

PRIVACY IMPACT ASSESSMENT (PIA)

For the

Optical Fabrication Automated Management System (OFAMS)

Department of the Navy - TMA DHP Funded System - BUMED

SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of	
nformation (referred to as an "electronic collection" for the purpose of this form) collec	t,
maintain, use, and/or disseminate PII about members of the public, Federal personnel,	
contractors or foreign nationals employed at U.S. military facilities internationally? Cho	ose
one option from the choices below. (Choose (3) for foreign nationals).	

	(1) Yes, from members of the general public.
X	(2) Yes, from Federal personnel* and/or Federal contractors.
	(3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
	(4) No

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

^{* &}quot;Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

e. Does this DoD information system or electronic collection have an OMB Control Number? Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format. Yes **Enter OMB Control Number Enter Expiration Date** X No f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records. (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same. (2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.) (a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII. (b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records. (c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified.
