

"We had to. It's pride," said HIANG quarterback Tech. Sgt. Kani Kilbey.

While the HIANG had its heart in the right place, the mood was quickly tempered by the 17th, which immediately seized control of the game with its two-player advantage.

On its first offensive series, 17 OWS quarterback Lt. Mike Harris completed his first pass for 21 yards, before hooking up with Tech. Sgt. Ricardo Cisneros on a catch-and-run that covered 44 yards and a touchdown. The added point after touchdown (PAT) made the score 7-0.

The 17th also used its two-player advantage on defense, where the team came up with a big play in its first stand against the HIANG offense.

On second down and 14 ing things simple.

Maj. Brad Harbaugh of 17th Operational Weather Squadron (17 OWS) looks for an opening after grabbing an interception during the team's 29-6 win over Hawaii Air National Guard (HIANG) in a Hickam Intramural Flag Football League game at Hickam Football Field, Joint Base Pearl Harbor-Hickam, on Nov. 16. Harbaugh had two picks, while 17 OWS quarterback Lt. Mike Harris threw for four touchdowns, as the team won its fourth game of the season.

yards to go for a first, Kilbey tried to sneak a pass into the middle of the 17 OWS defense, but the toss was tipped and intercepted by Maj. Brad Harbaugh, his first of two, who returned the ball down to the $\ensuremath{\mathsf{HIANG}}$ 12-yard line.

Harris took the first snap from the line of scrimmage and connected with Tyler Lundy for the team's second touchdown. Another PAT extended the lead to 14-0.

After completing his first three passes, with two going for touchdowns, Harris said that to get the job done he focused on keep-

"I was just looking for in the end zone before it hit through the second half to holes in the zone or mismatches," Harris explained. "We had the comfort of knowing that because of the mismatches, if we were in trouble I could run it. But we didn't have to take advantage of that because we were able to make the passes." The HIANG did manage

to put together a good drive just before the end of the first half.

Led by a 38-yard scramble by Kilbey, the HIANG got on the scoreboard on a 16-yard pass from Kilbey to Staff Sgt. Mike Victorino, who snatched a batted ball the turf.

"It was very good concentration on his part," Kilbey said. "He grabbed it for a touchdown and I was happy for that."

Although the HIANG added a sixth player early in the second half, the remainder of the game belonged to the 17 OWS.

Coming out of halftime, Harris led a 10-play, 65yard drive that culminated in a 13-yard scoring strike to Cisneros.

Tech. Sgt. Malik Barnes

produced a safety midway

The 17th defense also got in on the scoring when

up the team's lead to 23-6.

Then with the clock winding down, referees finally ended the game due to the mercy rule, when Harris tossed his forth TD pass of the game. This time, the 17 OWS signal caller lofted an over-the-top strike to Tech. Sgt. Matt De Luca that covered 17 yards.

Following the game, while the score may have seemed one-sided, he was

very happy to get the win. "I give them (HIANG) all the credit because they only

had only five guys," Harris

said. "I told them at the end

that I'm glad they didn't have seven. They're good."

With the victory, the 17 OWS has now won four in a row, after opening the season with back-to-back loss-

Harris stated that if the team continues to stay focused and on track, things should get even better in the coming weeks.

"We're in a good spot Harris pointed out that right now. I think we're really clicking both on offense and defense,' Harris admitted. "We need to keep working on being consistent. As long as we stick with our game plan, we'll move downfield."

Pastor Kelekona Bishaw blesses the opening of the JO Spouse Workshop, "A Hawaii Adventure," with the sponsor, Peggy McAneny. It was held on Nov. 4 at Lockwood Hall.

JO Spouse Workshop offers Hawaii adventure'

Brister Thomas

Contributing Writer

Warfighter and Family Services at Joint Base Pearl Harbor-Hickam sponsored the bi-annual Junior Officer Spouses' Ohana (JOSO) Workshop, "A Hawaii Adventure," on Nov. 4 at Lockwood Hall. Mercedes Welch, co-chair of the JOSO, explained that these workshops are mutually beneficial for all who attend.

"It's a great chance for spouses to gather as "ohana" and network and be with people in their same stage of life as well as gather wisdom and ideas on living from those who have experienced other things," she explained.

The JOSO is comprised of Navy and Coast Guard spouses of CWO1-5 and O1-O4 officers who live on the island of Oahu. Since 2006. spouses have come together to learn from each other and enhance lifestyle skills. Topics for the workshops are selected based on the requests of the JO spouses.

