Course Evaluation Methods: This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course.

Quizzes – short, written assessment designed to measure knowledge of presented course material
Online Work – short online assignments designed to measure knowledge course material
Portfolio Project – designed for application of concepts presented in course material
Exam – assessment designed to measure knowledge of presented course material
material

Instrument	Total
Quizzes (8 @ 50 pts.)	400
Online Work (point distribution varies)	250
Portfolio Project (2 parts @ 100 pts.)	200
Final Exam: (1 @ 150 pts.)	150
Total Points:	1000

Grade Determination:

A = 900 pts or better = 90% or better B = 800 - 899 pts = 80 - 89 % C = 700 - 799 pts = 70 - 79 % D = 600 - 699 pts = 60 - 69 % F = 599 pts or below = less than 60%

University Policies and Procedures

Students with Disabilities (ADA Compliance): The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students' with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. For more information, you may visit the Office of Disability Accommodation/Student Development Office (Founder's Hall #246)

Student Evaluation of Teaching Effectiveness Policy: The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT-Dallas. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students as I work continually to improve my teaching. I consider the SETE to be an important part of your participation in this class.

Graded Assignment Policy: Exams and quizzes should be taken as scheduled. All graded assignments should be turned in on the due date indicated in the course schedule. If you are unable to complete a graded assignment by the deadline indicated, please contact me PRIOR to the scheduled deadline to make other arrangements. All non-approved late assignments will be penalized one letter grade per day late. All non-approved late assignments turned in more than 5 days late will receive a zero (0).

Exam Policy: Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).

Academic Integrity: Academic integrity is a hallmark of higher education. You are expected to abide by the UNT's code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or **plagiarism**) will be handled in accordance with the University's policies and

procedures. Refer to the Student Code of Conduct at http://www.unt.edu/csrr/student_conduct/index.html for complete provisions of this code.

Bad Weather Policy: On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy: Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent.

Although I will be taking attendance for all of our class meeting, your grade is not calculated with attendance points. Yet, class participation and attendance is still **very important!** Please make a genuine effort to attend all of our classes since pertinent information on the exams and other assignments will be discussed during class time. Additionally, you may not turn in any assignment late except in the event of a documented excused absence.

Homework Policy: Throughout the course, you will be assigned homework assignments to help you practice skills learned in class. These will be announced periodically in-class. While these assignments will not be graded, it is extremely important that you complete the work. Your understanding of these homework assignments will directly affect your grades on quizzes and exams.

Diversity/Tolerance Policy: Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (e.g., swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

WebCT/Blackboard: This course meets face-to-face only on Tuesdays for 15 weeks. All class meetings on Thursday will be held online this semester (as noted in red on the syllabus). Even though we will not be meeting in our regular classroom on these dates, you are still required to participate in these sessions.

Electronic Devices: You may bring laptops to class in order to access electronic copies of the readings or to complete assigned tasks. Other electronic devices, such as cell phones and MP3/4 players, should not be used during class.
