Residential heating oil price decreases

The average retail price for home heating oil fell 5-tenths of a cent from a week ago to \$2.09 per gallon. That's down \$1.20 from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$2.03 per gallon, down 9-tenths of a cent from last week, and down \$1.22 from a year ago.
