The following is a New FOIA request:

Name: Robert Zornes
Organization: none
Address: Ex 6
Phone:
No FAX number provided
Email: Ex 6

Description of Request: I am making this request because my former request BPA FOIA 2012-01715 entered Aug 6, 2012 did not show any easement of any kind in favor of BPA across below described property even though such a BPA transmission line does, in fact, transverse said property, including two BPA lattice towers..... Please provide copies of any and all BPA easements, permits, or right of ways; for transmission lines, towers or access roads on property located at www.bpa.gov/go/bek The legal description is Ex 6

Ex 6 Any BPA easement means government to government or private to government or any combination thereof..... Also please include any correspondence, notes, surveys, or governmental permits or actions taken or made " with said property " in connection with the placement of the McNary transmission line in the 1950's including any historical or cultural resources that BPA might have taken into consideration at time of obtaining easements and permits in the 1950's for said property..... Thank you for fulfilling my previous request for which I was billed \$177.41 The disk BPA provided was very easy to use and helpful. However I hope that this request will not cost as much, especially since the BPA easement now requested was not on the disk previously paid for but within the parameters of the previous request..... Thank you again for your help and friendly service.

Preferred format: hard copies

Type of Requester: Personal

I request a **fee Waiver**

I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:
