Description of Request: Contract issued to Hyundai Heavy Industries on November 13, 2009, for Lot 2, 230kV transformers, resulting from BPA Solicitation SSTR09, Large Power Transformers. This information is requested for purposes of market analysis. We understand the contract is a blanket order, guaranteeing only one single-phase unit. The primary information we are seeking is the unit pricing for each transformer rating available for purchase under the contract, the quantity of each rating purchased to date, the expiration date of the contract, and contract time extension options. We understand the pricing may only be available exclusive of the cost of shipping.
Preferred format: Acrobat .pdf or Word .doc

Type of Requester: Business

I Agree to pay all applicable fees
