FOIA #BPA-2012-01815-F

Dear Ms. Brantley:

Thank you for your request for records that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your email was received in this office on Wednesday, August 29, 2012, and has been assigned a control number, BPA-2012-01815-F. Please use this number in any correspondence with the Agency about your request.

You have requested the following:

All documents related to an I-5 Corridor Reinforcement Project meeting held May 31, 2012, at the U.S. Army Corps of Engineers.

We have reviewed your request and have determined that it addresses all of the criteria of a proper request under the FOIA, DOE, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. Your fee waiver has been granted.

I understand that your request was made on June 19, 2012, through the BPA online FOIA request system, but that our system failed to deliver it to the appropriate inbox. I apologize for any inconvenience. We have noted the system failure in the DOE FOIA tracking system. We have also asked our webmaster to institute a test of the system.

BPA has twenty (20) working days to respond to your request. The due date for a response to you is Thursday, September 27, 2012.

I appreciate the opportunity to assist you. Please contact Kim Winn, Communications Specialist at 503-230-5273 with any questions about this letter.

Sincerely,

For /s/Kim S. Winn
