

Future Charge for MPA Federal Advisory Committee June 2014

How We Work

- What's the model?
 - Sounding board
 - Review board
 - Study board
- Working remotely; staying engaged
- Workgroups to add expertise where appropriate

What we work on.....some initial thoughts

- Connectivity, working at a landscape/seascape scale
 - Practical advice about building and strengthening networks
- Management issues that cross MPA boundaries and programs and tools/approaches to address them
- Models for sustainable financing for MPA programs
