## **Residential heating oil price virtually unchanged**

---

The average retail price for home heating oil rose 3-tenths of a cent from a week ago to \$2.38 per gallon. That's up 6-tenths of a cent from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region remained at \$2.33 per gallon, down 1.8 cents from a year ago.
