NARRATIVE SUMMARY**

**4155 - FISC Oakland**

Disposal Action

Pt. Molate - Planned final disposal date is September 2008. The City of Richmond has requested an early transfer and negotiations are underway.

Navy used existing special legislation to convey the main site to the Port of Oakland in June 1999. Some of this property was conveyed prior to completion of required environmental cleanup under early transfer authority.

**CLOSURE/REALIGNMENT ACTION**

The 1995 Commission recommended the closure of the Fleet Industrial Supply Center (FISC), Oakland, California . FISC Oakland closed on 30 September 1998.

FISC Oakland consists of two sites located in different jurisdictions: (1) the main site, located in the City of Oakland, and 2) the Point Molate Naval Refueling Station, located in the City of Richmond. Funding requirements for the third site, Alameda Annex, has been combined with NAS Alameda since those two properties abut one-another and share remediation requirements
