### FOIA #BPA-2012-01683-F

Dear Mr. Seligman:

This is a final response to your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

#### **You have requested:**

Listing of all personal services/consulting contracts that have a total dollar value in excess of \$100,000 pulled from the BPA contracting database. Listing should include the following fields if available: title/description/services/subject information, awardee, award value, award date, expiration date, contract number, contract type, contract status. For the period of 2007 to present.

#### **Response:**

The database manager indicates that the results may not be complete, as the database-flags needed to filter-results for this request were implemented after October 2010. The report is on the enclosed CD and released in it's entirety.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal in writing within 30 calendar days of receipt of a final response letter. The appeal should be made to the Director, Office of Hearings and Appeals, HG-1, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

You have agreed to pay fees of \$50. You will be billed separately.

I appreciate the opportunity to assist you. Please contact Kim Winn, Communications Specialist, at 503-230-5273 with any questions about this letter.

Sincerely,

*/s/Christina J. Munro*
