## **Residential propane prices increase**

---

The average retail price for propane rose 2.3 cents per gallon from last week to \$2.57 per gallon; up 32.2 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. The retail price for propane in the Midwest region averaged 2.08 per gallon, up 2.4 cents per gallon from last week, and up 36.9 cents from a year earlier.

This is Marlana Anderson, with EIA, in Washington.
