Course Evaluation Methods

This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course. (provide any necessary details of the instruments – examples given)

1. Attendance, participation, and professionalism are professional responsibilities.
2. Discussion Boards regarding textbook chapters and SLO's will be posted on Blackboard each week. Students are to answer the questions and respond to two other classmates.
3. Quizzes for each textbook chapter will be open book.
4. Instrument Presentation and Outline – Students will follow the form and rubric on Blackboard to create an instructional outline and brief 5 to 10 minute video demonstration of how to administer a specific assessment instrument from the list provided.
5. Interview & Assessment Administration Demo Video & Analysis: Students will identify a volunteer who is willing to complete an interview and set of assessment instruments. Students will video tape the first five minutes of the interview process and then administer the assessments. Afterwards, they will complete an analysis of their own strengths and areas for growth.
6. Evaluation Report: Students will write an extensive assessment evaluation report according to the form and rubric posted on Blackboard.
7. Feedback Session Demo Video & Analysis: Students will video tape the first five minutes of a feedback session for the client. They will complete an analysis of their own strengths and areas for growth.

Grading Matrix:

Instrument	Measures SLO	Value (points or percentages)	Total
Discussion Boards		10 x 10 points	100
Quizzes		10 x 10 points	100
Instrument Outline and Video Demonstration		100	100
Interview Video & Analysis		100	100
Evaluation Report		500	500

Feedback Session Demo Video & Analysis		100	100
		Total	1000

Final Grade:

- 1000 - 900 = A
- 899 - 800 = B
- 799 - 700 = C
- 699 - 600 = D
- 500 - 0 = F

University Policies and Procedures

Students with Disabilities (ADA Compliance):

The University of North Texas Dallas faculty is committed to complying with the Americans with Disabilities Act (ADA). Students' with documented disabilities are responsible for informing faculty of their needs for reasonable accommodations and providing written authorized documentation. For more information, you may visit the Office of Disability Accommodation/Student Development Office, Suite 115 or call Laura Smith at 972-780-3632.

Student Evaluation of Teaching Effectiveness Policy:

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class.

Assignment Policy:

Late assignments will automatically receive a 20-point reduction. Late assignments will be penalized an additional 5 points for every additional date that it is not turned in.

Exam Policy:

Exams should be taken as scheduled. No makeup examinations will be allowed except for documented emergencies (See Student Handbook).

Academic Integrity:

Academic integrity is a hallmark of higher education. You are expected to abide by the University's code of conduct and Academic Dishonesty policy. Any person suspected of academic dishonesty (i.e., cheating or plagiarism) will be handled in accordance with the University's policies and procedures. Refer to the Student Code of Conduct at http://www.unt.edu/csrr/student_conduct/index.html for complete provisions of this code.

Bad Weather Policy:

On those days that present severe weather and driving conditions, a decision may be made to close the campus. In case of inclement weather, call UNT Dallas Campuses main voicemail number (972) 780-3600 or search postings on the campus website www.unt.edu/dallas. Students are encouraged to update their Eagle Alert contact information, so they will receive this information automatically.

Attendance and Participation Policy:

The University attendance policy is in effect for this course. Class attendance and participation is expected because the class is designed as a shared learning experience and because essential information not in the textbook will be discussed in class. The dynamic and intensive nature of this course makes it impossible for students to make-up or to receive credit for missed classes. Attendance and participation in all class meetings is essential to the integration of course material and your ability to demonstrate proficiency. Students are responsible to notify the instructor if they are missing class and for what reason. Students are also responsible to make up any work covered in class. It is recommended that each student coordinate with a student colleague to obtain a copy of the class notes, if they are absent. Students will not miss more than 2 classes. Students missing more than 2 classes will receive a penalty on their final grade. This class will not differentiate between excused absence and unexcused absences.

Diversity/Tolerance Policy:

Students are encouraged to contribute their perspectives and insights to class discussions. However, offensive & inappropriate language (swearing) and remarks offensive to others of particular nationalities, ethnic groups, sexual

preferences, religious groups, genders, or other ascribed statuses will not be tolerated. Disruptions which violate the Code of Student Conduct will be referred to the Center for Student Rights and Responsibilities as the instructor deems appropriate.

Optional Policies:

- *This class does not require the use of webct/ecampus/blackboard, but additional class materials will be available on the site.*
- *Use of Cell Phones & other Electronic Gadgets in the Classroom: No electronic gadgets, phones, etc.. will be allowed in the classroom. You will not be permitted to text or take phone calls during class.*
- *Food & Drink in the Classroom: Food and drink are allowed in classroom provided they do not interfere with the educational process.*
- *The Professor for this course will neither ask for nor utilize your personal email for course communications. Students have been issued eagle mail accounts, and all course communication will occur through that email account.*

INFORMED CONSENT FOR ASSESSMENT

I, _____, by signing this consent form, am giving _____ my permission to administer practice counseling-related assessments to myself (or, if the person completing this form is a parent, write the child's name here _____).

I understand that my full name (or my child's full name) will not be used on the write-up or identified in any other manner. In addition, I understand that the results of these assessments will be used solely for counseling student feedback and are not necessarily reliable or valid since the counseling student is in training.

I understand that the counseling student is participating in a learning experience as a part of COUN 5765 (Appraisal), and that the student is not a professional counselor, but is a counselor-in-training. If I have any concerns at any time about this student, I can contact the professor of this class, Dr. Amy McCortney at amy.mccortney@untDallas.edu to discuss my concerns.

*Please indicate your permission to allow testing of you (or your child) by the above counseling student by signing below.
