RECEIVED BY BPA FOIA OFFICE THIS
DATE: 1/11/12
DUE DATE: 2/9/12
LOG # BPA-2012-00597F

Terry,

Unfortunately, it appears the FOIA office never received this request. Although an automated response was generated, it was never entered into our system and assigned a number. I will process it as quickly as possible.

There have been some changes in the BPA FOIA office - Laura Atterbury accepted another position - so you can direct any questions to me. I have the same telephone number of 503-230-7305.

Thank you for following up. I apologize for any inconvenience. I am working remotely today so I don't have access to the system but, I will get a letter out tomorrow to you with the number and Authorizing Official assignment.

Kim Winn

I believe a compelling need exists to warrant expedited processing because there is an **urgency** to inform the public concerning actual or alleged Federal Government activity exists as described below:

The DEIS data is incomplete and was delivered as a last minute input by BPA. The public has not been allowed to see important data. This request goes beyond what has been disclosed and under NEPA is required to be so.
