## Course Evaluation Methods

**Assessment Philosophy-** This is a performance-based course. Grading for this course will be based on performance related to specific course requirements. *Performance is considered on a continuum of understanding and practice that will take place across time and will be considered on an **individual basis**.*

Do not compare your performance to that of other students. Grades are weighted by categories.

Students should be aware that simply completing an assignment does not merit the total number of possible points. The following guidelines will be used in determining points earned. All scored materials are kept by the professor after candidates have reviewed them. Therefore, candidates need to keep a paper copy and an electronic copy of each document submitted.

If you are expecting a final grade of "A," do "A" work on every assignment, regardless of the weight.

### Description of Grading System

Grading Scale:

90% - 100%	A	Superior, clearly superior, far above expectation
80% - 89%	B	Good, completed the assignment according to directions
70% - 79%	C	Adequate
60% - 69%	D	Did not meet expectations, but completed assignments
59% and below	F	Clearly below expectation or assignment not turned into the instructor

### Grading Equivalents:

A	=	4	=	+	=	Completed Assignment clearly abv. expectations=	Av.
Grade:		95					
B	=	3	=	√+	=	Completed assignment above average expectations	
		85					
C	=	2	=	√	=	Completed assignment, met minimal expectations	
		75					
D	=	1	=	√ -	=	Completed the assignment, but did not meet expectations	
		65					
F	=	0	=	-	=	Nothing handed in	
		0					

### Final Grade will be calculated on the following category weighted percentages:

Attendance (Attd) =	10%

Professional Disposition- requirement across all assignments

**BLACKBOARD** is the course management system that will be used heavily in this class as a form of obtaining course content, communication & assignments. It is the student's responsibility to familiarize him/herself with Blackboard. **Students will not generally receive hard copy handouts.** Electronic copies and links will be provided for the student to download and make paper copies. All students are responsible for checking their email address as listed on the website for this class. If your email address is not correct, you may miss assignments and updates on visits to the public schools. All students will be responsible for regularly checking the class website for announcements, assignments, discussion board and other pertinent information.

#### **Late or Missed Assignments:**

1. It is my assumption that all work will be turned in on time. Assignments are due at the BEGINNING of class on the due date. Late assignments are accepted only once at the discretion of the professor, and, if accepted, scores are reduced by 10 pts. You will only have 2 days (after the missed day) to hand in a late assignment.
2. Missed exams may be taken *at the discretion of the professor* and the score will be reduced by at least 10% of the available points. There is no provision for make-up of in-class activities such as QW, in class projects, quizzes or the final exam.
3. The professor will retain all scored documents for her records. Therefore, students must keep a paper copy and an electronic copy for their portfolio and their own records.

#### **Buddy System (Self-Selected)**

The first day of class, you will join a group of four. You will work in this group for a variety of purposes throughout the semester. Responsibilities within the group will be:

- ✓ Discussions over readings for class
- ✓ Check all scoring on testing
- ✓ Share packets of leveled texts/book leveling project
- ✓ Observe and support with all testing and student summaries
- ✓ Support in lesson planning and reflection
- ✓ Collect all missed assignments and cover content missed in class
- ✓ Act as a "reminder" and "check point" for all assignments

#### **Student Support**

Extra help is available on an individual or small group basis. The goal is for ALL students to be successful and to provide the necessary support. It is the student's responsibility to request help in a timely manner. Please do not wait until you are in trouble to make an appointment.

#### **Attendance**

##### **Attendance and Participation Policy:**

Attendance and active, constructive, and positive participation at all class meetings is required. The level and quality of our learning in this class depends largely on the level of attendance and quality of class participation and discussions. Thus, you should come to all classes and tutoring sessions well prepared to assume an active, thoughtful, and positive role in the scheduled activities by having read all required readings and completed all class assignments/preparations for the class and/or tutoring experience. This course plays an important role in your professional preparation for teaching. As such, attendance is a crucial professional responsibility. If you know ahead of time that you must miss more than one class session or will not be able to attend all class sessions for the full duration of each class period, please plan to take this course during a different semester when you will be able to attend all class sessions.

Additionally, the success of your peers in this course and the success of students with whom you will work depend on your level of commitment.

Please call me immediately if you have an emergency and must miss a class.

**Please see university policy below for what is considered an excused absence. After two unexcused**

**absences your grade may be lowered a letter grade. Making the instructor aware of the absence does not excuse the absence.**

## **University Policy - Attendance**

### **Student Life & Student Handbook**

Consistent and attentive attendance is vital to academic success, and is expected of all students. Grades are determined by academic performance, and instructors may give students written notice that attendance related to specific classroom activities is required and will constitute a specific percentage of students' grades.

Instructors are strongly encouraged to keep a record of student attendance. They should note absences due to documented student illness, serious illness or death in the student's immediate family, official school activity, state-recognized religious holiday, or other verified absences deemed appropriate by the instructor. Students must consult with instructors regarding the completion of make-up work.

Absences do not exempt students from academic requirements. Excessive absences, even if documented, may result in a student failing the course. An incomplete may be granted if the student has a passing grade, but only if the instructor determines that it is feasible for the student to successfully complete remaining assignments after the semester. Pursuant to university policy, such determinations are within the discretion of the instructor

The following are the guidelines regarding excused absences:

1. Documentation (Physician note and obituaries) for absences will only be accepted within 30 days of the absences.
2. Documented absence does not preclude a student from still being responsible for assigned work and/or test. It is the student's responsibility to contact professors regarding assignments.

## **University Policies and Procedures**

### **Students with Disabilities (ADA Compliance):**

*The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). ### **Student Evaluation of Teaching Effectiveness Policy:**

*The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.*

### **Exam Policy:**

**Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).**
