FOIA #BPA-2012-01869-F

Dear Ms. Clark:

Thank you for your request for records that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your email was received in this office on Monday, September 10, 2012, and has been assigned a control number, BPA-2012-01869-F. Please use this number in any correspondence with the Agency about your request.

You have requested the following:

How many GS-9 or above archaeologists (series 0193) work for BPA? How many of these archaeologist have a Master Degree and how many have a PhD?

Although the FOIA does not answer questions, but provides documents, your request will be interpreted to request documents that may have that information. We will also attempt to pull a listing from a database. Therefore, we have determined that your request addresses all of the criteria of a proper request under the FOIA, DOE, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004.

Your request for a fee waiver is denied. You have agreed to pay fees of \$25.

BPA has twenty (20) working days to respond to your request. The due date for a response to you is Monday, October 9, 2012.

I appreciate the opportunity to assist you. Please contact Kim Winn, Communications Specialist at 503-230-5273 with any questions about this letter.

Sincerely,

/s/Christina J. Munro
