Course Evaluation Methods

This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course.

Assignments –

- **Cover Letter / Why I want to be a teacher** – A one page introduction of yourself for the portfolio (and prospective employers) explaining your reason for choosing teaching as a profession and outlining some of your strengths for the teaching job. The cover letter is one document for the Introduction section of the TK20 portfolio.
- **Resume** – Develop a resume including professional objectives, relevant teaching and work experience, education, awards, etc. An example resume is provided in the Kauchak and Eggen textbook on page 42. The resume will become a document in the introductory section of the portfolio in TK20.
- **Philosophy of Education** – After reading Chapter 7 in Kauchak and Eggen and following class discussion, write an essay that illustrates and defines your philosophy of education and teaching. The philosophy will be a document in the introductory section of the portfolio in TK20.
- **Portfolio artifacts** – For each INTASC standard you will be expected to upload relevant artifacts and the corresponding reflection.
- **Class Participation** – You are responsible for participating in discussions with your peers on the assigned material or working in a group during class.
- **Teacher Interview** – This is a required assignment for EDEE 3320. You will interview a teacher about important issues relevant to teaching and present your findings in a paper. The teacher interview is one document for the Introduction section of the TK20 portfolio.
- **Final Presentation-** Your final presentation will be on a topic assigned to you, important for pre-service teachers to know about relevant to our course discussions. You will present to the class and provide handouts for each student.
- **TExES Practice Exam** – you are required to take a practice exam. They are given (free of cost) once a month. See Blackboard for registration information.

University Policies and Procedures**Students with Disabilities (ADA Compliance):**

The University of North Texas Dallas is on record as being committed to both the spirit and letter of federal equal opportunity legislation; reference Public Law 92-112 – The Rehabilitation Act of 1973 as amended. With the passage of new federal legislation entitled Americans with Disabilities Act (ADA), pursuant to section 504 of the Rehabilitation Act, there is renewed focus on providing this population with the same opportunities enjoyed by all citizens.

As a faculty member, I am required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of that disability. Student responsibility primarily rests with informing faculty of their need for accommodation and in providing authorized documentation through designated administrative channels. For more information, you may visit the Student Life Office, Suite 200, Building 2 or call 972-780-3632.

The Department of Teacher Education is committed to full academic access for all qualified students, including those with disabilities. In keeping with this commitment and in order to facilitate equality of educational access, faculty members in the department will make reasonable accommodations for qualified students with a disability, such as appropriate adjustments to the classroom environment and the teaching, testing, or learning methodologies when doing so does not fundamentally alter the course.

If you have a disability, it is your responsibility to obtain verifying information from the Office of Student Life and to inform me of your need for an accommodation. Grades assigned before an accommodation is provided will not be changed. Information about how to obtain academic accommodations can be found in UNTD Policy 7.004, [Disability Accommodations for Students](#), and by visiting Student Life, building 2, Suite 200. 972-780-3632, studentlife@unt.edu.

Student Evaluation of Teaching Effectiveness Policy:

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:

All work is expected to meet collegiate standards. Written work should be prepared using word processing technology with a regular 12pt font. Work containing excessive errors in grammar, punctuation, spelling, or typographical errors or work that does not reflect the assignment expectations will be returned ungraded.

Academic Integrity:

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. Refer to the Student Code of Conduct at http://www.unt.edu/csrr/student_conduct/index.html for complete provisions of this code.

Bad Weather Policy:

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is essential because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is necessary to the integration of course material and your ability to demonstrate proficiency. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent. Late arrivals (more than 15 minutes after class begins) or early departures (any time before the class ends) will be considered absences with a pro-rated deduction in discussion points. Students are responsible to notify the instructor by email or cell phone/text if they are missing class and for what reason; the only excused absences are those due to the observance of a religious holiday or participation in university sponsored events (with proper documentation.)

Diversity/Tolerance Policy: *Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.*

TK20 Requirement: *This course requires assignments (Portfolio; Teacher Interview, and the Teacher Disposition Index) that will be uploaded and graded in the UNT TK20 Assessment System. All students in this course must purchase access to TK20. This one time purchase provides access to TK20 for 7 years. Please go to the following link for directions on how to purchase TK20. Announcements regarding training on the use of the TK20 system will also be posted on this website. <http://www.coe.unt.edu/tk20>*

Grade of Incomplete, “I”

A grade of incomplete, “I” will be given only under extenuating circumstances.
