Residential heating oil price increases

The average retail price for home heating oil rose 1 cent from a week ago to \$2.13 per gallon. That's down 80 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$2.07 per gallon, up 9-tenths of a cent from last week, and down 83 cents from a year ago.
