Professional Organizations

The American Finance Association [AFA] (<http://www.afajof.org/>)

The premier academic organization devoted to the study and promotion of knowledge about financial economics.

Certified Financial Planner Board of Standards, Inc. (<http://www.cfp.net/>)

A professional regulatory organization that fosters professional standards in personal financial planning so that the public has access to and benefits from competent and ethical financial planning.

The Financial Management Association International [FMA] (<http://www.fma.org/>)

The global leader in developing and disseminating knowledge about financial decision making. FMA's members include academicians and practitioners across the world.

The Institute of Management Accountants [IMA] (<http://www.imanet.org/>)

The world's leading organization dedicated to empowering management accounting and finance professionals to drive business performance.

International Academy of Business Disciplines [IABD] (<http://www.iabd.org/>)

An organization established in 1987 to foster and promote education in all of the functional and support disciplines of business. The Academy seeks to bridge the gap between theory and practice, and to increase individual awareness of business problems and opportunities in the international marketplace.