The mission is to "provide information and resources that will empower the JO spouse and enhance their Navy experience, to encourage interaction and networking with other JO spouses,

support systems vital to the Navy lifestyle," according to Christina Landry, a former active duty Sailor and the spouse of a Navy warrant officer.

"I initially got involved because my next door neighbor told me it was a rewarding organization. Once I met the other ladies, I wanted to join the planning committee to help other spouses," Landry said.

The Hawaii adventure theme included Hawaiian quilting ideas from Patricia Lei Murray, a local awardwinning quilter who is currently featured at the La Conner Quilt Museum in Yarn lei Washington. lessons were offered by Joy Shimabukuro, the creative director for Ben Franklin Craft Stores, and Daven Yokota, the Pearl City Ben Franklin Crafts store manager.

Ka'iulani Kauihou, a graduate of Kamehameha Schools and University of Hawaii, shared basics about the Hawaiian language. A spouse, Kara discussed Rittenhouse, Hawaiian folklore, describing the Hawaiian gods that protect Pearl Harbor.

One participant, Kayla Cline, said, "I had a wonderful time. This was my first and to build friendships and JOSO workshop and I

enjoyed it so much. I will definitely be going to the next one. It was a great way to meet other spouses who are going through the same thing I am."

"Each of the workshops takes careful planning," Landry stated. "We meet in the Fleet and Family Support [now Warfighter and Family Services] building, behind Starbucks. We invite anyone interested in participating to come join the meetings. There are about 10 meetings a year, but volunteers do not have to attend all of them. There is never pressure to do more than you can handle," Landry said.

Fried turkey is good ... but don't cook your goose

Victor M. Flint

Battalion Chief, Federal Fire Department

Deep fried turkey is a delicious Thanksgiving holiday alternative. Deep turkey fryers can be purchased from a number of retail outlets. You can purchase complete kits as well. The price you pay will be related to the size and model of fryer that you pick. When done right, the aroma, the presentation and the taste are a delight. It also takes way less time to cook.

Turkey cooks at threeand-a-half minutes per pound. A 17-pound turkey can be fully cooked and ready to go in about an hour - not bad.

Federal Fire Department Hawaii recommends the following guidelines if you are planning to deep fry your next turkey:

- Do not use the fryer inside. Fry outside only.
- Do not attempt to place the deep fat frying pot filled with oil and turkey

gas-operated type of burner with a retaining

• Do not use animal fat frying oil. Use only a vegetable, peanut or cottonseed oil.

Do not attempt to put a big turkey in a little pot. To avoid oil overflow spills, place turkey in the pot, then fill pot with water to four inches from the top. Mark the level of the water on the pot. Then remove the turkey from the water and mark that water level on the pot. Make sure that the pot is big enough for the job. The turkey needs to be completely immersed in the

• Do not attempt to place a frozen or partially thawed turkey in the hot oil. The oil will splatter, pop and spit all over the place.

• Do not overheat the oil. Maintain a temperature of 325 degrees, not to exceed 350 degrees. Use a thermometer that clips to the pot.

over a campfire. Use a • Do not attempt to remove the turkey from the hot oil with the burner on. Turn the burner off before removing the turkey.

• Do not use water on the hot oil in case it flashes or catches on fire. Have a five-pound B-C type of extinguisher in the immediate area, just in case.

To avoid burns, wear gloves, eye protection and shoes (not slippers) when frying. If you get burned, cool burned area immediately with water.

 Have a phone handy to call the fire department (911) if there are any problems (fire, burns,

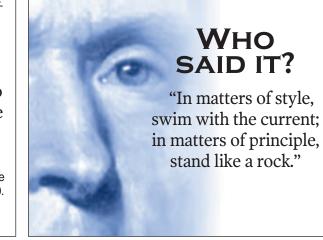

• Never, ever leave the deep fryer unattended not even for a minute. Always have someone standing by who knows what to do if you must leave the area.

For more information about deep frying and other fire-related questions, call Battalion Chief Victor M. Flint at 471-3303, ext. 633.

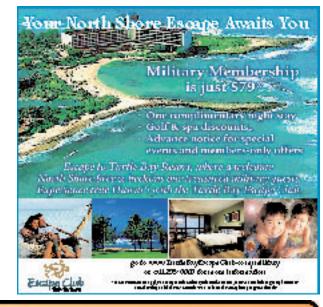

no obligation to give us what we expect."
