What is DAMIR?

■ DAMIR is a web-based tool that:

- ✦ Provides enterprise visibility to Acquisition Program Information to include cost, schedule, performance and contract information.
- ✦ Includes all MDAP and MAIS programs.
- ✦ Allows OSD to perform its oversight role and respond to OMB and Congressional needs.
- ✦ Improves data consistency and timeliness of information.
- ✦ Enables two-way information flow.
- ✦ Promotes net-centric information principles.
- ✦ Retires the family of legacy acquisition reporting systems (i.e. Consolidated Acquisition Reporting System (CARS)).

DAMIR Vision

DAMIR

DAMIR Today

■ DAMIR 3.0 Released in Dec 2007

- ✦ Authoritative source for SAR, SAR Baseline and APB data collection
